Item 1. Security and Issuer

This Schedule 13D relates to the common stock, \$0.01 par value (the Common Stock), of Digene Corporation, a Delaware corporation (Digene). Digene s principal executive offices are located at 1201 Clopper Road, Gaithersburg, Maryland.

Item 2. Identity and Background

(a) This Schedule 13D is being filed on behalf of QIAGEN N.V., a public limited liability company (*Naamloze Venootschap*) organized in the Kingdom of the Netherlands (QIAGEN) (referred to herein as Reporting Person).

(b) The business address of QIAGEN is Spoorstraat 50, 5911 KJ Venlo, the Netherlands.

(c) The name, business address and present principal occupation or employment of each of the executive officers and directors of the Reporting Person, and the name of any corporation or other organization in which such employment is conducted, are set forth on Schedule A hereto.

(d) The principal business of QIAGEN is to provide innovative technologies and products for preanalytical sample preparation and molecular diagnostics solutions.

(e) During the last five years, the Reporting Person, and to the best knowledge of the Reporting Person, its executive officers and directors named on Schedule A hereto: (i) have not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) and (ii) have not been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Included in Schedule A hereto.

Item 3. Source and Amount of Funds or Other Consideration

On June 3, 2007, QIAGEN, QIAGEN North American Holdings, Inc. (QNAH), QIAGEN Merger Sub, LLC, a Delaware limited liability company and wholly owned subsidiary of QNAH, and Digene entered into an Agreement and Plan of Merger (the Merger Agreement). A copy of the Merger Agreement is attached hereto as Exhibit 1 and incorporated herein by reference.

Under the terms of the Merger Agreement, QIAGEN and QNAH made an offer to acquire 100% of the outstanding shares of the Common Stock (the Offer), which has been followed by a merger (the Merger) of Digene into Energy Merger Sub, Inc. (the Merger Sub). The acquisition consideration for each share of the Common Stock was, at the election of Digene stockholders, US\$61.25 in cash or 3.545 common shares of QIAGEN or a combination of cash and common shares of QIAGEN. Not more than 55% of the shares of the Common Stock tendered in the Offer could be exchanged for cash, and not more than 45% of the shares of the Common Stock tendered in the Offer could be exchanged for QIAGEN shares.

The Offer and the subsequent Merger were not conditioned on the receipt of financing. QIAGEN intends to pay the cash component of the acquisition consideration through a combination of available cash resources and debt financing. Assuming that 55% of the shares of the Common Stock tendered in the Offer are exchanged for cash, and that 55% of the shares of the Common Stock outstanding following the Offer but prior to the Merger are converted into the right to receive cash, the aggregate cash required by QIAGEN to consummate the offer and the merger and to pay related fees and expenses is estimated to be approximately \$842.7 million. QIAGEN intends to deliver the ordinary shares of QIAGEN offered in the Offer and the Merger from QIAGEN s available authorized shares.

Pursuant to a Syndicated Multi-Currency Term Loan and Revolving Credit Facilities Agreement dated as of July 13, 2007 by and among QIAGEN, three of its subsidiaries, Deutsche Bank AG, Deutsche Bank Luxembourg S.A., and the lenders named in the agreement (the Credit Agreement), the lenders have agreed to make available to QIAGEN an aggregate amount of \$750 million in the form of (1) a \$500 million term loan, (2) a \$100 million bridge loan, and (3) a \$150 million revolving credit facility. QIAGEN expects to use a portion of the proceeds of the term loan and the bridge loan to pay the cash component of the acquisition consideration and the fees and expenses of the offer and the merger. The credit facility will be used for general corporate purposes.

The foregoing summaries of the Merger Agreement and Credit Agreement are qualified in its entirety by reference to such agreements, which are incorporated herein by reference.

Item 4. Purpose of Transaction

The information contained in Item 3 is incorporated herein by reference.

The purpose of the transaction is for QIAGEN to acquire control of, and ultimately the entire common equity interest in Digene. Pursuant to the Merger Agreement, on June 15, 2007, QIAGEN and QNAH commenced the Offer to purchase all of the outstanding shares of the Common Stock. The Offer expired at 11:59 p.m., New York City Time, on July 20, 2007. At the time the Offer closed, 23,270,298 shares, representing approximately 94.6% of the outstanding shares of Common Stock, had been tendered. The acquisition consideration is described under Item 3.

The Merger Agreement provides that, after completion of the Offer, Digene will, subject to certain conditions, be merged with and into Merger Sub. Upon completion of the Merger,

which occurred on July 30, 2007, Merger Sub continues as the surviving corporation and has become an indirect wholly owned subsidiary of QIAGEN. The short-form merger did not require the approval of Digene stockholders. Upon consummation of the Merger, the Certificate of Incorporation and Bylaws of Merger Sub shall remain as the Certificate of Incorporation and Bylaws of the surviving corporation.

Upon consummation of the Merger, the Common Stock will be delisted from the Nasdaq Global Market and will become eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act.

Other than as described above in this Item 4 (including Item 3 incorporated by reference therein), the Reporting Person has no plans or proposals which would relate to or result in any of the matters listed in paragraphs (a) through (j) of Item 4 of Schedule 13D (although the Reporting Person reserves the right to formulate specific plans and proposals with respect to, or change their intentions regarding, any or all of the foregoing).

Item 5. Interest in Securities of the Issuer

The information contained in Item 3 is incorporated herein by this reference.

(a)-(b) As of the date of this Schedule 13D, the Reporting Person owns 24,835,281 shares, which constitutes 100% of the outstanding Common Stock.

(c) Except as set forth in this Schedule 13D, neither the Reporting Person, nor, to the knowledge of the Reporting Person, any of the persons on Schedule A, has effected any transactions with respect to the shares of the Common Stock during the past 60 days.

(d) Except as set forth in this Schedule 13D, neither the Reporting Person nor, to the knowledge of the Reporting Person, any of the persons listed on Schedule A, has the right to receive or the power to direct the receipt of dividends from, or the proceeds of sale of, securities covered by Schedule 13D.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Other than as described in Items 3, 4 and 5 and the agreements incorporated herein by reference and set forth as exhibits hereto, to the knowledge of the Reporting Person, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of Digene, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.

Item 7. Material to be Filed as Exhibits
