Item 1.01 Entry into a Material Definitive Agreement.

On December 11, 2007, Nextest Systems Corporation (the Company) entered into a definitive Agreement and Plan of Merger (the Agreement), with Teradyne, Inc., a Massachusetts corporation (Teradyne) and NAC Equipment Corporation, a Delaware corporation and a direct wholly-owned subsidiary of Teradyne (Purchaser). Pursuant to the Agreement, and upon the terms and subject to the conditions thereof, Purchaser will commence a tender offer (the Offer) to acquire all the outstanding shares of common stock of the Company (the Shares), par value \$0.001 per share, at a price of \$20.00 per share (the Offer Price) as promptly as practicable (and in any event within 10 business days of the date of the agreement).

Under the Agreement, after completion of the Offer and the satisfaction or waiver of certain conditions, including, if required, a vote of the Company's stockholders, Purchaser will be merged with and into the Company (the Merger), with the Company surviving the Merger as a direct wholly-owned subsidiary of Teradyne. Holders of Shares not purchased in the Offer, other than dissenting Shares and Shares to be cancelled in accordance with the terms of the Agreement, will be entitled to receive \$20.00 per Share in cash in the Merger.

The Offer is not subject to a financing condition. However, the obligation of Purchaser to effect the Offer is subject to the satisfaction of a number of closing conditions set forth in the Agreement, including among others, that the offer is accepted by at least a majority of the then-outstanding Shares on a fully diluted basis (where on a fully diluted basis means the number of Shares outstanding, together with the Restricted Stock, as defined in the Agreement, and the Shares which the Company may be required to issue pursuant to the exercise, conversion or exchange of any Company Options, RSUs, Equity Interests, each as defined in the Agreement, or other rights to acquire shares then outstanding, whether or not vested or then exercisable); as well as the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act, as well as applicable equivalent foreign laws.

The Company has agreed to operate its business in the ordinary course until the Merger is consummated. The Company has also agreed not to solicit or engage in discussions with third parties regarding other proposals to acquire the Company, subject to specified exceptions. The Agreement includes termination provisions for both the Company and Teradyne. In connection with the termination of the Agreement under specified circumstances involving acquisition proposals that are more favorable to the holders of Shares than the Offer or a change in the board's recommendation of the transaction to the Company's stockholders, the Company may be required to pay Teradyne a termination fee of \$14.9 million.

As part of the Agreement, the Company granted to Purchaser an irrevocable option to purchase the number of newly-issued Shares at a per Share purchase price equal to the Offer Price that, when added to the number of Shares owned by Parent, Purchaser and their respective subsidiaries at the time of such exercise, results in Purchaser owning one share more than 90% of the fully diluted Shares (the 90%Top-Up Option). However, the number of Shares subject to the Top-Up Option is limited to the number of Shares authorized and available for

issuance. If the 90% Top-Up Option is exercised by Purchaser (resulting in Purchaser owning at least one share more than 90% of the fully diluted Shares), or Purchaser otherwise acquires at least one share more than 90% of more of the fully diluted Shares, Purchaser will be able to effect a short-form merger under the Delaware General Corporation Law, subject to the terms and conditions of the Agreement.

Holders of approximately 26% of the outstanding Shares of the Company have agreed to tender their Shares in the Offer and to vote their Shares in favor of the Merger Agreement and against any other transaction, subject to the provisions of the Merger Agreement.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is attached as Exhibit 2.1 to this report and is incorporated herein by reference.

The Agreement has been included to provide investors and stockholders with information regarding its terms. It is not intended to provide any other factual information about the Company. The Agreement contains representations and warranties that the parties to the Agreement made to and solely for the benefit of each other. The assertions embodied in such representations and warranties are qualified by information contained in the confidential disclosure schedule that the Company delivered in connection with signing the Agreement. Accordingly, investors and stockholders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of the date of the Agreement and are modified in important part by the underlying disclosure schedule. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

A copy of the press release issued by the Company on December 12, 2007 concerning the foregoing is filed herewith as Exhibit 99.1.
