Item 1.01. Entry into a Material Definitive Agreement.

On February 5, 2008, Weight Watchers International, Inc. (the Company) and Groupe DANONE S.A. (Groupe DANONE), a company organized and existing under the laws of France, announced that Weight Watchers Asia Holdings Ltd. (Weight Watchers Asia), a direct wholly-owned subsidiary of the Company, and Danone Dairy Asia, an indirect wholly-owned subsidiary of Groupe DANONE, have entered into a joint venture agreement to establish a weight management business in the People's Republic of China. The new entity, to be called Weight Watchers Danone China Limited (the Joint Venture), is a company organized and existing under the laws of Hong Kong. Pursuant to the terms of the joint venture agreement, Weight Watchers Asia and Danone Dairy Asia will own 51% and 49% of the Joint Venture, respectively. The joint venture agreement contains customary representations, warranties and covenants relating to the establishment of the Joint Venture.

Additionally, in connection with the joint venture agreement, the Company will enter into an agreement to grant the Joint Venture an exclusive license within the People's Republic of China to certain Weight Watchers intellectual property rights for the purpose of engaging in the operation of weight management classes, the manufacture and sale of branded products in the meeting room, the publication of a weight management branded print magazine and the offer of weight management products and services over the Internet. In consideration for granting these rights, the Company will receive from the Joint Venture a royalty of ten percent on all the Joint Venture's and its subsidiaries' revenues, net of taxes. The license agreement will have a term of ten years and will be automatically renewable for successive ten year terms thereafter.

The Joint Venture is expected to commence its retail operations in the People's Republic of China within the next year.

A copy of the press release announcing the above-described transaction is furnished as Exhibit 99.1.
