We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of our company. No additional compensation will be paid to directors, officers or other regular employees for such services.

Voting Rights and Outstanding Shares

We have designated a record date of January 27, 2011 for the Annual Meeting. On all matters to be voted upon at the Annual Meeting, each holder of record of common stock on the record date will be entitled to one vote for each share held. All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions will be counted towards the tabulation of votes cast on proposals presented to the stockholders for the purposes of determining the presence of a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will nevertheless have discretion to vote your shares on our sole routine matter the ratification of the appointment of our independent registered public accounting firm. Your broker will not have discretion to vote on our sole non-routine matter absent direction from you the election of directors recommended by the Board of Directors.

PROPOSAL ONE

ELECTION OF DIRECTORS

There are four nominees for Board positions. Each director to be elected will hold office until the next annual meeting of stockholders and until his or her successor is elected and has qualified, or until such director's earlier death, resignation or removal. All four of the nominees listed below are currently directors of our company and were elected by the stockholders at our 2010 annual meeting. We encourage our Board members to attend our annual meetings of stockholders. All nominees who were then directors attended the 2010 annual meeting of stockholders.

In considering candidates for election to the Board, the independent members of the Board seek to assemble a Board that, as a whole, possesses the appropriate balance of professional, management and industry experience, qualifications, attributes, skills, expertise and involvement in areas that are of importance to our business and professional reputation. The independent directors also consider other board service, business, financial and strategic judgment of potential nominees, and desire to have a Board that represents a diverse mix of backgrounds, perspectives and expertise consisting of directors who complement and strengthen the skills of other directors and who also exhibit integrity, collegiality, sound business judgment and any other qualities that the independent members of the Board view as critical to effective functioning of the Board. Each of the nominees for election to the Board has demonstrated a successful track record of strategic, business and financial planning and operating skills. In addition, each of the nominees for election to the Board has experience in management and leadership development and an understanding of operating and corporate governance issues for a public company such as LRAD.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the four nominees named below, subject to the discretionary power to cumulate votes. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. There are no arrangements or understandings between us and any other person pursuant to which he or she was or is to be selected as a director or nominee.

The four candidates receiving the highest number of affirmative votes cast at the meeting will be elected directors.

Our Board of Directors recommends a vote IN FAVOR of each named nominee.

Nominees

The names of the nominees and certain information about them are set forth below. Such information includes their present positions, principal occupations and public company directorships held in the past five years as well as the specific experience, qualifications, attributes or skills of each nominee that led the independent members of the Board to believe that, as of the date of this proxy statement, that nominee should continue to serve on the Board. However, each independent director may have a variety of reasons for believing a particular person would be an appropriate board member, and these views may differ from the views of other independent directors.

BOARD AND COMMITTEE MATTERS AND CORPORATE GOVERNANCE MATTERS

Corporate Governance

We maintain a corporate governance page on our website that includes key information about our corporate governance initiatives, including our Code of Business Conduct and Ethics, our Charters for the committees of the Board of Directors, and our Whistleblower Protection Policy. The corporate governance page can be found at www.lradx.com by clicking on Investors, and then on Corporate Governance.

Our policies and practices reflect corporate governance initiatives that are designed to be compliant with the listing requirements of The NASDAQ Stock Market and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

A majority of our Board members are independent of our company and our management;

All members of our standing Board committees the Audit Committee and the Compensation Committee are independent;

The independent members of our Board of Directors meet regularly without the presence of management;

We have a clear code of business conduct and ethics that applies to our principal executive officers, our directors and all of our employees, and is monitored by our Audit Committee;

The charters of the board committees clearly establish their respective roles and responsibilities; and

We have a hotline available to all employees, and our Audit Committee has procedures in place for the anonymous submission of employee complaints on accounting, internal accounting controls, or auditing matters.

Board of Directors

Our Board of Directors currently consists of four directors: Thomas R. Brown (Chairman), Helen C. Adams, Laura M. Clague and Raymond C. Smith. During the fiscal year ended September 30, 2010, our Board of Directors held nine meetings. All directors serving on the Board during the fiscal year ended September 30, 2010 attended at least 75% of the aggregate of the total number of the meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which he or she served (in each case during the period in which he or she served).

Independence of the Board of Directors

As required under the NASDAQ Stock Market listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board of directors.

Edgar Filing: LRAD Corp - Form DEF 14A

After review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, our Board of Directors has affirmatively determined that Ms. Adams, Ms. Clague and Admiral Smith are independent directors within the meaning of the applicable NASDAQ listing standards.

Board Leadership Structure

Thomas R. Brown currently serves as Chief Executive Officer and Chairman of the Board. We do not have a formal policy with respect to separation of the offices of Chairman of the Board and Chief Executive Officer, and the Board believes that it should maintain flexibility to select our Chairman and board leadership structure from time to time. The Board believes that it is currently in our best interest, and that of our stockholders, for Mr. Brown to serve in both roles. The Board believes this provides us an efficient and effective leadership model. Combining the Chairman and CEO roles fosters clear accountability, effective decision-making and alignment on corporate strategy. In light of Mr. Brown's knowledge of our business and industry, and his experience successfully navigating us through both strong and challenging periods, his ability to speak as Chairman and CEO provides us with strong unified leadership.

Role of Board of Directors in Risk Oversight

Our management is primarily responsible to manage risk and inform the Board regarding our most material risks. The Board has oversight responsibility of the processes established to monitor and manage such risks. The Board believes that such oversight function is the responsibility of the entire Board through frequent reports and discussions at regularly scheduled Board meetings. In addition, the Board has delegated specific risk management oversight responsibility to the Audit Committee and to the independent members of the Board. In particular, the Audit Committee oversees management of risks related to accounting, auditing and financial reporting and maintaining effective internal controls for financial reporting. The Compensation Committee oversees risk management related to our executive compensation plans and arrangements. The independent members of the Board oversee risk management related to our corporate governance practices. The Board believes that the leadership structure described above under **Board Leadership Structure** facilitates the Board's oversight of risk management because it allows the Board, working through its committees, including the independent Audit Committee and the Compensation Committee, to participate actively in the oversight of management's actions. These specific risk categories and our risk management practices are regularly reviewed by the entire Board in the ordinary course of regular Board meetings.

Executive Sessions

As required under NASDAQ listing standards, during the calendar year ended December 31, 2010, our independent directors met at least twice in regularly scheduled executive sessions at which only independent directors were present.

Stockholder Communications with the Board of Directors

We have adopted a formal process by which stockholders may communicate with our Board of Directors. The Board recommends that stockholders initiate any communications with the Board in writing and send them in care of Investor Relations by mail to our principal offices, 15378 Avenue of Science, Suite 100, San Diego, CA 92128. This centralized process will assist the Board in reviewing and responding to stockholder communications in an appropriate manner. The name of any specific intended Board recipient should be noted in the communication. The Board has instructed Investor Relations to forward such correspondence only to the intended recipients; however, the Board has also instructed Investor Relations, prior to forwarding any correspondence, to review such correspondence and, in its discretion, not to forward certain items if they are deemed of a personal, illegal, commercial, offensive or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, that correspondence will be forwarded to our corporate Secretary for review and possible response. This information is also contained on our website at www.lradx.com.

Information Regarding the Board of Directors Committees

During the fiscal year ended September 30, 2010, the Board had two standing committees: the Audit Committee and the Compensation Committee. The current charters for the Audit Committee and the Compensation Committee can be found on our website at www.lradx.com.

Audit Committee

Our Board of Directors has a separately designated standing Audit Committee established in accordance with Section 3(a)(58) of the Securities Exchange Act of 1934 (the **Exchange Act**). The Audit Committee oversees our corporate accounting and financial reporting processes. Among other functions, the Audit Committee:

evaluates the performance of and assesses the qualifications of the independent registered public accounting firm;

engages the independent registered public accounting firm;

determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm;

confers with senior management and the independent registered public accounting firm regarding the adequacy and effectiveness of financial reporting;

Edgar Filing: LRAD Corp - Form DEF 14A

reviews and approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services;

considers the effectiveness of our Company's internal control system, including information technology security and control;

oversees procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

reviews the procedures for communicating the code of business conduct and ethics to our company personnel, and for monitoring compliance therewith;

reviews annually the Audit Committee's written charter and the committee's performance and reports the same to the Board;

reviews the financial statements to be included in our Annual Report on Form 10-K as well as interim financial reports;

discusses with management and the independent registered public accounting firm the results of the annual audit and the results in our quarterly financial statements; and

reviews and approves all related party transactions on an ongoing basis.

The Audit Committee has the authority to retain special legal, accounting or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Audit Committee is composed of Ms. Adams (Chair), Ms. Clague and Admiral Smith. The Audit Committee met four times during fiscal 2010.

The Board of Directors annually reviews the NASDAQ listing standards definition of independence for audit committee members and has determined that all members of our Audit Committee are independent under applicable SEC rules and NASDAQ listing standards. Our Board of Directors has determined that each member of the Audit Committee is able to read and understand fundamental financial statements, including our company's balance sheet, income statement and cash flow statement. Our Board of Directors has also determined that Ms. Adams and Ms. Clague each qualify as an audit committee financial expert, as defined in applicable SEC rules. In making such determinations, the Board made a qualitative assessment of Ms. Adams' and Ms. Clague's level of knowledge and experience based on a number of factors, including each individual's formal education and experience. See Report of the Audit Committee.

Compensation Committee

The Compensation Committee assists in the implementation of, and provides recommendations with respect to, our general and specific compensation policies and practices for our company's executives. The Compensation Committee also administers our 2005 Equity Incentive Plan. Among other functions, the Compensation Committee:

reviews and approves the performance goals and objectives for executive officers, including our CEO;

evaluates the CEO's performances in light of those goals and objectives and recommends to the Board the CEO's compensation levels;

recommends to the Board the compensation of executive officers other than the CEO;

reports on executive compensation for inclusion in our company's proxy statements;

reviews annually the Board compensation and makes related recommendations to the Board; and

Edgar Filing: LRAD Corp - Form DEF 14A

reviews annually the Compensation Committee's written charter and the committee's performance and reports the same to the Board. The Compensation Committee has the authority to retain special legal or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Compensation Committee is composed of Ms. Clague (Chair), Ms. Adams and Admiral Smith. The Compensation Committee held five meetings during fiscal 2010. See Report of the Compensation Committee.

Each member of the Compensation Committee is independent under applicable NASDAQ listing standards, an outside director as defined in Section 162(m) of the Internal Revenue Code and a non-employee director as defined in Rule 16b-3 under the Exchange Act.

Consideration of Director Nominees

Director Qualifications

The Board of Directors believes that new candidates for director should have certain minimum qualifications, including having the knowledge, capabilities, experience and contacts that complement those currently existing within our company; ability and qualifications to provide our management with an expanded opportunity to explore ideas, concepts and creative approaches to existing and future issues, and to guide management through the challenges and complexities of building a quality company; ability to meet contemporary public company board standards with respect to general governance; stewardship, depth of review, independence, financial certification, personal integrity and responsibility to stockholders; genuine desire and availability to participate actively in the development of our future; and an orientation toward maximizing stockholder value in realistic time frames. The Board also intends to consider for new Board members such factors as ability to contribute strategically through relevant industry background and experience, on either the vendor or the end user side; strong current industry contacts; ability and willingness to introduce and open doors to executives of potential customers and partners; current employment as the CEO of an acoustic products, media, advertising, military or government supply company larger than our company; independence from our company and current board members; and a recognizable name that would add credibility and value to our company and its stockholders. The Board does not have a formal policy regarding diversity, but as described above considers a broad range of attributes and characteristics in identifying and evaluating nominees for election to the Board. The Board views diversity broadly to include diversity of experience, skills and viewpoint in addition to more traditional diversity concepts. The Board may modify these qualifications from time to time.

Evaluating Nominees for Director

The Board of Directors reviews candidates for director nominees in the context of the current composition of our Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Board currently considers, among other factors, diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and our company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Board of Directors reviews such directors' overall service to our company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Board also determines whether the nominee must be independent, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Board then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Board conducts any appropriate and necessary inquiries into the background and qualifications of possible candidates after considering the function and needs of our Board of Directors. The Board meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to our Board of Directors by majority vote. To date, neither the Board of Directors nor any predecessor to the Board has paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, neither the Board of Directors nor any predecessor to the Board has rejected a timely director nominee from a stockholder or group of stockholders that beneficially owned, in the aggregate, more than 5% of our voting stock.

Stockholder Nominations

The Board applies the same guidelines (described above) to stockholder nominees as applied to nominees from other sources. Any stockholder who wishes to recommend for the Board of Directors' consideration a prospective nominee to serve on the Board of Directors may do so by giving the candidate's name and qualifications in writing to our Chairman of the Board at the following address: 15378 Avenue of Science, Suite 100, San Diego, California 92128.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, a code of ethics that applies to all employees, including our executive officers. A copy of the Code of Business Conduct and Ethics is posted on our Internet site at www.atcsd.com. In the event we make any amendments to, or grant any waivers of, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, or principal accounting officer that requires disclosure under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor on a Form 8-K or on our next periodic report.

All of our employees will be entitled to participate in the incentive plan. Target bonus amounts vary based on a percentage of the employee's base salary, which are 50% of base salary for executive officers and range from 10% to 50% of base salary for other employees depending on their level of responsibility. A bonus payment will be made at three levels, including at 50% of target, at 100% of target and at 200% of target, depending upon the achievement by our company of specified earnings per share goals.
