On March 4, 2015, Independence Contract Drilling, Inc. (the Company) entered into an amendment to its amended and restated credit facility with a syndicate of financial institutions led by CIT Finance, LLC (the First Amendment). The First Amendment amends the definition of Eligible Completed Drilling Rigs to address rigs on standby at the applicable customer's request at a standby rate in an amount that reasonably approximates the Company's expected margin under a market-rate daywork drilling contract. The First Amendment also amends the Rig Utilization Ratio covenant to decrease the required rig utilization ratio from 80% measured for the six-month period ending as of the last day of each calendar month to 60% as of the calendar months ending in fiscal 2015, 70% as of the calendar months ending in fiscal 2016 and 80% as of the calendar months ending January 31, 2017 and thereafter.

The foregoing description of the First Amendment to the A&R Credit Facility does not purport to be complete and is qualified in its entirety by reference to the complete text of the amendment, a copy of which is filed as Exhibit 10.1 hereto and incorporated by reference herein.
