**Item 1.01. Entry into a Material Definitive Agreement.*****Actavis Cash Bridge Credit Agreement***

On March 11, 2015, Actavis plc, a public limited company incorporated under the laws of Ireland ( Actavis ) and certain of its subsidiaries entered into a 60-day senior unsecured cash bridge credit agreement (the Cash Bridge Credit Agreement ), among Actavis Capital S.à r.l., a private limited liability company (*société à responsabilité limitée*) incorporated under the laws of the Grand-Duchy of Luxembourg ( Actavis Capital ), Actavis, Inc., a Nevada corporation ( Actavis, Inc. and, together with Actavis Capital, the Borrowers and each a Borrower ), Actavis, Warner Chilcott Limited, a Bermuda company ( Warner Chilcott Limited ), Actavis Funding SCS, a limited partnership (*société en commandite simple*) organized under the laws of the Grand-Duchy of Luxembourg ( Actavis Funding SCS ), the lenders from time to time party thereto (the Cash Bridge Lenders ), JPMorgan Chase Bank, N.A. ( JPMCB ), as administrative agent and the other financial institutions party thereto. Under the Cash Bridge Credit Agreement, the Cash Bridge Lenders have committed to provide, subject to certain conditions, unsecured bridge financing in an aggregate principal amount of up to \$4.698 billion. The proceeds of borrowings under the Cash Bridge Credit Agreement are to be used to finance, in part, the cash component of the consideration for the acquisition of Allergan, Inc., a Delaware corporation ( Allergan ) by Actavis (the Merger ) and certain fees and expenses incurred in connection with the Merger, to the extent cash on hand of Allergan is not available on the Closing Date. The Cash Bridge Credit Agreement will mature on the day that is 60 days after the funding date thereunder (or if such day is not a business day, the immediately succeeding business day).

Loans outstanding under the Cash Bridge Agreement will bear interest, at Actavis option, either (a) at the base rate (which will be the highest of (1) the prime rate of JPMCB, (2) the federal funds rate plus 0.50% and (3) the applicable interest rate for a eurodollar loan with a one month interest period plus 1.00%) or (b) at the eurodollar rate, plus, in each case, an applicable margin that will vary depending on the debt rating of Actavis. In addition, under the Cash Bridge Credit Agreement, Actavis will pay a nonrefundable ticking fee of 0.175% on the amount of the aggregate commitments in effect from January 15, 2015 until the earlier of the termination or expiration of the commitments thereunder and the funding date thereunder.

Each Borrower may voluntarily prepay the loans made to it under the Cash Bridge Credit Agreement at any time without premium or penalty.

The obligations of each Borrower under the Cash Bridge Credit Agreement are guaranteed by the other Borrower, Warner Chilcott Limited and Actavis Funding SCS and will be guaranteed by any subsidiary of Actavis (other than Actavis Capital, Actavis, Inc. or a direct subsidiary of Actavis) that becomes a guarantor of third party indebtedness in an aggregate principal amount exceeding \$350,000,000 (unless, in the case of a foreign subsidiary, such guarantee would give rise to adverse tax consequences as reasonably determined by Actavis).

The Cash Bridge Credit Agreement also contains customary events of default and if and for so long as an event of default has occurred and is continuing, any amounts outstanding under the Cash Bridge Credit Agreement will accrue interest at an increased rate and payments of any outstanding amounts thereunder could be accelerated by the lenders. In addition, Actavis and the loan parties under the Cash Bridge Credit Agreement will be subject to certain affirmative and negative covenants, including a quarterly consolidated leverage ratio maintenance covenant.

The funding of the loans under the Cash Bridge Credit Agreement on the Closing Date is subject to several conditions, including (i) since November 16, 2014, there shall not have occurred a Company Material Adverse Effect (as defined in the agreement and plan of merger (the Merger Agreement ) among Actavis, Avocado Acquisition Inc., a Delaware corporation and an indirect wholly owned subsidiary of Actavis, and Allergan), (ii) consummation of the Merger in accordance with the Merger Agreement, (iii) the accuracy in all material respects of certain representations and warranties, (iv) receipt of customary closing documents, and (v) other customary closing conditions more fully set out in the Cash Bridge Credit Agreement.

The commitments under the Cash Bridge Credit Agreement will terminate on the earliest of (i) 5:00 p.m. U.S. Eastern Time, on September 30, 2015, subject to extension in certain circumstances to November 16, 2015, (ii) the closing of the Merger without the use of the Cash Bridge Credit Agreement (iii) the termination of the Merger Agreement and (iv) 11:59 p.m. New York City time on the date the Bridge Credit Agreement or the Term Loan Credit Agreement are funded, respectively.

In the ordinary course of their respective businesses, some of the agents and lenders under the Cash Bridge Credit Agreement, or their affiliates, have performed, and may in the future perform, commercial banking, investment banking, advisory or other financial services for Actavis and its subsidiaries for which they have received, and will receive, customary fees and expenses.

The foregoing description of the Cash Bridge Credit Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the text of the Cash Bridge Credit Agreement, which is attached as Exhibit 10.1 hereto and incorporated herein by reference.

It is important to note that Actavis and Allergan's respective goals and expectations are not predictions of actual performance. Actual results may differ materially from Actavis or Allergan's current expectations depending upon a number of factors affecting Actavis' business, Allergan's business and risks associated with acquisition transactions. These factors include, among others, the inherent uncertainty associated with financial projections; restructuring in connection with, and successful closing of, the Allergan acquisition; subsequent integration of the Allergan acquisition and the ability to recognize the anticipated synergies and benefits of the Allergan acquisition; the ability to obtain required regulatory approvals for the transaction (including the approval of antitrust authorities necessary to complete the acquisition), the timing of obtaining such approvals and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the transaction; the risk that a condition to closing of the Allergan acquisition may not be satisfied on a timely basis or at all; the failure of the proposed transaction to close for any other reason; risks relating to the value of the Actavis shares to be issued in the

transaction; the anticipated size of the markets and continued demand for Actavis and Allergan's products; Actavis and Allergan's ability to successfully develop and commercialize new products; Actavis and Allergan's ability to conform to regulatory standards and receive requisite regulatory approvals; availability of raw materials and other key ingredients; uncertainty and costs of legal actions and government investigations; the inherent uncertainty associated with financial projections; fluctuations in Actavis' operating results and financial condition, particularly given our manufacturing and sales of branded and generic products; risks associated with acquisitions, mergers and joint ventures, such as difficulties integrating businesses, uncertainty associated with financial projections, projected synergies, restructuring, increased costs, and adverse tax consequences; the adverse impact of substantial debt and

other financial obligations on the ability to fulfill and/or refinance debt obligations; risks associated with relationships with employees, vendors or key customers as a result of acquisitions of businesses, technologies or products; our compliance with federal and state healthcare laws, including laws related to fraud, abuse, privacy security and others; risks of the generic industry generally; generic product competition with our branded products; uncertainty associated with the development of commercially successful branded pharmaceutical products; uncertainty associated with development and approval of commercially successful biosimilar products; costs and efforts to defend or enforce technology rights, patents or other intellectual property; expiration of Actavis and Allergan's patents on our branded products and the potential for increased competition from generic manufacturers; risks associated with owning the branded and generic version of a product; competition between branded and generic products; the ability of branded product manufacturers to limit the production, marketing and use of generic products; Actavis and Allergan's ability to obtain and afford third-party licenses and proprietary technology we need; Actavis and Allergan's potential infringement of others' proprietary rights; our dependency on third-party service providers and third-party manufacturers and suppliers that in some cases may be the only source of finished products or raw materials that we need; Actavis' competition with certain of our significant customers; the impact of our returns, allowance and chargeback policies on our future revenue; successful compliance with governmental regulations applicable to Actavis and Allergan's respective third party providers' facilities, products and/or businesses; the difficulty of predicting the timing or outcome of product development efforts and regulatory agency approvals or actions, if any; Actavis and Allergan's vulnerability to and ability to defend against product liability claims and obtain sufficient or any product liability insurance; Actavis and Allergan's ability to retain qualified employees and key personnel; the effect of intangible assets and resulting impairment testing and impairment charges on our financial condition; Actavis' ability to obtain additional debt or raise additional equity on terms that are favorable to Actavis; difficulties or delays in manufacturing; our ability to manage environmental liabilities; global economic conditions; Actavis' ability to continue foreign operations in countries that have deteriorating political or diplomatic relationships with the United States; Actavis and Allergan's ability to continue to maintain global operations; risks associated with tax liabilities, or changes in U.S. federal or international tax laws to which we are subject, including the risk that the Internal Revenue Service disagrees that Actavis is a foreign corporation for U.S. federal tax purposes; risks of fluctuations in foreign currency exchange rates; risks associated with cyber-security and vulnerability of our information and employee, customer and business information that Actavis stores digitally; Actavis' ability to maintain internal control over financial reporting; changes in the laws and regulations, affecting among other things, availability, pricing and reimbursement of pharmaceutical products; the highly competitive nature of the pharmaceutical industry; Actavis' ability to successfully navigate consolidation of our distribution network and concentration of our customer base; the difficulty of predicting the timing or outcome of pending or future litigation or government investigations; developments regarding products once they have reached the market and such other risks and uncertainties detailed in Actavis and Allergan's respective periodic public filings with the Securities and Exchange Commission (the "SEC"), including but not limited to Actavis' Annual Report on Form 10-K for the year ended December 31, 2014 and Allergan's Annual Report on Form 10-K for the year ended December 31, 2014, as amended from time to time in Actavis and Allergan's respective other investor communications.
