The ESOP is administered by an ESOP Committee (the ESOP Committee) and its assets are held in trust by the Trustee. The 138,000 shares of Common Stock listed as beneficially owned represents shares of Common Stock held by the ESOP as of December 31, 2013, and consists of: (i) 18,652 shares that had been allocated to individual accounts established for participating employees and their beneficiaries, and (ii) 119,348 shares which were held, unallocated, for allocation in future years. Pursuant to the ESOP, participants in the ESOP are entitled to instruct the Trustee as to the voting of Common Stock allocated to their respective ESOP accounts. The ESOP, through the Trustee, has shared voting power over unallocated shares of Common Stock, allocated shares of Common Stock for which no voting instructions have been received and shares of Common Stock for which participants have voted to abstain and is generally required to vote such shares in the same proportions as it votes the allocated shares of Common Stock for which it has received voting instructions from participants. Investment decisions for the ESOP are made at the direction of the ESOP Committee and, therefore, the ESOP has sole dispositive power over all shares of Common Stock held by the ESOP.

In limited circumstances, the Trustee may be deemed under applicable regulations to beneficially own the 138,000 shares held by the ESOP. However, the Trustee expressly disclaims beneficial ownership of all of such shares.
