STATEMENT PURSUANT TO GENERAL INSTRUCTION E TO FORM S-8

The purpose of this Registration Statement is to register 978,161 additional shares of common stock, \$0.001 par value per share (Common Stock), of Whiting Petroleum Corporation, a Delaware corporation (the Company or the Registrant), and preferred share purchase rights attached thereto, that may be issued under the Whiting Petroleum Corporation 2013 Equity Incentive Plan (the Plan). The shares of Common Stock registered on this Registration Statement may be issued from time to time under the Plan as a result of the consummation of the transactions contemplated by the Arrangement Agreement, dated as of July 13, 2014 (the Arrangement Agreement), among the Company, Kodiak Oil & Gas Corp. (Kodiak) and 1007695 B.C. Ltd. (Whiting Sub). Pursuant to the Arrangement Agreement, on December 8, 2014, Kodiak amalgamated with and into Whiting Sub, with Kodiak surviving the amalgamation as a wholly-owned subsidiary of the Company (the Arrangement). Each outstanding share of Kodiak Common Stock was converted into 0.177 (the Exchange Ratio) of a share of the Company s common stock, par value \$0.001 per share. Additionally, pursuant to the Arrangement, each outstanding option to purchase Kodiak Common Stock (a Kodiak Stock Option), each restricted stock unit measured in relation to, or settleable in, Kodiak Common Stock (a Kodiak RSU) and each award of restricted stock relating to Kodiak Common Stock (a Kodiak Restricted Stock Award) (each such Kodiak Stock Option, Kodiak RSU and Kodiak Restricted Stock Award, a Kodiak Compensatory Award), whether vested or unvested, was assumed by the Company under the Plan and converted automatically into an option, restricted stock unit or restricted stock award, as the case may be, denominated in shares of Common Stock based on the Exchange Ratio and subject to terms and conditions substantially identical to those in effect at the time of the consummation of the Arrangement (each such assumed award, an Assumed Award), except that (i) the number of shares of Common Stock subject to each such Assumed Award was determined by multiplying the number of shares of Kodiak Common Stock subject to such Assumed Award by the Exchange Ratio (rounded down to the nearest whole share) and (ii) to the extent applicable, the exercise or purchase price per share of each such Assumed Award equaled (A) the per share exercise or purchase price of each such Assumed Award divided by (B) the Exchange Ratio (rounded upwards to the nearest whole cent).

Pursuant to General Instruction E of Form S-8, the contents of the Company s Registration Statement on Form S-8 (Registration No. 333-190197), including the documents incorporated by reference therein, are incorporated by reference into this Registration Statement, except as set forth below.

None.

Item 8. Exhibits.

The exhibits filed herewith or incorporated herein by reference are set forth in the attached Exhibit Index.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

Edgar Filing: WHITING PETROLEUM CORP - Form S-8

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
