On July 20, 2006, Infinity Pharmaceuticals, Inc. issued a press release announcing that it had extended its agreement with Amgen Inc. The text of the press release is as follows:

**FOR IMMEDIATE RELEASE**

**INFINITY ANNOUNCES EXTENSION OF AMGEN AGREEMENT**

CAMBRIDGE, Mass. July 20, 2006 - Infinity Pharmaceuticals Inc. announced today that Amgen Inc. has extended its non-exclusive access to Infinity's collection of diverse, natural product-like compounds for drug discovery. Under the terms of the agreement, Amgen has the right to develop drug candidates it has identified from Infinity's compound collection. Infinity received an up-front license fee from Amgen and is eligible to receive milestones and royalties based on successful pre-clinical and clinical development and marketing of products resulting from Amgen's use of Infinity's compounds.

Infinity first announced its collaboration with Amgen on January 8, 2004 at which time Amgen made a \$25 million equity investment in Infinity. Amgen currently owns less than 10% of the Company.

**About Infinity's Diversity Oriented Synthesis**

Infinity's proprietary chemistry, Diversity Oriented Synthesis (DOS), allows Infinity to create collections of innovative, diverse, natural product-like compounds for drug discovery. Through alliances that have provided Infinity with over \$60 million in upfront and committed funds, as well as potential milestone and royalty payments, Amgen, Novartis, and Johnson & Johnson are using Infinity's collection of DOS compounds in their own drug discovery efforts. While Infinity has non-exclusively licensed its compound collection to these pharmaceutical partners, Infinity recently announced its first partnership involving product candidates discovered by Infinity from its DOS collection.

**About Infinity Pharmaceuticals, Inc.**

Infinity is an innovative cancer drug discovery and development company that leverages its strength in small molecule technologies to bring important new medicines to patients.
