Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 8, 2010, the Compensation Committee of Kraton Performance Polymers, Inc. approved the 2010 Performance Targets under the Kraton Polymers LLC Cash Incentive Plan for the Kraton Leadership Team, which includes our named executive officers.

For the bonus year that ends December 31, 2010, the Committee has established the following Target Bonus amounts for our named executive officers:

Named Executive Officer	Target Bonus
Kevin Fogarty	1.0 x Base Salary
David A. Bradley	.75 x Base Salary
Stephen E. Tremblay	.50 x Base Salary
Larry R. Frazier	.50 x Base Salary
Lothar Freund	.50 x Base Salary

As described more fully below, if the Business Performance Targets and the Personal Performance Targets are achieved at the maximum, or stretch, levels, each named executive officer's actual bonus can be up to two times his Target Bonus.

The Compensation Committee has established Business Performance Targets for the Company and Personal Performance Targets for each named executive officer and has assigned a percentage weighting to the achievement of each. The actual bonus earned shall be the sum of the amount earned for achievement of Business Performance Targets and the amount earned for the achievement of the Personal Performance Targets, provided that if no bonus compensation is payable for the achievement of Business Performance Targets, then no annual bonus compensation shall be payable.

The Business Performance Targets are comprised of three performance measures, each of which is assigned an individual weighting by the Committee: achievement of adjusted EBITDA; achievement of operating cash flow; and percentage of innovation sales (percentage of income generated from sales of products commercialized within the past five years).

The Personal Performance Targets are comprised of a number of unique, individual performance measures, each of which is assigned an individual weighting, within the executive's area of management or control.

The Committee has established threshold, target and stretch targets for each of the Business Performance Targets and Personal Performance Targets, which if achieved, will provide a bonus multiplier of 0.5, 1.0 or 2.0, respectively.

Any such bonuses will be paid in cash, and the Company expects that such payments, if any, will be made in first quarter 2011.
