Moreover, in any event, each party agrees to give prior notice to the other of any press release or public statement relating to the Offer or this Agreement and agrees to consult with the other prior to issuing each such press release or public statement unless in the reasonably formed opinion of the party issuing the press release or public statement, acting in good faith, there is insufficient time to consult with the other party in order to comply, on a timely basis, with applicable Law or applicable stock exchange requirements.

9.2 If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated and the parties shall negotiate in good faith to modify the agreement to preserve each party's anticipated benefits under this Agreement.

9.3 This Agreement is not intended to confer on any person other than the parties and their assigns permitted hereunder upon such assignment, any rights or remedies.

9.4 The parties waive the application of any rule of Law which otherwise would be applicable in connection with the construction of this Agreement that ambiguous or conflicting terms or provisions should be construed against the party who (or whose counsel) prepared the executed agreement or any earlier draft of the same.

9.5 This Agreement shall become effective in respect of a party upon execution and delivery thereof by such party.

9.6 This Agreement may be executed in any number of counterparts, each of which shall be deemed to be original and all of which taken together shall be deemed to constitute one and the same instrument.

9.7 Subject to the terms and conditions of this Agreement, the Seller and Bidder and the Offeror each agree to, and to use reasonable commercial efforts to cause their respective affiliates to, cooperate in good faith and use all reasonable efforts to take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable (a) to consummate and make effective as promptly as is practicable the transactions contemplated by the Offer and this Agreement, and (b) for the discharge by each party hereto of its respective obligations under this Agreement, including its obligations under Applicable Securities Laws, including in each case the execution and delivery of such documents as another party hereto may reasonably require.

9.8 Subject to Section 3.1(f) the Seller hereby consents to the disclosure of the substance of this Agreement in any news release, public announcement or any Circular relating to the Offer and to the filing of this Agreement as may be required pursuant to Applicable Securities Laws. A copy of this Agreement may be provided to the directors of SouthGobi.

9.9 This Agreement shall be binding upon and shall enure to the benefit of and be enforceable by each of the parties hereto and their respective successors, assigns, heirs, executors and personal representatives. Except as expressly permitted by the terms hereof, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by the Seller, on the one hand, or Bidder or the Offeror, on the other hand, without the prior express written consent of Bidder and the Offeror, or the Seller, respectively. Notwithstanding the foregoing provisions of this Section 9.9, the Offeror may assign all or any part of its rights or obligations under this Agreement to Chalco CanSub, provided that any such assignment will have no adverse tax or other effects to the Seller, provided further that if such assignment takes place, the Offeror and Bidder shall continue to be liable to the Seller for any default in performance by the assignee.

9.10 Time shall be of the essence of this Agreement.

9.11 If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated and the parties shall negotiate in good faith to modify the agreement to preserve each party's anticipated benefits under this Agreement.

Therefore, the Seller agrees that, in the event of any such breach, the Seller will not oppose an application by Bidder for the remedy of specific performance of such covenants or commitments and preliminary and permanent injunctive and other equitable relief in addition to any other remedy to which it may be entitled, at law or in equity, and the Seller further agrees to waive any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief.

9.17 Bidder shall cause the Offeror to comply with all of the Offeror's obligations under or relating to the Offer and the other transactions contemplated by this Agreement. Bidder hereby unconditionally and irrevocably guarantees, and covenants and agrees to be jointly and severally liable with the Offeror, as principal obligor, for the due and punctual performance of each and every obligation of the Offeror under or relating to this Agreement or the Offer and the other transactions contemplated by this Agreement, including the payment of the aggregate Offer Price payable under the Offer (as it may be amended as provided herein).

The foregoing conditions are for the exclusive benefit of the Offeror and may be asserted by the Offeror regardless of the circumstances giving rise to any such assertion, including any action or inaction by the Offeror. The Offeror may waive any of the foregoing conditions in whole or in part at any time and from time-to-time without prejudice to any other rights which Bidder or the Offeror may have, subject to the terms of this Agreement.
