**Item 1.01 Entry into a Material Definitive Agreement**

Indenture for 6.75% Senior Notes due 2017 and 7.625% Senior Notes due 2020

On April 4, 2012, Aircastle Limited (the Company) issued \$500 million aggregate principal amount of 6.75% Senior Notes due 2017 (the 2017 Notes) and \$300 million aggregate principal amount of 7.625% Senior Notes due 2020 (the 2020 Notes and, together with the 2017 Notes, the Notes), pursuant to an Indenture, dated as of April 4, 2012 (the Indenture), between the Company and Wells Fargo Bank, National Association, as trustee for both series of Notes (the Trustee). A description of the Notes is set forth herein under Item 2.03.

Registration Rights Agreement for the Notes

In connection with the issuance of the Notes, on April 4, 2012, the Company entered into a Registration Rights Agreement (the Registration Rights Agreement), among the Company and Goldman, Sachs & Co., Citigroup Global Markets Inc. and J.P. Morgan Securities LLC.

Pursuant to the Registration Rights Agreement, the Company agreed, for the benefit of the holders of each series of Notes, to file a registration statement with respect to a registered exchange offer to exchange each series of Notes for new Notes of such series with terms substantially identical in all material respects with the applicable series of Notes. Pursuant to the Registration Rights Agreement, the Company agreed to file such registration statement with the SEC within 180 days after April 4, 2012 and to use all commercially reasonable efforts to cause the registration statement to be declared effective by the SEC within 245 days after April 4, 2012. The Company agreed to file a shelf registration statement with the SEC for the resale of each series of Notes if it cannot complete an exchange offer within the time periods listed in the preceding sentence and in certain other circumstances. The Company may be required to pay liquidated damages if it fails to comply with the registration and exchange requirements set forth in the Registration Rights Agreement.

The foregoing description is not complete and is qualified in its entirety by the Registration Rights Agreement, which is filed herewith as Exhibit 10.1 and incorporated herein by this reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

The 2017 Notes will mature on April 15, 2017 and bear interest at the rate of 6.75% per annum. The Company may redeem all or a portion of the 2017 Notes at any time at an established redemption price, as described in the Indenture. In addition, prior to April 15, 2015, the Company may redeem up to 35% of the aggregate principal amount of the 2017 Notes with the net cash proceeds of certain equity offerings at a redemption price equal to 106.75%, plus accrued and unpaid interest.

The 2020 Notes will mature on April 15, 2020 and bear interest at the rate of 7.625% per annum. The Company may redeem all or a portion of the 2020 Notes at any time at an established redemption price, as described in the Indenture. In addition, prior to April 15, 2015, the Company may redeem up to 35% of the aggregate principal amount of each series of Notes with the net cash proceeds of certain equity offerings at a redemption price equal to 107.625%, plus accrued and unpaid interest.

If the Company undergoes a change of control, it must offer to repurchase each series of Notes at 101% of the principal amount, plus accrued and unpaid interest.

The Notes are the Company's unsecured senior obligations and rank equally in right of payment with all of the Company's existing and future senior debt and rank senior in right of payment to all of the Company's existing and future subordinated debt. The Notes are effectively junior in right of payment to all of the Company's existing and future secured debt to the extent of the assets securing such debt, and to any existing and future liabilities of the Company's subsidiaries. The Notes are not guaranteed by any of the Company's subsidiaries or any third party.

The Company intends to use the net proceeds from the offering of Notes to repay outstanding indebtedness under its Term Financing No. 1, with any remainder for general corporate purposes, including the purchase of aviation assets.

The Indenture contains covenants limiting the Company's and the Company's restricted subsidiaries' ability to:

- incur or guarantee additional indebtedness and issue disqualified stock or preference shares;
- sell assets;
- incur liens;
- pay dividends on or make distributions in respect of the Company's capital stock or make other restricted payments;
- agree to any restrictions on the ability of restricted subsidiaries to transfer property or make payments to the Company;
- make certain investments;
- guarantee other indebtedness without guaranteeing the Notes;
- consolidate, amalgamate, merge, sell or otherwise dispose of all or substantially all of the Company's assets; and
- enter into transactions with the Company's affiliates.

These covenants are subject to a number of important and significant limitations, qualifications and exceptions. Many of these covenants will cease to apply to a particular series of Notes at all times after such series of Notes are rated investment grade from both Moody's Investors Service, Inc. and Standard & Poor's.

Events of default under the Indenture include, among others, the following: default for 30 days in the payment when due of interest on the Notes; default in payment when due of the principal of, or premium, if any, on the Notes; failure to comply with certain covenants in the Indenture; and certain events of bankruptcy or insolvency. In the case of an event of default arising from certain events of bankruptcy or insolvency with respect to the Company, all Notes then outstanding will become due and payable immediately without further action or notice.

The foregoing description is not complete and is qualified in its entirety by the Indenture, which is filed herewith as Exhibit 4.1 and incorporated herein by this reference.

### **Item 3.03 Material Modification to Rights of Security Holders**

The disclosure provided in Item 2.03 of this Form 8-K is hereby incorporated by reference into this Item 3.03.

Under the terms of the Indenture, the Company is subject to certain covenants that, among other things, limit its ability to pay dividends on or make distributions in respect of its capital stock, subject to certain exceptions and qualifications.
