Item 1.01 Entry into a Material Definitive Agreement.

On March 21, 2007, we entered into an underwriting agreement with Morgan Stanley & Co. Incorporated and UBS Securities LLC, as underwriters, in connection with our previously announced public offering. We agreed to sell an aggregate of 5,000,000 shares of our common stock to the underwriters at a price of \$12.89062 per share, representing a discount of \$0.85938 per share from the public offering price of \$13.75 per share. We also granted the underwriters a 30-day option to purchase up to an additional 750,000 shares to cover over-allotments.

The closing of the sale is expected to occur on March 27, 2007. The obligations of the underwriters to purchase the shares are subject to numerous conditions relating to, among other things, the absence of any material adverse change, the accuracy of our representations and warranties, the delivery of various legal opinions, the delivery of various certificates and the delivery and confirmation of accountants' comfort letters.

We also agreed to comply with various covenants regarding, among other things, restrictions on our ability to issue and sell shares of our common stock or other securities (with some exceptions for issuances and sales under our current equity plans and for our current obligations), our indemnification and contribution obligations to the underwriters, and the disclosure of material events.

A copy of the underwriting agreement, including the pricing term sheet incorporated therein, is attached as Exhibit 1.1 to this Current Report on Form 8-K.

Item 8.01 Other Events.

On March 22, 2007, we filed a final prospectus supplement with the Securities and Exchange Commission in connection with our previously announced public offering. We are filing as Exhibit 5.1 to this current report on 8-K the legal opinion of Foley Hoag LLP as to the validity of the securities being offered in the public offering (including its consent to the filing thereof).
