CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines (the Guidelines) that, along with the charters of the Board committees, provide the framework for the governance of the Company. The Board's Nominating and Corporate Governance Committee is responsible for overseeing and reviewing the Guidelines at least annually and recommending any proposed changes to the Board for approval. The Guidelines are available on the Company website at www.epelectric.com. The website is not part of this Proxy Statement.

Standards of Board Independence

The Guidelines, among other things, set forth categorical standards to assist the Board of Directors in making determinations of director independence in accordance with the rules of the NYSE. The Board of Directors makes a determination regarding the independence of each director annually based on all relevant facts and circumstances. Although any director who meets the following criteria and the independence criteria of the NYSE is presumed to be independent (except for purposes of serving as a member of the Audit Committee which requires that the director meet additional requirements under SEC Rule 10A-3(b)(1)(ii)), the Board may make an affirmative determination to the contrary based on its review of other factors. Under the Guidelines, the following persons will not be considered to be independent:

- (i) A director who serves as an executive officer or employee of, or beneficially owns more than a 10% equity interest in, any corporation, partnership or other business entity that during the most recently completed fiscal year made payments to the Company or received payments from the Company for goods and services if such payments were more than the greater of 2% of such other entity's gross consolidated revenues for such fiscal year and \$1 million.
- (ii) A director who serves as an executive officer or employee of, or beneficially owns more than a 10% equity interest in, any bank, corporation, partnership or other business entity to which the Company was indebted at the end of its most recently completed fiscal year in an amount more than the greater of 2% of such other entity's total consolidated assets at the end of such fiscal year and \$1 million.
- (iii) A director who is a member or employee of a law firm that has provided services to the Company during the most recently completed fiscal year if the total billings for such services were more than the greater of 2% of the law firm's gross revenues for such fiscal year and \$1 million.
- (iv) A director who is a partner, executive officer or employee of any investment banking firm that has performed services for the Company (other than as a participating underwriter in a syndicate) during the most recently completed fiscal year if the total compensation received for such services was more than the greater of 2% of the investment banking firm's consolidated gross revenues for such fiscal year and \$1 million.

Table of Contents

In determining the independence of each non-employee director, the Board considered any transactions, relationships and arrangements in which a director may be deemed to have an interest. For 2006, the Board considered the provision of services by Irell & Manella, of which Mr. Heitz is a partner, and purchase of goods from Facilities Connection, which is owned by Ms. Holland-Branch. Neither of these involved over \$120,000 or, in the determination of the Board, impacted the independence of the Board member.

Applying these categorical standards and the independence criteria of the NYSE, the Board of Directors has determined that all of its directors meet the independence requirements of the NYSE except for Gary R. Hedrick who serves as President and Chief Executive Officer of the Company.

In addition, the Board of Directors has determined that all members of the Audit Committee meet the independence requirements set forth in Rule 10A-3(b)(1)(ii) under the Securities Exchange Act of 1934, as amended (the Act).

The Company has not made any charitable contributions in excess of the greater of \$1 million or 2% of the charitable organization's consolidated gross revenues within the preceding three years to any charitable organization in which a director of the Company serves as an executive officer.

Business Conduct Policies

The Board of Directors has adopted a Code of Ethics that applies to all directors, officers and employees of the Company, including the Chief Executive Officer, the Executive Vice President, Chief Financial Officer and Chief Administrative Officer and the Controller. A current copy of the Code of Ethics may be found on the Company's internet website at www.epelectric.com. Any amendments to, or waivers from, any provision of the Code of Ethics applicable to the Company's Chief Executive Officer, Executive Vice President, Chief Financial Officer and Chief Administrative Officer, Controller or persons performing similar functions will be disclosed by posting such information on the Company's internet website at www.epelectric.com within five business days.

Current copies of the charters of the Audit, Compensation, and Nominating and Corporate Governance Committees (the Committee Charters) may also be found on the Company's internet website at www.epelectric.com.

Printed copies of the Guidelines, the Committee Charters and the Code of Ethics are available to any shareholder upon request. Requests for printed copies should be addressed to El Paso Electric Company, 100 N. Stanton, El Paso, Texas 79901, Attention: Office of the Secretary.

Shareholders may correspond directly with non-management directors by writing to James W. Harris, Chairman, Nominating and Corporate Governance Committee, P.O. Box 982, El Paso, Texas 79960.

Table of Contents**NYSE Corporate Governance Listing Standards**

Such certification must be made within thirty days of the date of the Company's annual shareholders' meeting. The certification following the 2006 annual meeting was submitted to the NYSE timely, without qualification.

DIRECTORS MEETINGS, COMPENSATION, AND COMMITTEES**Meetings**

The Board of Directors held eleven meetings during 2006. All directors attended at least 75% of the total number of meetings of the Board of Directors and the committees on which they served. The Board of Directors held three executive sessions during 2006. The Chairman of the Board of Directors presides at the executive sessions.

During 2006, the Nominating and Corporate Governance Committee was composed of directors Harris (Chairman), Parks, Siegel and Wertheimer. The Board of Directors has determined that each member of this committee is independent under the rules of the NYSE. The Nominating and Corporate Governance Committee, which held one meeting in 2006, is responsible for identifying qualified individuals to serve as members of the Board of Directors, recommending directors for appointment to committees, evaluating Board performance, and overseeing and setting compensation for the members of the Board of Directors. The roles and responsibilities of the Nominating and Corporate Governance Committee are described in detail in a written charter adopted by the Board of Directors. In 2006, the Nominating and Corporate Governance Committee assisted the Board of Directors and each of the Board committees in conducting a self-evaluation to assess their effectiveness.

Table of Contents

During 2006, the Palo Verde and Environmental Oversight Committee was composed of directors Edwards (Chairman), Guzmán, Hedrick, Heitz and Holland-Branch. The Palo Verde and Environmental Oversight Committee, which held six meetings in 2006, is responsible for (i) reviewing and assessing the activities and operations of the Palo Verde Nuclear Generating Station in which the Company is a participant and (ii) overseeing the affairs and operations of the Company to determine whether the Company has operated Company facilities in compliance with applicable environmental laws and regulations, and identifying existing and potential environmental issues facing the Company under federal, state and local law. The roles and responsibilities of the Palo Verde and Environmental Oversight Committee are described in detail in a written charter adopted by the Board of Directors.

Consideration of Director Nominees

The Nominating and Corporate Governance Committee will consider nominees for the Board of Directors submitted in writing by a shareholder. A shareholder wishing to nominate one or more individuals to stand for election as a director at an annual or special meeting of the shareholders must provide written notice thereof not less than eighty days in advance of such meeting; provided, however, that in the event that the date of the meeting was not publicly announced by the Corporation more than ninety days prior to the meeting, such notice, to be timely, must be delivered not later than the close of business on the tenth day following the day on which the date of the meeting was publicly announced. A shareholder's notice must set forth (a) the name and address of the shareholder making the nomination; (b) such information regarding the nominee(s) proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee(s) been nominated by the Board of Directors; (c) a representation of the shareholder as to the number of shares of stock of the Company that are beneficially owned by the shareholder and the shareholder's intent to appear in person or by proxy at the meeting to propose such nomination; and (d) the written consent of the nominee(s) to serve as a member of the Board of Directors if so elected. Any such shareholder notice should be submitted in writing to: Guillermo Silva, Jr., Corporate Secretary, El Paso Electric Company, 100 N. Stanton, El Paso, Texas 79901.

In making its recommendations regarding nominees to serve on the Board of Directors, the Nominating and Corporate Governance Committee reviews an individual's qualifications including a determination as to the independence of the candidate based on the independence criteria described above. If the nominee is being evaluated for re-nomination to the Board of Directors, the committee will assess the prior performance of such director. The committee will also periodically review the composition of the Board of Directors in light of its current challenges and needs and determine whether it may be appropriate to add or remove individuals after considering issues of judgment, diversity, age, skills, background and experience. No director may serve on the boards of more than three other public companies while serving on the Company's Board of Directors.

The Board of Directors believes that directors should hold meaningful equity ownership positions in the Company. Each non-employee director is expected (but not required) to be a beneficial owner of shares of the Company's Common Stock or common stock equivalents with a market value equivalent to at least three years' annual cash retainer fees by the end of his or her second year of service on the Board of Directors. Each non-employee director on the Board of Directors met this stock ownership guideline as of December 31, 2006.

PROPOSAL 2 APPROVAL OF EL PASO ELECTRIC COMPANY

2007 LONG-TERM INCENTIVE PLAN

General

The Board of Directors is seeking shareholder approval of the El Paso Electric Company 2007 Long-Term Incentive Plan (the Plan). The purpose of the Plan is to provide a means whereby employees and directors of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of the Plan is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to provide a means whereby those individuals upon whom the responsibilities of the successful administration and management of the Company are of importance, can acquire and maintain stock ownership, thereby strengthening their concern for the welfare of the Company. Under the Plan, the Company may grant non-qualified stock options, incentive stock options (within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code)), stock appreciation rights (SARs), restricted stock, restricted stock units, performance shares, performance units, cash-based awards, and other stock-based awards. Reference is made to Exhibit A to this Proxy Statement for the complete text of the Plan which is summarized below.

As described in more detail below, the Plan is more restrictive than the 1999 Plan as it relates to (i) the definition of a change in control, (ii) the payouts upon the occurrence of a change in control, (iii) the performance measures that may be utilized for performance-based awards and (iv) the maximum annual awards to employees.

Description of Plan

Administration. The Plan will be administered by the Compensation Committee of the Board of Directors (the Committee).

Subject to the express provisions of the Plan, the Committee will have the authority to select eligible persons to receive awards and determine all of the terms and conditions of each award. All awards will be evidenced by a written agreement containing such provisions not inconsistent with the Plan as the Committee shall approve. The Committee will also have authority to establish rules and regulations for administering the Plan and to decide questions of interpretation or application of any provision of the Plan.

Available Shares. In 1999, the Company s shareholders approved the El Paso Electric Company 1999 Long-Term Incentive Plan (the 1999 Plan). At March 15, 2007, there remained 44,577 shares available for awards under the 1999 Plan. The Company estimates that substantially all shares available under the 1999 Plan will have been awarded on or prior to the Annual Meeting on May 2, 2007.

Under the Plan, 1,000,000 shares of Common Stock will be available for awards, subject to adjustment in the event of any corporate event or transaction (including, but not limited to, a change in the shares of the Company or the capitalization of the Company) such as a merger, consolidation, reorganization, recapitalization, separation, partial or complete liquidation, stock

dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of the Company, combination of shares, exchange of shares, dividend in kind, or other like change in capital structure, number of outstanding shares or distribution (other than normal cash dividends) to shareholders of the

Table of Contents

Company, or any similar corporate event or transaction. Shares covered by an award shall be counted as used as of the date of grant. Under the Plan, any shares related to awards under the Plan or the Company's prior plans which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares, are settled in cash in lieu of shares, or are exchanged with the Committee's permission, prior to the issuance of shares, for awards not involving shares, and shall be available again for grant under the Plan.

Change in Control. In the event of certain acquisitions of 30% or more of the Common Stock, certain changes in a majority of the Board of Directors, or the consummation of a reorganization, merger or consolidation or sale or disposition of all or substantially all of the assets of the Company (unless, among other conditions, the Company's shareholders receive 60% or more of the stock of the surviving company) or the liquidation or dissolution of the Company, all outstanding options and SARs will be exercisable in full, and the restricted stock and restricted stock units will become immediately vested and payable. The performance period applicable to performance shares and performance units shall end upon the occurrence of a change in control in the manner and on the date determined by the Committee in its sole discretion. The performance goals associated with such awards shall be measured based on performance achieved through the end of such shortened performance period and such awards shall become vested and payable on a prorated basis to reflect the shortened performance period, with the remaining portion of the awards terminating. The Plan is more restrictive than the 1999 Plan under which all awards vested at maximum levels without proration upon the occurrence of a change in control event. Also, the definition of change in control has been modified under the Plan to require consummation of a transaction rather than shareholder approval.

Effective Date, Termination and Amendment. If approved by shareholders, the Plan will become effective as of the date of such approval. The Plan will terminate ten years thereafter unless terminated earlier by the Board of Directors. The Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan and any award agreement in whole or in part; provided, however, that, without the prior approval of the Company's shareholders and except as provided in the Plan, options or SARs issued under the Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the option price of a previously granted option or the grant price of a previously granted SAR, and no amendment of the Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

Stock Options - General. The Committee will determine the conditions to the exercisability of each option. Upon exercise of an option, the purchase price may be paid in cash or by delivery of previously owned shares of Common Stock.

Table of Contents

Non-Qualified Stock Options and Incentive Stock Options. The period for the exercise of a non-qualified stock option or incentive stock option will be determined by the Committee. The exercise price of a non-qualified stock option or incentive stock option will not be less than the fair market value of the Common Stock on its date of grant. The Committee may impose restrictions on any shares acquired pursuant to the exercise of a non-qualified stock option or incentive stock option granted under the Plan.

The award agreement shall set forth the extent to which the participant shall have the right to exercise the non-qualified stock option or incentive stock option in the event of participant's termination of employment or service. Such provisions will be determined by the Committee.

Stock Appreciation Rights. The period for the exercise of a SAR will be determined by the Committee. The base price of a SAR will not be less than 100% of the fair market value of the Common Stock on the date of grant. A SAR entitles the holder to receive upon exercise (subject to withholding taxes) shares of Common Stock (which may be restricted stock), cash or combination thereof with a value equal to the difference between the fair market value of the Common Stock on the exercise date and the base price of the SAR. The Committee may impose restrictions upon exercise of a SAR granted under the Plan.

The award agreement shall set forth the extent to which the participant shall have the right to exercise the SAR in the event of participant's termination of employment or service. Such provisions will be determined by the Committee.

Restricted Stock and Restricted Stock Units. The Plan provides for the grant of (i) restricted stock awards which may be subject to a restriction period (restricted stock), and (ii) restricted stock units which are similar to restricted stock except no shares are actually awarded. An award of restricted stock or restricted stock units may be subject to specified performance measures during the applicable restriction period. Shares of restricted stock will be freely transferable after all conditions and restrictions have been satisfied or have lapsed. The award agreement shall set forth the extent to which the participant shall have the right to retain restricted stock and/or restricted stock units in the event of participant's termination of employment or service. Such provisions will be determined by the Committee. Unless otherwise set forth in a restricted stock award agreement, the holder of a restricted stock award will have rights as a shareholder of the Company, including the right to vote and receive dividends with respect to the shares of restricted stock. A participant shall have no voting rights with respect to any restricted stock units granted under the Plan.

Performance Units and Performance Shares. The Plan also provides for the grant of performance units and performance share awards. Each performance unit and each performance share is a right, contingent upon the attainment of performance measures within a specified performance period. The Committee will determine the form of payout of cash or in shares (or in a combination thereof) equal to the value of earned performance units/performance shares at the close of the applicable performance period. The award agreement shall set forth the extent to which the participant shall have the right to retain the performance units and/or performance shares in the event of participant's termination of employment or service, as determined by the Committee. If the Committee desires to qualify performance-based awards under Section 162(m) of the Code, the performance goals will consist of any of the following:

- (a) Net earnings or net income (before or after taxes);

Table of Contents

- (b) Earnings per share;
- (c) Net sales or revenue growth;
- (d) Net operating profit;
- (e) Return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue);
- (f) Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);
- (g) Earnings before or after taxes, interest, depreciation, and/or amortization;
- (h) Gross or operating margins;
- (i) Productivity ratios;
- (j) Share price (including, but not limited to, growth measures and total shareholder return);
- (k) Expense targets;
- (l) Margins;
- (m) Operating efficiency;
- (n) Market share;
- (o) Customer satisfaction;
- (p) Working capital targets; and
- (q) Economic value added or EVA[®] (net operating profit after tax minus the sum of capital multiplied by the cost of capital).

Cash-Based Awards and Other Stock-Based Awards. The Plan also provides for the grant of cash-based awards and other types of equity-based or equity-related awards not otherwise described by the Plan as determined by the Committee. The Committee will determine the value of the cash-based awards and other stock-based awards and may establish performance goals. In the event the Committee establishes performance goals, the number and/or value of cash-based awards or other stock-based awards that will be paid out will depend on the extent to which performance goals are met. The Committee shall determine the extent to which the participant shall have the right to receive cash-based awards or other stock-based awards in the event of participant s termination of employment or service.

Non-Employee Director Awards. Unless the Board determines otherwise, on the date of each annual meeting of shareholders of the Company, the following restricted stock awards shall be made to each person who is a non-employee director immediately after such meeting of shareholders:

- (a) Each non-employee director, other than the Chairman of the Board and the Vice Chairman of the Board, shall receive a restricted stock award of three thousand five hundred (3,500) shares;

Table of Contents

- (b) The Vice Chairman of the Board shall receive a restricted stock award equal to the sum of (i) three thousand five hundred (3,500) shares and (ii) an amount of shares equal to one hundred thousand dollars (\$100,000) divided by the closing price of the stock on the date of grant; and
- (c) The Chairman of the Board shall receive a restricted stock award of sixteen thousand (16,000) shares less the number of shares awarded the Vice Chairman under subparagraph (b)(ii) above.

The Board will have full discretion to change grant practices for non-employee directors.

Maximum Awards for Employees. Generally, the Plan limits the annual awards to any individual employee as follows:

- (a) 300,000 options;
- (b) 300,000 SARs;
- (c) 150,000 shares of restricted stock or restricted stock units;
- (d) 150,000 performance shares or performance units; and
- (e) \$3,000,000 or 150,000 shares of cash-based or other stock-based awards.

Federal Income Tax Consequences

The following is a brief summary of certain U.S. federal income tax consequences generally arising with respect to awards under the Plan.

A participant generally will not recognize taxable income at the time an option is granted, and the Company will not be entitled to a tax deduction at such time. A participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) upon exercise of a non-qualified stock option equal to the excess of the fair market value of the shares purchased over their exercise price, and the Company generally will be entitled to a corresponding deduction. A participant will not recognize income (except for purposes of the alternative minimum tax) upon exercise of an incentive stock option. If the shares acquired by exercise of an incentive stock option are held for the longer of two years from the date the option was granted and one year from the date it was exercised, any gain or loss arising from a subsequent disposition of such shares will be taxed as long-term capital gain or loss, and the Company will not be entitled to any deduction. If, however, such shares are disposed of within the above-described period, then in the year of disposition, the participant will recognize compensation taxable as ordinary income equal to the excess of the lesser of (i) the amount realized upon disposition and (ii) the fair market value of the shares on the date of exercise over the exercise price, and the Company generally will be entitled to a corresponding deduction.

Edgar Filing: EL PASO ELECTRIC CO /TX/ - Form DEF 14A

A participant generally will not recognize taxable income at the time SARs are granted and the Company will not be entitled to a tax deduction at such time. Upon exercise, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of any cash paid by the Company. This amount generally is deductible by the Company as compensation expense.

Table of Contents

A participant will not recognize taxable income at the time restricted stock is granted and the Company will not be entitled to a tax deduction at such time, unless the participant makes an election to be taxed at such time. If such election is not made, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time the restrictions lapse in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for such shares. The amount of ordinary income recognized generally is deductible by the Company as compensation expense, except to the extent the deduction limits of Section 162(m) of the Code apply. Restricted stock units generally will also be taxed as ordinary income upon vesting unless structured in compliance with applicable tax rules to defer taxation until settlement.

Most of the awards under the Plan are discretionary, so it is not possible to determine the benefits received in the future by participants, except with respect to directors under the current Board compensation policy. The following table sets forth the aggregate number of shares of Common Stock that would be granted annually to non-employee directors based on current Board compensation policy. Such awards are granted on the date of each annual meeting of shareholders beginning with the 2007 Annual Meeting.

New Plan Benefits Table**El Paso Electric Company****2007 Long-Term Incentive Plan**

| <u>Position</u> | <u>Restricted Shares</u> | |
|-------------------------------------|---------------------------------|---------------------|
| | <u>Number</u> | <u>Value</u> |
| Non-employee directors (11 persons) | 51,000 | \$ 1,199,520 |

The indicated value is based on a fair market value of \$23.52 per share which is the closing price of Common Stock on the New York Stock Exchange on February 28, 2007.

In 2006, executive officers of the Company received an aggregate award of 20,550 shares of restricted stock which have a three-year vesting schedule, and 70,700 performance shares at target which have a three-year performance cycle. However, awards under the Plan are discretionary, and therefore, officers may receive different amounts of awards in the future.

If the shareholders do not ratify the Board's proposal, the Board of Directors will reconsider its action with respect to the appointment of KPMG LLP. The Company paid no other fees to KPMG LLP during the fiscal years ended December 31, 2006 and 2005.

KPMG LLP determined that these services did not affect its independence under applicable auditing standards. The Audit Committee pre-approved the engagement of KPMG LLP to provide the audit and permissible non-audit services described above in accordance with the requirements of the Sarbanes-Oxley Act of 2002 and determined that KPMG LLP's provision of the services described above under Audit-Related Fees, Tax Fees, and All Other Fees is compatible with KPMG LLP's independence.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee charter provides that the Audit Committee will pre-approve audit services and non-audit services to be provided by the Company's independent auditors pursuant to pre-approval policies and procedures established by the Audit Committee. COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation Philosophy and Overview

Our executive compensation program is designed to:

Attract and retain qualified executives by providing comprehensive and market-competitive compensation;

Encourage a high level of performance by linking a significant amount of executive pay to the financial results and operating performance of the Company; and

Motivate our executive team to achieve the Company's business strategy and maximize long-term shareholder return.

In order to meet these goals, our executive compensation currently consists of base salary, an annual performance bonus payable in cash and stock-based long-term incentive awards, along with retirement and other benefits. The levels of compensation are determined through a combination of market data, company performance and individual responsibility and performance.

Executive Compensation Process

Our Compensation Committee (the Committee) reviews and approves compensation for all executive officers. The Committee reviews the performance of our President and Chief Executive Officer at least annually. Our CEO reviews other executive officers performance and reports his evaluations to the Committee. Our CEO also recommends to and discusses with the Committee the non-equity compensation elements for executive officers, although the Committee approves actual compensation awarded.

The Committee has engaged Hewitt, an outside global human resource consulting firm, to conduct an annual review of its total compensation program for the executive officers. Hewitt provides the Committee with relevant market data and alternatives to consider when making compensation decisions. Hewitt provides other services directly to the Company related to review, administration and adoption of employee benefit plans, for relatively small fees. The Committee believes that this engagement does not hinder Hewitt's ability to give objective advice to the Committee.

The Committee generally makes decisions regarding base salary, annual bonus targets and equity incentive awards at one or more regularly scheduled meetings during March of each year. The Committee continues to review compensation matters throughout the year and changes or approves compensation at other times in response to hiring needs, market changes and other occurrences. The Committee's decisions about equity awards are not timed or otherwise affected by the planned announcement of material information. Recently, the Company, with review by Hewitt, has begun to provide the Committee with a summary of compensation (also called a tally sheet) for each executive officer showing all compensation, equity holdings and accrued retirement benefits. We intend to provide this information to the Committee at least annually or otherwise when material decisions are being considered by the Committee.

Table of Contents**Compensation Benchmarking**

In consultation with Hewitt, the Committee has approved a group of companies (referred to in this discussion as the Compensation Comparator Group) from the Edison Electric Institute Index to be used for annual benchmarking of our compensation program. These companies represent regional electric utilities with business issues and compensation programs similar to our own. Although the Compensation Comparator Group consists of companies that vary in size and region served, we feel this group represents companies with which we compete for executive talent. The Committee reviews compensation information of the Compensation Comparator Group compiled from surveys based on companies that participate in these surveys and publicly available data. For companies in the group with annual revenues higher or lower than ours, Hewitt adjusts the compensation market values using regression analysis to mitigate differences in size for comparison purposes, which is a commonly used approach to ensure the market values reflect our Company's size. The companies in the Compensation Comparator Group currently consist of the following 15 companies:

ALLETE, Inc.

Alliant Energy Corporation

Ameren Corporation

Black Hills Corporation

Cleco Corporation

DPL, Inc.

Duquesne Light Holdings, Inc.

Great Plains Energy, Inc.

IDACORP, Inc.

Otter Tail Corporation

Pinnacle West Capital Corporation

PNM Resources, Inc.

SCANA Corporation

Unisource Energy Corporation

Westar Energy, Inc.

Primary Components of Compensation

The primary components of our compensation program for the Named Executive Officers (as hereinafter defined) are:

Base salary;

Short-term incentive compensation, currently awarded through an annual cash performance-based bonus plan; and

Long-term incentive equity compensation, currently awarded in shares with a combination of time-based and performance-based vesting as opposed to stock options.

We do not target any element of compensation to be a particular percentage of total compensation.

Base Salary. Base salary levels for our executive officers generally are reviewed and set annually. The Committee targets the 50th percentile level of the Compensation Comparator Group, although the Committee also considers executives' responsibility level, experience and individual performance. The Committee most recently approved base salary increases for executive officers in December 2006 after reviewing these factors. Base salaries for the Named Executive Officers at the end of fiscal 2006 averaged approximately the 50th percentile as compared to the Compensation Comparator Group.

Table of Contents

Annual Cash Bonus Plan. The purpose of our annual cash performance-based bonus plan is to provide market-based compensation opportunities based on achievement of specific business goals and objectives that are established in advance on an annual basis. For our executive officers, the goals are based solely on corporate financial and operational performance. For 2006, these goals were comprised of the following:

Financial performance, representing 70% of the bonus, was measured by earnings per share (EPS); and

Operational performance was measured by a combination of customer satisfaction (25% of the bonus) and safety goals (5% of the bonus).

Each executive officer is assigned a target award opportunity expressed as a percentage of base salary. These targets range from 25% to 45% of base salary for most executives, and up to 60% for the CEO. The target award represents the level of bonus payment the executive may earn in the event that plan performance is achieved at targeted levels. Payments at the targeted levels are intended to approximate the 50th percentile of the Compensation Comparator Group. In addition, threshold and maximum award levels are established that adjust payouts for performance levels that exceed or fall below our plan.

The EPS bonus goals for 2006 were established based on a range between a threshold of \$1.21 and a maximum of \$1.41. Executives would receive no bonus if the threshold EPS goal (which is less than the target level) is not achieved and a proportionally higher bonus if earnings surpass the pre-established goal. Our target safety goals for 2006 were based on the highest performance level during the previous five years. Our customer satisfaction goals are established and measured based on annual surveys designed and performed by a third-party marketing organization and are within the top quartile of all U.S. electric utilities. Bonuses are paid in late February or early March after the Committee reviews the audited financial results and operational performance for the previous year.

Long-Term Equity Incentives. We grant stock awards annually with a three-year payout cycle. These awards are designed to focus executives on the relative performance of our stock and, secondarily, are designed as a retention tool. Since 2004, the Committee has granted annual long-term incentives consisting of two elements:

Performance shares, which are earned based on our total shareholder return over a three-year period; and

Time-vested restricted stock, which vests at the end of a three-year period.

The initial target value of each annual award is based on a weighting of approximately 75% for performance shares and 25% for time-based restricted stock. We have chosen to place more weight on the performance shares so that the most value is realized based on return for our shareholders over a period of three years. We feel the time-based restricted stock awards are also effective retention and incentive tools because their actual value is tied to the value of the Company's stock no earlier than the vesting date. The initial target values (*i.e.*, the initial value of the time-based restricted stock plus 100% target of the performance shares) are intended to approximate the 50th percentile of the Compensation Comparator Group.

Table of Contents

The actual number of performance shares earned at the end of the three-year cycle depends on the Company's percentile ranking within a specific group of companies identified by the Committee in consultation with Hewitt (called the Performance Comparator Group). The Performance Comparator Group is structured to be a group of companies defined by a third-party index and is somewhat different from our Compensation Comparator Group. The Performance Comparator Group represents 15 publicly-traded electric utilities with market capitalizations similar to our own. We believe that these companies have investor bases that are similar to ours. The following companies, chosen from the Standard & Poor's SmallCap 600 and MidCap 400 that are included in the Global Industry Classification Standard's (GICS) sub-industry of Electric Utilities for their similarities to us in type of industry and size of operations, currently are in our Performance Comparator Group:

The actual number of performance shares earned at the end of the three-year cycle can range from 0% to 200% of target, depending on our ranking within the Performance Comparator Group for total shareholder return. Shareholder return is defined as the change in stock value plus dividends over the three-year performance period within the Performance Comparator Group, and pay-outs for each three-year cycle are as follows:

if we rank first, 200% of target

if we rank second, 175% of target

Edgar Filing: EL PASO ELECTRIC CO /TX/ - Form DEF 14A

if we rank third, 150% of target

if we rank below third but above the 50th percentile, we interpolate between 150% and 100% of target

if we are at the 50th percentile, 100% of target

if we rank below 50th percentile but above the 30th percentile, we interpolate between 100% and 30% of target

if we are below the 30th percentile, 0% of target

For the 2004-2006 performance cycle, which ended on December 31, 2006, our total shareholder return ranked third among the Performance Comparator Group, which resulted in performance shares earned at the 150% level.

We have chosen to make recent long-term awards to executive officers in the form of full-value stock awards rather than stock options because these stock awards have significant retention value due to their value being directly linked to the stock price in the future. In addition, this type of award limits the negative retention impact of short-term volatility in our stock price. The Compensation Committee regularly reviews our equity incentive program and reserves the right to grant different types of equity awards in the future.

Other Executive Benefits

Retirement Benefits. We provide our employees, including our executive officers, with a tax-qualified defined benefit pension plan, which provides employees the opportunity to earn service toward income replacement at retirement. The benefit is based on years of service, retirement age and salary over a period of time prior to retirement. However, tax regulations impose a limit on the amount of compensation that can be taken into account for purposes of determining these retirement benefits. As a result, the qualified plan does not achieve a market-competitive structure for senior executives whose total compensation can include a significant amount of variable short-term incentive compensation. We established an excess benefit plan to provide supplemental retirement benefits to senior executives based on actual annual earnings applied to the basic retirement plan formula without regard to the tax limitations.

Perquisites and Other Benefits. Generally our Named Executive Officers do not receive material perquisites or other benefits different from other employees. For example, our executives participate in the same medical, dental, life insurance, accidental death & dismemberment, and long-term disability plans as do other employees, and the Company contributions to the 401(k) plan are on the same basis as other employees. However, executives are paid a small monthly car allowance and receive at a minimum five weeks and three days of paid time off annually.

Change in Control/Termination Agreements. The Committee has approved change in control severance agreements for each of our Named Executive Officers. As further described in this Proxy Statement, these agreements provide executives with benefits in the event of involuntary termination or adverse job changes in connection with or after a change in control. The Committee periodically reviews the costs of these agreements and market practice. The Committee believes these agreements offer important protection in the event of a change of control, while also ensuring that in the event of an actual proposed change of control, key executives will be willing to remain through the closing because of this protection. This is especially important in the utility industry when the need for regulatory approvals can result in significant delays in consummating transactions following the execution of definitive agreements. In March 2007, after reviewing potential costs and market practice, the Committee approved revisions to these agreements which eliminate the tax reimbursement payments previously provided if an executive is subject to the excise tax under Section 4999 of the Code and instead provide that either (i) the executive will be responsible for paying the excise tax or (ii) payments will be reduced to the extent necessary so that no portion is subject to the excise tax, whichever would result in the executive retaining the higher after-tax amount.

Table of Contents**Stock Ownership Guidelines**

We believe that stock ownership by executive officers can directly correlate to improved performance and enhancement of shareholder value. Therefore, the Committee has established recommended stock ownership guidelines for executive officers. The guidelines are as follows:

| <u>Position</u> | <u>Guideline</u> |
|--------------------------|-------------------------|
| CEO | Three times base salary |
| Other Executive Officers | Two times base salary |

Our executive officers are expected (but not required) to meet these guidelines within five years after becoming an executive officer. As of the end of 2006, all of our Named Executive Officers met these guidelines or are progressing towards meeting the guidelines within their initial 5-year term. As announced in November 2006, Mr. Hedrick told the Board of his intention to retire no later than 2009, and the Board commenced a search for his successor. As a result, Mr. Hedrick was permitted to begin a program of selling his shares in an orderly manner under stock trading plans pursuant to the requirements of Rule 10b5-1 under the Act. Following the completion of these sales, Mr. Hedrick will no longer meet the stock ownership guidelines.

Impact of Accounting and Tax Treatment of Compensation

Historically, the accounting and tax treatment of compensation has not been a driving factor in determining the design or amounts of pay at the Company. For example, the Company granted full value awards prior to its adoption of Financial Accounting Standards Board Statement No. 123R and continues to do so, although the Committee does review the expected accounting treatment of its equity grants.

Section 162(m) of the Code, generally limits the tax deductibility to public companies for compensation in excess of \$1 million per person per year, unless the compensation is performance-based within the meaning of the tax regulations. The Compensation Committee considers it important to retain flexibility to design compensation programs, even where compensation payable under our programs may not be fully deductible, if the programs effectively recognize a full range of criteria important to the Company's success. For example, the Company has not structured its annual cash bonus plan to be performance-based for purposes of Section 162(m), although for 2006, total cash compensation for each Named Executive Officer was below the \$1 million limit. The Company grants some equity awards (such as restricted stock) that are not eligible for the Section 162(m) exception. Our proposed Plan is intended to allow the Committee to approve performance shares and stock options that qualify as performance-based compensation for purposes of Section 162(m) to the extent the Committee deems appropriate.

(a) Each executive officer has a target incentive opportunity, payable in cash, if the Company achieves specific annual goals that are established in advance by the Compensation Committee and the Board of Directors. It is anticipated that the annual performance goals will be stretch goals based on the achievement of corporate objectives that will lead to enhanced shareholder value. In 2006, the performance goals were related to safety, customer satisfaction and earnings per share. If a certain level of earnings per share is not attained, no bonuses will be paid for any of the measures. Actual amounts paid for 2006 are in the Summary Compensation Table above.

(b) Amounts shown represent the performance shares available under the incentive plan which provides market-based, long-term incentive award opportunities to Named Executive Officers. Performance shares are based on the total shareholder return compared to industry peer companies over a three-year period. Payout values for the performance shares are calculated by determining the Company's percentile ranking within the Company peer group at the end of the three-year cycle and can range from 0% to 200% of target as described above in Compensation Discussion and Analysis Primary Components of Compensation Long Term Equity Incentives.

(c) Restricted shares vest at the end of three years.

Edgar Filing: EL PASO ELECTRIC CO /TX/ - Form DEF 14A

- (d) This column reflects the grant date fair value of restricted stock awards and performance shares under SFAS 123R. With respect to stock awards, the value was calculated as the number of restricted shares multiplied by the closing price on grant date. With respect to performance shares, the value was determined using a Monte Carlo simulation which is a methodology using the average payout of one million simulation paths discounted to the grant date using a risk-free interest rate.

PENSION PLAN

The Company has a defined benefit plan with a cliff vesting schedule that provides definitely determinable benefits over a period of years, usually an employee's lifetime (the Pension Plan). The purpose of the Pension Plan is to reward eligible employees for long and loyal service by providing them with retirement benefits and is for the exclusive benefit of eligible employees and their beneficiaries. Employees are eligible to participate in the Pension Plan on the first day of the month coincident with or immediately following completion of one year of service during which the employee completes not less than 1,000 hours of service. In order to vest or build ownership in the benefit payable from the Pension Plan, an employee must complete five years of service during which he or she has worked at least 1,000 hours each year. Each of the Named Executive Officers is a participant in the Pension Plan, and the estimated credited years of service for each of them at December 31, 2006 is set forth in the Pension Benefits Table below.

Retirement benefits under the Pension Plan are calculated as the product of 1.25% of the employee's average monthly earnings (Average Monthly Earnings) and the credited years of service (Benefit Accrual Service). An employee's Average Monthly Earnings is the employee's annualized rate of compensation (excluding bonuses, overtime pay, expense allowances, profit sharing and any other compensation in any form) as of any day converted to a monthly amount and then averaged over a five consecutive year period. The maximum benefit payable under the Pension Plan may not consider compensation in excess of that allowed by the Code. For the year 2006, the maximum amount of compensation on which benefits from the Pension Plan may be based is \$220,000. An employee is credited with one year of Benefit Accrual Service in any plan year (January through December) during which 1,000 hours of service is completed for the Company. The formula below provides an illustration as to how a monthly retirement benefit is calculated for an employee at the later of the date the employee attains the normal retirement age of 65 or the date the employee completes five years of vested service during which he or she has worked 1,000 hours each year:

Table of Contents

A monthly benefit from the Pension Plan is computed as a straight life only annuity that provides a monthly benefit for the employee's lifetime and ends upon the employee's death. Optional benefit forms of payment are also available under the Pension Plan to include:

A joint and survivor annuity option is a joint life annuity payable to the employee for the employee's lifetime with a survivor annuity for the life of any person the employee designates. The amount payable to the survivor will be a certain percentage of the amount that the employee elects of the amount of the annuity payable during the joint lives of the employee and the person the employee designates.

A life annuity with term certain option is payable for the employee's life, with 120 payments guaranteed, regardless of whether the employee dies before all 120 payments have been made. If the employee dies before all 120 payments have been made, the same amount of annuity is payable for the remainder of the 120 months to the employee's beneficiary.

Under the terms of the Pension Plan, an employee of the Company may retire and begin to receive a monthly benefit from the Pension Plan upon attaining age 55 and completing the required vesting period of five years during which the employee has worked 1,000 hours each year. If an employee retires from the Company between the ages of 55 and 64, the amount of benefits payable from the Pension Plan is reduced such that if the employee retires at age 55, he or she will be entitled to 50% of the accrued benefits otherwise payable without a reduction at age 65. The reduction schedule below displays the reduction percentage to which an employee's accrued benefit is subject when retirement from the Company takes effect between ages 55 and 64:

| <u>Retirement Age</u> | <u>Percent of Accrued Benefit</u> |
|-----------------------|---------------------------------------|
| 65 | 100.00% |
| 64 | 93.33 |
| 63 | 86.67 |
| 62 | 80.00 |

Table of Contents

A monthly benefit payable from the Pension Plan any time before normal retirement age is not subject to the reduction schedule above when the employee's age and years of service are 62 and 20, respectively, or the sum of the employee's age and years of service exceeds 85 with a minimum age of 55. All benefit payments are subject to federal income tax and are payable on the first day of each month of retirement.

For the valuation method and all material assumptions, please see the Retirement Plan's section under Note K Employee Benefits of the Company's Form 10-K.

EXCESS BENEFIT PLAN

The Company has a non-qualified deferred compensation plan that provides supplemental retirement benefits to certain employees of the Company (the Excess Benefit Plan). The Company selects those employees who are eligible to receive a benefit from the Pension Plan, the amount of which is reduced by limitations of the Code. Additionally, the Excess Benefit Plan adds bonuses paid pursuant to the Company's short-term bonus plan to the Pension Plan definition of Average Monthly Earnings and without giving effect to any compensation limitations imposed by the Code. Benefits payable from the Excess Benefit Plan are subject to the same vesting schedule, age requirements and benefit payment options as under the Pension Plan. Except as noted under the heading Change in Control Agreement and Other Termination Benefits, it is not possible for an employee's credited years of service under the Pension Plan to exceed the employee's actual years of service with the Company.

Supplemental retirement benefits under the Excess Benefit Plan are calculated as a monthly amount equal to the difference between (a) and (b) below:

- (a) the monthly amount of the Pension Plan benefit to which the employee would have been entitled under the Pension Plan if the benefit were computed without giving effect to any limitation on benefits imposed by the Code and by using Average Monthly Earnings plus bonus amounts paid pursuant to the Company's Short-Term Bonus Plan

LESS

- (b) the monthly amount of the Pension Plan benefit actually payable to the employee under the Pension Plan.

Table of Contents

The formula below provides an illustration as to how a retirement benefit from the Excess Benefit Plan is calculated for an employee at the later of the date the employee attains the normal retirement age of 65 or the date the employee completes five years of vested service during which he or she has worked 1,000 hours each year:

| | | | | |
|-----------------------------------|---|-------------------------|---|-------|

The Excess Benefit Plan is subject to the rules of Section 409A of the Code. Generally, under Section 409A of the Code, distributions cannot be made to certain employees (as defined in Section 416(i) of the Code) of a publicly traded corporation before the earlier of (i) six months following the employee's separation date, or (ii) the death of the employee.

Pursuant to Section 409A, Excess Benefit Plan payments will begin six months after an affected employee's retirement from the Company. The first payment will be paid in a sum equal to six monthly payments from the employee's retirement date plus the employee's seventh month payment. Thereafter, the employee's benefit from the Excess Benefit Plan is payable on the first day of each month. The benefit payable from the Excess Benefit Plan is paid in the same form under which the benefit from the Pension Plan is payable to the employee. All payments are subject to federal income tax and are payable on the first day of each month of retirement.

The Excess Benefit Plan is entirely unfunded. Employees who participate in the Excess Benefit Plan have only the rights of a general unsecured creditor of the Company with respect to any rights under the Excess Benefit Plan.

Change in Control Agreements and Other Termination Benefits

The Company has entered into change of control agreements (the Change of Control Agreements) with each Named Executive Officer and certain other officers of the Company. In the event the covered officer is terminated without cause or resigns for good reason (including a material reduction in duties and responsibilities, a reduction in pay or a relocation of more than 100 miles) during the two-year period following a change of control, he or she will receive the following benefits under the Change of Control Agreements:

A pro rata payment of the officer s target bonus for the year of termination;

A lump sum payment equal to the officer s annual base salary plus target bonus for the year of termination, multiplied by either three (for Messrs. Hedrick, Bates, Wilson and Gutierrez) or two (for all other officers covered by a Change of Control Agreement);

The actuarial equivalent of vested benefits under the Company s retirement plan calculated with additional years of service equal to either three years (for Messrs. Hedrick, Bates, Wilson and Gutierrez) or two years (for all other officers covered by a Change of Control Agreement);

Continuation of health and other welfare benefits for two years, including service credit for those two years for purposes of eligibility (but not time of commencement of benefits) for retiree benefits under any of these plans; and

Outplacement services for one year.

In March 2007, the Change of Control Agreements were amended to eliminate a tax gross-up payment in the event the payments become subject to the federal change in control excise tax and instead provide that either (i) the executive will be responsible for paying the excise tax or (ii) payments under the agreements will be reduced to an amount that would result in no such excise tax, whichever would result in the executive retaining the higher after-tax amount.

A change of control is defined in the Change of Control Agreements and generally includes the acquisition by any person of 30% or more of the Common Stock or voting power of the Company, or the consummation of a reorganization, merger or consolidation or other disposition of all or substantially all of the assets of the Company which results in at least a 40% change in ownership.

- (c) The maximum number of Shares of the Share Authorization that may be issued pursuant to ISOs under this Plan shall be one million (1,000,000) Shares.

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of book entry Shares, or upon the Participant's request, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Each Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination. Unless otherwise specified in the Award Agreement, if the employment with or service to the Company of the Participant terminates, each SAR held by such Participant shall be exercisable, to the extent that such SAR is exercisable, on the effective date of such Participant's termination of employment or service, until and including the earliest to occur of (i) the date which is three (3) months (or such other period as set forth in the Award Agreement) after the effective date of such holder's termination of employment or service and (ii) the expiration date of the term of such SAR; provided that, unless otherwise specified in the Award Agreement, if the Participant's employment with or service to the Company terminates by reason of death or Disability, each SAR held by such Participant shall be exercisable, to the extent that such SAR is exercisable on the effective date of such Participant's termination of employment or service, until and including the earliest to occur of (i) the date which is six (6) months (or such other period as set forth in the Award Agreement) after the effective date of such holder's termination of employment or service and (ii) the expiration date of the term of such SAR.

7.7 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares received upon exercise of an SAR granted pursuant to this Plan as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Participant hold the Shares received upon exercise of an SAR for a specified period of time.

7.8 No Other Feature of Deferral. No SAR granted pursuant to this Plan shall provide for any feature for the deferral of compensation other than the deferral of recognition of income until the exercise of the SAR.

Article 8. Restricted Stock and Restricted Stock Units

8.1 Grant of Restricted Stock or Restricted Stock Units. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee shall determine. 8.2 Restricted Stock or Restricted Stock Unit Agreement. Each Restricted Stock and/or Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock or the number of Restricted Stock Units granted, and such other provisions as the Committee shall determine.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in this Article 8 or in the applicable Award Agreement, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any applicable tax withholding obligations), and Restricted Stock Units shall be paid in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

8.4 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 8.3, each certificate representing Shares of Restricted Stock granted pursuant to this Plan may bear a legend such as the following or as otherwise determined by the Committee in its sole discretion:

The sale or transfer of Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the El Paso Electric Company 2007 Long-Term Incentive Plan, and in the associated Award Agreement. 8.5 Voting Rights. Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, or to the extent permitted or required by law, Participants holding Shares of Restricted Stock granted hereunder shall be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

8.7 Section 83(b) Election. The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Code Section 83(b). If a Participant makes an election pursuant to Code Section 83(b) concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

Article 9. Performance Units/Performance Shares

9.1 Grant of Performance Units/Performance Shares. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Performance Units and/or Performance Shares to Participants in such amounts and upon such terms as the Committee shall determine.

9.2 Value of Performance Units/Performance Shares. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or number of Performance Units/Performance Shares that will be paid out to the Participant.

9.3 Earning of Performance Units/Performance Shares. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Performance Shares shall be entitled to receive payout on the value and number of Performance Units/Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

9.4 Form and Timing of Payment of Performance Units/Performance Shares. Payment of earned Performance Units/Performance Shares shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Units/Performance Shares in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Units/Performance Shares at the close of the applicable Performance Period, or as soon as practicable after the end of the Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

Article 10. Cash-Based Awards and Other Stock-Based Awards

10.1 Grant of Cash-Based Awards. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and upon such terms as the Committee may determine.

10.2 Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions as the Committee shall determine. 10.3 Value of Cash-Based and Other Stock-Based Awards. Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee. Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Cash-Based Awards or Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

Such provisions shall be determined in the sole discretion of the Committee, shall be included in an agreement entered into with each Participant, need not be uniform among all Awards of Cash-Based Awards or Other Stock-Based Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

Article 11. Transferability of Awards

11.1 Transferability. Except as provided in Section 11.2 below, during a Participant's lifetime, his or her Awards shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution; no Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void. The Committee may establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable or Shares deliverable in the event of, or following, the Participant's death, may be provided.

11.2 Committee Action. The Committee may, in its discretion, determine that notwithstanding Sections 11.1 and 11.3, any or all Awards (other than ISOs) shall be transferable to and exercisable by such transferees, and subject to such terms and conditions, as the Committee may deem appropriate; provided, however, no Award may be transferred for value (as defined in the General Instructions to Form S-8).

The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 12.

12.4 Committee Discretion. In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval provided the exercise of such discretion does not violate Code Section 409A. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

Article 13. Non-employee Director Awards

13.1 Eligibility. Each Non-employee Director shall receive a Restricted Stock Award in accordance with this Article 13.

13.2 Restricted Stock Awards. Unless the Board determines otherwise, on the date of each annual meeting of shareholders of the Company, the following Restricted Stock Awards shall be made to each person who is a Non-employee Director immediately after such meeting of shareholders:

- (a) Each Non-employee Director, other than the Chairman of the Board and the Vice Chairman of the Board, shall receive a Restricted Stock Award of three thousand five hundred (3,500) Shares;
- (b) The Vice Chairman of the Board shall receive a Restricted Stock Award equal to the sum of (i) three thousand five hundred (3,500) Shares and (ii) an amount of Shares equal to one hundred thousand dollars (\$100,000) divided by the closing price of the stock on the date of grant; and
- (c) The Chairman of the Board shall receive a Restricted Stock Award of sixteen thousand (16,000) Shares less the number of Shares awarded the Vice Chairman pursuant to Section 13.2(b)(ii).

If a person first becomes a Non-employee Director (other than through a termination of employment) on a date other than an annual meeting of shareholders of the Company, the above amounts shall be prorated based on the portion of the year for which services are provided.

13.3 Period of Restriction for Awards. Unless the Board determines otherwise, and unless the Restricted Stock Awards vest earlier pursuant to Article 17 herein, Restricted Stock Awards shall become one hundred percent (100%) vested on the date of the first anniversary of the date of grant, provided that the Non-employee Director continues service on the Board through such first anniversary.

Table of Contents

13.4 Changes to Non-employee Director Awards. The Board shall have full discretion, without subsequent shareholder approval, to change grant practices for Non-employee Directors, including but not limited to the persons eligible to receive Awards, the size of the Awards, the form of the Awards, and the terms and conditions of such Awards.

Article 14. Dividend Equivalents

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates during the period between the date the Award is granted and the date the Award is exercised, vests, or expires, as determined by the Committee. Such dividend equivalents shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee; provided, however, that no dividend equivalents may be granted on any Award of stock Options or SARs.

Article 15. Beneficiary Designation

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to or exercised by the Participant's executor, administrator, or legal representative.

Article 16. Rights of Participants

16.1 Employment. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries to terminate any Participant's employment or service on the Board or to the Company at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment or service as a Director for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 18, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

16.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

16.3 Rights as a Shareholder. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 17. Change in Control

Notwithstanding any other provision of this Plan to the contrary, the provisions of this Article 17 shall apply in the event of a Change in Control, unless otherwise determined by the Committee in connection with the grant of an Award as reflected in the applicable Award Agreement.

- (a) All outstanding Options and Stock Appreciation Rights shall become immediately vested and exercisable;
- (b) All Restricted Stock and Restricted Stock Units shall become immediately vested and payable; and
- (c) The Performance Period applicable to Performance Shares and Performance Units shall end upon the occurrence of a Change in Control in the manner and on the date determined by the Committee in its sole discretion. The performance goals associated with such awards shall be measured based on performance achieved through the end of such shortened Performance Period and such awards shall become vested and payable on a prorated basis to reflect the shortened Performance Period, with the remaining portion of the awards terminating.

The Committee may, in its sole discretion, determine that any or all outstanding Awards granted under the Plan, whether or not exercisable, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share of common stock subject to such Awards a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a Share of common stock in connection with such transaction and the purchase price per share, if any, under the Award multiplied by the number of Shares of common stock subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Awards may be canceled and terminated without payment therefore.

Article 18. Amendment, Modification, Suspension, and Termination

18.1 Amendment, Modification, Suspension, and Termination. Subject to Section 18.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that without the prior approval of the Company's shareholders and except as provided in Section 4.4, Options or SARs issued under this Plan will not be repriced, replaced (with any other Awards), or regranted through cancellation or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR nor will any outstanding underwater Options or SARs under the Plan be purchased for cash, and no amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

18.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

18.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary (other than Section 18.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan without the written consent of the Participant holding such Award.

18.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

Article 19. Withholding

19.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

19.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 20. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 21. General Provisions

21.1 Forfeiture Events. The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.

21.2 Legend. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

21.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

Table of Contents

21.4 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

21.5 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

21.6 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

21.7 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

21.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

21.9 Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees or Directors, the Committee, in its sole discretion, shall have the power and authority to:

- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

21.10 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

21.11 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

21.12 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

21.13 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

Table of Contents

21.15 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

21.16 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

21.17 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the state of Texas, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Texas, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

21.18 Indemnification. Subject to requirements of Texas law, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his/her own behalf, unless such loss, cost, liability, or expense is a result of his/her own willful misconduct or except as expressly provided by statute.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.
