Disclaimer:

The estimated sales figures presented above, which include but are not limited to electricity sold and revenues received therefrom (the Estimates) of Korea Electric Power Corporation (KEPCO), have been prepared for convenience only based on the internal estimates of KEPCO as of the relevant meter reading periods and do not include (i) electricity sold and revenues received from pumped storage units and (ii) the fuel cost pass-through adjustment amounts. These figures have neither been audited nor reviewed by KEPCO's current independent accountants, KPMG Samjong Accounting Corp., or any other accountants. These Estimates may differ significantly from the actual results of operations of KEPCO, which KEPCO expects to publicly disclose in the future in a number of ways, including but not limited to, elimination of internal profits and sales discount. KEPCO disclaims any liability in connection with the Estimates, and no reliance should be made upon these Estimates including in connection with, but not limited to, entering into any contract for the purpose of trading any securities of KEPCO or any other investment decision in respect of KEPCO or its securities.
