RELEVANT FACT

Pursuant to CVM Instruction No. 358/02 and following notices of Relevant Facts and Notices to the Market disclosed by Tele Norte Leste Participações S.A. and Telemar Norte Leste S.A. (Telemar) on April 25, 2008, November 21, 2008, December 19, 2008 and December 22, 2008, we hereby disclose to our shareholders, the Brazilian Securities Commission (*Comissão de Valores Mobiliários*, or the CVM) and the market that as of the date hereof, pursuant to the Share Purchase Agreement entered into on April 25, 2008 (the Agreement), Telemar, through its indirect subsidiary Copart 1 Participações S.A. (Copart 1), acquired as of the date hereof, the share control of Brasil Telecom Participações S.A. (Brasil Telecom Holding) and Brasil Telecom S.A. (Brasil Telecom).

I. PURCHASE

As a result of the acquisition, Telemar became the indirect holder, as of the date hereof, of 81,092,986 common shares issued by Brasil Telecom Holding, representing 61.2% of the voting capital stock of Brasil Telecom Holding, by means of the payment of an aggregate amount of R\$5,371,098,527.04 (five billion, three hundred seventy-one million, ninety-eight thousand, five hundred twenty-seven *reais* and four *centavos*),

Edgar Filing: COARI HOLDING CO - Form 425

which is equivalent to a price per common share of Brasil Telecom Holding of R\$77.04 (seventy-seven *reais* and four *centavos*).

The aggregate amount paid is equal to (i) the price agreed pursuant to the Agreement of R\$5,863,495,791.40 (five billion, eight hundred sixty-three million, four hundred ninety-five thousand, seven hundred ninety-one *reais* and forty *centavos*); (ii) as adjusted by the fluctuation in the average daily rate of the *Certificado Depositário Interbancário* (Interbank Deposit Certificate, a Brazilian interbank interest rate, or CDI); (iii) after deducting the aggregate amount of Invitel S.A.'s net debt of R\$998,053,465.69 (nine hundred ninety-eight million, fifty-three thousand, four hundred sixty-five *reais* and sixty-nine *centavos*); and (iv) as further adjusted by deducting any dividends and/or interest on shareholders equity declared between January 1, 2008 and the closing date.

II. MANDATORY PUBLIC OFFERS FOR THE PURCHASE OF SHARES ARTICLE 254-A.

Pursuant to CVM Instruction No. 361/02, within 30 days of the date hereof, requests for the registration to make public offers will be filed by Telemar, directly or through its subsidiary, with the CVM for the purchase of voting shares issued by Brasil Telecom Holding and Brasil Telecom held by their respective minority shareholders, at a minimum offer price equal to 80% of the amount paid for each control share, as required by Article 254-A of the Brazilian Corporation Law (the Mandatory Tender Offers), reduced by the amount of any future dividends or interest on shareholders equity that is declared, or any future reduction of capital that is approved, prior to the date of the settlement of the Mandatory Tender Offers.

The Mandatory Tender Offers must be registered with the CVM prior to their commencement and are required to be disclosed through notices published in Brazil at least 30 days prior to their conclusion.

III. CORPORATE RESTRUCTURING:

Following the closing of the Mandatory Tender Offers, we intend to conduct a corporate restructuring of companies involved in the transaction (the Corporate Restructuring) on the terms and conditions previously disclosed in the Relevant Fact dated April 25, 2008, with the objective to simplify our corporate structure. As a result of the Corporate Restructuring, shareholders of Brasil Telecom Holding and Brasil Telecom will receive shares of Telemar (which will replace the shares of Brasil Telecom Holding and Brasil Telecom held by them), which we believe will significantly increase the liquidity of their shares on the relevant stock exchanges, thereby benefiting the shareholders of Brasil Telecom Holding, Brasil Telecom and Telemar.

IV. ADDITIONAL INFORMATION

The abovementioned operations are subject to the approval of, presentation to or registration with certain regulatory agencies and will be submitted or communicated, as required, to: *Agência Nacional de Telecomunicações* (Brazilian National Telecommunications Agency); the CVM; *Conselho Administrativo de Defesa Econômica* (Brazilian Antitrust Authority); *Bolsa de Valores, Mercadorias e Futuros BM&FBOVESPA* (Brazilian Stock, Commodities and Futures Exchange); the U.S. Securities and Exchange Commission, or the Commission; and The New York Stock Exchange, or NYSE.

In addition, as disclosed by the Relevant Fact of April 25, 2008,

- (a) Telemar intends to establish one or more new American Depositary Receipt (ADR) programs for its shares in order to allow the current holders of ADRs of Brasil Telecom and Brasil Telecom Holding to continue to trade ADRs;
- (b) Telemar intends to apply to list these ADRs on the NYSE; and
- (c) The Corporate Restructuring will be submitted to certain creditors, but it is not conditioned on their approval. The acquisition of Brasil Telecom will result in the creation of a 100% Brazilian-controlled telecommunications company with operations throughout Brazil, with the management, operating and financing capacity to expand its operations in Brazil and abroad.
