The Series B Warrants are exercisable for 7,836,992 shares of the common stock of the Company at an exercise price of \$45.25 per share.

The Warrants may be exercised at any time and will expire on October 31, 2013. The Warrants are exercisable, at the option of each holder, upon the surrender of the Warrants and the duly executed form of election to purchase to the warrant agent and the payment of the exercise price. The exercise prices are subject to appropriate adjustments in the event of stock dividends, stock splits, reorganizations or similar events affecting the Company's common stock. If certain fundamental transactions occur, such as a merger, consolidation, sale of substantially all of the Company's assets or reclassification of the Company's common stock, the holders of the Warrants will be entitled to receive thereafter in lieu of common stock, the consideration (if different from common stock), that the holders of the Company's common stock received due to such fundamental transaction.
