**Approval of Form of Restricted Stock Unit Award Agreement**

On December 14, 2011, the Organization and Executive Compensation Committee (the Committee) of the Board of Directors (the Board of Directors) of Northwest Natural Gas Company (the Company) approved a new form of Restricted Stock Unit Award Agreement (the RSU Agreement), which is expected to be used for grants of Restricted Stock Units (RSUs) to executive officers and other employees in February 2012. Beginning in 2012, the Committee has decided to grant RSUs with a performance threshold instead of stock options under the long-term incentive portion of the Company's executive compensation program.

An RSU obligates the Company upon vesting of the RSU to issue to the RSU holder one share of common stock plus a cash payment equal to the total amount of dividends paid per share between grant and vesting of the RSU. The RSUs become vested for 25% of the shares covered by each award on March 1 of each of the first four years after the grant date, except that no RSUs will vest on March 1 of any year if the Company's return on common equity for the preceding year does not exceed the Company's average cost of long-term debt for the preceding five years. If a change in control of the Company occurs, the return on equity performance threshold will be deemed satisfied for all remaining years, and RSUs will become 100% vested if, within two years after the change in control, the RSU holder's employment is terminated by the Company without cause or by the RSU holder for good reason. If an RSU holder's employment terminates as a result of retirement, death or disability, the continued employment condition for RSU vesting will be deemed satisfied, and RSUs will then continue to vest if the performance condition is satisfied for applicable years. If an RSU holder's employment terminates other than as a result of retirement, death or disability, any RSUs that are not vested, or that do not become vested, upon termination of employment will be forfeited. The RSU Agreement also includes clawback provisions under which the Company may recover amounts from RSU holders under certain circumstances involving a restatement of the Company's financial statements. The form of RSU Agreement, including definitions of terms in quotes above, is filed as Exhibit 10.1 and incorporated by reference herein.

**Amendment of Long Term Incentive Plan**

On December 15, 2011, the Board of Directors approved amendments to the Company's Long Term Incentive Plan (the Plan) to clarify that RSUs may be granted under the Plan. The Plan previously authorized grants of restricted stock, so the amendments were considered mere clarifications. The amended Plan is filed as Exhibit 10.2.
