How may I request multiple sets of proxy materials if two or more shareholders reside in my household?

To minimize our expenses, one proxy statement and one annual report to shareholders may be delivered to two or more shareholders who share an address unless we have received contrary instructions from one or more of the shareholders. We will deliver promptly upon written or oral request a separate copy of the proxy statement and annual report to a shareholder at a shared address to which a single copy of the proxy statement and annual report was delivered. Requests for additional copies of the proxy statement and annual report, and requests that in the future separate documents be sent to shareholders who share an address, should be directed by writing to Calavo Growers, Inc., 1141-A Cummings Road, Santa Paula, California 93060, Attention James Snyder, or by calling Mr. Snyder at (805) 525-1245.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date, and return each Calavo proxy card and voting instruction card that you receive.

Voting Information

What items of business will be voted on at the annual meeting?

The items of business scheduled to be voted on at the annual meeting are:

The election of directors

The ratification of Calavo's independent registered public accounting firm for the 2012 fiscal year

Advisory vote on executive compensation

We also will consider any other business that properly comes before the annual meeting. See question below.

What happens if additional matters are presented at the annual meeting?

Other than the three items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, Lecil E. Cole and J. Link Leavens, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any of our nominees are not available as candidates for directors, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares FOR each of the thirteen nominees for election to the Board, FOR the ratification of our independent registered public accounting firm for the 2012 fiscal year, and FOR the approval of the compensation of Calavo's named executive officers.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Many Calavo shareholders hold their shares through a broker, or other nominee, rather than directly in their own names. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those shares, the *shareholder of record*, and we are sending these proxy materials directly to you. As the *shareholder of record*, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account, or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you by your broker, trustee or nominee together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the *shareholder of record*, you may not vote these shares in person at the meeting, unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee should provide voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Table of Contents

What shares can I vote?

Each share of Calavo common stock issued and outstanding as of the close of business on February 29, 2012, the *Record Date* for the annual meeting, is entitled to be voted on all items being voted upon at the annual meeting. You may vote all shares owned by you as of this time, including (1) shares held directly in your name as the *shareholder of record*, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank. On the *Record Date*, we estimate Calavo had approximately 14.8 million shares of common stock issued and outstanding.

How can I vote my shares in person at the annual meeting?

Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person at the annual meeting only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

How can I vote my shares without attending the annual meeting?

Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the annual meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card or, for shares held beneficially in street name, the voting instruction card provided by your broker, trustee or nominee.

Shareholders of record of Calavo common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. Calavo shareholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards (generally obtained from broker or trustee) provided and mailing them in the accompanying pre-addressed envelopes.

What is the deadline for voting my shares?

If you hold shares as the shareholder of record, your vote by proxy must be received before the polls close at the annual meeting.

If you are the beneficial owner of shares held through a broker, trustee or other nominee, please follow the voting instructions provided by your broker, trustee or nominee.

May I change my vote?

You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to the Corporate Secretary at the address shown under the question below titled, *What is the deadline to propose actions for consideration at next year's annual meeting of shareholders?* prior to your shares being voted or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. For shares you hold beneficially in the name of a broker, trustee or other nominee, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Table of Contents

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Calavo or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide on their proxy card written comments, which are then forwarded to Calavo management.

How may I vote on each proposal?

In the election of directors, you may vote **FOR**, **WITHHOLD AUTHORITY** or **ABSTAIN** with respect to each of the nominees. You also may cumulate your votes as described in the question below titled, *Is cumulative voting permitted for the election of directors?*.

You may vote **FOR**, **AGAINST** or **ABSTAIN** with respect to the proposal to ratify the appointment of our independent registered public accounting firm for the 2012 fiscal year.

You may vote **FOR**, **AGAINST** or **ABSTAIN** with respect to the advisory vote on executive compensation.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you vote by proxy card or voting instruction card and sign the card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (FOR all of our nominees to the Board, FOR ratification of the appointment of our independent registered public accounting firm, and FOR the advisory approval of the compensation of Calavo's named executive officers).

What is the voting requirement to approve each of the proposals?

In the election of directors, the thirteen director candidates receiving the highest number of affirmative votes will be elected. Approval to ratify the appointment of our independent registered public accounting firm for the 2012 fiscal year and approval of the advisory vote on executive compensation each requires the affirmative vote of a majority of those shares present in person or represented by proxy and voting on that proposal at the annual meeting.

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote your shares on routine matters but cannot vote your shares on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a broker non-vote.

Broker non-votes and abstentions will not affect the outcome of any of the proposals to be voted upon.

Which ballot measures are considered routine or non-routine ?

The ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2012 (Proposal No. 2) is considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

The election of directors (Proposal No. 1), and the advisory vote on executive compensation (Proposal No. 3) are considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters and, as a result, there may be broker non-votes on Proposals Nos. 1 and 3.

Table of Contents

Is cumulative voting permitted for the election of directors?

In the election of directors, you may elect to cumulate your vote. Cumulative voting will allow you to allocate among the director nominees, as you see fit, the total number of votes equal to the number of director positions to be filled multiplied by the number of shares you hold. For example, if you own 100 shares of stock and there are 13 directors to be elected at the annual meeting, you may allocate 1,300 FOR votes (13 times 100) among as few or as many of the 13 nominees to be voted on at the annual meeting as you choose. You may not cumulate your votes against a nominee.

If you are a shareholder of record and choose to cumulate your votes, you will need to submit a proxy card or, if you vote in person at the annual meeting, submit a ballot and make an explicit statement of your intent to cumulate your votes, either by so indicating in writing on the proxy card or by indicating in writing on your ballot when voting at the annual meeting. If you hold shares beneficially through a broker, trustee or other nominee and wish to cumulate votes, you should contact your broker, trustee or nominee.

If you vote by proxy card or voting instruction card and sign your card with no further instructions, Lecil E. Cole and J. Link Leavens, as proxy holders, may cumulate and cast your votes in favor of the election of some or all of the applicable nominees in their sole discretion, except that none of your votes will be cast for any nominee as to whom you vote against or abstain from voting.

Cumulative voting applies only to the election of directors. For all other matters, each share of common stock outstanding as of the close of business on February 29, 2012, the record date for the annual meeting, is entitled to one vote.

Who will serve as inspector of elections?

The inspector of elections will be a representative from our transfer agent, Computershare.

Who will bear the cost of soliciting votes for the annual meeting?

We are making this solicitation and will pay substantially all of the costs of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. We have retained Computershare, our transfer agent, to assist with the solicitation of proxies from the shareholders of record for a fee of approximately \$10,000, plus expenses. We will also reimburse banks, brokers or other nominees for their costs of sending our proxy materials to beneficial owners. Directors, officers or other employees of ours may also solicit proxies from shareholders in person, by telephone, facsimile transmission or other electronic means of communication without additional compensation.

Where can I find the voting results of the annual meeting?

We intend to announce preliminary voting results at the annual meeting and publish final results on a Form 8-K filed with the SEC shortly after our annual meeting.

What if I have questions for Calavo's transfer agent?

Please contact our transfer agent, at the phone number or address listed below, with questions concerning stock certificates, dividend checks, transfer of ownership or other matters pertaining to your stock account.

At our annual meeting, shareholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, including the election of directors, the ratification of our independent registered public accounting firm, and an advisory vote on executive compensation. In addition, management will report on our performance during fiscal year 2011 and respond to questions from shareholders.

How many shares must be present or represented to conduct business at the annual meeting?

The quorum requirement for holding the annual meeting and transacting business is that holders of a majority of shares of our common stock entitled to vote must be present in person or represented by proxy. Both abstentions and broker non-votes described previously in the question above titled, *What is the voting requirement to approve each of the proposals?* are counted for the purpose of determining the presence of a quorum.

Shareholder Proposals, Director Nominations and Related Bylaw Provisions

What is the deadline to propose actions for consideration at next year's annual meeting of shareholders?

You may submit proposals for consideration at future shareholder meetings. For a shareholder proposal to be considered for inclusion in our proxy statement for the annual meeting next year, the written proposal must be received by our Corporate Secretary, at our principal executive offices, no later than November 9, 2012. If the date of next year's annual meeting is moved more than 30 days before the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable time before we begin to print and mail our proxy materials. Such proposals also will need to comply with Securities and Exchange Commission regulations under Rule 14a-8 regarding the inclusion of shareholder proposals in company-sponsored proxy materials. Proposals should be addressed to our corporate address:

Corporate Secretary

Calavo Growers, Inc.

1141A Cummings Road

Santa Paula, California 93060

If notice of a shareholder proposal submitted outside the process of Rule 14a-8 is not received by our Corporate Secretary by January 22, 2013, the persons named in our proxy for the next annual meeting of shareholders will have discretionary authority to vote on the proposal in accordance with their best judgment.

How may I recommend or nominate individuals to serve as directors?

You may propose director candidates for consideration by the Board's Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to our Corporate Secretary at the address of our principal executive offices set forth above.

In addition, our bylaws permit a shareholder to nominate directors for election at an annual shareholders' meeting, but only if the shareholder complies with the procedures that are set forth in the bylaws. Our bylaws state that the shareholder must deliver notice of the nomination to our Corporate Secretary not less than 30 days, nor more than 120 days, prior to the date of the meeting. The notice must set forth the information that is specified in the bylaws, including information about both the director candidate and the shareholder who has proposed the candidate.

Board Structure, Independence of Directors and Committee Composition

As of the date of this proxy statement, our Board has thirteen directors. The Board has recommended the election of the thirteen director nominees who are identified in this proxy statement, each of whom currently is a director of Calavo.

The Board has determined that each of the following seven non-employee directors standing for election is independent under applicable NASDAQ rules: James Helin, George Barnes, John Hunt, Marc Brown, Alva Snider, Egidio Carbone, Jr., and Steven Hollister.

The Board has the following four committees: (1) Executive, (2) Audit, (3) Nominating and Corporate Governance, and (4) Compensation. The membership during the last fiscal year through the date of this proxy statement, and the function of each of the committees, are described below. During fiscal year 2011, the Board held 11 meetings. Each director attended at least 75% of all Board and applicable Committee meetings for which he or she served as a Committee member. Directors are encouraged by the Board to attend annual meetings of Calavo's shareholders, and all of our directors attended the 2011 annual meeting of shareholders.

The Board has determined that each current member of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee, and each former member of the Board who served during the fiscal year 2011, is independent within the meaning of applicable NASDAQ rules, and that each current member of the Audit Committee is independent within the meaning of applicable rules of the Securities and Exchange Commission (the "SEC") regarding the independence of audit committee members. The Audit Committee assists the Board in fulfilling its responsibilities for generally overseeing our financial reporting processes and the audit of our financial statements, including the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications and independence of the independent registered public accounting firm, the performance of our internal audit function and the independent registered public accounting firm, and risk assessment and risk management. Among other things, the Audit Committee prepares the Audit Committee report for inclusion in the annual proxy statement; appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; reviews our disclosure controls and procedures, internal controls, internal audit function, and corporate policies with respect to financial information and earnings guidance; oversees investigations into complaints concerning financial matters; reviews other risks that may have a significant impact on our financial statements; and reviews transactions with related persons. The Audit Committee works closely with management as well as the independent registered public accounting firm.

The Board has determined that Egidio Carbone, Jr. is an audit committee financial expert as defined by SEC rules and applicable listing standards.

Other specific duties and responsibilities of the Compensation Committee include reviewing and approving objectives relevant to executive officer compensation; determining the compensation of executive officers in accordance with those objectives; approving severance arrangements and other applicable agreements for executive officers; overseeing our equity-based and incentive compensation plans for executive officers; and recommending compensation policies and practices for service on the Board and its committees. The Compensation Committee may not delegate its duties or responsibilities within the scope of its authority pursuant to its charter. For a description of the processes and procedures used by the Compensation Committee for the consideration and determination of executive and director compensation, see Executive Compensation-Compensation Discussion and Analysis.

The charter of the Compensation Committee is posted on our website at www.calavo.com.

Leadership Structure

The leadership structure of the Board of Directors is centered on the concept of an appropriate balance between management and the Board of Directors. The Board believes that it is in the best interest of Calavo and its shareholders for the Board to make a determination regarding whether or not to separate the roles of Chairman and CEO based upon applicable facts and circumstances. The Board believes that presently it is in the best interest of Calavo and its shareholders that the positions of Chairman of the Board and CEO should not be separated. Mr. Cole's diverse history with Calavo, from both an operational standpoint and that of a member of management, are vital to the Board's collective knowledge of Calavo's day-to-day operations.

Although the Board has not designated any other director to serve as its lead independent director, all of Calavo's other directors have access to the CEO and other Calavo executives on request. In addition, Calavo's independent directors serve actively on Board committees and may request agenda topics to be addressed at Board and committee meetings.

Risk Oversight

The Board has delegated certain duties with respect to risk oversight for Calavo to the Audit Committee. One of the Audit Committee's duties is to identify and review with senior corporate management issues concerning the key areas of business and financial risk to which Calavo is exposed. In this context, business and financial risk is broadly construed to include risks, of whatever nature or source: (1) to the achievement of Calavo's strategic or tactical objectives and its financial plans; (2) to management effectiveness; (3) to Calavo's reputation or legal position; and (4) to Calavo's financial condition, results of operations or cash flows.

The Board has delegated to the Compensation Committee the duty to consider whether Calavo's compensation practices and policies for its executive officers create unnecessary risks to Calavo. The Compensation Committee reports back to the full Board with respect to its assessment.

Director Nominees

Shareholder Nominees

The Nominating and Corporate Governance Committee will consider shareholder nominations for candidates for membership on the Board. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board. In addition, our bylaws permit shareholders to nominate directors for consideration at an annual shareholder meeting. For a description of the process for nominating directors in accordance with our bylaws, see [Questions and Answers](#) [Shareholder Proposals](#), [Director Nominations](#) and [Related Bylaw Provisions](#) [How may I recommend or nominate individuals to serve as directors?](#)

Director Qualifications

The Nominating and Corporate Governance Committee believes that members of the Board should have the highest professional and personal ethics and values, consistent with longstanding Calavo values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. Although the Nominating and Corporate Governance Committee believes that director nominees should add to the range of backgrounds and experiences of Calavo directors, neither the Nominating and Corporate Governance Committee nor the Board has a policy regarding the consideration of diversity in identifying and evaluating director nominees.

Identifying and Evaluating Nominees for Director

The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating and Corporate Governance Committee will periodically assess the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Nominating and Corporate Governance Committee, and may be considered at any point during the year. As described above, the Nominating and Corporate Governance Committee considers shareholder nominations for candidates for the Board. If any materials are provided by a shareholder in connection with the nomination of a director candidate, such materials will be forwarded to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder.

Director Compensation

Each of our non-employee directors is paid a \$10,000 annual retainer for services rendered from January to December and is reimbursed for reasonable expenses incurred in connection with the performance of his or her service as a director. Each non-employee director also receives cash compensation of \$2,000 for each day of attendance at each Board meeting. Additionally, committee members receive \$500 per committee meeting attended, although that per meeting fee has been increased to \$1,000 beginning with the 2011 fiscal year for members of the Executive Committee.

In March 2011, each non-employee director, excluding James Helin who was not yet a director, also received a one-time grant of 5,000 options to purchase common stock. Such grant vests in full on March 24, 2012 and has an exercise price of \$21.82 per share. Vested options have a term of one year from the vesting date. Mr. Hause forfeited his options upon resignation from the Board.

Such grant vests in equal increments over a five-year period and has an exercise price of \$21.80 per share. Vested options have a term of five years from the vesting date. The market price of our common stock at the grant date was \$21.80.

During the 2010 fiscal year, committee chairs each received a \$2,500 retainer. For the 2011 fiscal year, the chairs of the Audit Committee and the Compensation Committee each received a retainer of \$10,000, and the chair of the Nominating and Corporate Governance Committee received a retainer of \$5,000. PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the **Dodd-Frank Act**), as set forth in Section 14A(a) of the Securities Exchange Act of 1934, as amended (the **Exchange Act**), enables Calavo's shareholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. At the 2011 Annual Meeting of shareholders, the shareholders approved an advisory measure that the shareholder advisory votes on executive compensation be held on an annual basis. The Board determined to follow the stockholders' recommendations and to include an annual shareholder advisory vote on the compensation of Calavo's executive officers. Our five named executive officers are identified below in the Summary Compensation Table.

Calavo has a pay-for-performance philosophy that forms the foundation of all decisions regarding compensation of Calavo's named executive officers. This compensation philosophy, and the program structure approved by the Compensation Committee, is central to Calavo's ability to attract, retain and motivate individuals who can achieve superior financial results and significant growth. Please refer to Executive Compensation Compensation Discussion and Analysis for an overview of the compensation of Calavo's named executive officers.

We are asking for shareholder approval of the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules, which disclosures include the disclosures under Executive Compensation Compensation Discussion and Analysis, the compensation tables and the narrative discussion following the compensation tables. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and practices described in this proxy statement. Accordingly, we are asking you to approve the following resolution:

RESOLVED, that the compensation paid to the named executive officers of Calavo Growers, Inc., as disclosed in the 2012 Proxy Statement of Calavo Growers, Inc. pursuant to Item 402 of SEC Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, hereby is approved.

This vote is advisory and therefore is not binding on Calavo, the Compensation Committee of the Board, or the Board. The Board and the Compensation Committee value the opinions of Calavo's shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider those shareholders' concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The affirmative vote of a majority of the shares of Calavo common stock present in person or represented by proxy and voting on the proposal at the annual meeting is required for advisory approval of this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the approval of the compensation of Calavo's named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and holders of more than 10% of our common stock to file with the SEC reports regarding their ownership and changes in ownership of our securities. We believe that, during fiscal year 2011, our directors, executive officers and 10% shareholders complied with all Section 16(a) filing requirements, with the following exceptions: Harold Edwards (late on one Form 4 representing two transactions), Donald Sanders (late on one Form 4 representing three transactions), Dorcas McFarlane (late on one Form 4 representing two transactions), and Link Leavens (late on one Form 4 representing one transaction). In making this statement, we have relied upon our examination of the copies of Forms 3, 4 and 5, and amendments thereto, provided to us and the written representations of our directors, executive officers and 10% shareholders.

TRANSACTIONS WITH RELATED PERSONS

Calavo has adopted a written policy for approval of transactions between Calavo and its directors, director nominees, executive officers, beneficial owners of more than 5% of our common stock, and their respective immediate family members where the amount involved in the transaction exceeds or is expected to exceed \$100,000 in a single calendar year.

The policy provides that the Audit Committee reviews transactions subject to the policy and decides whether or not to approve or ratify those transactions. In doing so, the Audit Committee determines whether the transaction is in the best interests of Calavo. In making that determination, the Audit Committee takes into account, among other factors it deems appropriate:

The extent of the related person's interest in the transaction;

Whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances;

The benefits to Calavo;

The impact or potential impact on a director's independence in the event the related party is a director, an immediately family member of a director or an entity in which a director is a partner, shareholder or executive officer;

The availability of other sources for comparable products or services; and

The terms of the transaction.

The Audit Committee has delegated authority to the chair of the Audit Committee to pre-approve or ratify transactions where the aggregate amount involved is expected to be less than \$200,000. A summary of any new transactions pre-approved by the chair is provided to the full Board of Directors for its review in connection with the Board's regularly scheduled meetings.

The Audit Committee has adopted standing pre-approvals under the policy for limited transactions with related persons. Pre-approved transactions include:

1. Director compensation approved by the Board or the Compensation Committee;
2. Transactions valued at the lesser than \$200,000 or 2% of the other company's consolidated gross revenues, where the related person has an interest only as an employee (other than executive officer), director or beneficial holder of less than 10% of the other

company's shares;

3. Transactions where all shareholders receive proportional benefits; and
4. Avocados delivered to us from our directors pursuant to our customary marketing agreements, as discussed below.

The Compensation Committee of our Board of Directors oversees the design and administration of the compensation program for our executive officers. The Compensation Committee's primary objectives in structuring and administering our executive officer compensation program are to:

attract, motivate and retain talented and dedicated executive officers;

tie annual and long-term cash and stock incentives to achievement of measurable corporate and individual performance objectives; and

reinforce business strategies and objectives for enhanced shareholder value.

To achieve these goals, the Compensation Committee maintains compensation plans that tie a portion of executive officers' overall compensation to key strategic goals, such as financial and operational performance, as measured by metrics such as net income. The Compensation Committee evaluates individual executive performance with a goal of setting compensation at levels the Committee believes are comparable with those of executive officers at other public companies having a similar size and, generally, line of business, while taking into account our relative performance and our own strategic goals.

The principal elements of our executive compensation program are base salaries, annual cash bonus awards that are based upon the achievement of objective performance goals such as net income levels, and other benefits and perquisites. While not routine, from time to time the Compensation Committee may issue long-term equity incentives in the form of stock options or restricted stock grants. Our other benefits and perquisites consist of life, disability and health insurance benefits, a qualified 401(k) savings plan and automobile allowances.

We view these components of compensation as related, but distinct. Although the Compensation Committee does review total compensation, we do not believe that significant compensation derived from one component of compensation should negate or offset compensation from other components. We determine the appropriate level for each compensation component based in part, but not exclusively, on competitive benchmarking consistent with our recruiting and retention goals, our view of internal equity and consistency, and other considerations we deem relevant, such as rewarding extraordinary performance.

Determination of Compensation Awards

The Compensation Committee typically performs an annual strategic review of our executive officers' compensation to determine whether such compensation provides adequate incentives and motivation to our executive officers and whether it adequately compensates our executive officers relative to comparable officers in other similarly situated companies. The Compensation Committee's most recent review occurred in January 2011.

Table of Contents

Typically, the Compensation Committee's meetings have included, for all or a portion of each meeting, the Committee members, our Chief Executive Officer, a recording secretary and other invited Board members. For compensation decisions relating to executive officers other than our Chief Executive Officer, the Compensation Committee typically considers recommendations from our Chief Executive Officer.

When determining compensation for our Chief Executive Officer, the Compensation Committee considers such factors as competitive industry salaries, an assessment of the Chief Executive Officer's contributions made during the preceding year and his industry expertise. Our Chief Executive Officer does not attend the portion of the Compensation Committee's meetings regarding his compensation.

It is our policy generally to qualify compensation paid to executive officers for deductibility under Section 162(m) of the Internal Revenue Code to the maximum extent possible. Section 162(m) generally prohibits us from deducting the compensation of a named executive officer that exceeds \$1,000,000 for a fiscal year unless that compensation is based on the achievement of objective performance goals and unless other specified requirements of Section 162(m) are satisfied. However, we reserve the discretion to pay compensation to our executive officers that may not be deductible under Section 162(m) if we conclude that such compensation is appropriate to retain and motivate our executive officers.

Review of Compensation Surveys

The Compensation Committee believes that it is important when making its compensation-related decisions to be informed as to the current practices of similarly situated companies. As a result, the Compensation Committee regularly reviews broad-based third-party surveys and other information collected from public and private sources regarding the compensation for executive officers of comparably sized companies. The Compensation Committee considers the information in these surveys in connection with establishing the base salaries, performance-compensation awards, equity awards and other benefits and perquisites for our named executive officers.

In October 2010, in connection with our consideration of the compensation of our executive officers for the 2011 fiscal year, we prepared and considered a survey of the compensation that nine public companies in our line of business paid to their named executive officers during the prior fiscal year. The companies in the survey had market capitalizations ranging from \$147 million to \$842 million. The companies in the survey, in ascending order of market capitalization were: John B. Sanfillippo & Son, Inc.; Landec Corp.; Limoneira Company; Smart Balance, Inc.; Chiquita Brands International; The Andersons, Inc.; Lance, Inc.; Dole Food Company, Inc.; and Diamond Foods, Inc.

The Compensation Committee does not believe that the compensation of our named executive officers should be established solely by reference to the compensation programs of other companies or that the compensation of our named executive officers should be set as a specified percentage of the average compensation that is paid to executive officers of other companies. However, the Compensation Committee believes that collecting and reviewing this compensation survey information is a useful resource in providing information about current compensation practices and in confirming that Calavo's executive compensation program remains competitive.

Base Salaries

We provide our named executive officers with base salaries that we believe enable us to hire and retain individuals in a competitive environment and to reward individual performance and contribution to our overall business goals, while taking into account the unique circumstances of our company. We review base salaries for our named executive officers annually, and increases are based on our performance and individual performance.

In February 2011, the compensation committee increased all of our executive officers' annual base salaries by 3%. Mr. Cole's annual base salary increased to approximately \$511,000, Mr. Bruno's base salary increased to approximately \$283,000, and the base salaries of Messrs. Ahmer, Browne, and Wedin increased to approximately \$227,000. In awarding these increases, the Committee primarily considered the base salaries paid by our peer companies to similarly situated executives. The Compensation Committee believes that this increase in these base

Table of Contents

annual salaries was necessary to continue to retain these services in a competitive market. For 2011, the base salaries accounted for approximately 52% of total compensation for our Chief Executive Officer and approximately 83% on average for our other named executive officers.

In February 2012, the Compensation Committee increased our named executive officers' base salaries for the 2012 fiscal year by 3%, to the following amounts:

Executive Officer	Base Salary for Fiscal 2012
Lecil Cole	\$526,220
Arthur Bruno	\$291,882
Alan Ahmer	\$233,844
Michael Browne	\$233,844
Robert Wedin	\$233,844

In awarding these base salary increases, the Compensation Committee reviewed the base salaries that are paid to executive officers by the nine peer group companies in the compensation survey referred to above under "Review of Compensation Surveys." The Compensation Committee believes that this increase in executive officers' base salaries was necessary to retain these executive officers in a competitive market.

Annual Performance-Based Cash Bonus Awards

During each fiscal year, the Compensation Committee evaluates our cash bonus compensation practices in light of the objectives of the compensation program. As a result of this evaluation, the Compensation Committee determined that it was appropriate for our executive officers to be eligible to receive performance-based cash payments upon our achievement of specified performance goals based upon our net income for the 2011 fiscal year. For each named executive officer, the Compensation Committee provided that the executive officer would receive a percentage of our net income if we achieved a threshold net income of \$13,000,000.

The Compensation Committee believes that basing cash bonuses on the achievement of specified levels of net income provides a direct connection between executive compensation and company performance. A named executive officer's entitlement to a performance-based cash payment is not accelerated in the event of the executive officer's termination of employment or in the event of a change-in-control of Calavo.

Table of Contents

For the 2011 fiscal year, the percentage of our net income that each named executive officer was entitled to receive as a performance-based cash bonus was as follows:

Executive Officer	Net income: \$13M- \$14M, bonus percent of net income:	Net income: \$14M- \$15M, bonus percent of net income:	Net income: \$15M- \$16M, bonus percent of net income:	Net income: \$16M- \$17M, bonus percent of net income:	Net income: \$17M- \$18M, bonus percent of net income:	Net income: \$18M- \$19M, bonus percent of net income:	Net income: \$19M- \$20M, bonus percent of net income:	Net income: \$20M- \$21M, bonus percent of net income:
Lecil Cole	3.50%	4.00%	4.50%	5.00%	5.50%	6.00%	6.50%	7.00%
Arthur Bruno	1.25%	1.60%	1.95%	2.30%	2.65%	3.0%	3.35%	3.70%
Alan Ahmer	0.50%	0.75%	1.0%	1.25%	1.5%	1.75%	2.0%	2.25%
Michael Browne	0.50%	0.75%	1.0%	1.25%	1.5%	1.75%	2.0%	2.25%
Robert Wedin	0.50%	0.75%	1.0%	1.25%	1.5%	1.75%	2.0%	2.25%

The executive officers shown above were not eligible to receive bonuses unless net income for our 2011 fiscal year was at least \$13,000,000, which the Compensation Committee concluded was the minimum net income that would result in increased shareholder value. For each \$1,000,000 of our net income above the \$21,000,000 shown above, the percentage of net income that each named executive officer was eligible to receive increased by 0.50% for Mr. Cole, 0.35% for Mr. Bruno, and 0.25% for Messrs. Ahmer, Browne and Wedin.

Our net income for the 2011 fiscal year was \$11,068,000. Since the net income for fiscal year 2011 did not reach the necessary \$13,000,000 threshold, as discussed above, the Compensation Committee did not award cash bonuses to the named executive officers.

Table of Contents

In January 2012, the Compensation Committee established performance-based compensation awards for the named executive officers for the 2012 fiscal year. For the 2012 fiscal year, the percentage of our net income that each named executive officer may be entitled to receive as a performance-based cash bonus is as follows:

Executive Officer	Net income: \$14M- \$15M, bonus percent of net income:	Net income: \$15M- \$16M, bonus percent of net income:	Net income: \$16M- \$17M, bonus percent of net income:	Net income: \$17M- \$18M, bonus percent of net income:	Net income: \$18M- \$19M, bonus percent of net income:	Net income: \$19M- \$20M, bonus percent of net income:	Net income: \$20M- \$21M, bonus percent of net income:	Net income: \$21M- \$22M, bonus percent of net income:
Lecil Cole	3.50%	4.00%	4.50%	5.00%	5.50%	6.00%	6.50%	7.00%
Arthur Bruno	1.25%	1.60%	1.95%	2.30%	2.65%	3.00%	3.25%	3.50%
Alan Ahmer	0.50%	0.75%	1.0%	1.25%	1.5%	1.75%	2.0%	2.25%
Michael Browne	0.50%	0.75%	1.0%	1.25%	1.5%	1.75%	2.0%	2.25%
Robert Wedin	0.50%	0.75%	1.0%	1.25%	1.5%	1.75%	2.0%	2.25%

The executive officers shown above are not eligible to receive bonuses unless net income for our 2012 fiscal year is at least \$14,000,000, which the Compensation Committee concluded was the minimum net income that would result in increased shareholder value. For each \$1,000,000 of our net income above the \$22,000,000 shown above, the percentage of net income that each named executive officer was eligible to receive increased by 0.50% for Mr. Cole, and 0.25% for Messrs. Bruno, Ahmer, Browne and Wedin.

Equity Compensation Awards

Although we do not currently impose any requirement that an executive officer must own a specified amount of our common stock, we believe that stock ownership by our named executive officers can provide an important incentive to build shareholder value and align the interests of our named executive officers with those of our shareholders. The Compensation Committee develops its equity award determinations based on its judgments as to whether the complete compensation package provided to our named executive officers (taking into account prior equity awards) is sufficient to retain, motivate and adequately reward the executive officers.

We have not granted any equity awards to our named executive officers since our 2005 fiscal year. In light of the appreciation in value of the stock options that we granted to our named executive officers in our 2005 fiscal year, we believe that the 2005 equity awards, in conjunction with the base salaries and the cash performance-based awards that our named executive officers have received since 2005, have sufficiently motivated our executive officers and that the objectives of our executive compensation program have been met without granting additional equity awards to our named executive officers. The Compensation Committee has not yet determined whether it will make any equity awards to our named executive officers for the 2012 fiscal year.

In November 2005, we began accounting for equity awards in accordance with the requirements of FASB Statement 123R, and we currently account for equity awards in accordance with the requirements of FASB ASC Topic 718. We do not have a policy of timing equity awards in conjunction with our release of material non-public information.

Other Bonus Arrangements for Our Chief Executive Officer

In August 2006, we entered into a cash bonus award agreement with our Chief Executive Officer, Mr. Cole. Pursuant to the agreement, we agreed to pay five annual cash bonus payments to Mr. Cole, with each payment being equal to 738 multiplied by the trading volume weighted average last reported sales price of Limoneira Company's common stock for the immediately preceding thirty business days from each anniversary. Mr. Cole was instrumental in structuring the transaction by which Calavo acquired approximately 15% of the outstanding common stock of Limoneira Company. During the 2010 fiscal year, the total bonus paid was approximately \$185,000. This cash bonus award agreement has expired at the end of fiscal year 2010.

In February 2011, in recognition of the extraordinary contributions that Mr. Cole has made to our financial success and in order to encourage Mr. Cole to continue to serve as our Chief Executive Officer and President, we entered into a retention bonus agreement with Mr. Cole pursuant to which we will pay Mr. Cole a bonus of \$100,000 for each of the quarters in our 2011 fiscal year in which Mr. Cole continues to serve as our Chief Executive Officer and President as of the last day of the fiscal quarter. During the 2011 fiscal year, the total bonus paid was approximately \$400,000. We have extended this retention bonus agreement for fiscal year 2012, and have the option to extend the agreement for additional years in the future.

Executive Officers' Benefits and Perquisites

We provide the opportunity for our named executive officers and other executives to receive certain perquisites and general health and welfare benefits. We also offer participation in our defined contribution 401(k) plan. After three months of service, we match 100% of the participants' contributions to their 401(k) plan, up to a maximum of 6% of compensation. General health and welfare benefits and our defined contribution 401(k) plan are provided to substantially all of our full-time U.S. employees. In addition, we provide a car allowance, company car, or both, to each of our named executive officers. We provide these benefits to create additional incentives for our executive officers and to remain competitive in the general marketplace for executive talent.

COMPENSATION RISK

Our Compensation Committee reviewed the compensation policies and practices of Calavo that could have a material impact on Calavo. The Compensation Committee's review considered whether any of these policies and practices may encourage inappropriate risk-taking, whether any policy or practice may give rise to risks that are reasonably likely to have a material adverse effect on us, and whether it would recommend any changes to the Calavo's compensation policies and practices. The Compensation Committee also reviewed with the Board of Directors risk-mitigating controls such as the degree of committee and senior management oversight of each compensation program and the level and design of internal controls over such programs. Based on these reviews, Calavo determined that risks arising from its compensation policies and practices are not reasonably likely to have a material adverse effect on Calavo.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In fiscal 2011, the members of our Compensation Committee were Steven Hollister and James Helin, who were both non-employee directors. Michael Hause served as a member of the Compensation Committee prior to his resignation from the Board in August 2011 in connection with his acceptance of a management position with Calavo. None of such committee members (1) was an officer or employee of Calavo or any of our subsidiaries during or prior to the time they served on the Compensation Committee or (2) had any relationship requiring disclosure by us pursuant to any paragraph of Item 404 of SEC Regulation S-K. None of the Company's executive officers serves on the board of directors or compensation committee of a company that has an executive officer that serves as or served as a member of our Board or compensation committee.

STOCK INCENTIVE PLANS OF CALAVO GROWERS, INC.

The 2005 Stock Incentive Plan, was a stock-based compensation plan, under which employees and directors may be granted options to purchase shares of our common stock. We anticipate terminating such plan in the near future.

In April 2011, our shareholders approved the Calavo Growers, Inc. 2011 Management Incentive Plan (the 2011 Plan). All directors, officers, employees and consultants (including prospective directors, officers, employees and consultants) of Calavo and its subsidiaries are eligible to receive awards under the 2011 Plan. Up to 1,500,000 shares of common stock may be issued by Calavo under the 2011 Plan. As a result of such new plan, no new awards will be made under our 2005 Stock Incentive Plan.

The purpose of the 2011 Plan is to promote the interests of Calavo Growers, Inc. and its shareholders by (a) attracting, retaining and motivating directors, officers, employees and consultants (including prospective directors, officers, employees and consultants) of the Company and its Affiliates and (b) enabling such individuals to participate in the growth and financial success of the Company.

The 2011 Plan authorizes the granting of the following types of awards to persons who are employees, officers, consultants, advisors, or directors of Calavo or any of its affiliates:

Incentive stock options that are intended to satisfy the requirements of Section 422 of the Internal Revenue Code of 1986, as amended, and the regulations thereunder;

Non-qualified stock options that are not intended to be incentive stock options; and

Shares of common stock that are subject to specified restrictions.

Subject to the adjustment provisions of the 2011 Plan that are applicable in the event of a stock dividend, stock split, reverse stock split or similar transaction, up to 1,500,000 shares of common stock may be issued under the 2011 Plan and no person shall be granted awards under the 2011 Plan during any 12-month period that cover more than 150,000 shares of common stock.

Table of Contents

The 2011 Plan is administered by our Compensation Committee. The Compensation Committee is responsible for selecting the officers, employees, directors, consultants and advisers, if any, who will receive options and restricted stock. Subject to the requirements imposed by the 2011 Plan, the Compensation Committee is also responsible for determining the terms and conditions of each option award, including the number of shares subject to the option, the exercise price, expiration date and vesting period of the option and whether the option is an incentive stock option or a non-qualified stock option. Subject to the requirements imposed by the 2011 Plan, the Compensation Committee is also responsible for determining the terms and conditions of each restricted stock grant, including the number of shares granted, the purchase price (if any) and the vesting, transfer and other restrictions imposed on the stock. The Compensation Committee has the power, authority and discretion to make all other determinations deemed necessary or advisable for the administration of the 2011 Plan or of any award under the 2011 Plan.

Under current law, only officers and other employees are entitled to receive incentive stock options. The exercise price for an incentive stock option may not be less than 100% of the fair market value of the common stock on the date of the grant of the option. With respect to an option holder who owns stock possessing more than 10% of the total voting power of all classes of our stock, the exercise price for an incentive stock option may not be less than 110% of the fair market value of the common stock on the date of the grant of the option. The 2011 Plan also requires that the exercise price for non-qualified stock options not be less than 100% of the fair market value of the common stock on the date of the grant of the option.

Unless otherwise determined by the Compensation Committee, options granted under the 2011 Plan are generally not transferable, except by will or the laws of descent and distribution. Except as otherwise provided in the option agreement, an option ceases to be exercisable ninety days after the termination of the option holder's employment with us.

The Board of Directors may, at any time, amend, discontinue or terminate the 2011 Plan. With specified exceptions, no amendment, suspension or termination of the plan may adversely affect outstanding options or the terms that are applicable to outstanding restricted stock. No amendment or suspension of the 2011 Plan requires shareholder approval unless such approval is required under applicable law or under the rules of any stock exchange or NASDAQ market on which our stock is traded.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties and receives appropriate funding, as determined by the Audit Committee, from Calavo for such advice and assistance.

Our management is primarily responsible for our internal control and financial reporting process. Our independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an independent audit of our consolidated financial statements and issuing opinions on the conformity of those audited financial statements with United States generally accepted accounting principles and the effectiveness of our internal control over financial reporting. The Audit Committee monitors our financial reporting process and reports to the Board on its findings.

In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements with our management.
2. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (Codification of Statements on Auditing Standards, AU 380), as adopted by the Public Company Accounting Oversight Board (**PCAOB**) in Rule 3200T.
3. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, and has discussed with the independent registered public accounting firm its independence.
4. Based on the review and discussions referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended October 31, 2011, for filing with the Securities and Exchange Commission.

The undersigned members of the Audit Committee have submitted this Report to the Board of Directors.
