On May 6, 2013, we and certain of our subsidiaries, as borrowers, the several banks and other financial institutions party thereto (collectively, the Consenting Term Lenders ) and Bank of America, N.A., in its capacity as administrative agent for the Term Lenders (the Term Loan Administrative Agent ) entered into the First Amendment to Term Loan Agreement to that certain Term Loan Agreement (the Term Loan Amendment ) by and among us and certain of our subsidiaries, the Consenting Term Lenders (together with the other banks and financial institutions party thereto, the Term Lenders ) and the Term Loan Administrative Agent, dated as of October 25, 2012 (as amended, modified or supplemented, the Term Loan Agreement ).

The Term Loan Amendment will be filed as an exhibit to our Quarterly Report on Form 10-Q for the quarter ending June 30, 2013.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant  
Amendment and Restatement of Revolving Credit Facility**

On May 6, 2013, we and certain of our subsidiaries (the Borrowers ) entered into a Second Amended and Restated Credit Agreement (the Credit Agreement ) with Bank of America, N.A., as Administrative Agent (the Agent ) and the other lenders from time to time party thereto (the Lenders ), replacing the Amended and Restated Credit Agreement dated as of July 11, 2011 among the Borrowers, the Agent and the lenders party thereto (the Existing Credit Agreement ). The Credit Agreement has a scheduled maturity date of May 4, 2018.

Pursuant to the Credit Agreement, the Lenders have committed to provide advances up to an aggregate principal amount of \$1,200,000,000 at any one time outstanding, and the Borrowers have the option to request increases in the aggregate commitments provided that the aggregate commitments never exceed \$1,500,000,000. For any such increase, the Borrowers may ask one or more Lenders to increase their existing commitments and/or invite additional eligible lenders to become Lenders under the Credit Agreement. As part of the aggregate commitments under the facility, the Credit Agreement provides for letters of credit to be issued at the request of the Borrowers in an aggregate amount not to exceed the aggregate commitments and for swing line loans to be issued at the request of the Borrowers in an aggregate amount not to exceed a \$25,000,000 sublimit.

Interest accrues on advances at a LIBOR rate or a base rate plus an applicable margin based on the election of the applicable Borrower for each interest period. The issuing fees for all letters of credit are also based on an applicable margin. The applicable margin used in connection with interest rates and fees is based on our consolidated leverage ratio. The applicable margin for LIBOR rate loans and letter of credit fees ranges from 1.125% to 1.750% and the applicable margin for base rate loans and swing line loans ranges from 0.125% to 0.750%. The Borrowers will also pay a fee based on our consolidated leverage ratio on the actual daily unused amount of the aggregate commitments. Immediately after entering into the Credit Agreement, which replaced the Existing Credit Agreement, \$680,000,000 of borrowings were outstanding under the Credit Agreement, excluding letters of credit. Proceeds of the borrowings under the Credit Agreement were used to refinance the Existing Credit Agreement, to pay transaction fees and expenses related to the new Credit Agreement and will be used for general corporate purposes, including working capital, capital expenditures and permitted acquisitions.

The Credit Agreement contains representations, warranties, covenants and events of default, including a change of control event of default and limitations on incurrence of indebtedness and liens, new lines of business, mergers, transactions with affiliates and restrictive agreements. The Credit Agreement also includes covenants limiting, as of the last day of each fiscal quarter, (a) the ratio of the consolidated funded debt as of such date to the Consolidated EBITDA (as defined in the Credit Agreement), measured for the preceding twelve months, to not more than 3.50 to 1.00 and (b) the ratio of Consolidated EBIT (as defined in the Credit Agreement) to consolidated interest expense, in each case, measured for the preceding twelve months, to not less than 2.75 to 1.00. During the continuance of an event of default, the Lenders may take a number of actions, including declaring the entire amount then outstanding under the Credit Agreement due and payable.

The Credit Agreement will be filed as an exhibit to our Quarterly Report on Form 10-Q for the quarter ending June 30, 2013.
