**Item 8.01 Other Events**

On August 12, 2008, a subsidiary of Infinity Property and Casualty Corporation, reached an agreement to settle for \$8 million certain litigation captioned Fife M. Whiteside v. Infinity Casualty Insurance Company (formerly known as Atlanta Casualty Company), brought against it in May 2007 and seeking to recover extra-contractual damages for the handling of a claim arising from a July 2000 motor vehicle accident. This settlement is contingent upon probate court approval. Infinity expects to accrue the costs related to this settlement in the third quarter of fiscal year 2008. The expected impact from this settlement on 2008 operating earnings per diluted share, net of \$2.5 million of reinsurance, is approximately \$0.22. This settlement was not contemplated in the earnings guidance provided in the press release dated July 24, 2008.
