To the Stockholders of Citadel Broadcasting Corporation:

You are cordially invited to attend the 2009 Annual Meeting (the "Annual Meeting") of Stockholders of Citadel Broadcasting Corporation (the "Company") to be held on Wednesday, May 20, 2009, at 11:00 a.m., eastern time, at the JPMorgan Chase Conference Center, 383 Madison Avenue, 13th Floor, New York, New York 10017.

The purpose of the Annual Meeting is to elect three members of the Company's Board of Directors, to ratify the appointment of the Company's independent registered public accountants and to conduct such other business as may properly come before the meeting or any adjournment or postponement thereof.

In accordance with rules and regulations recently adopted by the Securities and Exchange Commission (the "SEC"), instead of mailing a printed copy of our proxy materials, including our annual report to stockholders for the year ended December 31, 2008 (the "Annual Report"), to each stockholder of record, we now furnish proxy materials to our stockholders on the Internet. The SEC's e-proxy rules require us to make our proxy statement and related proxy materials available on the Internet. As a result, many of you already have received a Notice of Internet Availability of Proxy Materials, which was mailed on or about April 7, 2009. That notice described how you can obtain our proxy materials (consisting of this proxy statement, a form of proxy card and the Annual Report). The e-proxy rules provide us the opportunity for cost savings on the printing and distribution of our proxy materials. If possible and convenient for you, you can view our proxy materials on the Internet. Alternatively, you can receive paper copies of the proxy materials upon request.

All stockholders of record at the close of business on March 24, 2009 are entitled to notice of, and to vote at, the Annual Meeting. Whether or not you plan to attend the Annual Meeting, your vote is important, and we encourage you to vote promptly. You have two available methods to vote your shares:

1. You may vote your shares electronically via the Internet; or
2. You may request a paper copy of the proxy materials and then vote your shares by telephone or by mailing in your completed paper proxy card.

If you decide to attend the Annual Meeting, you will be able to vote in person, even if you have previously submitted your proxy.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Instructions on how to vote your shares via the Internet are contained on the Notice of Internet Availability of Proxy Materials. Instructions on how to obtain a paper copy of the proxy materials, including a paper proxy card, are also available on the Notice of Internet Availability of Proxy Materials. If you request a paper copy of the proxy materials, you may vote by telephone or you may mark, sign, date and return the paper proxy card in the envelope provided.

We look forward to seeing you at the Annual Meeting and appreciate your continued support.

Sincerely,

Farid Suleman
Chairman and Chief Executive Officer

SOLICITATION OF PROXIES

This Proxy Statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by Citadel Broadcasting Corporation (the "Company") for use at the Company's 2009 Annual Meeting of Stockholders, to be held on Wednesday, May 20, 2009, at 11:00 a.m., eastern time, at the JPMorgan Chase Conference Center, 383 Madison Avenue, 13th Floor, New York, New York 10017 (the "Annual Meeting"), and at any adjournment or postponement thereof. Each valid proxy received in time will be voted at the meeting according to the choice specified, if any. A proxy may be revoked at any time before the proxy is voted, as outlined below.

In accordance with rules and regulations recently adopted by the Securities and Exchange Commission (the "SEC"), instead of mailing a printed copy of our proxy materials, including our annual report to stockholders for the year ended December 31, 2008 (the "Annual Report"), to each stockholder of record, we now furnish proxy materials, including the Annual Report, to our stockholders on the Internet. On or about April 7, 2009, we sent a "Notice of Internet Availability of Proxy Materials" (the "E-Proxy Notice") to our stockholders. If you received the E-Proxy Notice by mail, you will not automatically receive by mail the proxy materials (consisting of this Proxy Statement, a form of proxy card and the Annual Report). Instead, the E-Proxy Notice instructs you as to how you may access and view the proxy materials, including the Annual Report, on the Internet. If you would like to receive a printed copy of our proxy materials, including the Annual Report, please follow the instructions for requesting such materials included in the E-Proxy Notice. Upon request, we will promptly mail you paper copies of your proxy materials free of charge.

The board of directors of the Company (the "Board of Directors" or the "Board" and each member is referred to as a "Director" or a "director") has fixed the close of business on March 24, 2009 as the record date for the Annual Meeting (the "Record Date"). If your shares of common stock of the Company are registered directly in your name on the records of BNY Mellon Shareowner Services, you are considered a stockholder of record and will receive an E-Proxy Notice and other proxy materials from the Company. If your shares are held through a broker, bank or other financial institution, you are considered the beneficial owner of shares held in street name and will receive an E-Proxy Notice and other proxy materials from your broker, bank or other institution. If you hold your shares in street name, you are generally entitled to provide voting instructions to the registered holder.

VOTING BY PROXY

You may vote your shares by proxy electronically via the Internet, by telephone or by sending in a paper proxy card. Instructions on how to vote your shares via the Internet are contained on the E-Proxy Notice. Instructions on how to obtain a paper copy of the proxy materials, including a paper proxy card, are also available on the E-Proxy Notice. If you received a paper copy of the proxy materials, you may vote by telephone or you may mark, sign, date and return the paper proxy card in the envelope provided.

You may revoke or change your proxy at any time before it is exercised by:

delivering written notice of revocation to the Company's Secretary, Jacquelyn J. Orr, in time for her to receive it before the Annual Meeting;

voting again by Internet, telephone or mail (provided that such new vote is received in a timely manner pursuant to the instructions above); or

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

voting in person at the Annual Meeting.

The last vote that we receive from you will be the vote that is counted.

Table of Contents

Whether you vote your proxy electronically over the Internet, by telephone or by mail, the Company will treat your proxy the same way. The individuals appointed as proxyholders will be Farid Suleman and Jacquelyn J. Orr. The shares of common stock of the Company represented by valid proxies that we receive in time for the Annual Meeting will be voted as specified in such proxies. Valid proxies include all properly executed, written paper proxy cards received pursuant to this solicitation that are not later revoked. Voting your proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. Executed but unvoted proxies will be voted in accordance with the recommendations of the Board of Directors. Below this paragraph, the Board's recommendation is set forth together with a description of each item in this Proxy Statement. In summary, the Board recommends a vote:

FOR Proposal 1 the election of the Board of Directors nominees for Class III Directors; and

FOR Proposal 2 the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accountants for the year ending December 31, 2009.

If any other matters properly come before the Annual Meeting, the persons named on the proxies will, unless the stockholder otherwise specifies in the proxy, have the discretion to vote upon such matters in accordance with their best judgment.

VOTING SECURITIES

The Company has one class of outstanding voting securities: common stock, par value \$0.01 per share. As of March 24, 2009, there were 270,071,142 shares of common stock of the Company outstanding. Only stockholders of record of common stock of the Company at the close of business on the Record Date are entitled to vote at the Annual Meeting.

Each share of common stock of the Company is entitled to one vote. The presence in person or by proxy of holders of a majority of the voting power of the shares of common stock of the Company outstanding and entitled to vote at the meeting on the Record Date will constitute a quorum, permitting the stockholders to act on Proposal 1 regarding the election of directors; Proposal 2 regarding the ratification of the appointment of our independent registered public accountants for the year ending December 31, 2009; and other business matters properly brought before the Annual Meeting.

The vote of a plurality of the shares of the common stock of the Company present in person or by proxy at the Annual Meeting is required to elect each of the Class III director nominees. Abstentions and broker non-votes in connection with the election of directors have no effect on such election since directors are elected by a plurality of the votes cast at the meeting.

For all other business matters, including the matter set forth in Proposal 2 in this Proxy Statement, the affirmative vote of the holders of a majority of the voting power of the shares of common stock of the Company entitled to vote at the meeting and constituting a quorum is required to pass the proposal. Abstentions with respect to these other matters will be considered a vote against the proposal and broker non-votes will have no effect on such matters since these votes will not be considered present and entitled to vote for this purpose. Broker non-votes will, however, be considered as present for determining whether a quorum is present at the meeting. A broker non-vote occurs when the nominee of a beneficial owner with the power to vote on at least one matter does not vote on another matter because the nominee does not have the discretionary voting power and has not received instructions from the beneficial owner with respect to such matter.

Company management is not aware of any matters, other than those specified above, that will be presented for action at the Annual Meeting, but if any other matters do properly come before the meeting, the proxy holders will vote as recommended by the Board of Directors, or, if no recommendation is given, in their own discretion.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires the Company's executive officers and directors and persons who own more than 10% of the common stock of the Company to file reports of ownership and changes in ownership of common stock of the Company with the SEC. Based solely on a review of copies of such reports and written representations from the reporting persons, the Company believes that during the year ended December 31, 2008, its executive officers, directors, and greater than 10% stockholders filed on a timely basis all reports due under Section 16(a) of the Exchange Act, except for one filing made by Director Thomas Reifenseiser.

Policies and Procedures for Review, Approval or Ratification of Related Transactions

Our directors and executive officers (and other employees) are expected to adhere to the Company's Code of Business Conduct and Ethics. Our Code of Business Conduct and Ethics is available free of charge on the Company's website at <http://www.citadelbroadcasting.com> under "Investor Relations" where you can click on the link to "Corporate Governance" and the "Code of Business Conduct and Ethics." In the event that any action arises or is proposed that would require a waiver of or a deviation from our Code of Business Conduct and Ethics, or in the event that any actual or potential conflict of interest arises involving any of our directors or executive officers, our policy requires that the matter be reported to the Company's Board of Directors. In the event of such conflicts, the director or directors involved, if any, shall recuse themselves from any decision affecting their personal interests, and the matters are discussed and determined by the remaining uninterested directors. In the event of a conflict or concern involving our Chief Executive Officer, the uninterested non-management members of the Board discuss and determine any such matters.

Certain Relationships and Related Transactions

In June 2001, the Company was capitalized by four partnerships affiliated with Forstmann Little & Co. and members of the Company's management to acquire Citadel Communications Corporation, which was then a publicly owned company. The Company financed the acquisition by issuing its common stock to the Forstmann Little partnerships and members of management, by incurring indebtedness under a new credit facility and by issuing an aggregate of \$500.0 million of subordinated debentures to two of the Forstmann Little partnerships. These partnerships immediately distributed the subordinated debentures to their respective limited partners. On February 18, 2004, the Company prepaid all of the outstanding subordinated debentures with the net proceeds from the offering by the Company of 9,630,000 shares of common stock and the issuance of \$330.0 million of convertible subordinated notes.

Since the merger (the "Merger") involving the Company, Alphabet Acquisition Corp. (a wholly-owned subsidiary of the Company), The Walt Disney Company ("Disney"), and ABC Radio Holdings, Inc. (formerly known as ABC Chicago FM Radio, Inc.), a Delaware corporation and wholly-owned subsidiary of Disney, which became effective on June 12, 2007, neither Forstmann Little & Co. nor any of its affiliated partnerships has any contractual right to designate a nominee for election to the Company's Board of Directors. In addition, the Company is no longer obligated to solicit proxies in favor of any nominees recommended by Forstmann Little & Co., nor must the Company take any action to cause any nominees recommended by Forstmann Little & Co. to be elected.

The Company also granted to the Forstmann Little & Co. partnerships six demand rights to cause the Company to file a registration statement under the Securities Act of 1933, as amended, covering resales of all shares of common stock of the Company held by the Forstmann Little partnerships, and to cause the registration statement to become effective. The registration rights agreement also grants "piggyback" registration rights permitting the Forstmann Little partnerships to include their registrable securities in a registration of securities by the Company. Under the agreement, the Company will pay the expenses of these registrations.

The Company reimburses Forstmann Little & Co. and its affiliates for expenses paid on the Company's behalf and receives reimbursements from Forstmann Little & Co. for expenses paid on its behalf, including use of a corporate aircraft, other travel and related expenses, and office and other miscellaneous expenses. For the years ended December 31, 2006, 2007 and 2008, the Company reimbursed Forstmann Little & Co. and its affiliates a net amount of approximately \$1.9 million, \$1.7 million, and \$1.6 million, respectively. Forstmann Little & Co. also provided use of office space to certain of the Company's executive officers and employees at no cost through December 2006, and the Company entered into a

lease for office space with a third party in 2007.

Table of Contents

FL Aviation Corp., an affiliate of Forstmann Little & Co., operates and maintains the Company's corporate aircraft at cost. In connection therewith, the Company reimburses all costs incurred by FL Aviation Corp. in operating the aircraft, and amounts related to these reimbursements are included in the annual amounts above.

The Company's Chairman and Chief Executive Officer, Farid Suleman, was a special limited partner of Forstmann Little & Co. from March 2002 until June 2007. Mr. Suleman was paid approximately \$0.6 and \$0.3 million for the years ending December 31, 2005 and 2006, respectively, for providing advice and consulting services to Forstmann Little & Co. as a special limited partner. Mr. Suleman had the right to invest in Forstmann Little & Co. portfolio investments from time to time from March 2002 until June 2007. Mr. Suleman invested in one of the Forstmann Little partnerships' investments during the time that he was a special limited partner prior to the 2007 fiscal year.

Certain of our current and former directors and officers have or have had relationships with Forstmann Little & Co. Theodore J. Forstmann, a member of the Company's Board of Directors, is the senior partner of Forstmann Little & Co. Two of our other directors, Mr. Forstmann's brother, J. Anthony Forstmann, and Michael A. Miles are special limited partners of Forstmann Little & Co. Mr. Miles also serves on the Forstmann Little advisory board and is an investor in certain portfolio companies of Forstmann Little. Another of our directors, Wayne T. Smith is a limited partner of two of the funds that own shares of common stock of the Company. Mr. Smith also is a director of 24 Hour Fitness Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co. As a result of their relationships with Forstmann Little & Co., Messrs. Theodore J. Forstmann, J. Anthony Forstmann, Miles and Smith have an economic interest in certain of the Forstmann Little & Co. partnerships and their portfolio investments, including the Company. Of those directors, however, only Mr. Theodore J. Forstmann has any voting or investment power over the shares of common stock of the Company, arising from his position as senior partner of Forstmann Little & Co. Another director, Herbert J. Siegel, serves as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co. As a result of these relationships, when conflicts between the interests of the Forstmann Little partnerships and the interests of our other stockholders arise, these directors and officers may not be disinterested. Under Delaware law, although our directors and officers have a duty of loyalty to us, transactions that we enter into in which a director or officer has a conflict of interest are generally permissible so long as the material facts as to the director's or officer's relationship or interest as to the transaction are disclosed to our Board of Directors and a majority of our disinterested directors approves the transaction, or the transaction is otherwise fair to us.

CORPORATE GOVERNANCE

During 2008, the Company was required to comply with the corporate governance standards of the New York Stock Exchange (NYSE), from which the Company's common stock was delisted effective March 6, 2009.

In assessing the director independence standards articulated by the NYSE, the Board has affirmatively determined that Charles P. Rose, Jr. (who served through November 4, 2008); both members of the Nominating/Corporate Governance Committee: Michael A. Miles and Herbert J. Siegel; all members the Audit Committee: Michael J. Regan, Thomas V. Reifenhiser, Wayne T. Smith, and Michael A. Miles (who served January through March 1, 2008); and all three individuals who have served on the compensation committee: Michael A. Miles, Herbert J. Siegel and Wayne T. Smith, each qualify as independent under NYSE's and the SEC's corporate governance rules, and that our Chairman and Chief Executive Officer, Farid Suleman, does not qualify as independent under either set of rules. In making its determination regarding the independence of each of those directors under applicable NYSE and SEC rules, the Board of Directors considered each of the relationships identified under Certain Relationships and Related Transactions in this Proxy Statement and, with respect to the members of the nominating/corporate governance committee, audit committee and compensation committee, discussed under The Nominating/Corporate Governance Committee, The Audit Committee and The Compensation Committee below. With respect to each person identified as independent, the Board of Directors

determined that those relationships do not affect the individual's independence because, as applicable, he or she has not made any commitment to the affiliated partnerships of Forstmann Little & Co. and none of the rights of an advisory board member or of a special limited partner or of service on the board of directors of a Forstmann Little & Co. affiliate are contingent in any way on or affected by his or her continued service as a director or member of our Board of Directors.

The Company has undertaken a review of its corporate governance policies and taken the following measures to comply with the rules and regulations of the SEC and, though no longer required, the NYSE, regarding corporate governance practices:

Adopted governance guidelines for the Board of Directors.

Adopted procedures for our non-management directors to meet in executive sessions.

Adopted a Code of Business Conduct and Ethics that is applicable to all of our directors, officers and employees.

Adopted a Supplemental Code of Ethics for Principal Executives and Senior Financial Officers that is applicable to our chief executive officer, chief operating officer, principal financial officer, senior vice president of finance and administration and principal accounting officer.

Adopted a policy on reporting of improper financial practices to address accounting or auditing concerns.

Adopted an Audit Committee Charter, incorporating the applicable requirements of the Sarbanes-Oxley Act of 2002, as amended (Sarbanes-Oxley), NYSE and the related regulations.

Adopted a Compensation Committee Charter, incorporating the applicable requirements of Sarbanes-Oxley, NYSE and the related regulations.

Adopted a Nominating/Corporate Governance Committee Charter, incorporating the applicable requirements of NYSE.

Adopted a Securities Trading Policy to ensure that persons subject to the reporting requirements of Section 16 of the Exchange Act will be able to comply with all applicable filing requirements in a timely manner.

The Company's Corporate Governance Guidelines, Code of Business Conduct and Ethics, Supplemental Code of Ethics for Principal Executive and Senior Financial Officers, Nominating/Corporate Governance Committee Charter, Audit Committee Charter and Compensation Committee Charter are available on the Company's website at www.citadelbroadcasting.com under Investor Relations where you can click on Corporate Governance or upon the request of the stockholder by writing to the Company's Secretary at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, NV 89128.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the year ended December 31, 2008, the Board of Directors met five times. During 2008, each director attended at least 80% of the total number of meetings of the Board of Directors, except for Mr. Wayne T. Smith (who attended three out of five meetings) and Charles P. Rose, Jr. (who attended one out of three meetings prior to his resignation from the Board of Directors on November 4, 2008).

During the year ended December 31, 2008, the Board had three standing committees: the nominating/corporate governance committee; the audit committee and the compensation committee, and it did not have any other standing committees.

The Board has not designated a presiding director of executive sessions held on a regular basis by non-management directors. Instead, a presiding director is selected at the time of such sessions by the other non-management directors present.

The Company does not have a policy regarding Board members' attendance at the annual meeting of stockholders. The 2008 annual meeting was attended by Messrs. Suleman, Miles, Regan, Reifenhiser, and Smith.

The Nominating/Corporate Governance Committee

In May 2007, the Company formed a nominating/corporate governance committee. The Board of Directors has adopted a written Nominating/Corporate Governance Committee Charter. The charter is available on the Company's website at www.citadelbroadcasting.com or upon the request of the stockholder by writing to the Company's Secretary at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, NV 89128.

The purpose of the nominating/corporate governance committee is to assist the Board of Directors in discharging its responsibilities to: identify criteria for selection of Board of Directors members; find qualified individuals for membership on the Board of Directors; recommend to the Board the Directors nominees for the next annual meeting of stockholders; select and recommend candidates to fill any vacancies on the Board; develop and recommend to the Board of Directors a set of corporate governance guidelines for the Board of Directors (the Corporate Governance Guidelines); provide oversight of the corporate governance affairs of the Board of Directors and the Company; and provide oversight of the evaluation of the Board of Directors and management. The current members of the nominating/corporate governance committee are Michael A. Miles, chairperson, and Herbert J. Siegel.

Stockholders may propose nominees for consideration by the Board of Directors by submitting names and supporting information to the nominating/corporate governance committee. The nominating/corporate governance committee will evaluate such nominees in the same manner it evaluates all nominees. In recommending candidates for election to the Board of Directors, the committee may consider the following criteria: experience in corporate management, such as serving as an officer or former officer of a publicly-held company; experience in the media,

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

communication and/or radio broadcasting industries; experience as a board member of another publicly-held company; academic expertise in the media, communication and/or radio broadcasting industries or in specific areas of the Company's operations; and financial experience necessary to assist the Company in meeting its corporate governance requirements. Stockholders may propose nominees for consideration by the Board of Directors by timely submitting names and supporting information to the Chairman of the Board or to the Company's Secretary.

The nominating/corporate governance committee has approved the following nominees for inclusion on the Company's proxy solicitation: Theodore J. Forstmann; Michael A. Miles; and Farid Suleman. These three individuals are all directors who are standing for re-election.

Table of Contents

The Board of Directors has considered the independence of each of the members of the nominating/corporate governance committee and determined that each of them qualifies as independent under rules of the SEC and, though no longer applicable, the NYSE. The Board of Directors made this determination after considering the following relationships and assessing the potential effect of these relationships on the independence of the named director:

Mr. Siegel serves as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co.

Mr. Miles is a member of the Forstmann Little advisory board and an investor in certain affiliated partnerships of Forstmann Little & Co., which give him an economic interest in certain portfolio investments, including the Company.

Mr. Miles is a special limited partner of Forstmann Little & Co.

The Board of Directors has determined that the relationship discussed above does not affect the independence of Mr. Siegel because his duties and relationship as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co., is not contingent upon nor does it conflict with his duties or interests as a member of the nominating/corporate governance committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Miles because he has not made any commitment to the affiliated partnerships of Forstmann Little & Co. and none of the rights of an advisory board member or a special limited partner of Forstmann Little & Co. are contingent in any way on or affected by his continued service as a director or member of our nominating/corporate governance committee nor do his duties as an advisory board member and special limited partner of Forstmann Little & Co. conflict with his duties as a member of the nominating/corporate governance committee.

The Board of Directors is not aware of any other relationships involving the nominating/corporate governance committee and the Company that required an assessment of materiality by the Board of Directors. The nominating/corporate governance committee met two times during the year ended December 31, 2008, and each director who is a member of the nominating/corporate governance committee attended both meetings.

The Audit Committee

The Company has a separately-designated standing audit committee. The Board of Directors has adopted a written Audit Committee Charter. The charter is available on the Company's website at www.citadelbroadcasting.com or upon the request of the stockholder by writing to the Company's Secretary at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, NV 89128.

The audit committee provides assistance to the Company's Board of Directors in fulfilling its legal and fiduciary obligations in matters involving the Company's accounting, auditing, financial reporting, internal control and legal compliance functions. The audit committee also oversees the audit efforts of the Company's independent registered public accountants and takes those actions it deems necessary to satisfy itself that the accountants are independent of management.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

The audit committee is primarily responsible for oversight of the integrity of the financial reporting process and financial statements of the Company. In general, the audit committee is responsible for oversight of the financial statements and disclosure matters, oversight of the Company's relationship with the independent accountants, oversight of the Company's internal audit function and oversight of compliance responsibilities. As part of these responsibilities, the audit committee, among other things:

appoints, retains and replaces the independent registered public accountants for the Company;

reviews the compensation of and services performed by the independent registered public accountants, including non-audit services (if any);

reviews and discusses the preparation of quarterly and annual financial reports with the Company's management and its independent registered public accountants;

discusses with its independent registered public accountants the matters required by Statement on Auditing Standards No. 61, *Codification of Standards on Auditing Standards* (SAS 61), as amended, and evaluating the independence of the accountants in accordance with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*;

reviews and discusses major issues regarding the Company's accounting principles, financial statement presentations, and the adequacy of the Company's internal controls with management and the independent registered public accountants;

reviews and discusses the initial adoption of, and all significant changes to, critical accounting policies and practices used by the Company with the independent registered public accountants;

evaluates the qualifications, performance and independence of the independent registered public accountants;

reviews the significant reports to management prepared by the internal auditing department and any management responses; and

reviews reports and disclosures of insider and affiliated party transactions.

The members of the audit committee during 2008 were Michael J. Regan (chairperson), Wayne T. Smith, Thomas V. Reifenhiser, and Michael A. Miles. Mr. Miles resigned from the audit committee effective March 1, 2008 and was replaced effective the same day by Thomas V. Reifenhiser.

The Board of Directors has considered the independence of each of the members of the audit committee and determined that each of them qualifies as independent under rules of the SEC and, though no longer applicable, the NYSE. The Board of Directors made this determination after considering the following relationships and assessing the potential effect of these relationships on the independence of the named director:

Mr. Miles is a member of the Forstmann Little advisory board and an investor in certain affiliated partnerships of Forstmann Little & Co., which give him an economic interest in certain portfolio investments, including the Company.

Mr. Miles is a special limited partner of Forstmann Little & Co.

Mr. Smith is a limited partner in two of the partnerships of Forstmann Little & Co., which gives him an economic interest in certain portfolio investments, including the Company.

Mr. Smith is a director of 24 Hour Fitness Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Miles because he has not made any commitment to the affiliated partnerships of Forstmann Little & Co. and none of the rights of an advisory board member or a special limited partner of Forstmann Little & Co. are contingent in any way on or affected by his continued service as a director or member of our audit

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

committee nor do his duties as an advisory board member and special limited partner of Forstmann Little & Co. conflict with his duties as a member of the audit committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Smith because none of the rights of a limited partner of the affiliated partnerships of Forstmann Little & Co. or his duties as a director of 24 Hour Fitness Worldwide, Inc. are contingent in any way on or affected by his continued service as a director or member of our audit committee or conflict with his duties as a director or member of the audit committee.

Table of Contents

The Board of Directors is not aware of any other relationships involving the audit committee and the Company that required an assessment of materiality by the Board. The Board, in its business judgment, has determined that each of the audit committee members is financially literate. In addition, the Board of Directors has determined that Mr. Miles and Mr. Regan qualify as audit committee financial experts as defined under the applicable rules of the SEC. Effective March 1, 2008, Michael A. Miles resigned from the audit committee, and Thomas V. Reifenhiser was appointed to serve on the committee.

During 2008, the audit committee held five meetings, including four meetings to review quarterly results with the independent registered public accountants. Mr. Regan attended all of the meetings of the audit committee held in 2008. Mr. Smith attended four of the five meetings of the audit committee held in 2008. Mr. Reifenhiser attended all of the audit committee meetings held in 2008 after his appointment to the committee, and Mr. Miles attended all of the meetings held in 2008 while he was a member of the audit committee.

Report of the Audit Committee

The audit committee reviewed and discussed with both management and its independent registered public accountants all financial statements, including any significant transactions or issues, prior to their filing with the SEC. In connection with the December 31, 2008 financial statements, the audit committee (1) reviewed and discussed the audited financial statements with management, including any significant transactions or issues; and (2) discussed with the independent registered public accountants the matters required by SAS 61, as amended. The audit committee also discussed with Deloitte & Touche LLP (D&T) their independence, including a consideration of the compatibility of non-audit services with such independence, and the letter from D&T required by Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*. Based upon these reviews and discussions, the audit committee has recommended that the Board of Directors include the audited financial statements in the Company's Annual Report filed with the SEC on Form 10-K for the fiscal year ended December 31, 2008.

This report is respectfully submitted by the audit committee of the Board of Directors.

The Compensation Committee

The Board of Directors established a compensation committee on February 24, 2005. The compensation committee has a written Compensation Committee Charter that is available to the public on the Company's website at www.citadelbroadcasting.com or upon request of the stockholder by writing to the Company's Secretary at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, NV 89128.

The compensation committee is responsible for discharging the Board's duties and responsibilities relating to compensation of the Company's directors and executive officers and overseeing the Company's various employee welfare and benefits plans. These duties include discussing,

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

reviewing and determining the compensation of the Company's Chief Executive Officer and other senior executives, reviewing and recommending compensation plans for the Company, modifying existing compensation plans, making awards under such plans and performing such other functions as are designated in the Compensation Committee Charter or commonly performed by compensation committees. The role of the compensation committee and the Company's processes and procedures relative to the determination of executive compensation is discussed further under "Compensation Discussion and Analysis" below.

The members of the compensation committee in 2008 were Michael A. Miles (chairperson), Herbert J. Siegel and Wayne T. Smith.

Table of Contents

The Board has considered the independence of each of the members of the compensation committee and determined that Messrs. Miles, Siegel and Smith qualify as independent directors under the rules of the SEC and, though no longer applicable, the NYSE. The Board of Directors has made the determination after considering the following relationships and assessing the potential effect of these relationships on the independence of the named director:

Mr. Miles is a member of the Forstmann Little advisory board and an investor in certain affiliated partnerships of Forstmann Little & Co., which give him an economic interest in certain portfolio investments, including the Company.

Mr. Miles is a special limited partner of Forstmann Little & Co.

Mr. Siegel serves as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co.

Mr. Smith is a limited partner in two of the partnerships of Forstmann Little & Co., which gives him an economic interest in certain portfolio investments, including the Company.

Mr. Smith is a director of 24 Hour Fitness Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Miles because he has not made any commitment to the affiliated partnerships of Forstmann Little & Co. and none of the rights of an advisory board member or a special limited partner of Forstmann Little & Co. are contingent in any way on or affected by his continued service as a director or member of our compensation committee nor do his duties as an advisory board member and special limited partner of Forstmann Little & Co. conflict with his duties as a member of the compensation committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Siegel because his duties and relationship as a director of IMG Worldwide, Inc., a majority of the stock of which is controlled by certain affiliated partnerships of Forstmann Little & Co., is not contingent upon nor does it conflict with his duties or interests as a member of the compensation committee.

The Board of Directors has determined that the relationships discussed above do not affect the independence of Mr. Smith because none of the rights of a limited partner of the affiliated partnerships of Forstmann Little & Co. or his duties as a director of 24 Hour Fitness Worldwide, Inc. are contingent in any way on or affected by his continued service as a director or member of our compensation committee or conflict with his duties as a director or member of the compensation committee.

The Board of Directors is not aware of any other relationships involving the compensation committee and the Company that required an assessment of materiality by the Board. The compensation committee met four times during the year ended December 31, 2008. Messrs. Siegel and Miles attended all of the meetings of the compensation committee, and Mr. Smith attended three out of four of the compensation committee meetings held in 2008.

The compensation committee has retained an independent third party firm, Towers Perrin, as its compensation consultant to provide advice that will assist in the continual development and evaluation of compensation policies and the compensation committee's determinations of

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

compensation awards. The role of the outside consultant is to provide independent, third-party advice and expertise in executive compensation issues. The outside consultant, however, is not consulted by the compensation committee on all executive compensation issues, but is used as the compensation committee deems appropriate.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The Company's compensation committee (for purposes of this analysis, the Committee) is appointed by the Board and has responsibility for establishing, implementing and monitoring adherence with the Company's compensation philosophy. The Committee strives to ensure that the total compensation paid to the Company's executive officers is fair, reasonable and competitive.

Throughout this Proxy Statement, we refer to the individuals who served during calendar year 2008 as the Company's Chief Executive Officer (CEO), Chief Operating Officer (COO) and Chief Financial Officer (CFO), or in a similar capacity, as well as the other individuals included in the *Summary Compensation Table* as the Company's named executive officers.

Executive Compensation Program's Philosophy and Objectives

The Company's executive compensation program seeks to closely align compensation paid to our named executive officers with the performance of the Company on both a short-term and long-term basis and to use compensation to assist the Company in attracting and retaining key executives critical to our long-term success. To that end, our executive compensation program strives to attract, motivate and retain high-quality executives by providing total compensation that, in the Committee's view, is performance-based and competitive with the various labor markets and industries in which the Company competes for talent.

What the Executive Compensation Program Is Designed to Reward

The Company's compensation program seeks to align named executive officers' incentives with stockholder value creation by rewarding the achievement of measurable corporate and individual performance objectives through annual and long-term cash and stock incentives.

How the Company Structures a Named Executive Officer's Total Compensation

Role of the Committee, Named Executive Officers and Outside Advisors

The Committee is appointed by the Board to discharge the Board's duties and responsibilities relating to compensation of the Company's directors and executive officers and oversee the Company's various employee welfare and benefits plans, including to discuss, review and determine the compensation of the CEO and other senior executives, to review and recommend compensation plans for the Company, to modify existing compensation plans, to make awards under such plans and to perform such other functions as are designated in the Compensation Committee Charter or commonly performed by compensation committees. Under its charter, the Committee meets at such times as it deems necessary to fulfill its responsibilities, has the resources and authority necessary and appropriate to discharge its responsibilities, including the authority to

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

retain compensation consultants and other experts, and has the sole authority to approve the fees and other terms of retention of such consultants or other experts. Additionally, the Committee may delegate authority to act upon specific matters within determined parameters to a subcommittee consisting of one or more members of the Committee, consistent with the bylaws and certificate of incorporation of the Company and applicable law, and any such subcommittee must report any action to the full Committee at its next meeting.

The Committee independently approves all compensation and awards to our named executive officers. Generally, on its own initiative, the Committee reviews the performance and compensation of the CEO, COO and CFO and, following discussions of those individuals and on the recommendation of the CEO (except in the case of his own compensation), and, where it deems appropriate, with an outside advisor, establishes their compensation levels. For the remaining named executive officers, the CEO makes recommendations to the Committee that the Committee will generally approve, with minor adjustments, after it conducts its own independent review.

Table of Contents

The Committee has retained an independent third party firm, Towers Perrin, as its compensation consultant to provide advice that will assist in the continual development and evaluation of compensation policies and the Committee's determinations of compensation awards. The role of the outside consultant is to provide independent, third-party advice and expertise in executive compensation issues. The outside consultant, however, is not consulted by the Committee on all executive compensation issues, but is used as the Committee deems appropriate.

Total Compensation

The Committee's goal is to award compensation that is reasonable and consistent with the Company's philosophy and objectives regarding executive compensation when all elements of potential compensation are considered, while remaining competitive so as to be able to retain high level talent. In making decisions with respect to any element of a named executive officer's compensation, the Committee considers the total compensation that may be awarded to the named executive officer, including annual base salary, annual incentive bonus, the amount of which is dependent on the Company and individual performance during the prior calendar year, and long-term incentive compensation, currently in the form of stock options and shares of restricted stock, that are awarded based on the Company's prior year performance, forward-looking incentives and other factors described below. These compensation components, each of which is discussed in more detail below, are designed to align named executive officers' interests with those of stockholders by rewarding outstanding performance and providing long-term incentives.

In addition, in reviewing and approving compensation arrangements and/or employment agreements for named executive officers, the Committee considers the other benefits that the Company grants to the named executive officer and/or to which the named executive officer is entitled by the agreement, including welfare benefits and compensation payable upon termination of employment with the Company under a variety of circumstances.

Peer Group Analyses

In making compensation decisions with respect to the total compensation opportunity provided to the Company's named executive officers, the Committee considers the competitive market for these executives and compensation levels provided by comparable companies to similarly situated executives and seeks to provide compensation that is in the competitive range of compensation observed in the marketplace. From time to time the Committee reviews the compensation practices at companies with which it competes for talent, including businesses engaged in activities similar to those of the Company, specifically major radio broadcasting and communications companies, as well as publicly held businesses with revenue, market capitalization, number of employees and employee census data comparable to the Company. For example, to assess the competitiveness of our CEO's compensation, the Committee may review market data selected and assembled by an outside consultant from the most recent proxy filing for many of the Company's peers, such as Entercom Communications Corp., Cox Radio, CBS Corporation, Cumulus Media, Inc. and Clear Channel Communications. The major compensation elements that may be examined in that proxy analysis could include: base salary; actual total cash compensation (base salary plus annual bonus); and total direct compensation (base salary plus annual bonus plus the expected value of long-term incentives).

The Committee does not attempt to benchmark or set each compensation element for its named executive officers within a particular range related to levels provided by industry peers. Rather, the Committee uses market comparisons as one factor in making compensation decisions.

Other Factors

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Other factors considered when making individual compensation decisions for named executive officers include individual contribution and performance, reporting structure, complexity and importance of the executive's role and responsibilities, leadership and growth potential. In the case of our named executive officers

who have served the Company for more than a year, the Committee also considers (a) the performance of the Company during the year(s) during which he or she has held his or her position and (b) the anticipated level of difficulty of replacing him or her with someone of comparable experience and skill.

Policy Regarding Tax Deduction for the Company

When consistent with the compensation philosophy discussed above, the Committee seeks to structure its compensation programs such that compensation paid thereunder will be tax deductible by the Company to the maximum extent possible. Section 162(m) of the Internal Revenue Code (Section 162(m)) generally disallows a tax deduction to public corporations for compensation over \$1 million paid for any calendar year to the corporation's CEO and four other most highly compensated executive officers as of the end of the calendar year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met, including if the compensation is paid pursuant to qualified performance-based compensation plans approved by the Company's stockholders. The Committee designs certain components of named executive officer compensation to permit full deductibility. To this end, in March 2007, the Committee approved the Company's 2007 Senior Executive Annual Bonus Plan and such plan received stockholder approval at the 2007 annual meeting of stockholders. In order for the bonuses to be paid to those named executive officers who are participants under the plan and whose aggregate salary and bonus would exceed \$1 million, certain performance target(s) set for each calendar year will need to be met. The Committee believes, however, that stockholder interests are best served by not restricting the Committee's discretion and flexibility in crafting compensation programs and in making certain compensation awards, even though such programs or awards may result in certain non-deductible compensation expenses. Accordingly, the Committee has also approved elements of compensation for certain named executive officers that are not fully deductible.

Elements of Compensation, Why the Company Chooses to Pay Each Element and the Company's 2008 Practices

The Company's practices with respect to its three key compensation elements identified above (i.e. base salary, annual incentive bonus and long-term incentive compensation), as well as other elements of compensation, are set forth below, followed by a discussion of the specific factors considered in determining key elements of our named executive officers' calendar year 2008 compensation.

Base Salary for Named Executive Officers

Purpose. In general, the level of base salary is intended to provide appropriate base pay to our named executive officers, taking into account the competitive employment market for comparable positions, as well as each individual's job responsibilities, experience, historical contribution to our success and unique value and, when appropriate, the recommendations of Mr. Suleman (except in the case of his own compensation).

Considerations. Minimum salaries for two named executive officers (Mr. Suleman and Ms. Orr) are determined by employment agreements or arrangements for those officers. Where not specified by contract, salaries are generally reviewed annually. The minimum salaries specified in the employment agreements, the amount of any increase over these minimums and salaries for named executive officers whose salaries are not specified in an agreement are determined by the Committee based on a variety of factors, including: the nature and responsibility of the executive's position; the expertise of the executive and the executive's contributions and importance to the Company; the nature and extent of the executive's other forms of compensation; the executive's historical compensation; the competitiveness of the market for the executive's services and, to the extent available, salary ranges for persons in comparable positions at comparable companies; and the recommendations of Mr. Suleman (except in the case of his own compensation).

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Determinations as to appropriate base salaries of our named executive officers historically have not depended upon the application of a particular formula or the use of designated benchmarks. In setting base

Table of Contents

salaries, the Committee considers the importance of linking a high proportion of named executive officers' compensation to performance in the form of the annual incentive bonus and long-term stock-based compensation, which are both tied to both Company and individual performance measures.

Calendar Year 2008 Decisions. Among the named executive officers, all but Ms. Ellis and Ms. Stratford are employed pursuant to agreements described under *Summary of Employment Arrangements and Potential Payments Upon Termination or Change in Control* below. During 2008, the base salary for Mr. Taylor was increased pursuant to his promotion to Company's Chief Financial Officer, and as such, the Committee set his compensation at \$320,000 for 2008, \$360,000 for 2009 and \$400,000 for 2010. The base salary for one of our named executive officers, Ms. Orr, was increased to \$325,000 for May 2008 to May 2009 and then to \$350,000 for May 2009 to May 2010, pursuant to the terms of her employment agreement entered into by the Company. The base salaries for our remaining named executive officers were not modified in 2008.

In January 2009, the Compensation Committee approved a 10% reduction in base salary for Mr. Suleman (CEO) and a 5% reduction in base salary for all other executive officers, including Ms. Ellis, Mr. Taylor, Ms. Stratford, and Ms. Orr.

Annual Bonus Incentives for Named Executive Officers

Purpose. The Company's compensation program generally provides for an annual bonus that is linked to both Company and individual performance. The objective of the program is to compensate named executive officers based on the achievement of specific goals that are intended to correlate closely with growth of long-term stockholder value.

Considerations. Cash bonuses are generally paid based on the achievement of individual objectives that are also considered along with the Company's performance as a whole. In certain cases, bonuses (either a minimum amount or specified percentage of base salary) have been guaranteed based on the compensation package negotiated at the time an executive's employment commenced, in all cases subject to the final determination of the Board or Committee. The Committee establishes a target bonus for all named executive officers based, in part, upon the recommendation of the CEO (except in the case of his own compensation). Target bonuses vary in relation to each executive's responsibilities. The target bonus takes into account all factors that the Committee deems relevant, which may include (but is not limited to) a review of peer group compensation both within the radio broadcasting industry and more broadly. The individual performance measures enable the Committee to play a more proactive role in identifying performance objectives and accomplishments beyond purely financial measures, including, for example, exceptional performance of each named executive officer's functional responsibilities as well as leadership, creativity and innovation, collaboration, diversity initiatives, growth initiatives and other activities that are critical to driving long-term value for stockholders. With respect to all of the named executive officers, other than those guaranteed by contract, the Committee retains discretion, in appropriate circumstances, to grant a bonus which is less than the target bonus or no bonus at all. All named executive officers are eligible for consideration by the Committee for annual bonuses based upon the named executive officer's performance.

Calendar Year 2008 Decisions. Consistent with our approach described above for establishing target bonuses, we established the target bonus level for Mr. Suleman of up to \$2 million to be earned as of December 31, 2008. Mr. Suleman is a party to an employment contract containing contractual obligations with respect to his annual target bonuses. In addition, consistent with our approach described above for establishing target bonuses, we established the target bonus levels for Ms. Ellis at \$200,000 to be earned as of December 31, 2008 and Ms. Orr at \$150,000 to be earned on an annual cycle commencing in May, pursuant to the terms of her employment contract. The target bonus for the remaining executive officers would be at least what they received the prior year, if not more.

Table of Contents

For calendar year 2008, the Committee considered the following measures: the named executive officer's performance; extraordinary events and achievements during the year, including the transition of Alphabet Acquisition Corp., a wholly-owned subsidiary of the Company; Disney and ABC Radio Holdings, Inc., formerly known as ABC Chicago FM Radio, Inc., a Delaware corporation and wholly-owned subsidiary of Disney, as amended (the ABC Radio Merger Agreement) and the Company; operating income; economic profit (net operating profit after tax, minus a charge for capital employed in the business, based on the cost of capital); earnings per share; and the recommendation of Mr. Suleman (except in the case of his own compensation). For 2008, the Committee primarily looked to the Company's overall performance for the year and followed the recommendation of Mr. Suleman that no annual bonuses be awarded, with one exception.

The Committee awarded only one bonus to Ms. Ellis in the amount of \$100,000, as set forth in the *Summary Compensation Table* for calendar year 2008, which was based upon Mr. Suleman's recommendation. In addition, as Ms. Orr's bonus is paid on a cycle running from May 2007 to May 2008, she was paid a bonus of \$56,250 in calendar year 2008 from the prior year's award.

Long-Term Incentive Compensation

Purpose. The Citadel Broadcasting Corporation Amended and Restated 2002 Stock Option and Award Plan (also referred to from time to time by the Company as the Amended and Restated 2002 Long-Term Incentive Plan) (as amended from time to time, the Plan or the Long-Term Incentive Plan) is the plan used by the Company to provide long-term incentives to our named executive officers. The objective of the program is to align compensation for our named executive officers over a multi-year period directly with the interests of stockholders of the Company by motivating and rewarding creation and preservation of long-term stockholder value. We also use long-term incentive awards as a means of furthering the objectives of our business plans and long-term Company goals, tying a portion of the executive compensation to Company performance, and attracting and retaining talented leadership.

Considerations. The Committee determines the number of incentive awards granted to our named executive officers on an individual, discretionary basis. The level of long-term incentive compensation generally is determined based on any contractual requirements (such as pursuant to an existing employment agreement), total compensation provided to named executive officers, the goals of the compensation program described above, discussions with outside advisors, market data on total compensation packages, the value of long-term incentive grants at targeted external companies, total stockholder return, share usage and stockholder dilution and, except in the case of the awards to Mr. Suleman, the recommendations of Mr. Suleman. With the exception of newly-hired employees, the Committee generally makes awards during the first quarter of the year. The Committee schedule is generally determined in advance, and the proximity of any awards to earnings announcements or other market events is coincidental.

Equity Awards and Related Tax and Accounting Considerations. Historically, the primary form of equity compensation that we awarded consisted of non-qualified stock options. We selected this form because of the favorable accounting and tax treatments for the Company. Beginning in 2006, however, the accounting for stock options changed as a result of Statement of Financial Accounting Standards No. 123R, *Share Based Payment* (SFAS No. 123R), making the accounting treatment of stock options less attractive. As a result, we assessed the desirability of granting shares of restricted stock to our named executive officers and concluded that restricted stock likely would be an equal if not greater motivating form of incentive compensation while permitting us to issue fewer shares, thereby reducing potential dilution. Accordingly, the Company's long-term incentive compensation in 2008 consisted primarily of restricted stock grants. These vehicles, each of which is described in more detail below, reward stockholder value creation in slightly different ways. Stock options (which have exercise prices equal to the market price at the date of grant) reward named executive officers only if the stock price increases. Restricted stock is impacted by all stock price changes, so the value to named executive officers is affected by both increases and decreases in stock price.

Table of Contents

Stock Options. The long-term incentive program calls for stock options to be granted with exercise prices of not less than fair market value of the Company's stock on the date of grant. With rare exceptions made by the Committee, the stock options we grant vest ratably over four years, based on continued employment. The Committee will not grant stock options with exercise prices below the fair market value on the date of grant and will not reduce the exercise price of stock options (except in connection with adjustments to reflect recapitalizations, stock or extraordinary dividends, stock splits, mergers, spin-offs and similar events permitted by the relevant plan) without stockholder approval. New option grants to named executive officers normally have a term of ten years.

Unless otherwise set forth in a named executive officer's notice of stock option grant, if there is any change in the stock subject to an option or in the corporate structure of the Company, through merger, consolidation, division, share exchange, combination, reorganization, recapitalization, stock dividend, stock split, spinoff, split up, extraordinary dividend, dividend in kind or other similar change in the corporate structure or distribution to stockholders, a reclassification or any similar occurrence, the terms of the stock option (including, without limitation, the number and kind of shares subject to the option and the exercise price) may be adjusted by the Committee in its sole discretion pursuant to the terms of the Plan. No stock options were awarded to any executive officers in calendar year 2008.

Restricted Stock. Restricted stock awards may be subject to either time-based or both time-based and performance-based vesting conditions. For time-based stock to be earned, the named executive officer must be continuously employed by the Company through the applicable vesting date. For performance-based stock to be earned, the named executive officer and/or Company must achieve certain performance goals within the particular vesting period covered by the award and the named executive officer must also be continuously employed with the Company through the applicable vesting date. The performance goals that we will use going forward to measure Company and individual performance were approved by our stockholders at the 2007 annual meeting of stockholders, and awards that are dependent upon achieving these performance goals are not generally subject to the adverse tax consequences described above relating to Section 162(m). Such performance-based shares of restricted stock are sometimes referred to herein as performance shares.

Some restricted stock awards made in 2008 were subject to both performance-based and time-based vesting criteria, while other awards were subject only to time-based vesting criteria. The details of these awards are described in this section below under Calendar Year 2008 Decisions.

Calendar Year 2008 Decisions. In calendar 2008, the Committee awarded long-term compensation for named executive officers pursuant to the Plan resulting in the awards of restricted stock identified in the *Summary Compensation Table* and the *Grants of Plan-Based Awards Table*. In determining the annual grants of long-term incentive awards, the Committee considered the factors described above.

Chief Executive Officer Long-Term Incentive Awards

In May 2008, the Committee acknowledged that Mr. Suleman had voluntarily waived his annual bonuses for calendar years 2006 and 2007 and that for calendar year 2007, he received no equity grant from the Company. Thus, the Committee granted Mr. Suleman the following equity awards in 2008:

(a) a time-based grant of 2,000,000 shares of restricted stock, which shall vest in one-third (1/3) installments annually on each of the first, second, and third anniversaries of the date of grant if (subject to the terms and conditions of the grant agreement) he is continuously employed by the Company through the applicable vesting date; and

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

(b) a performance-based grant of 2,000,000 shares of restricted stock, which shall vest in a single tranche, subject to the specific terms and conditions of the grant agreement, provided that the Committee certifies in writing that the performance objective has been achieved on or before seven (7) years after the date of grant and provided that Mr. Suleman (subject to the terms and conditions of the grant agreement described below)

Table of Contents

satisfies the continuous employment requirement. The performance objective shall be to increase the per share price for the Company's common stock, as established by the closing price on the NYSE, for at least five (5) consecutive trading days to at least \$7.50 or more per share (the "Per Share Target"). The Committee shall equitably adjust the Per Share Target to reflect any stock dividend, stock split, reverse stock split, or extraordinary dividend or distribution that occurs after the date of grant and before the award vesting date.

Effective April 1, 2009, Mr. Suleman voluntarily cancelled both (i) the 2,000,000 shares of restricted stock with solely time-based vesting conditions and (ii) the 2,000,000 shares of restricted stock with both performance-based and time-based vesting conditions.

Previously, in March 2006, the Committee approved the modification of the vesting terms of the 1,250,000 shares of restricted stock previously granted to Mr. Suleman to subject them to performance goals and to extend the applicable vesting dates to January 1, 2007, October 1, 2007 and October 1, 2008. In November 2008, after review of the Company's performance, the Committee vested the 416,666 shares under Tranche C of the CEO's grant of 1,250,000 shares of restricted stock for the performance period of October 1, 2007 through September 30, 2008 based on the Company's revenue growth, as adjusted to reflect same station results and exclude certain items, as compared to the publicly reported revenue growth of its peer group in the radio broadcasting industry for the same twelve-month period. Tranches A and B had previously vested according to their terms.

Previously, in calendar 2006, the Committee approved the payment to Mr. Suleman of a "gross-up" for the tax differential between ordinary income and dividend income rates during the years ended December 31, 2006, 2007 and 2008, in respect of dividends and distributions, if any, Mr. Suleman receives in respect of any unvested portion of the 1,131,994 performance shares granted to Mr. Suleman as of March 16, 2006, which vested in two equal installments on March 16, 2007 and 2008, and the shares of the Company common stock underlying his undistributed restricted stock units (collectively, "Undelivered Shares"). At the Company's discretion, such payments can be paid in cash or additional shares of common stock of the Company. During 2008, the Company did not pay any dividends; therefore, no such payments were made to Mr. Suleman.

Other Performance-Based Restricted Stock Grants and Vesting of Prior Performance-Based Awards

In June 2008, the Committee made customary annual grants to some of the named executive officers, upon recommendation of the CEO. Specifically, the Committee approved a performance-based equity grant of 125,000 shares to Ms. Ellis that vests ratably over a three-year period, subject to continuous employment with the Company through the applicable vesting date and subject to the same performance criteria as previously utilized by the Committee for Ms. Ellis' prior 2006 and 2007 performance grants for the twelve-month performance period commencing as of July 1, 2008.

In March 2006, the Committee granted performance awards, vesting in two-equal installments, to our CEO, COO and Senior Vice President -Finance and Administration related to the Company's attainment of revenue-related performance objectives during the applicable twelve-month period. Specifically, for the twelve-month restricted period, the revenue growth of the Company on a consolidated basis must equal or exceed revenue growth in the radio broadcasting industry for the same twelve-month period as reported by Miller, Kaplan, Arase & Co. LLP, Certified Public Accountants (or another comparable source), as adjusted by the Committee ("Performance Goal") for comparable results in the event of any significant merger, acquisition or disposition (including the Merger and other transactions contemplated by the ABC Radio Merger Agreement). After the end of the twelve-month period, the Committee determined that the performance goals set for the twelve-month period under the performance-based awards granted to these named executive officers in 2008 had been met. As a result, in March 2008, the Committee certified the following: (a) 565,997 shares under Tranche B of the March 2006 grant to the CEO of a 1,131,994 performance share award; (b) 50,000 shares under Tranche B of the March 2006 grant to the COO of a 100,000 performance share award; and (c) 25,000 shares under Tranche B of the March 2006 grant to the SVP - Finance & Administration of a 50,000 performance share award.

Table of Contents

In March 2007, the Committee approved a grant of 100,000 performance shares to our COO, subject to the satisfaction of performance goals, which relate to the Company's attainment of the same revenue-related performance objectives during the applicable twelve-month period as the goals described above related to the grants made in 2006. After the end of the twelve-month period, the Committee determined the performance goals for the twelve-month period under the performance-based awards were met for 2007; therefore, 33,334 shares under Tranche A of the March 2007 grant to the COO of a 100,000 performance share award vested in 2008. Additionally, 33,333 shares under Tranche B of the March 2007 grant to the COO were approved for vesting in March 2009. The Tranche C portion of the March 2007 performance share award shall continue to vest in 2010, subject to the satisfaction of the performance criteria outlined above and the COO's continuous employment with the Company through the applicable vesting date.

Time-Based Restricted Stock Grants

In June 2008, the Committee also approved grants of 35,000 shares of restricted stock to each of Ms. Stratford and Ms. Orr, and of 60,000 shares of restricted stock to Mr. Taylor, that vest ratably over a three-year period, subject to continuous employment with the Company through the applicable vesting date.

Stock Ownership. Although the Company has chosen to award shares of restricted stock, stock options and other forms of equity awards to its named executive officers and other employees, the Company does not have equity or other security ownership requirements. As persons with access to material non-public information regarding the Company, our named executive officers, like all of our employees and directors, are restricted in their ability to trade our securities in accordance with applicable law, our Company's securities trading policy and the guidelines contained in our Code of Business Conduct and Ethics, which is available at www.citadelbroadcasting.com under "Investor Relations" where you can click on the link to "Corporate Governance."

Benefits and Perquisites

The Company provides named executive officers with perquisites and other benefits that the Company and the Committee believe are reasonable and consistent with the overall executive compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the level of perquisites and other personal benefits provided to named executive officers. With limited exceptions, named executive officers receive perquisites and benefits that are substantially the same as those offered to other officers of the Company. The Company may also make available to Mr. Suleman use of the corporate aircraft for business purposes. On occasion, the corporate aircraft may be used by Mr. Suleman for personal purposes. Historically, the cost of such personal use of the aircraft is either reimbursed by Mr. Suleman or included as compensation to him. For 2008, it has been included as compensation. Mr. Suleman and Ms. Ellis are provided with use of Company vehicles and/or parking for business use.

Named executive officers also participate in our other benefit plans on the same terms as other employees. These plans include medical, vision and dental insurance, life and disability insurance, and flexible spending accounts relating to health care and dependents. Named executive officers also participate in the Company's 401(k) retirement savings plan, which is discussed below under "Severance, Retirement and Change in Control Benefits" and on a case-by-case basis are reimbursed for work-related transportation costs. For additional information on the benefits and/or perquisites available to named executive officers, see the text following the *Summary Compensation Table* below.

Severance, Retirement and Change in Control Benefits

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

The Company believes that it is important in some instances to protect its named executive officers in the event of a change in control of the Company (a "Change in Control") and provide them benefits under certain other circumstances if their employment with the Company is terminated. Further, it is the Company's belief that

Table of Contents

the interests of stockholders will be best served if the interests of our senior management are aligned with them, and providing change in control benefits increases the likelihood that senior management will pursue potential change in control transactions, if any, that may be in the best interests of our stockholders. In general, the Company has negotiated change in control benefits with our senior officers who have negotiated for such benefits as part of the terms of their employment. Two of the Company's current named executive officers, Mr. Taylor (Chief Financial Officer) and Ms. Orr (Vice President, General Counsel, and Secretary) have entered into employment agreements or arrangements with the Company that include severance and change in control provisions in the event of termination of such individual's employment with the Company under certain circumstances. Mr. Freedline, the Company's former CFO, also had an employment agreement that included severance and change in control provisions in the event of termination of such individual's employment with the Company; however, Mr. Freedline resigned his position with the Company effective January 31, 2008. The components of any change in control benefits have been negotiated on an individual and discretionary basis and are based on a myriad of considerations, including the nature and responsibility of the executive's position, the expertise of the executive and the executive's contributions and importance to us, the competitiveness of the market for the executive's services and, to the extent available, change in industry standards or practices for persons in comparable positions at comparable companies, as well as the recommendations of Mr. Suleman except in the case of his own benefits. The change in control agreements we currently have in place with named executive officers are described below in the narrative entitled, "Summary of Employment Arrangements and Potential Payments Upon Termination or Change in Control."

(1) The amounts reported in these columns for each named executive officer reflect the compensation costs for financial reporting purposes for the year under FAS 123R, rather than amounts paid to or realized by the named executive officer, for outstanding equity awards granted in and prior to December 31, 2008. A discussion of the assumptions used in calculating these values may be found in Note 13 in the audited financial statements in Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008.

Summary of Employment Arrangements and Potential Payments Upon Termination or Change in Control

Messrs. Suleman and Taylor and Ms. Orr are, and Mr. Freedline, prior to his resignation effective January 31, 2008, was each party to an employment agreement with the Company that provides for minimum amounts of compensation and, in some instances, for payments and benefits upon certain terminations of employment and/or a Change in Control. In addition, certain of our executive officers have received grants of restricted stock, performance shares and stock options that vest in full in the event of the executive officer's termination due to death or disability, by the Company without cause (as defined in the relevant agreement) or termination for good reason (as defined in the relevant agreement).

Mr. Suleman's Employment Arrangements

Farid Suleman is party to an employment letter originally, dated February 15, 2002, which was subsequently modified by the Committee effective as of September 20, 2005. Pursuant to this employment letter, Mr. Suleman's annual salary is \$1.25 million per year and is subject to annual review and adjustment by the Committee. In addition, Mr. Suleman is eligible to receive an annual bonus of up to \$2 million, payable pursuant to the Company's 2008 Senior Executive Annual Bonus Plan. The employment letter does not provide Mr. Suleman with any entitlement to benefits upon his termination of employment or due to a Change in Control. Mr. Suleman's employment is at will. In January 2009, the Compensation Committee approved a 10% reduction in base salary for Mr. Suleman.

In addition, the terms of outstanding awards of performance shares held by Mr. Suleman provide for the accelerated vesting of these awards if Mr. Suleman's employment were to be terminated due to his death or disability, by the Company without cause (as defined in the equity grant agreements) or by Mr. Suleman with good reason (as defined in the equity grant agreement). Based on the value of our stock on December 31, 2008, the value of Mr. Suleman's unvested performance shares and restricted stock was \$640,000.

Mr. Freedline's Employment Arrangements

Mr. Freedline, who resigned from his position as the Company's Chief Financial Officer effective January 31, 2008, was a party to an employment agreement with the Company, dated May 26, 2006. No severance benefits (other than accrued salary, benefits, vacation, and other obligations) were payable in the event of Mr. Freedline's termination of his employment without good reason, as that term was defined in Mr. Freedline's employment agreement. As such, upon his resignation, Mr. Freedline was entitled only to the accrued obligations as defined in his employment agreement.

Mr. Taylor's Employment Arrangements

The material terms of Mr. Taylor's employment are set forth in a letter agreement, dated August 29, 2006, between him and the Company and a confirmatory memorandum, dated November 6, 2006. Commencing with the start of employment, Mr. Taylor was to be paid a base salary at an annual rate of \$240,000. He was also eligible to receive an annual cash bonus of up to 30% of his annual salary, the payment of which shall be based upon (i) his individual performance as evaluated by the Company's Chief Executive Officer and Chief Financial Officer and (ii) the Company's overall performance. The payment of such bonus, if any, was not guaranteed.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

On February 27, 2008, the Committee approved a salary increase for Mr. Taylor, consistent with his appointment to the positions of Chief Financial Officer and principal financial officer, effective February 29, 2008. Under the terms of this salary arrangement, Mr. Taylor's annual salary will be \$320,000 during the first year of such employment, \$360,000 during the second year of such employment and \$400,000 during the third year of such employment. Mr. Taylor will continue to be eligible for an annual discretionary bonus. The payment of such bonus, if any, is not guaranteed. Mr. Taylor also is eligible to participate in the packages for health insurance, dental, vision, disability, a matching 401K program and other welfare benefits offered by the Company to other employees. In January 2009, the Compensation Committee approved a 5% reduction in base salary for Mr. Taylor.

Table of Contents

Mr. Taylor's employment is at will. In the event that his employment is terminated without cause, in exchange for a release in a form acceptable to the Company, he shall receive twelve weeks of his then annual base salary.

The value of these benefits assuming Mr. Taylor's termination without cause on December 31, 2008 was approximately \$74,000. In addition, upon Mr. Taylor's termination due to his death or disability, by the Company without cause (as defined in the equity grant agreements) or by Mr. Taylor with good reason (as defined in the equity grant agreements), all unvested equity awards would have become vested. Based on the value of our stock on December 31, 2008, the value of Mr. Taylor's unvested shares of restricted stock was \$10,933.

Ms. Orr's Employment Arrangements

The term of Ms. Orr's employment commenced on May 15, 2006. Pursuant to the terms of a term sheet agreed upon at that time, during her employment as Vice President, General Counsel and Secretary of the Company, Ms. Orr received an annual base salary in the amount of \$300,000 during her second year of employment (from May 15, 2007 to May 15, 2008). Ms. Orr was also eligible to receive an annual bonus for each year completed during the term of her employment, which will be subject to review by the Committee of Ms. Orr's performance. Ms. Orr's target incentive bonus opportunity during her second year of employment (from May 15, 2007 to May 14, 2008) was a minimum of \$75,000 and \$100,000. In the event Ms. Orr's employment had been terminated for any reason other than for cause, within one year of the closing of the Merger transaction contemplated by the ABC Radio Merger Agreement (which occurred on June 12, 2007), then (i) Ms. Orr would have received a severance payment in the amount of one year of Ms. Orr's then current base salary and (ii) all outstanding shares of restricted stock held by Ms. Orr would have immediately vested.

On August 11, 2008, the Company entered into a new compensation agreement with Ms. Orr with respect to her employment as Vice President, General Counsel and Secretary of the Company. Ms. Orr shall receive an annual base salary in the amount of \$325,000 from May 16, 2008 to May 15, 2009 and an annual base salary in the amount of \$350,000 from May 16, 2009 to May 15, 2010. Ms. Orr will also be eligible to receive an annual bonus for each year completed during the term of her employment, which will be subject to review by the Compensation Committee of Citadel's Board of Directors of Ms. Orr's performance. Ms. Orr's target incentive bonus opportunity will be \$150,000 in each of the two years. If Ms. Orr should (i) resign for good reason (defined as in each case without the agreement of Ms. Orr (1) any material diminution of authority, duties or responsibilities, or removal from such position, excluding for this purpose (x) termination of her employment for cause or temporarily as a result of her illness, disability, incompetency or other absence or (y) an isolated, insubstantial and inadvertent action not taken in bad faith and that is remedied by the Company promptly after receipt of notice thereof given by Ms. Orr; or (2) any material diminution of her annual base salary or annual bonus opportunity; or (3) relocation of the Company's New York executive offices to a location outside Manhattan) or (ii) be terminated by Citadel for any reason other than cause, then she shall receive one year of her then current salary, a pro-rated portion of her target incentive bonus for that year, and all outstanding shares of restricted stock shall immediately vest. In January 2009, the Compensation Committee approved a 5% reduction in base salary for Ms. Orr.

The value of these benefits assuming Ms. Orr's termination without cause on December 31, 2008 was approximately \$428,000. In addition, upon Ms. Orr's termination due to her death or disability, by the Company without cause or by Ms. Orr with good reason, all unvested equity awards would have become vested. Based on the value of our stock on December 31, 2008, the value of Ms. Orr's unvested shares of restricted stock was \$9,600, which is included in the \$428,000 above.

OTHER MATTERS

The expenses of printing and mailing the E-Proxy Notices and any other proxy materials, including expenses involved in forwarding materials to beneficial owners of stock, will be paid by the Company. No solicitation other than by mail or pursuant to Rule 14a-6 of SEC Regulation 14A is contemplated. The Company will reimburse brokers, banks, institutions and others holding common stock of the Company as nominees for their expenses in sending proxy solicitation material to the beneficial owners of such common stock of the Company and obtaining their proxies.

Eligible beneficial stockholders who share a single address may have received a notification that only one copy of the E-Proxy Notice and other proxy materials, as requested, will be sent to that address unless the broker, bank, institutions or other nominee that provided the notification received contrary instructions from any beneficial stockholder at that address. This practice, known as householding, is designed to reduce printing and mailing costs. However, if a beneficial stockholder at such an address wishes to receive a separate copy of the E-Proxy Notice and other proxy materials this year or in the future, the stockholder may call (800) 542-1061 to opt-out of the householding program. Eligible registered stockholders receiving multiple copies of these documents can request householding by contacting BNY Mellon Shareowner Services at (877) 277-9935. Persons holding shares through a bank, broker, institutions or other nominee can request householding by contacting the nominee.

Table of Contents**PROPOSAL 1 ELECTION OF CLASS III DIRECTORS**

The Board of Directors recommends that you vote FOR the election of the nominees to serve as Class III directors on the Company's Board of Directors.

Board of Directors

The Company's Board of Directors is currently composed of eight directors. The Company's Board of Directors was previously composed of nine directors; however, the number of Class I director seats was reduced by the Board of Directors from three directors down to two directors as of February 24, 2009. Thus, of the eight total directors, which constitutes the entire Board, there are two Class I directors, three Class II directors, and three Class III directors. At each annual meeting of stockholders, successors to the class of directors whose term expires at that annual meeting will be elected for a three-year term and until their respective successors are elected and qualified. A director may only be removed with cause by the affirmative vote of the holders of a majority of the outstanding shares of capital stock entitled to vote in the election of directors, voting together as a single class.

Nominees

Upon the recommendation of the Company's nominating/corporate governance committee and the Board of Directors, the following three directors listed in the table below are nominated for election to serve as Class III directors for a term of three years expiring at the annual meeting of stockholders in 2012 or when their respective successors are elected and qualified. If any of the nominees are unable to serve or refuse to serve as directors, an event which the Board does not anticipate, the proxies will be voted in favor of such other person(s), if any, as the Board of Directors may designate. A plurality of the votes cast at the Annual Meeting will elect each Class III director. Stockholders may not grant a proxy for a greater number of persons than three, which is the number of nominees identified herein.
