Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 2, 2012, Natus Medical Incorporated (the Company) completed the acquisition of the Nicolet neurodiagnostic business (Nicolet) from CareFusion.

On April 20, 2012 the Company and CareFusion executed a Share and Asset Purchase Agreement (the Agreement) that was filed with a Current report on Form 8-K dated April 20, 2012. On June 30, 2012 the Company and CareFusion executed an Amendment to the Share and Asset Purchase Agreement (taken together with the Agreement the Amended Agreement). Pursuant to the terms of the Amended Agreement, on July 2, 2012 the Company paid CareFusion the purchase consideration of approximately \$57.9 million in cash. The purchase price is subject to further adjustment based on Closing Net Working Capital as provided in the Amended Agreement.

Based in Middleton, Wisconsin, Nicolet employs more than 400 people worldwide and generated sales of approximately \$95 million in 2011.

The Nicolet business develops clinically differentiated neurodiagnostic and monitoring products, including a portfolio of electroencephalography (EEG) and electromyography (EMG) systems and related accessories, as well as vascular and obstetric doppler sensors and connectivity products. The acquisition strengthens the Company's leadership position in neurodiagnostic and monitoring products, and will allow the Company to bring additional value to its customers as well as adding to its customer base around the world.

On July 2, 2012, the Company issued a press release announcing the completion of the acquisition. A copy of the Amendment to the Share and Asset Purchase Agreement and press release are attached hereto as Exhibits 10.1 and 99.1, respectively.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On June 29, 2012 the Company and Wells Fargo Bank N.A. (Wells Fargo) executed the Second Amendment to Third Amended and Restated Credit Agreement and Amendment to Limited Consent (the Second Amendment), and taken together with the Third Amended and Restated Credit Agreement, as amended, the Credit Facility. The Credit Facility provides for a \$50 million secured revolving credit facility.

The Credit Facility provides that the acquisition of the Nicolet business is a permitted investment.

Pursuant to the Credit Facility, on June 29, 2012 the Company borrowed \$25 million under a term loan subfacility of the Credit Facility (the Term Out Loan) and \$6 million as revolving debt. The aggregate amount of borrowing under the Credit Facility remains limited to \$50 Million including borrowings under the Term Out Loan.

Borrowings under the Credit Facility are secured by certain prescribed personal property

At the Company's option, outstanding borrowings on the Credit Facility will bear interest at either (i) a variable base rate, which is the higher of the federal funds rate plus one-half of one percent, or the rate announced from time to time by Wells Fargo as its prime rate, or (ii) a one-, two-, three- or six-month fixed rate, as selected by the Company, that is based on LIBOR plus an applicable interest margin that ranges from 150 basis points to 175 basis points depending upon the leverage ratio of the Company and its subsidiaries on a consolidated basis.

The Credit Facility matures on March 2, 2015, at which time all principal amounts outstanding under the Credit Facility will be due and payable. Principal payment for the Term Out Loan are due in twelve equal quarterly installments beginning on September 30, 2012. Borrowings on the Credit Facility including the Term Out Loan may be repaid at any time without premium or penalty.

The Credit Facility contains customary representations and warranties and affirmative and negative covenants, which include financial covenants; limitations on liens, additional indebtedness, further negative pledges, investments, payment of dividends, mergers, sale of assets and restricted payments; and other limitations. The financial covenants include metrics for minimum adjusted EBITDA and quick ratio on a consolidated basis.

The foregoing description of the Credit Facility does not purport to be complete and is qualified in its entirety by reference to the Third Amended and Restated Credit Agreement that was filed with a Current Report on Form 8K dated March 2, 2012 and the Second Amendment to Third Amended and Restated Credit Agreement and Amendment to Limited Consent attached hereto as Exhibit 10.2.
