Dear Shareholder:

I am writing to ask for your assistance with an important matter involving your investment in one or more of the John Hancock funds listed above (the Funds). You are being asked to vote on a proposal regarding the election of the Trustees that oversee the Funds in which you are a shareholder. Enclosed with this letter you will find proxy materials which provide important details on the election of your Fund(s) Board of Trustees including instructions on how to cast your vote. I encourage you to please read the attached materials in their entirety and if you have any questions, please don't hesitate to contact us at the number outlined at the bottom of this letter.

#### **Election of Trustees**

The following summarizes the proposed election of Trustees on which you are being asked to vote. Please note that this proposal is considered a routine item and is not expected to have any material effect on the manner in which any Fund is managed or on its current investment objective.

You are being asked to elect thirteen Trustees as members of the Board of Trustees of each Fund. Currently the funds offered by John Hancock are overseen by two separate Boards of Trustees. The Board of Trustees that oversees your Fund(s) is proposing to combine with the Board overseeing the other John Hancock funds. A consolidation of the oversight of the John Hancock funds under one Board is expected to result in (1) efficiencies in oversight by reducing the number of board meetings held each year, eliminating the need for separate boards to consider and review similar matters, (2) efficiencies, consistencies, and potential cost savings in the operations of your Fund(s), due to a single board approaching all funds from a unified perspective. A single Board with members from both existing Boards also will preserve the continuity of current Board leadership and institutional history, while benefitting from additional members' expertise, experiences and insight.

#### **Your Vote Matters!**

After careful consideration, each Board has unanimously approved the proposal and recommends that shareholders vote FOR its approval, but the final approval requires your vote. No matter how large or small your Fund holdings, your vote is important. After you review the proxy materials, please submit your vote promptly to help us avoid the need for additional mailings.

For your convenience, you may vote one of three ways:

- 1) via telephone by calling the number listed on your proxy card,
- 2) via mail by returning the enclosed voting card or

- 3) via the Internet by visiting <http://www.proxyvoting.com/jhf>.

**PROPOSAL**

**ELECTION OF TRUSTEES**

**General**

Holders of the shares of each fund are entitled to elect thirteen Trustees at this meeting. Charles L. Bardelis, James R. Boyle, Craig Bromley, Peter S. Burgess, William H. Cunningham, Grace K. Fey, Theron S. Hoffman, Hassell H. McClellan, Deborah C. Jackson, James M. Oates, Steven R. Pruchansky, Gregory A. Russo and Warren A. Thomson have been designated as subject to election by holders of the shares of each fund. Hugh McHaffie and John Vrysen, who currently serve as Trustees of each fund, are not expected to continue to serve as Trustees beyond 2012. Dr. Moore's term of office as Trustee will end when he retires upon the earlier of the date the Nominees take office if elected, or December 31, 2012.

Each Board of Trustees is divided into three staggered term classes, with the term of one class expiring each year, and no term continuing for longer than three years after the applicable election. Should a Trustee in a class wish to serve an additional term, he or she must stand for re-election. Classifying the Trustees in this manner may prevent replacement of a majority of the Trustees for a period of up to two years. Ordinarily, the funds' shareholders are asked to elect only one class at each annual shareholder meeting. However, in order to facilitate a consolidation of the John Hancock fund boards (discussed below), the funds' shareholders are being asked to elect Nominees to all three classes at the meeting.

The funds in the John Hancock Fund Complex (as defined below) currently are overseen by two separate groups of trustees comprised of different individuals. One of these groups consists of the Trustees who comprise the boards that oversee your funds and two other closed-end funds, as well as John Hancock retail funds (including the series of John Hancock Funds III and twelve other investment companies) and the other group consists of trustees who comprise the boards that oversee John Hancock Funds II and John Hancock Variable Insurance Trust. Each board, including the Boards of the funds, separately has determined that it is in the best interests of each of the respective John Hancock funds that such board oversees to consolidate oversight of the funds by aligning the membership of the Boards with the membership of the other boards so that all funds in the John Hancock Fund Complex are overseen by the same group of trustees. In order to accomplish this, the current Trustees have nominated and proposed for election a slate of candidates that includes trustees from each separate group of trustees and representatives from senior management of Manulife Financial Corporation (MFC or Manulife Financial). Four of these candidates currently serve as Trustees of the funds and nine candidates do not currently hold such office. The group of current Trustees re-nominated for election consists of William H. Cunningham, Deborah C. Jackson, Steven R. Pruchansky and Gregory A. Russo. The group of Trustees newly nominated for election that do not currently serve as Trustees of the funds, but do currently serve as trustees of other funds in the John Hancock Fund Complex, consists of Charles L. Bardelis, James R. Boyle, Peter S. Burgess, Grace K. Fey, Theron S. Hoffman, Hassell H. McClellan and James M. Oates. The final two Nominees, Warren A. Thomson and Craig Bromley, currently do not serve as trustees of any of the funds in the John Hancock Fund Complex. As discussed in detail below, Mr. Thomson is a senior executive of Manulife Financial, the parent company of the funds' adviser, John Hancock Advisers, LLC (the Adviser), and Mr. Bromley heads Manulife Financial's United States operations and is President of John Hancock Financial Services. If elected, Messrs. Thomson and Bromley, along with Mr. Boyle, will serve as interested Trustees on the newly constituted boards.

In evaluating the consolidation of the oversight of the John Hancock funds under a single group of trustees, both groups of trustees considered that the separate boards often review the same or substantially similar policy matters, contractual arrangements and other matters for their respective funds. Each of the John Hancock funds' boards, including the Boards of the funds, concluded that alignment of the boards is expected to result in: (i) efficiencies, consistencies and potential cost savings due to a single group of trustees overseeing all funds in the complex, including potential economies of scale from the spreading out of certain fixed costs over a larger pool of assets, and by eliminating the need for two separate groups of trustees to prepare for and hold separate regular board meetings each quarter to consider and review similar board agenda items; (ii) uniformity in policies and procedures across the John Hancock Fund Complex concerning substantially similar matters; (iii) alignment of board resources in areas such as compliance, regulatory and risk management oversight; and (iv) enhanced oversight of portfolio operations throughout the John Hancock Fund Complex, including fund performance monitoring and fund contract and fee reviews. The boards of the John Hancock funds, including the Boards of the funds, concluded that a single group of trustees serving on all boards in the John Hancock Fund Complex and consisting of members of both existing groups of trustees as well as representatives from Manulife Financial's senior management would preserve the continuity of current board leadership and institutional history, while allowing the funds and the Boards to benefit from additional members' expertise, experiences and insight.

At a meeting held on July 31, 2012, the Nominating, Governance and Administration Committee of the Boards considered the proposed slate of Trustee candidates and determined to recommend to the full Boards the election or re-election of the Nominees, as applicable, to the Boards of the funds. Acting on that recommendation, the Boards approved those nominations and called a meeting of shareholders to allow shareholders of the funds to vote on the election or re-election, as applicable, of the Nominees to the Boards.

If elected, any newly elected Trustees will join the funds' Boards on or about December 1, 2012. To further align the boards that oversee the operations of the John Hancock Fund Complex, the other John Hancock fund boards also have nominated for election each of the Nominees below as members of each respective board effective on or about December 1, 2012.

**Proposal**

For each fund, Charles L. Bardelis, James R. Boyle, Craig Bromley, Peter S. Burgess, William H. Cunningham, Grace K. Fey, Theron S. Hoffman, Hassell H. McClellan, Deborah C. Jackson, James M. Oates, Steven R. Pruchansky, Gregory A. Russo and Warren A. Thomson are the Nominees for election by the shareholders.

**Vote Required for the Proposal**

The vote of a plurality of the votes cast by the shares of a fund is sufficient to elect each Nominee to serve as a Trustee of that fund.

**Each Board recommends that shareholders of each fund vote FOR each of the thirteen Nominees in the Proposal.**

**Information Concerning Nominees**

The following table sets forth certain information regarding the Nominees for election to the Boards. The table also shows each Nominee's principal occupation or employment and other directorships during the past five years and the number of John Hancock funds overseen. Following John A. Moore's retirement on or before December 31, 2012, the Board of each fund will consist of thirteen Trustees, ten of whom are not interested persons (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) of the funds (Independent Trustees). The table also lists the Trustees who are not currently standing for election. As of June 30, 2012, the John Hancock Fund Complex consisted of 244 funds, including the eight funds included in this proxy statement, two other closed-end funds and separate series of series mutual funds: John Hancock Variable Insurance Trust (101 funds), John Hancock Funds II (97 funds), John Hancock Funds III (13 funds), and 23 other John Hancock funds. The address of each Nominee is 601 Congress Street, Boston, Massachusetts 02210.

**Additional Information About the Nominees and Trustees**

In addition to the description of each Nominee's and Trustee's Principal Occupation(s) and Other Directorships set forth above, the following provides further information about each Nominee's and Trustee's specific experience, qualifications, attributes or skills. The information in this section should not be understood to mean that any of the Nominees or Trustees is an expert within the meaning of the federal securities laws.

Although the Board's Nominating, Governance and Administration Committee has general criteria that guides its choice of candidates to serve on the Board (as discussed below under "Board Committees"), there are no specific required qualifications for Board membership. In considering nominees, although this Committee does not have a formal policy to consider diversity when identifying candidates for the position of Independent Trustee, as a matter of practice, this Committee considers the overall diversity of the Board with respect to backgrounds, professional experience, education, skill, and viewpoint. In addition, as part of its annual self-evaluation, the Board has an opportunity to consider the diversity of its members, including specifically whether the Board's members have the right mix of characteristics, experiences and skills. The results of the self-evaluation are considered by the Nominating, Governance and Administration Committee in its decision-making process with respect to candidates for the position of Independent Trustee. The Board believes that the different perspectives, viewpoints, professional experience, education, and individual qualities of each Nominee represent a diversity of experiences and a variety of complementary skills. Each Nominee (other than Messrs. Bromley and Thomson) has experience as a Trustee of each fund, and/or experience as a Trustee of other John Hancock funds. It is the Trustees' belief that this allows the Board, as a whole, to oversee the business of each fund in a manner consistent with the best interests of the fund's shareholders. When considering potential nominees to fill vacancies on the Board, and as part of its annual self-evaluation, the Board reviews the mix of skills and other relevant experiences of the Trustees.

#### **Duties of Trustees; Board Meetings and Board Committees**

Each fund is organized as a Massachusetts business trust. Under the funds' Declarations of Trusts, the Trustees are responsible for managing the affairs of the funds, including the appointment of advisers and subadvisers. Each Trustee has the experience, skills, attributes or qualifications described above (see Principal Occupation(s) and Other Directorships During the Past Five Years and Additional Information About the Nominees above). The Board appoints officers who assist in managing the day-to-day affairs of the funds. With respect to Preferred Income, Preferred Income II and Preferred Income III, each Board met seven times during the fiscal year ended July 31, 2012. With respect to Bank and Thrift, Hedged Equity & Income and Tax-Advantaged Global, each Board met six times during the fiscal year ended October 31, 2011. The Board of Premium Dividend met eight times during the fiscal year ended October 31, 2011, and the Board of Tax-Advantaged Dividend met nine times during the fiscal year ended October 31, 2011. No Trustee attended fewer than 75% of the aggregate of: (1) the total number of Board meetings; and (2) the total number of meetings held by all committees on which he or she served. The funds hold joint meetings of the Trustees and all committees. Three Trustees attended the joint 2012 annual meeting of shareholders of the funds that was held on January 20, 2012.

Each Board has appointed an Independent Trustee as Chairman. The Chairman presides at meetings of the Trustees and may call meetings of the Board and any Board committee whenever he deems it necessary. The Chairman participates in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted

upon by the Board. The Chairman also acts as a liaison with the funds' management, officers, attorneys, and other Trustees generally between meetings. The Chairman may perform such other functions as may be requested by the Board from time to time. The Board has also designated a Vice Chairman to serve in the absence of the Chairman. Except for any duties specified pursuant to each fund's Declaration of Trust or By-Laws, or as assigned by the Board, the designation of a Trustee as Chairman or Vice Chairman does not impose on that Trustee any duties, obligations or liability that are greater than the duties, obligations or liability imposed on any other Trustee, generally. Each Board has designated a number of standing committees as further described below, each of which has a Chairman. Each Board also designates working groups or ad hoc committees as it deems appropriate.

Each Board believes that this leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over matters under its purview, and it allocates areas of responsibility among committees or working groups of Trustees and the full Board in a manner that enhances effective oversight. Each Board considers leadership by an Independent Trustee as Chairman to be integral to promoting effective independent oversight of the funds' operations and meaningful representation of the shareholders' interests, given the amount of assets that these funds represent. Each Board also believes that having a supermajority of Independent Trustees is appropriate and in the best interest of the funds' shareholders. Nevertheless, each Board also believes that having interested persons serve on the Board brings corporate and financial viewpoints that are, in the Board's view, crucial elements in its decision-making process. In addition, each Board believes that, for the relevant periods of service on the Board, Messrs. Boyle, McHaffie, Thomson and Vrysen, each of whom is a senior executive of the Adviser, Manulife Financial (the Adviser's parent company), and of other affiliates of the Adviser, have provided, or are expected to provide, each Board with the Adviser's perspective in managing and sponsoring the funds. The leadership structure of a Board may be changed, at any time and in the discretion of the Board, including in response to changes in circumstances or the characteristics of each fund.

### **Board Committees**

Each Board of the funds has five standing committees: the Audit Committee; the Compliance Committee; the Nominating, Governance and Administration Committee; the Investment Performance Committee A; and the Contracts & Operations Committee. If the Nominees are elected to a Board, the Board will consider whether other committees should be organized after it has reviewed the needs of the relevant Fund. The composition of each committee also will be considered.

The current membership of each committee is set forth below. As Chairman of each Board, Mr. Pruchansky is considered an *ex officio* member of each committee and, therefore, he is able to attend and participate in any committee meeting, as appropriate.

	<b>Nominating,</b>			
		<b>Governance and</b>	<b>Investment</b>	
<b>Audit</b>	<b>Compliance</b>	<b>Administration</b>	<b>Performance A</b>	<b>Contracts &amp; Operations</b>
Moore	Cunningham	All Independent	Jackson	All Independent
Pruchansky	Jackson	Trustees	Russo	Trustees
Russo	Russo		Vrysen	

**Audit Committee.** Each Board has an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), which is comprised exclusively of Independent Trustees as defined under Section 2(a)(19) of the 1940 Act. Each Audit Committee member is financially literate, with at least one having accounting or financial management expertise. Each Board has adopted a written charter for the Committee. This Committee recommends to the full Board independent registered public accounting firms for each fund, oversees the work of the independent registered public accounting firm in connection with each fund's audit, communicates with the independent registered public accounting firm on a regular basis and provides a forum for the independent registered public accounting firm to report and discuss any matters it deems appropriate at any time. Mr. Russo serves as Chairman of this Committee. The Audit Committee held seven meetings during the fiscal year ended July 31, 2012 for funds with that fiscal year end and eight meetings during the fiscal year ended October 31, 2011 for funds with that fiscal year end. The Audit Committee of Hedged Equity & Income met four times during the fiscal year ended October 31, 2011. The written report of the Audit Committee is set forth below under Audit Committee Report. The written charter of the Audit Committee is included as Attachment 1 to this proxy statement.

*Compliance Committee.* The primary role of this Committee is to oversee the activities of each fund's Chief Compliance Officer (CCO); the implementation and enforcement of each fund's compliance policies and procedures; and compliance with each fund's, the Adviser's, the subadvisers' and the Independent Trustees' Codes of Ethics. Mr. Russo serves as Chairman of this Committee. This Committee held four meetings during the fiscal year ended July 31, 2012 for funds with that fiscal year end and four meetings during the fiscal year ended October 31, 2011 for funds with that fiscal year end. The Compliance Committee of Hedged Equity & Income met once during the fiscal year ended October 31, 2011.

*Nominating, Governance and Administration Committee.* This Committee is comprised of all of the Independent Trustees as defined in the rules of the New York Stock Exchange and Section 2(a)(19) of the 1940 Act. The purpose of this Committee is to make determinations and recommendations to the Board on issues related to the composition and operation of the Board, corporate governance matters applicable to the Independent Trustees, and issues related to complex-wide matters and practices designed to facilitate uniformity and administration of the Board's oversight of the funds. This Committee is solely responsible for the selection and recommendation to the Board of Independent Trustee candidates. Mr. Pruchansky serves as Chairman of this Committee. This Committee held five meetings during the fiscal year ended July 31, 2012 and three meetings during the fiscal year ended October 31, 2011 for funds with the relevant fiscal year ends. Each fund's Board has adopted a written charter for the Nominating, Governance and Administration Committee. A copy of the Charter is included as Attachment 2 to this proxy statement.

In reviewing a potential Nominee and in evaluating the renomination of current Independent Trustees, this Committee will generally apply the following criteria: (i) the Nominee's reputation for integrity, honesty and adherence to high ethical standards; (ii) the Nominee's business acumen, experience and ability to exercise sound judgments; (iii) a commitment to understand the funds and the responsibilities of a trustee of an investment company; (iv) a commitment to regularly attend and participate in meetings of the Board and its committees; (v) the ability to understand potential conflicts of interest involving management of the funds and to act in the interests of all shareholders; and (vi) the absence of a real or apparent conflict of interest that would impair the Nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee. This Committee does not necessarily place the same emphasis on each criteria and each Nominee may not have each of these qualities. As long as a current Independent Trustee continues, in the opinion of this Committee, to satisfy these criteria, each fund anticipates that the Committee would favor the renomination of a current Independent Trustee rather than a new candidate. Consequently, while this Committee will consider Nominees recommended by shareholders to serve as Independent Trustees, the Committee may act upon such recommendations only if there is a vacancy on the Board or the Committee determines that the selection of a new or additional Independent Trustee is in the best interests of a fund.

While the Committee is solely responsible for the selection and recommendation to the Board of Independent Trustee candidates, the Committee may consider Nominees recommended by any source, including fund shareholders, management and Committee members, as it deems appropriate. Any such recommendations from shareholders shall be directed to the Secretary of the relevant fund at such address as is set forth in the fund's disclosure documents. Recommendations from management may be submitted to the Committee Chairman. All recommendations shall include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Board members and as specified in the relevant fund's By-Laws, and must be accompanied by a written consent of the proposed candidate to stand for election if nominated for the Board and to serve if elected by shareholders. The Committee's process for identifying and evaluating Nominees to serve as Independent Trustees of the funds is set forth in Annex A to the Committee's Charter.

*Investment Performance Committee A.* This Committee monitors and analyzes the performance of the funds generally, consults with the Adviser as necessary if a fund requires special attention, and reviews peer groups and other comparative standards as necessary. Ms. Jackson serves as Chairperson of Investment Performance Committee A. This Committee held seven meetings during the fiscal year ended July 31, 2012 and seven meetings during the fiscal year ended October 31, 2011 for funds with the relevant fiscal year ends. The Investment Performance Committee A of Hedged Equity & Income met two times during the fiscal year ended October 31, 2011.

*Contracts & Operations Committee.* This Committee is composed of all of the Independent Trustees and oversees the initiation, operation, and renewal of the various contracts between the funds and other entities. These contracts include advisory and subadvisory agreements, custodial and transfer agency agreements and arrangements with other service providers. Dr. Moore serves as Chairman of this Committee. As indicated above, Dr. Moore's term of office as Trustee will end when he retires upon the earlier of the date the Nominees take office, if elected, or December 31, 2012. This Committee held four meetings during the fiscal year ended July 31, 2012 and three meetings during the fiscal year ended October 31, 2011 for funds with the relevant fiscal year ends.

Annually, the Board evaluates its performance and that of its Committees, including the effectiveness of the Board's Committee structure.

## Risk Oversight

As registered investment companies, the Funds are subject to a variety of risks, including investment risks, financial risks, compliance risks, and operational risks. As part of its overall activities, the Board oversees the management of the Funds' risk management structure by various departments of the Adviser, including: Investment Management Services Group (which oversees the Funds' subadvisers and investment management operations) (IMS), Fund Administration, Legal, the Product Group (which oversees new product development and marketplace positioning), and Internal Audit; as well as by the Funds' Chief Compliance Officer (CCO). The responsibility to manage the Funds' risk management structure on a day-to-day basis is subsumed within the Adviser's overall investment management responsibilities. The Adviser has its own, independent interest in risk management. In this regard, the Adviser has appointed a Risk and Investment Operations Committee, consisting of senior personnel from each of the Adviser's functional departments. The Adviser's risk management program is part of the overall risk management program of John Hancock, the Adviser's parent company. John Hancock's Chief Risk Officer supports the Adviser's risk management program.

While the Adviser has responsibility for identifying and managing the Fund's exposure to risk on a daily basis, the Board plays an active role in overseeing the processes established to assess, monitor and mitigate that exposure. The Board, acting through its Committees, has charged the Adviser with (i) identifying events or circumstances the occurrence of which could have adverse effects on the Funds' business and/or reputation; (ii) implementing processes and controls to lessen the possibility that such events or circumstances occur or to mitigate the effects of such events or circumstances if they do occur; and (iii) creating and maintaining a system designed to evaluate continuously business and market conditions in order to facilitate the identification and implementation of processes and controls described in (i) and (ii) above. The Board, directly and indirectly through its Committees, routinely discusses with management the significant risks facing the Funds and reviews the processes and controls in place to address those risks. The Board regularly receives materials and information, including in-depth and in-person presentations from third-party experts, with respect to specific areas of risk, and the Board engages in comprehensive analyses and dialogues regarding those risks. Because the day-to-day operations and activities of the Funds are carried out by or through the Adviser and other service providers, the Board recognizes that it is not possible for it to identify all of the risks that may affect a Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects.

The Board discharges risk oversight as part of its overall activities, with the assistance of its Investment Performance, Audit, Compliance, and Contracts & Operations Committees. The Committee system facilitates the timely and efficient consideration of matters by the Board, and facilitates effective oversight of compliance with legal and regulatory requirements and of the Funds' activities and associated risks. In addressing issues regarding the Fund's risk management between meetings, appropriate representatives of the Adviser communicate with the Chairman of the Board, the relevant Committee Chair or the Funds' CCO, who is directly accountable to the Board. As appropriate, the Chairman of the Board and the Committee Chairs confer among themselves, with the Fund's CCO, the Adviser, other service providers, external fund counsel, and counsel to the Independent Trustees, to identify and review risk management issues that may be placed on the full Board's agenda and/or that of an appropriate Committee for review and discussion with management.

The Audit Committee assists the Board in reviewing with the independent auditors, at various times throughout the year, matters relating to financial reporting matters. In addition, this Committee oversees the process of the Fund's valuation of its portfolio securities, with day-to-day responsibility for valuation determinations having been delegated to the Fund's Pricing Committee (comprised of officers of the Funds).

Investment Performance Committee A and Investment Performance Committee B assist the Board in overseeing the significant investment policies of the Funds. The Adviser monitors these policies and may recommend changes to this Committee in response to subadviser requests or other circumstances. On a quarterly basis, this Committee reviews reports from IMS and the Product Group regarding the Fund's investment performance, which include information about investment risks and how they are managed.

The Compliance Committee assists the Board in overseeing the activities of the Funds' CCO with respect to the compliance programs of the Fund, the Adviser, the Subadviser, and certain of the Funds' other service providers (the distributor and transfer agent). This Committee and the Board receive and consider the CCO's annual written report, which, among other things, summarizes material compliance issues that arose during the previous year and any remedial action taken to address these issues, as well as any material changes to the compliance programs. This Committee and the Board also receive and consider reports from the Fund's CCO throughout the year. As part of its oversight responsibilities, the Board has approved various compliance policies and procedures.

Each of the above Board Committees meets at least quarterly. Each Committee presents reports to the Board, which may prompt further discussion of issues concerning the oversight of the Funds' risk management. The Board also may discuss particular risks that are not addressed in the Committee process. In addition to the Committee meetings, the Adviser's Risk and Investment Operations Committee described above, reports periodically to the full Board on risk management matters. Finally, John Hancock's Chief Risk Officer, who as noted above supports the Adviser's risk management program, at the Board's request will from time-to-time report on risk management matters.

The Contracts & Operations Committee assists the Board in overseeing the Adviser's management of the Funds' operational risks, particularly as it regards vendor management and the quality of services provided by various service providers. This Committee periodically reviews reports from Fund Administration on these issues and discusses its findings with the Board. Among other things, in its annual review of the Funds' advisory, subadvisory and distribution agreements, this Committee and the Board receive and review information provided by the Adviser, the subadvisers and the distributor relating to their operational capabilities, financial condition and resources.

The Board also has a Nominating, Governance and Administration Committee that, among other matters, periodically reviews the Board's committee structure and the charters of the Board's committees, and recommends to the Board such changes as it deems appropriate. This Committee also coordinates and administers an annual self-evaluation of the Board that includes a review of its effectiveness in overseeing the number of funds in the fund complex and the effectiveness of its committee structure. The Board may, at any time and in its discretion, change the manner in which it conducts its risk oversight role.

As stated above, the Adviser also has its own, independent interest in risk management. In this regard, the Adviser has appointed a Risk and Investment Operations Committee, consisting of senior personnel from each of the Adviser's functional departments. This Committee reports periodically to the Board on risk management matters. The Adviser's risk management program is part of the overall risk management program of John Hancock. John Hancock's Chief Risk Officer supports the Adviser's risk management program, and at the Board's request will report on risk management matters.

- (1) Nominee and Trustee share ownership is provided as of August 31, 2012. The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Nominees and Trustees in the funds and in all John Hancock funds overseen by each Nominee or Trustee. For each Nominee and Trustee, the amounts reflected include share equivalents of certain John Hancock funds in which the Trustee and Trustee is deemed to be invested pursuant to the Deferred Compensation Plan for Independent Trustees, as more fully described under Remuneration of Trustees/Nominees and Officers. The information as to beneficial ownership is based on statements furnished to the funds by the Nominees and Trustees. Each of the Nominees has all voting and investment powers with respect to the shares indicated. None of the Nominees or Trustees beneficially owned individually, and the Nominees, Trustees and executive officers of the funds as a group did not beneficially own, in excess of one percent of the outstanding shares of any fund.

#### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires a fund's executive officers, Trustees and persons who own more than 10% of a fund's shares (10% Shareholders) to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Executive officers, Trustees and 10% Shareholders are also required by SEC regulations to furnish each fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the funds and representations that no other reports were required to be filed, each fund believes that, during the past fiscal year, its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

#### Remuneration of Trustees/Nominees and Officers

The following table provides information regarding the compensation earned by the Independent Trustees from the funds and the other investment companies in the John Hancock Fund Complex for their services for each fund's most recently completed fiscal year. No information is provided with respect to John A. Moore, a Trustee of each fund, because his term of office will end on December 31, 2012. The Non-Independent Trustees/Nominees, and each of the officers of the funds who are interested persons of the Adviser, are compensated by the Adviser and/or its affiliates and receive no compensation from the funds for their services.

retain the services of any Trustee or obligate a fund to pay any particular level of compensation to the Trustee. As part of the board consolidation, three of the current members of the Boards are not standing for reelection, including Dr. Moore, an Independent Trustee. If this Proposal is approved, Dr. Moore's term of office will end in advance of his scheduled retirement date of December 31, 2012. In recognition of his service as an independent member of the Boards and contingent upon the approval by shareholders of a new slate of trustees, the Boards have approved an aggregate payment of \$300 per fund. The payment was calculated based on the amount the trustee would have received from each fund for attending meetings through his scheduled retirement date.

### Legal Proceedings

There are no material pending legal proceedings to which any Nominee, Trustee or affiliated person of such Nominee or Trustee is a party adverse to the funds or any of their affiliated persons or has a material interest adverse to the funds or any of their affiliated persons. In addition, there have been no legal proceedings that are material to an evaluation of the ability or integrity of any Nominee, Trustee or executive officer of the Trusts within the past ten years.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in each fund s Annual Report on Form N-CSR for filing with the SEC.

**Independent Registered Public Accounting Firm**

The Trustees of each fund, including a majority of each fund's Independent Trustees, have selected PricewaterhouseCoopers LLP (PwC), 125 High Street, Boston, Massachusetts 02110, to act as independent registered public accounting firm.

Representatives of PwC are not expected to be present at the meeting, but have been given the opportunity to make a statement, if they desire to do so, and will be available should any matter arise requiring their participation.

The following tables set forth the aggregate fees billed by PwC for the funds' two most recently completed fiscal years for professional services rendered for: (i) the audit of the fund's annual financial statements and the review of financial statements included in the fund's reports to shareholders, (ii) assurance and related services that are reasonably related to the performance of the audit or review of the fund's financial statements, (iii) tax compliance, tax advice or tax planning and (iv) all other services provided by PwC other than (i), (ii) and (iii). None of the services described below were approved by the Audit Committee pursuant to the de minimis exception from the pre-approval requirement set forth in Rule 2-01(c)(7)(i)(C) of Regulation S-X under the Securities Act of 1933, as amended.

(1) Hedged Equity & Income commenced operations on May 26, 2011.

Each fund's Audit Committee has adopted procedures that require the pre-approval of audit and non-audit services provided by the fund's independent registered public accounting firm to the fund, the Adviser and any entity controlling, controlled by or under common control with the Adviser that provide services to the funds (the Adviser Affiliates) and that relate directly to the funds' operations and financial reporting. In addition, these procedures identify certain types of audit and non-audit services that are anticipated to be provided by PwC during a calendar year and, provided the services are within the scope and value standards set forth in the procedures, such services are deemed to be pre-approved by the Audit Committee. The scope and value criteria are reviewed annually. Unless a service is pre-approved under the procedures, it must be specifically pre-approved by the Audit Committee.

## Edgar Filing: John Hancock Hedged Equity & Income Fund - Form DEF 14A

In recommending PwC as the funds' independent registered public accounting firm, the Audit Committee has considered the compensation paid to PwC for audit and non-audit services to the Adviser and the Adviser Affiliates, and has determined that such compensation is not incompatible with maintaining PwC's independence.

The following table sets forth the aggregate non-audit fees billed by PwC for services rendered to each fund for the two most recently completed fiscal years.

Fund	Fiscal Year Ended July 31, 2012	Fiscal Year Ended July 31, 2011

**MISCELLANEOUS**

**Voting; Quorum; Adjournment**

The following votes are required to approve the proposal:

<b>Proposal</b>	<b>Vote Required</b>
<b>Proposal 1</b>	A plurality of all votes cast, assuming a quorum exists.* A plurality means that the thirteen Nominees presented for election receiving the greatest number of votes will be elected as Trustees, regardless of the number of votes cast.

\* In order for a quorum to exist, a majority of the shares outstanding and entitled to vote must be present at the meeting, either in person or by proxy, determined in accordance with the table below.

Proposal 1 is considered a routine matter on which brokers holding shares in street name may vote on this proposal without instruction, under the rules of the New York Stock Exchange ( NYSE ).

The following table summarizes how the quorum and voting requirements are determined.

<b>Shares</b>	<b>Quorum</b>	<b>Voting</b>
<b>In General</b>	All shares present in person or by proxy are counted in determining whether a quorum exists.	Shares present in person will be voted in person by the shareholder at the meeting. Shares present by proxy will be voted by the proxy holder in accordance with instructions specified in the proxy.
<b>Broker Non-Vote</b>	Considered present at meeting.	Not voted. Same effect as a vote against each Nominee.
<b>Proxy with No Voting Instruction</b>	Considered present for determining whether a quorum exists.	Will be voted for each Nominee by the proxy holder.
<b>Vote to Abstain</b>	Considered present for determining whether a quorum exists.	Same effect as a vote against each Nominee.

If a quorum is not present, the persons named as proxies may vote their proxies to adjourn the meeting to a later date. Shareholder action may be taken on the proposal prior to such adjournment. Any adjournment will require the affirmative vote of a majority of those shares present at the Annual Meeting in person or by proxy.

**Expenses and Methods of Solicitation**

The costs of the meeting, and the expense of preparing, printing and mailing the proxy materials and soliciting shareholder votes will be paid by the funds Adviser. In addition to the solicitation of proxies by mail, Trustees, officers and employees of the funds or of the Adviser may solicit proxies in person, by facsimile, by e-mail or by telephone. Computershare Shareowner Services LLC has been retained to assist in the solicitation of proxies at a cost of approximately \$1,680 per fund plus reasonable expenses (including the cost of maintaining an Internet Web site where the proxy materials are posted).

**Telephone Voting**

The funds may arrange to have votes recorded by telephone by officers and employees of the funds or by the personnel of the Adviser, the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder s identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder s instructions and to confirm that the voting instructions have been properly recorded.

A shareholder will be called on a recorded line at the telephone number in the fund s account records and will be asked to provide certain identifying information.

## Edgar Filing: John Hancock Hedged Equity & Income Fund - Form DEF 14A

The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the meeting in accordance with the shareholder's instructions.

Alternatively, a shareholder may call the funds' Voice Response Unit and follow these steps to vote:

Read the proxy statement and have the proxy card at hand.

Call the toll-free number located on the proxy card.

Follow recorded instructions.

With both methods of telephone voting, to ensure that the shareholder's instructions have been recorded correctly, the shareholder will receive a confirmation of the voting instructions.

If the shareholder decides after voting by telephone to attend the meeting, the shareholder can revoke the proxy at that time and vote the shares at the meeting.

#### **Internet Voting**

Shareholders also have the opportunity to submit their voting instructions via the Internet by utilizing a program provided through a vendor. Voting via the Internet will not affect shareholders' right to vote in person if they decide to attend the meeting. Shareholders should not mail the proxy card if they are voting via the Internet. To vote via the Internet, shareholders will need the information on their proxy cards. The Internet voting procedures are designed to authenticate shareholder identities, to allow shareholders to give
