Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective April 19, 2010, the Board of Directors of the Company determined to eliminate the position of Chief Operating Officer and create a new position, President of Dredging Operations. In connection with this operational restructuring, Richard M. Lowry, Chief Operating Officer, has left the Company and will receive compensation in accordance with his Employment Agreement, as filed with the Company's Form 8-K dated July 9, 2007.

David Simonelli, who has recently served as the Company's Senior Vice President of Operations, has been promoted to the position of President of Dredging Operations. Mr. Simonelli is 53 years of age. Mr. Simonelli joined the Company in 1978 as a Field Engineer and has served the Company in positions of increasing responsibility since then. Having been Project Manager for several of the Company's major domestic and international dredging projects, Mr. Simonelli was named a Vice President in 2002. He has been instrumental in the continued enhancement of the Company's dredging processes, implementing project cost improvements and the transformation of the Company's safety culture.

A copy of the press release announcing these management changes and operational restructuring is attached hereto as Exhibit 99.1 and incorporated herein by reference.
