Concurrent Offering

Concurrent with this offering of notes, we are also offering \$500 million aggregate principal amount of 6.20% Medium-Term Notes, Series D, due November 15, 2040. On November 11, 2010, we entered into an underwriting agreement for a public offering of 18,348,624 shares of our common stock (or 21,100,917 shares, if the underwriters of that offering exercise their over-allotment option in full) at an initial public offering price of \$54.50 per share.

Use of Proceeds

We intend to use the net proceeds from this offering and the concurrent offering of \$500 million aggregate principal amount of 6.20% Medium-Term Notes, Series D, due November 15, 2040 to partially fund the purchase price under the stock purchase agreement related to our acquisition of certain Japanese subsidiaries of American International Group, Inc. If the acquisition is not consummated, we intend to use the net proceeds from this offering for general corporate purposes. Pending such uses, the net proceeds will be invested in short-term, investment-grade, interest-bearing securities. We expect to fund the remainder of the acquisition purchase price with approximately \$2.2 billion of cash and short-term investments of Prudential Financial and its subsidiaries and approximately \$970 million of net proceeds from the public offering of our common stock that priced on November 11, 2010.

Other Information

On November 9, 2010, our board of directors declared an annual dividend for 2010 of \$1.15 per share of common stock. The dividend will be payable on December 17, 2010 to shareholders of record at the close of business on November 23, 2010.

In connection with a commitment letter we entered into on September 30, 2010 relating to a bridge facility that may be used to finance any portion of the purchase price under the stock purchase agreement mentioned above, we have agreed with Citigroup Global Markets Inc., HSBC Securities (USA) Inc., Wells Fargo Securities, LLC and an affiliate of Mitsubishi UFJ Securities (USA), Inc. that, until November 9, 2011, they and/or certain of their affiliates will have the right of first refusal to provide us, on a non-exclusive basis, with capital markets services in connection with certain offerings we conduct to finance the purchase price under the stock purchase agreement or to refinance amounts borrowed under the bridge facility.

Citigroup Global Markets Inc. has agreed to act as a joint lead arranger and bookrunner for a new five-year revolving credit facility for us, and its affiliate has agreed to act as a lender under the new facility. Affiliates of HSBC Securities (USA) Inc., Wells Fargo Securities, LLC and Mitsubishi UFJ Securities (USA), Inc. have also agreed to act as lenders under the new facility. In addition, affiliates of Citigroup Global Markets Inc., HSBC Securities (USA) Inc., Wells Fargo Securities, LLC and Mitsubishi UFJ Securities (USA), Inc. have entered into the commitment letter for the bridge facility with us.

Supplemental Plan of Distribution

We estimate that our total offering expenses, excluding underwriting discounts and commissions paid to the underwriters, will be approximately \$200,000. We and the underwriters have entered into an agreement regarding a reimbursement of our offering expenses.
