ABOUT SUBURBAN PROPANE PARTNERS, L.P.

Suburban Propane Partners, L.P., a publicly traded Delaware limited partnership, is a nationwide marketer and distributor of a diverse array of products meeting the energy needs of our customers. We specialize in the distribution of propane, fuel oil and refined fuels, as well as the marketing of natural gas and electricity in deregulated markets. In support of our core marketing and distribution operations, we install and service a variety of home comfort equipment, particularly in the areas of heating and ventilation. We believe, based on LP/Gas Magazine dated February 2014 that we are the third largest retail marketer of propane in the United States, measured by retail gallons sold in fiscal year

2013. As of September 28, 2013, we were serving the energy needs

Table of Contents

of more than 1.2 million residential, commercial, industrial and agricultural customers through approximately 750 locations in 41 states. Our operations are concentrated in the east and west coast regions of the United States, including Alaska and, as a result of our 2012 acquisition of the retail propane operations formerly owned by Inergy, L.P. (the Inergy Propane Acquisition), we have expanded our operating territories in the midwest region of the United States. We sold approximately 534.6 million gallons of propane and 53.7 million gallons of fuel oil and refined fuels to retail customers during the year ended September 28, 2013. Together with our predecessor companies, we have been continuously engaged in the retail propane business since 1928.

We conduct our business principally through Suburban Propane, L.P. (the Operating Partnership), a Delaware limited partnership, which operates our propane business and assets, and its direct and indirect subsidiaries. Our general partner, and the general partner of our Operating Partnership, is Suburban Energy Services Group LLC (the General Partner), a Delaware limited liability company whose sole member is the Chief Executive Officer of the Partnership. Since October 19, 2006, the General Partner has no economic interest in either the Partnership or the Operating Partnership (which means that the General Partner is not entitled to any cash distributions of either partnership, nor to any cash payment upon the liquidation of either partnership, nor any other economic rights in either partnership) other than as a holder of 784 Common Units of the Partnership. Additionally, under the Third Amended and Restated Agreement of Limited Partnership (the Partnership Agreement) of the Partnership, there are no incentive distribution rights for the benefit of the General Partner. The Partnership owns (directly and indirectly) all of the limited partner interests in the Operating Partnership. The Common Units represent 100% of the limited partner interests in the Partnership.

We are a publicly traded Delaware limited partnership. Our common units are listed on the New York Stock Exchange and traded under the symbol SPH. Our principal executive offices are located at 240 Route 10 West, Whippany, New Jersey 07981, and our phone number is (973) 887-5300. Our internet webpage is located at www.suburbanpropane.com; however, the information in, or that can be accessed through, our webpage is not part of this prospectus.

Unless the context otherwise requires, references in this prospectus to the terms Partnership, Suburban, we, us, and our are used to refer to Suburban Propane Partners, L.P. and its consolidated subsidiaries, including the Operating Partnership, unless otherwise indicated.

ABOUT SUBURBAN ENERGY FINANCE CORP.

Suburban Energy Finance Corp. is one of our wholly-owned subsidiaries. It has nominal assets and does not and will not conduct any operations or have any employees. It was formed in 2003 for the sole purpose of acting as a co-obligor for our debt securities to allow the investment in our debt securities by certain institutional investors that might not otherwise be able to invest in our securities, either because we are a limited partnership, or by reason of the legal investment laws of their states of organization or their charters.

Some of these Forward-Looking Statements are discussed in more detail in the sections "Risk Factors" and

Management's Discussion and Analysis of Financial Condition of our periodic reports filed with the Securities and Exchange Commission or in the applicable prospectus supplement. On different occasions, we or our representatives have made or may make Forward-Looking Statements in other filings with the SEC, press releases or oral statements made by or with the approval of one of our authorized executive officers. Readers are cautioned not to place undue reliance on Forward-Looking Statements, which reflect management's view only as of the date made. We undertake no obligation to update any Forward-Looking Statements or Cautionary Statements. All subsequent written and oral Forward-Looking Statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the Cautionary Statements in this prospectus and in future SEC reports.

Forward-Looking Statements or Cautionary Statements should not be viewed as predictions, and should not be the primary basis upon which investors evaluate us. Any investor in Suburban should consider all risks and uncertainties disclosed in our SEC filings, described below under the "Where You Can Find More Information" section of this prospectus, all of which are accessible on the SEC's website at www.sec.gov. We note that all website addresses given in this prospectus are for information only and are not intended to be an active link or to incorporate any website information into this document.

Table of Contents**RISK FACTORS**

An investment in our securities involves risks. You should carefully consider the specific risk factors described in our Annual Report on Form 10-K for the fiscal year ended September 28, 2013, as well as the other information contained in this prospectus, any prospectus supplement and any related free writing prospectus and the information we have incorporated herein by reference in evaluating an investment in Suburban. See [Where You Can Find More Information](#). If any of these risk factors were actually to occur, our business, financial condition, results of operations or prospects could be materially adversely affected. When we offer and sell any securities pursuant to a prospectus supplement, we will include additional risk factors relevant to such securities in such prospectus supplement.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges for each of the periods indicated:

	Six Months Ended	Year Ended				
	March 29, 2014	September 28, 2013	September 29, 2012	September 24, 2011	September 25, 2010	September 26, 2009
Ratio of earnings to fixed charges(1)	5.63	1.79	1.05	4.90	4.93	5.06

- (1) For purposes of determining the ratio of earnings to fixed charges, earnings are defined as earnings from continuing operations before income taxes, plus fixed charges. Fixed charges consist of interest expense on all indebtedness, amortization of the discount on certain of the Partnership's long-term borrowings, amortization of capitalized debt origination costs, and the estimated interest portion of operating leases (10% of rent expense represents a reasonable approximation of the interest factor).

USE OF PROCEEDS

Unless otherwise indicated to the contrary in an accompanying prospectus supplement, we will use the net proceeds from the sale of securities covered by this prospectus for general partnership purposes, which may include working capital needs, repayment of indebtedness, capital expenditures and acquisitions.

The intended application of proceeds from the sale of any particular offering of securities using this prospectus will be described in the applicable prospectus supplement relating to such offering. The precise amount and timing of the application of these proceeds will depend on our funding requirements and the availability and costs of other funds.

DESCRIPTION OF THE SENIOR DEBT SECURITIES

The debt securities will be issued from time to time under an indenture and applicable supplemental indenture with respect to any series of debt securities between Suburban Propane Partners, L.P. and Suburban Energy Finance Corp. and The Bank of New York Mellon, as trustee. The indenture and any supplemental indenture are technical documents with terms that have defined meanings. A prospectus supplement will contain a summary of the indenture and applicable supplemental indenture. We urge you to read the indenture, the applicable supplemental indenture and the prospectus supplement describing the particular terms of the debt securities because they, and not this description, define the rights of the debt security holders. The form of indenture is filed as an exhibit to this registration statement.

General

The following briefly summarizes the material provisions of the indenture and the debt securities, other than pricing and related terms for a particular issuance, which will be described in an accompanying prospectus supplement.

A form of each debt security, reflecting the particular terms and provisions of a series of offered debt securities, will be filed with the SEC at the time of the offering.

Brief Description of the Senior Debt Securities

The debt securities will:

be our unsecured general joint and several obligations;

rank senior in right of payment to all of our subordinated indebtedness;

rank equally in right of payment with all of our other senior indebtedness;

be effectively subordinated to any of our secured indebtedness to the extent of the value of the assets securing such indebtedness; and

be structurally subordinated to, the indebtedness of our subsidiaries, including the Operating Partnership and its subsidiaries.

We will pay principal and interest on the debt securities at our office or agency, which we maintain in New York City. At our option, we may make payments of interest by check mailed to the debt security holders at their respective addresses as set forth in the register of debt securities. All payments with respect to global debt securities, however, will be made by wire transfer of immediately available funds to the accounts specified by the holders of the global debt securities. Until otherwise designated by us, our office or agency in New York will be the office of the trustee maintained for payment purposes.

Information in the Prospectus Supplement

The prospectus supplement for any offered series of debt securities will describe the following terms, as applicable:

the title;

the total principal amount offered;

the percentage of the principal amount at which the debt securities will be sold and, if applicable, the method of determining the price;

the maturity date or dates;

the rate at which the debt securities will bear interest, if any, and the interest payment dates;

if the debt securities are original issue discount debt securities, the yield to maturity;

Table of Contents

the date or dates from which any interest will accrue, or how such date or dates will be determined, and the interest payment dates and any related record dates;

any provisions for the payment of additional amounts for taxes;

the denominations in which the currency or currency unit of the debt securities will be issuable if other than denominations of \$2,000 and integral multiples in excess of \$1,000 thereof;

the terms and conditions on which we may optionally redeem the debt securities;

the terms and conditions on which we may be required to redeem the debt securities;

any obligation for us to redeem, purchase or repay the debt securities at the option of a holder upon the happening of an event other than a change of control and certain sales of assets, which are specified in the indenture, and the terms and conditions of redemption, purchase or repayment;

the names and duties of any co-trustees, depositaries, authenticating agents, calculation agents, paying agents, transfer agents or registrars for the debt securities;

any material provisions of the applicable indenture described in this prospectus that do not apply to the debt securities; and

any other specific terms of the debt securities.

We will issue the debt securities only in registered form. As currently anticipated, debt securities of a series will trade in book-entry form, and global notes will be issued in physical (paper) form. Unless otherwise provided in the accompanying prospectus supplement, we will issue debt securities denominated in U.S. Dollars and only in denominations of \$2,000 and integral multiples in excess of \$1,000 thereof.

PLAN OF DISTRIBUTION

We may offer the securities by and through underwriters in firm commitment underwritings.

We will prepare a prospectus supplement and any related free writing prospectus for each offering that will disclose the terms of the offering, including the name or names of any of the underwriters, the purchase price of the securities and the proceeds to us from the sale, any underwriting discounts and other items constituting compensation to the underwriters.

Securities offered by this prospectus will be acquired by underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more underwriters without a syndicate. Unless otherwise disclosed in the prospectus supplement, the obligations of the underwriters to purchase securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all of the securities offered by the prospectus supplement if any are purchased.

If a prospectus supplement so indicates, the underwriters may, pursuant to Regulation M under the Securities Exchange Act of 1934, as amended (the Exchange Act), engage in transactions, including stabilization bids or the imposition of penalty bids, that may have the effect of stabilizing or maintaining the market price of the securities at a level above that which might otherwise prevail in the open market. Underwriters are not required to engage in any of these activities or to continue such activities if commenced.

In compliance with FINRA guidelines, the maximum commission or discount to be received by any FINRA member or independent broker dealer may not exceed 8% of the aggregate amount of the securities offered pursuant to this prospectus and any applicable prospectus supplement; however, it is anticipated that the maximum commission or discount to be received in any particular offering of securities will be significantly less than this amount. Because the FINRA views our common units as interests in a direct participation program, any offering of securities under the registration statement of which this prospectus supplement forms a part will be made in compliance with Rule 2310 of the FINRA Rules.

We may agree to indemnify underwriters who participate in the distribution of securities against certain liabilities to which they may become subject in connection with the sale of the securities, including liabilities arising under the Securities Act.

Certain of the underwriters and their affiliates may be customers of, may engage in transactions with and may perform services for us or our affiliates in the ordinary course of business.

A prospectus and accompanying prospectus supplement in electronic form may be made available on the web sites maintained by the underwriters. The underwriters may agree to allocate a number of securities for sale to their online brokerage account holders. Such allocations of securities for internet distributions will be made on the same basis as other allocations. In addition, securities may be sold by the underwriters to securities dealers who resell securities to online brokerage account holders.

The senior debt securities offered under this prospectus or any applicable prospectus supplement will have no established trading market. Any underwriters to whom such offered securities are sold for public offering and sale may make a market in such offered securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. The offered senior debt securities will not be listed on a

national securities exchange. No assurance can be given that there will be a market for the offered securities.

We may directly solicit offers to purchase the securities being offered by this prospectus. We may also designate agents to solicit offers to purchase the securities from time to time. We will name in a prospectus supplement any agent involved in the offer or sale of our securities.

Item 15. Indemnification of Directors and Officers.***Suburban Propane Partners, L.P.***

Section 17-108 of the Delaware Revised Uniform Limited Partnership Act provides that subject to such standards and restrictions, if any, as are set forth in its partnership agreement, a limited partnership may, and shall have the power to, indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever.

Our Partnership Agreement provides that we will indemnify (i) the members of the board of supervisors or the members of the board of supervisors of our operating partnership subsidiary, Suburban Propane, L.P., or any subsidiary of Suburban Propane, L.P., (ii) the general partner, (iii) any departing partner, (iv) any person who is or was an affiliate of the general partner or any departing partner, (v) any person who is or was a member, partner, director, officer, employee, agent or trustee of us, Suburban Propane, L.P. or any subsidiary of Suburban Propane, L.P., (vi) any person who is or was a member, partner, officer, director, employee, agent or trustee of the general partner or any departing partner or any affiliate of the general partner or any departing partner, or (vii) any person who is or was serving at the request of the board of supervisors, the general partner or any departing partner or any affiliate of the general partner or any departing partner as a member, partner, director, officer, employee, agent, fiduciary or trustee of another person (Indemnitees), to the fullest extent permitted by law, from and against any and all losses, claims, damages, liabilities (joint or several), expenses (including legal fees, expenses and other disbursements),

judgments, fines, penalties, interest, settlements or other amounts arising from any and all claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any Indemnatee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnatee; provided that in each case the Indemnatee acted in good faith and in a manner that such Indemnatee reasonably believed to be in or not opposed to our best interests and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful. Any indemnification under these provisions will be only out of our assets, and the general partner shall not be personally liable for, or have any obligation to contribute or loan funds or assets to us to enable it to effectuate, such indemnification. We are authorized to purchase (or to reimburse the general partner or its affiliates for the cost of) insurance against

liabilities asserted against and expenses incurred by such persons in connection with our activities, regardless of whether we would have the power to indemnify such persons against such liabilities under the provisions described above.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and/or persons controlling the registrant pursuant to the foregoing provision, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Section 145 of Delaware General Corporation Law

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Section 145 of the Delaware General Corporation Law also provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery of Delaware or such other court shall deem proper.

To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; provided that indemnification provided for by Section 145 or granted

pursuant thereto shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and a corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in

any such capacity or arising out of such person's status as such whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

In addition, Section 102(b)(7) of the Delaware General Corporation Law permits Delaware corporations to include a provision in their certificates of incorporation eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provisions shall not eliminate or limit the liability of a director: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (iii) for unlawful payment of dividends or unlawful stock purchases or redemptions; or (iv) for any transactions from which the director derived an improper personal benefit. The certificate of incorporation of Suburban Energy Finance Corp. contains the provision permitted by this section.

Certificate of Incorporation and Bylaws

Article Eighth of the Certificate of Incorporation and Article 24 of the Bylaws of Suburban Energy Finance Corp. provide for Suburban Energy Finance Corp. to indemnify its corporate personnel, directors and officers to the fullest extent permitted by the Delaware General Corporation Law, as the same may be supplemented or amended from time to time.

The above discussion of the Certificate of Incorporation and Bylaws of Suburban Energy Finance Corp. and of Section 145 of the Delaware General Corporation Law is not intended to be exhaustive and is qualified in its entirety by such Certificate of Incorporation, Bylaws and the Delaware General Corporation Law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the registrants as disclosed above, the registrants have been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 17. Undertakings.

Each of the undersigned registrants hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act.

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration

statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
