Item 8.01. Other Events.

On August 1, 2013, Argan, Inc. (Argan) issued a press release announcing that its wholly-owned subsidiary, Gemma Power Systems, LLC (GPS), has entered into an engineering, procurement and construction contract (the EPC Contract) with Moxie Patriot LLC (Moxie Patriot) for the design and construction of an 800 megawatt natural gas-fired power plant in Pennsylvania. Gemma Power, Inc., an affiliate of GPS and wholly owned by Argan, has been supporting the development of this project with advances of working capital funding.

On May 3, 2013, Moxie entered into an agreement for the sale of the project to a third party investor who will provide advances for certain preconstruction costs of Moxie Patriot. The consummation of the sale of the project as well as the ability of GPS to fully proceed under the EPC Contract are contingent upon the third party investor securing permanent financing for the project.

A copy of Argan s press release is attached to this report as Exhibit 99.1 and incorporated herein by reference.
