**Item 1.01. Entry into a Material Definitive Agreement.**

On July 13, 2014, Whiting Petroleum Corporation (the Company) entered into an Arrangement Agreement (the Agreement), among Kodiak Oil & Gas Corp., a corporation continued under the laws of the Yukon Territory, Canada (Kodiak), the Company and 1007695 B.C. Ltd., a company organized under the laws of British Columbia, Canada and a wholly-owned subsidiary of Company (Acquiror Canadian Sub), pursuant to which Acquiror Canadian Sub will acquire all of the outstanding common shares, without par value per share, of Kodiak (the Kodiak Common Shares) and Acquiror Canadian Sub and Kodiak will amalgamate to form one corporate entity with Kodiak surviving the amalgamation as part of a plan of arrangement (the Arrangement).

Subject to the terms and conditions of the Agreement, at the effective time of the Arrangement, each outstanding Kodiak Common Share, other than Kodiak Common Shares with respect to which dissent rights have been properly exercised and not withdrawn (the Dissenting Shares), will be exchanged for 0.177 of a share (the Share Exchange Ratio) of Company common stock, \$0.001 par value per share (the Company Common Stock). Each outstanding stock option to purchase Kodiak Common Shares, restricted stock unit measured in relation to, or settleable in, Kodiak Common Shares and each award of restricted stock relating to Kodiak Common Shares, whether vested or unvested, will be assumed by the Company and converted automatically at the effective time of the Arrangement into an option, restricted stock unit or restricted stock award, as the case may be, denominated in shares of Company Common Stock based on the Share Exchange Ratio and subject to terms and conditions substantially identical to those in effect at the effective time of the Arrangement.

The closing of the Arrangement is subject to satisfaction of certain conditions, including, among others: (i) approval of the Company's and Kodiak's shareholders; (ii) approval by the Supreme Court of British Columbia (the Applicable Court); (iii) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act); (iv) the accuracy of representations and warranties of, and compliance with covenants by, the other party; and (v) no more than 5% of the shares of Kodiak Common Shares being Dissenting Shares.

The Company and Kodiak have made customary representations, warranties and covenants in the Agreement, including, among other things, covenants (i) with respect to the conduct of their respective businesses during the interim period between the execution of the Agreement and consummation of the Arrangement and (ii) prohibiting each of the Company and Kodiak from soliciting alternative acquisition proposals and providing information to or engaging in discussions with third-parties, except in the limited circumstances as provided in the Agreement.

The Agreement contains certain termination rights for both the Company and Kodiak including, but not limited to, in the event that (i) the Arrangement has not been consummated on or prior to the date that is 180 days after the date of the Agreement (subject to an automatic extension of up to 60 additional days to satisfy the conditions related to the expiration or termination of the waiting period under the HSR Act); (ii) the other party materially breaches its representations or covenants and such breach is not, or is not capable of being, cured within 30 days of notice; (iii) the Applicable Court fails to approve the Arrangement, (iv) the Company's or Kodiak's shareholders fail to approve the Arrangement; or (v) the other party's board of directors makes an Adverse Recommendation Change (as defined in the Agreement), or fails to reaffirm its recommendation following receipt of an acquisition proposal. In addition, prior to obtaining shareholder approval of the Arrangement and subject to the payment of a termination fee, Kodiak and the Company each may terminate the Agreement in order to enter into an agreement for a Superior Proposal (as defined in the Agreement). Upon termination of the Agreement, under specified circumstances (including in connection with an Adverse Recommendation Change or a Superior Proposal), either the Company or Kodiak will be obligated to pay to the other party a termination

fee of \$130.0 million and reimburse up to \$10.0 million of the other party's expenses. If the Agreement is terminated because a party's shareholders do not approve the transaction, such party will be obligated to reimburse up to \$10.0 million of the other party's expenses.

The Company agreed to take all necessary corporate action to appoint Lynn A. Peterson, the President and Chief Executive Officer and a director of Kodiak, and James E. Catlin, the Executive Vice President of Business Development and a director of Kodiak, to the Board of Directors of the Company as of the effective time of the Arrangement.

A copy of the Agreement is filed as Exhibit 2.1 to this report and is incorporated by reference herein. The foregoing description of the Agreement and the transactions contemplated therein are qualified in their entirety by reference to such exhibit. There are representations and warranties contained in the Agreement, which were made by the parties to each other as of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating their terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to stockholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Based upon the foregoing reasons, investors should not rely on the representations and warranties as statements of factual information.

The Arrangement will be subject to approval by the Applicable Court. The Company anticipates that, if the Arrangement becomes effective under the terms and conditions set forth in the Agreement (including receipt of the final order from the Applicable Court) the Company Common Stock and equity awards to be issued pursuant to the Agreement will be exempt from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 3(a)(10) thereof.
