NOAH HOLDINGS LIMITED

ANNOUNCES PRIVATE PLACEMENT OF US\$80 MILLION CONVERTIBLE NOTES

SHANGHAI, January 28, 2015 /PRNewswire/: Noah Holdings Limited (Noah or the Company) (NYSE: NOAH), China's leading wealth and asset management service provider focusing on high net worth individuals and enterprises in China, today announced that Greenwoods Asset Management, Hillhouse Capital Management and Keywise Capital Management had agreed to purchase an aggregate principal amount of US\$80 million of convertible notes issued by the Company through private placement. The convertible notes will bear interest at a rate of 3.5% per annum from the issuance date and mature in February 2020. The convertible notes will be convertible, at the holder's option, into the Company's American depositary shares (ADSs), two of which represent one ordinary share of the Company, at a conversion price of \$23.03 per ADS, subject to customary adjustments. The Company plans to use the net proceeds from this private placement for the execution of its broader growth strategy, including expansions of the Company's wealth management, asset management and internet finance businesses, and potential investments in or acquisitions of complementary businesses and related licenses.

We are pleased to have Greenwoods Asset Management, Hillhouse Capital Management and Keywise Capital Management as our strategic investors. We are excited to work with the investors to create greater value for our customers and healthy development of the industry in China. We believe this strategic cooperation will ultimately benefit our customers and shareholders, commented Ms. Jingbo Wang, Co-founder, Chairman of the Board of Directors and Chief Executive Officer of Noah.

The convertible notes and the ordinary shares represented thereby, have not been registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws of the United States, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements under the Securities Act and applicable state securities laws of the United States.

Safe Harbor Statement

This announcement contains forward-looking statements. These statements are made under the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as will, expects, anticipates, future, intends, plans, believes, estimates, confident a statements. Among other things, the outlook for the full year 2014 and quotations from management in this announcement, as well as Noah's strategic and operational plans, contain forward-looking statements. Noah may also make written or oral forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission, in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about Noah's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: its goals and strategies; its future business development, financial condition and results of operations; the expected growth of the wealth management market in China and internationally; its expectations regarding demand for and market acceptance of the products it distributes; its expectations regarding keeping and strengthening its relationships with key clients; relevant government policies and regulations relating to its industry; its ability to attract and retain quality employees; its ability to stay abreast of market trends and technological advances; its plans to invest in research and development to enhance its product choices and service offerings; competition in its industry in China and internationally; general economic and business conditions in China; and its ability to effectively protect its intellectual property rights and not infringe on the intellectual property rights of others. Further information regarding these and other risks is included in
