Item 1.01 Entry into a Material Definitive Agreement.

On July 21, 2014, the Compensation Committee of the Board of Directors of Actuate Corporation (Actuate) authorized Actuate to amend the form of change of control severance benefit agreement to be used with each of Actuate s current and future executive officers (the Severance Agreement) and to execute those changes with respect to the severance agreements in effect with each of Actuate s current executive officers. A copy of the revised form of Severance Agreement is attached as Exhibit 10.1. A Current Report on Form 8-K describing the original form of Severance Agreement was filed with the Securities and Exchange Commission on December 24, 2007.

The material changes to the Severance Agreement are to: (i) amend the definition of a Change in Control to include a liquidation or dissolution of Actuate and clarify the definition with respect to a change in the composition of the Board of Directors; (ii) ensure that all forms of equity awards are covered by the Severance Agreement; (iii) amend the definition of Involuntary Termination to clarify the triggers based on reduction in salary or target bonus following a Change in Control, and that an Involuntary Termination includes a breach of the Severance Agreement by the Company or the failure of a successor company to assume the Severance Agreement; and (iv) provide that the level of severance benefit under the Severance Agreement is not based on an executive s tenure with the Company.

The foregoing description of the changes to the form of Severance Agreement does not purport to be a complete description and is qualified in its entirety by reference to the form Severance Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) The disclosures made under Item 1.01 above are hereby incorporated by reference into this Item 5.02(e).

Item 9.01. Financial Statements and Exhibits.
