On June 12, 2012, KeyCorp submitted redemption notices to the property trustee for each trust listed below, which will result in the redemption of the trust preferred securities identified below on the redemption date specified below for such securities. The trust preferred securities will be redeemed at the redemption price per trust preferred security identified below plus accrued and unpaid interest to the redemption date. Under applicable regulatory capital guidelines, upon notice of redemption, these trust preferred securities will no longer qualify as Tier 1 Capital for KeyCorp. These redemptions are consistent with the capital plan KeyCorp submitted to the Board of Governors of the Federal Reserve System. The redemptions will be funded with available cash.

Pursuant to the terms of the trust preferred securities, KeyCorp may redeem such trust preferred securities within ninety (90) days of a Capital Treatment Event or Regulatory Capital Event, as the case may be. KeyCorp has determined that a Capital Treatment Event or Regulatory Capital Event, as the case may be, occurred upon approval by the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation and the Office of the Comptroller of the Currency of a joint notice of proposed rulemaking addressing, among other matters, Section 171 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and providing detailed information regarding the cessation of Tier 1 capital treatment for outstanding trust preferred securities.
