Item 7.01. Regulation FD Disclosure.

The U.S. General Services Administration's Federal Systems Integration and Management Center awarded a single-award blanket purchase agreement (BPA) to SRA International, Inc. (SRA) for SAP implementation for the U.S. Department of Agriculture (USDA). The Application Transformation and Modernization (ATM) System Integrator (SI) BPA is intended to enable USDA organizations to incorporate SAP® enterprise resource planning tools in furtherance of agricultural, nutritional and development initiatives, among others. The BPA, against which future task orders may be issued, has a seven-year term and, if task orders are issued, has a government-estimated value of \$500 million. The BPA was originally awarded on December 8, 2009 and was subject to a protest that has subsequently been withdrawn.

Actual results may differ materially from those indicated by such forward-looking statements. Some of these factors include, but are not limited to, the risk factors set forth in SRA's Annual Report on Form 10-K for the period ended June 30, 2009, and other such filings that SRA makes with the SEC from time to time.
