(f) See Item 2(a) above for the citizenship of each of the Reporting Persons and the other persons identified in Item 2(a).

Item 3. Source and Amount of Funds or Other Consideration

As more fully described in Item 4 below, on November 14, 2008, GSP acquired from the Issuer a \$5,000,000 convertible debenture (the Debenture) and warrant to acquire up to 50% of the Issuer's outstanding common stock on a fully diluted basis, less then number of shares of the Issuer's common stock into which the Debenture is convertible (the Warrant). The purchase price was paid by GSP from a cash contribution from Abraxis LLC. The cash contribution to GSP was made from Abraxis LLC's internal sources.

Item 4. Purpose of Transaction

On November 14, 2008, GSP entered into a Debenture and Warrant Purchase Agreement (the Agreement) with the Issuer whereby GSP purchased the Debenture and the Warrant.

At the election of GSP, the Debenture is convertible in whole or part on any of the maturity date, the date that any interest payment is due, or the date on which a change of control occurs into a number of shares of the Issuer's common stock equal to the quotient of (i) the outstanding principal amount of the Debenture, divided by (ii) \$1.25.

The Warrant may be exercised in whole or part until the earlier to occur of: (i) the seventh anniversary of the date of the Agreement, (ii) the third anniversary of the date of the Agreement in the event that the Issuer has retired the Debenture on or before the third anniversary or (iii) such time as GSP has acquired fifty percent (50%) of the total number of shares of the Issuer's Common Stock then outstanding on a fully diluted basis. The Warrant is exercisable in two (2) tranches. The first tranche is exercisable in whole or in part at \$2.00 per share. The aggregate number of shares of Issuer's common stock that may be purchased in tranche one is forty percent (40%) of the Issuer's common stock then outstanding on a fully diluted basis, minus that number of shares of Issuer's common stock that were issuable upon exercise of the conversion of the Debenture. The Warrant's second tranche is exercisable in whole or in part at \$3.00 per share. The aggregate number of shares of the Issuer's common stock that may be purchased in tranche two is equal to fifty percent (50%) of the Issuer's common stock then outstanding on a fully diluted basis, minus the sum of that number of shares of Issuer's common stock that were issuable upon exercise of the conversion of the Debenture and in tranche one. Tranche two may only be exercised after the full number of shares exercisable pursuant to tranche one have been purchase.

In connection with the Agreement, the Issuer and GSP executed a Registration Rights Agreement, pursuant to which the Issuer is obligated to file a Registration Statement on Form S-3 with the Securities and Exchange Commission within 20 days for purposes of registering the shares of Issuer's common stock issuable upon the conversion of the Debenture and the exercise of the Warrant.

Under the terms of the Agreement, at any election of members of the Issuer's board of directors (the Board) from the date of the Agreement through the third anniversary of the Agreement, GSP has the right to nominate one (1) person to serve on the Board and the Issuer is required to use its best efforts to cause the election of such person to the Board. If GSP exercises any portion of the Warrant, then, at any election of members of the Board, GSP has the right to nominate additional persons as may be necessary to cause GSP's representation on the Board to be proportional to the GSP's stockholdings in the Issuer, and the Issuer must use its best efforts to cause the election of such persons to the Board.

Item 5. Interest in Securities of the Issuer

The following disclosure assumes that there are 18,345,532 shares of the Issuer's common stock outstanding as of November 18, 2008 as set forth in the Issuer's Quarterly Report on Form 10-Q for the quarter ended September 30, 2008, that there were options to purchase 1,409,859 shares of the Issuer's common stock outstanding as of September 30, 2008 and that all of the Issuer's common stock issuable upon the conversion of the Debenture and the exercise of the Warrant could be issued as of November 24, 2008.

(a) For purposes of Rule 13d-3 promulgated under the Exchange Act, each of the Reporting Persons may be deemed to beneficially own 19,755,391 shares of the Issuer's common stock, representing 50% of the Issuer's outstanding common stock on a fully-diluted basis. Abraxis LLC is filing solely in its capacity as the parent company of, and indirect beneficial owner of securities held by, GSP. ABI is filing solely in its capacity as the parent company of Abraxis LLC, and indirect beneficial owner of securities held by GSP.

(b) By virtue of the relationships described in Item 2(a) above, each of GSP, Abraxis LLC and ABI may be deemed to have shared voting and dispositive power with respect to these [19,755,391] shares of the Issuer's common stock.

(c) During the past 60 days, none of the Reporting Persons has effected any transactions relating to the Issuer's common stock.

(d) To the knowledge of the Reporting Persons, other than as described in this Schedule 13D, no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of the shares of Issuer's common stock owned by it.

(e) Not applicable.
