CALCULATION OF REGISTRATION FEE

Title of each class of securities to be registered	Amount to be registered (1)	Proposed maximum offering price per share (2)	Proposed maximum aggregate offering price (2)	Amount of registration fee (3)(4)
Common Stock, \$0.06 par value per share	75,000,000	\$25.66	\$1,924,500,000.00	\$76,039.21

- (1) Pursuant to Rule 416 under the Securities Act, this Registration Statement shall include any additional shares that may become issuable as a result of any stock split, stock dividend, recapitalization or other similar transaction effected without the receipt of consideration that results in an increase in the number of General Electric Company's outstanding Common Stock.
- (2) Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(c) under the Securities Act. The price and fee are computed based upon the average of the high and low sale prices of General Electric Company's Common Stock on November 3, 2014, as reported on the New York Stock Exchange.
- (3) Calculated in accordance with Section 6 of the Securities Act and Rule 457 under the Securities Act by multiplying .0001162 and the proposed maximum aggregate offering price.
- (4) Pursuant to Rule 415(a)(6) under the Securities Act, 49,497,966 shares of General Electric Company's Common Stock registered hereunder are unsold securities previously registered on Registration Statement No. 333-177803 initially filed on November 7, 2011 (the "Prior Registration Statement"). Pursuant to Rule 415(a)(6) under the Securities Act, the \$27,845.76 filing fee previously paid in connection with such unsold securities will continue to be applied to such unsold securities. The amount of the registration fee in the "Calculation of Registration Fee" table relates to the additional 25,502,034 shares of General Electric Company's Common Stock being registered hereunder. As a result, a filing fee of \$76,039.21 is being paid herewith. Pursuant to Rule 415(a)(6) under the Securities Act, the offering of unsold securities under the Prior Registration Statement will be deemed terminated as of the date of effectiveness of this Registration Statement.

PLAN SUMMARY

Enrollment. To enroll in the Plan, you must either already own shares of GE stock in your name, or you must acquire shares in your name by buying a minimum of \$250.00 of GE stock through the Plan when you enroll. If you do not already own shares of GE stock in your name, there is a one-time \$7.50 registration fee for your initial purchase of GE stock.

Plan Account. When you enroll in the Plan, an account will be opened in your name(s) to hold the shares of GE stock you buy. The shares in the account will be held in book-entry form. Instead of receiving stock certificates, you will receive statements of your account. You may obtain stock certificates for shares held in your account at any time, upon request and without charge.

Dividends. You may choose to reinvest dividends on any or all shares in your Plan account, or to receive cash dividends. If you have your dividends reinvested, the shares purchased will be added to your Plan account. There is no fee for dividend reinvestment.

Additional Purchases. You may make additional purchases of GE stock through the Plan. You may buy from \$10.00 up to \$10,000.00 of GE stock per transaction, as often as once a week. You may also make additional purchases on the Internet or automatic monthly purchases by means of electronic funds transfer from your bank, for a \$1.00 fee per transaction.

Safekeeping. You may send your GE stock certificates to us for safekeeping. The shares will be converted to book-entry shares held in a Plan account. You may obtain stock certificates for shares held in your account at any time. There is no fee for safekeeping or for delivery of certificates upon request.

Selling Shares in Your Account. You may sell shares held in your account. RISK FACTORS

Investing in GE's common stock involves risk. See the risk factors described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference in this prospectus, as well as in any subsequent filings. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus, including filings made with the Securities and Exchange Commission (SEC) subsequent to the date of this prospectus. These risks could materially affect our business, results of operations or financial condition and cause the value of GE's common stock to decline. You could lose all or part of your investment.

You will not be able to control the timing of your investments under the Plan, and you will be subject to the risk of changes in the price of GE's common stock.

The price of GE common stock fluctuates on a daily basis. Pursuant to the mechanics of how shares are purchased and sold under the Plan, you have no control over the exact timing and prices over which shares are purchased for you or sold on your behalf under the Plan. For example, the price of our common stock may rise or fall after you submit your request to sell and prior to the ultimate sale of your shares. Because the prices at which shares are purchased or sold under the Plan are beyond your control, you may lose any advantage otherwise available from being able to select the timing of your investment. These price risks will be borne solely by you.

There are risks inherent in owning our common stock.

The market price and volume of our common stock have been, and may continue to be, subject to significant fluctuations. These may arise from general stock market conditions, the impact of the risk factors described in our SEC filings on our financial condition and results of operations, a change in sentiment in the market regarding us or our business prospects or from other factors. Changes in the amounts and frequency of share repurchases or dividends could adversely affect the value of our common stock.

HOW THE PLAN WORKS

1. How do I enroll in the Plan?

To enroll in the Plan, you must complete an enrollment form and either transfer shares of GE stock that you already own to your Plan account or purchase shares of GE stock at the same time you complete the enrollment form. Both methods are described below. If you live outside the U.S., see "Foreign Participation" on page 11 of this prospectus.

- A. If you do not currently own any shares of GE stock, you can enroll in the Plan and buy your initial shares of GE stock through the Plan at the same time. You can enroll and purchase your initial shares on the Internet at www.computershare.com/investor. If you buy shares using the Internet, payment must be made using electronic funds transfer from a bank account. You can also request an enrollment package by calling 1-800-STOCK-GE (1-800-786-2543) or (201) 680-6848 if calling outside of the USA. Enrollment packages are generally mailed within two days after we receive your request. Complete and mail back the application. The minimum initial purchase is \$250.00, and the registration fee is \$7.50. If you enroll by mail, enclose a check payable to "GE Stock Direct" in U.S. dollars, drawn on a U.S. bank or payable at a U.S. branch of a non-U.S. bank, for the GE stock you are purchasing plus the registration fee. Do not send cash.

- B. If you already own at least one share of GE stock registered in your name, you can enroll on the Internet at www.computershare.com/investor. You can also request an enrollment package by calling 1-800-STOCK-GE (1-800-786-2543) or (201) 680-6848 if calling outside of the USA and complete and mail back the enrollment form. If you own GE stock in another name (e.g., in a broker, bank, trust or other nominee name), you can arrange with the nominee to transfer at least one share of stock into

Table of Contents

your name, and then enroll those shares using these instructions. If you do not wish to transfer shares held in nominee name, you can buy additional shares in your name through the Plan at the time you enroll, as described in paragraph 1.A. above.

2. How can I buy additional shares through the Plan?

After you have opened a Plan account, you can buy additional shares (including fractional shares) on the Internet at www.computershare.com/investor or by mail using the tear-off form found on your Plan statement. You can also arrange for automatic, monthly purchases. Each method is described below. Each purchase must be for a minimum of \$10.00 and can be for up to a maximum of \$10,000.00 per transaction, no more than once per week.

If you buy additional shares on the Internet, payment must be for the purchase amount, plus the \$1.00 transaction fee, made using electronic funds transfer from a bank account. If you buy additional shares by mail using the tear-off form, payment must be made by check payable to GE Stock Direct in U.S. dollars, drawn on a U.S. bank or payable at a U.S. branch of a non-U.S. bank, in the purchase amount, plus the \$3.00 transaction fee. Send the completed tear-off form and check to the Plan. Do not send cash. Third-party checks, money orders and foreign checks will not be accepted and will be returned to the sender and **NO INVESTMENT WILL BE MADE**.

Purchases are credited to Plan accounts weekly. Because purchases are credited only weekly, there may be a delay of up to five business days between the date we receive your funds and the date that stock is credited to your Plan account. You will not receive interest on cash held by the Plan pending investment.

If you send payment to us to pay for additional shares and it is returned due to insufficient funds, we will resell the shares purchased. We may liquidate shares in your account to reimburse us for transaction fees, bank fees and any loss incurred in connection with purchasing and reselling such shares.

Automatic Monthly Purchases by Automatic Withdrawal. You may authorize us to make automatic monthly purchases of a specified dollar amount of GE stock, paid for by automatic withdrawal from your bank account by electronic funds transfer. Purchases using automatic withdrawal incur a \$1.00 charge for each transaction.

You can use the Internet at www.computershare.com/investor or a Plan enrollment form to authorize automatic withdrawals for monthly purchases. Funds generally will be withdrawn from your bank account on the 25th day of each month (or the next business day if the 25th is not a business day). Purchases will be made within one week after the withdrawal. Allow four to six weeks for the initial withdrawal. To terminate monthly purchases by automatic withdrawal, you can use the Internet at www.computershare.com/investor or send us written, signed instructions.

The maximum that can be invested in any week is \$10,000.00, whether for an initial investment or additional purchases. You *must not send in more than \$10,000.00 in any week*. If you send a check for more than \$10,000.00, or several checks that add up to more than \$10,000.00, or arrange for the electronic transfer or automatic withdrawal of more than \$10,000.00, within the same week, **NO INVESTMENT WILL BE MADE**. All of the funds will be returned to you promptly by regular mail.

3. Do I have to have dividends reinvested?

Dividend reinvestment is a service offered by the Plan at no charge. It is not required. When you enroll in the Plan, you will indicate whether you want the dividends on any or all of the shares in your account reinvested. *If you do not indicate a preference, dividends on the shares held in your Plan account on the dividend record date will be paid in cash.* If you choose to receive cash dividends on any of the shares in your account, you will receive them as electronic funds deposited to the bank account you indicate on your enrollment form.

Table of Contents

You may change your election regarding dividend payment at any time, using the Internet at www.computershare.com/investor, or using a Plan enrollment form. Any changes will be effective as of the next dividend record date after we receive notice of the change.

You should note that under U.S. federal income tax law, dividends are taxable to you even if your dividends are reinvested through the Plan. We will mail you a Form 1099-DIV reporting your dividends (including reinvested dividends) and will also report that information to the Internal Revenue Service.

4. How are shares purchased for my account?

Computershare, our transfer agent and the agent for Plan participants, will buy the shares for your Plan account. Computershare may buy newly issued shares directly from GE or shares of GE stock held in our treasury, which are shares of GE stock previously sold into the public markets and later repurchased by us. Computershare may also buy shares in the public markets or in privately negotiated transactions. Purchases generally will be made for the Plan and credited to Plan accounts once each week. If demand requires, purchases may be made over several days for the weekly crediting to Plan accounts.

Computershare may use a broker affiliated with Computershare to execute purchases and sales for Plan participants.

5. What price will I pay for shares?

If Computershare buys your shares from GE, either as newly issued shares or shares from our treasury, the share price will be the average of the high and low prices on the NYSE Composite Index for GE stock on the date of purchase.

If Computershare buys your shares in the public markets or in privately negotiated transactions, the share price will be the weighted average price of all shares purchased for the weekly crediting to Plan accounts. Any applicable brokerage fees will be paid by us and may be considered income to you.

These share prices apply whether Computershare is purchasing shares for your initial enrollment, purchasing additional shares for your account, or reinvesting dividends.

When you send in a payment by check or electronic funds transfer to buy GE stock, Computershare will use your funds to buy the number of shares (including fractional shares to four decimal places) that can be purchased with your funds at the price described above, after deducting the transaction fees.

Initial purchases will incur a one-time \$7.50 registration fee (see Question 1). All Plan participants will be charged the fees shown below for *each* additional purchase of stock by the Plan. There are no fees for dividend reinvestment.

Purchase by check	\$ 3.00
Purchase by automatic monthly withdrawal or additional purchases on the Internet	\$ 1.00

Because the prices at which shares are purchased under the Plan are beyond your control, you may lose any advantage otherwise available from being able to select the timing of your investment.

6. How can I keep track of account activity?

We will promptly confirm each optional cash purchase (excluding automatic monthly purchases) and sale trade for your account and each share deposit or share transfer. In addition, you will receive an annual statement of your account balance and activity.

Table of Contents

You have the right to request a statement at any time at no charge. In addition, you can check your account balance and history on the Internet at www.computershare.com/investor or by calling 1-800-STOCK-GE (1-800-786-2543) or (201) 680-6848 if calling outside of the U.S.

If you believe that an error has been made in your Plan records, or that Plan mailings to you are being misdirected, lost or stolen, promptly contact us.

7. What is safekeeping? How does it work?

Safekeeping is a service provided by the Plan. If you have GE stock certificates, you may participate in the Direct Registration System, or DRS, by sending the certificates to us and for deposit as book-entry shares held in a Plan account. With safekeeping, you no longer bear the cost and risk associated with the storage, loss, theft, or destruction of stock certificates. You also may use the Plan's stock-selling services if you wish to sell the shares.

To use the safekeeping service, send your certificates to us by registered mail, insured for 2% of the current market value of the shares. Include signed, written instructions to us to deposit the shares in a Plan account for safekeeping.

Do not endorse the certificates or complete the assignment section on the back of the certificates. Indicate whether you want to reinvest dividends on the shares or receive cash dividends. *If you do not indicate a preference, dividends will continue to be paid in the same manner as previously instructed.* We will mail you confirmation of your deposited certificates, generally within two weeks after receipt.

8. Can I get certificates for shares in my account?

You may obtain certificates at any time, on request and without charge. You can make this request on the Internet at www.computershare.com/investor, or by using the tear-off form on your Plan statement or a Plan enrollment form. We will issue certificates in the exact name(s) shown on the account. To have certificates issued in a different name, follow the procedures in Question 9. We will send the certificates by first-class mail, generally within two weeks after receiving your request.

Certificates are issued for full shares only. If your request results in a fractional share, we will liquidate the fractional share and send you a check for the current market value of the fractional share, less applicable fees.

You can continue to reinvest dividends on shares through the Plan, even though you receive certificates.

9. Can I transfer Plan shares to another person?

You can transfer shares to a person who has a Plan account, or you can set up a new Plan account for a person who does not have one, using shares transferred from your account.

You can also transfer shares by ordering certificates for shares in your account issued in the name of another person. We will send the certificates to the new owner by first-class mail.

If you wish to transfer shares, we must have written instructions, with your signature guaranteed by a bank or broker participating in the NYSE Medallion Signature Guarantee program. This helps ensure that only the owner of the account can authorize the transfer of shares to a different account or name. Provide the name, address, and Social Security or tax identification number of the new owner.

When you have shares transferred to another account or have certificates issued in a different name, those shares will be considered withdrawn from your Plan account. Beginning with the first dividend record date after the change in ownership, dividends on those shares will be paid to the new owner. Dividends on shares held in the new Plan account will be paid in cash, unless the new account owner directs us to reinvest such dividends. Dividends on certificates issued in a new name will be paid by check mailed to the address of the new owner or,

Table of Contents

if the new owner provides us with direct deposit instructions, automatically deposited in the new owner's bank account. The new owner can elect to reinvest dividends at any time on the Internet at www.computershare.com/investor or by using a Plan enrollment form.

10. How can I sell shares in my Plan account?

You can authorize the sale of shares on the Internet at www.computershare.com/investor, by completing and mailing the tear-off form on your Plan statement or by calling 1-800-STOCK-GE (1-800-786-2543). All requests to sell GE stock received by our transfer agent, either by web, phone or mail by 2:00 P.M., U.S. Eastern Time, will receive that same day's price. Those received after 2:00 P.M. will sell at the current market price on the NYSE, on the next business day after we receive your request to sell. Sales are processed daily. Computershare may sell your shares back to us to be held as treasury stock or may sell your shares in the public markets. If Computershare sells your shares to our treasury, the share price will be the average of the high and low prices on the New York Stock Exchange Composite Tape for GE stock on the date of sale. There is a transaction fee of \$10.00, plus \$0.15 per share, for each sale of Plan shares. These fees will be deducted from the proceeds of the sale. We will mail your check for the net proceeds of the sale, within three business days after the sale. You will not receive interest on sales proceeds held pending disbursement. We will mail you a Form 1099B reporting the sale of shares for income tax purposes shortly after the close of each calendar year.

Of course, you may also sell your shares through a stockbroker of your choice, or privately. In either case, request certificates for your shares (see Question 8 above) and proceed as you would to sell any other stock for which you have certificates or have the Plan administrator, Computershare, electronically transfer your shares to your brokerage account through the Direct Registration System.

Please note that if your Plan account holds less than one full share, we may close the account, liquidate the fractional share and send you a check representing the market value of the fractional share that was in the account, less applicable fees.

The price of GE common stock fluctuates on a daily basis. The price may rise or fall after you submit your request to sell and prior to the ultimate sale of your shares. The price risk will be borne solely by you. You cannot revoke your request to sell once it is made.

11. How can I terminate my reinvestment participation and close my account?

You may discontinue the reinvestment of your dividends at any time by giving notice to the Plan administrator, Computershare. Notice may be made on the Internet at www.computershare.com/investor or by written instructions. To be effective for a given dividend payment, the notice must be received before the record date of that dividend. Computershare will continue to hold your shares unless you request a certificate for any full shares and a check for any fractional share. You may also request the sale of all or part of any such shares or have Computershare electronically transfer your shares to your brokerage account.

You can close your account at any time on the Internet at www.computershare.com/investor or by using the tear-off form on your Plan statement. Your account will be closed within two business days after we receive your written instructions.

When your account is closed, we will send you certificates representing all of the full shares in your account, registered in the exact name(s) shown on the account. (If you wish a different name on the certificates, please see Question 9 above.) We will liquidate any fractional share in your account and send you a check for the proceeds, less

applicable fees. After your account is closed, dividends on any shares of GE stock you hold as certificates will be paid in cash and sent to you at the address you provide, or automatically deposited in your bank account in accordance with your instructions.

Table of Contents

Alternatively, you may direct us to sell any or all of the shares in your account. If shares are sold, a liquidation fee of \$10.00 plus \$0.15 per share will be deducted from the proceeds, and we will mail you a check for the net proceeds. We will mail you a Form 1099B reporting the sale of shares for income tax purposes shortly after the close of each calendar year. We will also report that information to the Internal Revenue Service. You will not receive interest on sales proceeds held pending disbursement.

To close an account on the death of a sole account holder, the executor should contact us for specific instructions (refer to page 12 for contact information).

ADDITIONAL INFORMATION ABOUT THE PLAN

Voting. If you have a Plan account, you will receive proxy materials, reports to shareowners, and any other materials sent to our shareowners. The proxy card you receive will represent both the full and fractional shares in your Plan account, and shares for which you hold certificates that are not held in your Plan account.

Dividends. The Board of Directors determines dividend record and payment dates, and dividend amounts. The Board of Directors may change the amount and timing of dividends at any time, without notice.

Stock Splits and Stock Dividends. Your Plan account will be adjusted to reflect any additional shares of GE stock distributed as a stock split, stock dividend or other distribution based on the shares of GE stock held in your Plan account. In the event of a stock subscription or other offering of rights to shareowners, you will be entitled to such rights based on the number of shares credited to your account. In addition, if you also hold shares of GE stock in certificate form that are not included in your Plan account, any additional shares distributed as a stock split, stock dividend or other distribution on those certificated shares will also be deposited to your Plan account. You can obtain certificates for such additional shares at any time and without charge (See Question 8).

Responsibility. Neither GE nor the Plan will be liable for actions taken in good faith in administering the Plan, or for actions required by law, or for good faith omissions to act. This includes any claims for liability relating to the prices at which shares are purchased or sold for your account, the dates of purchases or sales, or any changes in the market value of GE stock.

Account Termination. If you hold less than one full share in your Plan account, we may close the account, liquidate the fractional share and send you a check representing the market value of the fractional share that was in the account, less applicable fees.

Your account represents an investment in GE stock, which may increase or decrease in value. You are responsible for the investment decisions regarding your Plan investments. Neither GE nor the Plan can provide investment advice.

Tax consequences of participating in the Plan can vary depending on each participant's tax situation. Be sure to keep your account statements for income tax purposes. You are responsible for consulting with tax advisors to determine the tax effect of Plan participation in light of current and proposed federal, state, local, foreign and other tax laws.

You are responsible for costs that you incur in connection with Plan participation—for example, the cost of sending certificates or other materials to us, fees that your bank may charge you for electronic funds transfer, or delivery fees for certificates or payments we send to you by means other than first-class mail, at your request.

You are responsible for notifying us promptly of any change in your name or address.

Changes in the Plan. This prospectus (including any supplements or revisions that may be distributed in the future) sets forth the terms of the Plan. We may change the terms of the Plan, including applicable fees, or

Item 15. Indemnification of Directors and Officers.

Section 721 of the New York Business Corporation Law hereinafter, referred to as the NYBCL provides that, in addition to indemnification provided in Article 7 of the NYBCL, a corporation may indemnify a director or officer by a provision contained in the certificate of incorporation or by-laws or by a duly authorized resolution of its shareowners or directors or by agreement, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and material to the cause of action, or that such director or officer personally gained in fact a financial profit or other advantage to which he was not legally entitled.

Section 722(a) of the NYBCL provides that a corporation may indemnify a director or officer made, or threatened to be made, a party to any action other than a derivative action, whether civil or criminal, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action or proceeding or any appeal therein, if such director or officer acted in good faith, for a purpose which he reasonably believed to be in, or not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful.

Section 722(c) of the NYBCL provides that a corporation may indemnify a director or officer, made or threatened to be made a party in a derivative action, against amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action or in connection with an appeal therein if such director or officer acted in good faith, for a purpose which he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification will be available under Section 722(c) of the NYBCL in respect of a threatened or pending action which is settled or otherwise disposed of, or any claim as to which such director or officer shall have been adjudged liable to the corporation, unless and only to the extent that the court in which the action was brought, or, if no action was brought, any court of competent jurisdiction, determines, upon application, that, in view of all the circumstances of the case, the director or officer is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper.

Section 723 of the NYBCL specifies the manner in which payment of indemnification under Section 722 of the NYBCL or indemnification permitted under Section 721 of the NYBCL may be authorized by the corporation. It provides that indemnification may be authorized by the corporation. It provides that indemnification by a corporation is mandatory in any case in which the director or officer has been successful, whether on the merits or otherwise, in defending an action. In the event that the director or officer has not been successful or the action is settled, indemnification must be authorized by the appropriate corporate action as set forth in Section 723.

II-1

Table of Contents

Section 724 of the NYBCL provides that, upon application by a director or officer, indemnification may be awarded by a court to the extent authorized. Section 722 and Section 723 of the NYBCL contain certain other miscellaneous provisions affecting the indemnification of directors and officers.

Section 726 of the NYBCL authorizes the purchase and maintenance of insurance to indemnify (1) a corporation for any obligation which it incurs as a result of the indemnification of directors and officers under the provisions of Article 7 of the NYBCL, (2) directors and officers in instances in which they may be indemnified by the corporation under the provisions of Article 7 of the NYBCL, and (3) directors and officers in instances in which they may not otherwise be indemnified by the corporation under the provisions of Article 7 of the NYBCL, provided the contract of insurance covering such directors and officers provides, in a manner acceptable to the New York State Superintendent of Insurance, for a retention amount and for co-insurance.

Section 6 of the restated certificate of incorporation, as amended, of GE provides in part as follows:

A person who is or was a director of the corporation shall have no personal liability to the corporation or its shareholders for damages for any breach of duty in such capacity except that the foregoing shall not eliminate or limit liability where such liability is imposed under the Business Corporation Law of the State of New York.

Article XI of the by-laws, as amended, of GE provides, in part, as follows:

- A. General Electric Company (the Company) shall, to the fullest extent permitted by applicable law as the same exists or may hereafter be in effect, indemnify any person who is or was or has agreed to become a director or officer of the Company and who is or was made or threatened to be made a party to or is involved in any threatened, pending or completed action, suit, arbitration, alternative dispute mechanism, inquiry, investigation, hearing or other proceeding (including any appeal therein), whether civil, criminal, administrative or investigative, including an action by or in the right of the Company to procure a judgment in its favor and an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which such person is serving, has served or has agreed to serve in any capacity at the request of the Company, by reason of the fact that he or she is or was or has agreed to become a director or officer of the Company, or, while a director or officer of the Company, is or was serving or has agreed to serve such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against (i) judgments, fines, amounts paid or to be paid in settlement, taxes or penalties, and (ii) costs, charges and expenses, including attorney's fees, incurred in connection with such proceeding, *provided, however*, that no indemnification shall be provided to any such person if a judgment or other final adjudication adverse to the director or officer and from which there is no further right to appeal establishes that (i) his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled. Notwithstanding the foregoing, except as provided in Paragraph E with respect to a suit to enforce rights to indemnification or advancement of expenses under this Article XI, the Company shall be required to indemnify a director or officer under this Paragraph A in connection with any suit (or part thereof) initiated by such person only if such suit (or part thereof) was authorized by the Board of Directors.
- B. In addition to the right to indemnification conferred by Paragraph A, a director or officer of the Company shall, to the fullest extent permitted by applicable law as the same exists or may hereafter be in effect, also have the right

to be paid by the Company the expenses incurred in defending any proceeding in advance of the final disposition of such proceeding upon delivery to the Company of an undertaking by or on behalf of such person to repay any amounts so advanced if (i) such person is ultimately found, under the procedure set forth in Paragraph C or by a court of competent jurisdiction, not to be entitled to indemnification under this Article XI or otherwise, or (ii) where indemnification is granted, to the extent the expenses so advanced by the Company exceed the indemnification to which such person is entitled.

II-2

Table of Contents

- C. To receive indemnification under Paragraph A, a director or officer of the Company shall submit to the Company a written request, which shall include documentation or information that is necessary to determine the entitlement of such person to indemnification and that is reasonably available to such person. Upon receipt by the Company of a written request for indemnification, if required by the New York Business Corporation Law, a determination with respect to the request shall be made (i) by the Board of Directors, acting by a quorum consisting of directors who are not parties to the proceeding upon a finding that the director or officer has met the applicable standard of conduct set forth in the New York Business Corporation Law, or (ii) if a quorum of such disinterested directors is not obtainable, or even if obtainable, if a quorum of disinterested directors so directs, by the Board of Directors upon the opinion in writing of independent legal counsel that indemnification is proper in the circumstances because the director or officer has met the applicable standard of conduct set forth in the New York Business Corporation Law or by the shareholders upon a finding that such person has met such standard of conduct. The determination of entitlement to indemnification shall be made, and such indemnification shall be paid in full, within 90 days after a written request for indemnification has been received by the Company. Upon making a request for indemnification, a director or officer shall be presumed to be entitled to indemnification and the burden of establishing that a director or officer is not entitled to indemnification under this Article XI or otherwise shall be on the Company.
- D. To receive an advancement of expenses under Paragraph B, a director or officer shall submit to the Company a written request, which shall reasonably evidence the expenses incurred by such person and shall include the undertaking required by Paragraph B. Expenses shall be paid in full within 30 days after a written request for advancement has been received by the Company.
- E. If a claim for indemnification or advancement of expenses is not paid in full by the Company or on its behalf within the time frames specified in Paragraph C or D, as applicable, a director or officer of the Company may at any time thereafter bring suit against the Company in a court of competent jurisdiction to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Company to recover an advancement of expenses pursuant to the terms of an undertaking, such person shall be entitled to be paid also the expense of prosecuting or defending such suit. In any suit brought by a director or officer of the Company to enforce a right to indemnification or advancement of expenses under this Article XI, or brought by the Company to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that such person is not entitled to be indemnified, or to such advancement of expenses, under this Article XI or otherwise shall be on the Company.
- F. The rights conferred by this Article XI shall be contract rights and shall vest at the time a person agrees to become a director or officer of the Company. Such rights shall continue as to a person who has ceased to be a director or officer of the Company and shall extend to the heirs and legal representatives of such person. Any repeal or modification of the provisions of this Article XI shall not adversely affect any right or protection hereunder of any director or officer in respect of any act or omission occurring prior to the time of such repeal or modification.

GE has purchased liability insurance for its officers and directors as permitted by Section 726 of the NYBCL.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (i), (ii) and (iii) of this section do not apply if the Registration Statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) that, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement

to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the Registration Statement or made in a

document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date; and

(5) that, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of an undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
