Item 1.01 Entry into a Material Definitive Agreement.

On December 3, 2013, Oasis Petroleum Inc. (the *Company*) entered into an underwriting agreement (the *Underwriting Agreement*) with Citigroup Global Markets Inc., as underwriter (the *Underwriter*), in connection with an underwritten public offering (the *Offering*) of 7,000,000 shares of common stock (the *Common Shares*). The issuance and sale of the Common Shares has been registered under the Securities Act of 1933 (the *Securities Act*) pursuant to an automatic shelf Registration Statement on Form S-3 (Registration No. 333-175603) of the Company, filed with and deemed automatically effective by the Securities and Exchange Commission on July 15, 2013. The Offering closed on December 9, 2013. A legal opinion related to the Common Shares is filed herewith as Exhibit 5.1.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company and customary conditions to closing, obligations of the parties and termination provisions. Additionally, the Company has agreed to indemnify the Underwriter against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriter may be required to make because of any of those liabilities. Furthermore, the Company and its directors and officers have agreed with the Underwriter not to offer or sell any shares of its common stock (or securities convertible into or exchangeable for common stock), subject to customary exceptions, for a period of 90 days after the date of the Underwriting Agreement without the prior written consent of the Underwriter.

The Underwriter and its affiliates have, from time to time, performed, and may in the future perform, various financial advisory, commercial banking and investment banking services for the Company and its affiliates, for which they received or will receive customary fees, commissions and expenses. For example, an affiliate of the Underwriter is a lender under the Company's revolving credit facility and, accordingly, will receive a portion of the net proceeds from this offering. In addition, from time to time, the Underwriter and its affiliates may effect transactions for their own account or the account of customers, and hold on behalf of themselves or their customers, long or short positions in the Company's debt or equity securities or loans, and may do so in the future.

The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to such Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.
