Item 1. Security and Issuer

This Schedule 13D relates to the common stock, par value \$1.00 per share (the Common Stock) of Baxter International Inc., a Delaware corporation (the Issuer). The address of the Issuer's principal executive offices is One Baxter Parkway, Deerfield, Illinois 60015.

Item 2. Identity and Background

(a) This Schedule 13D is being filed by Third Point LLC, a Delaware limited liability company (the Management Company), and Daniel S. Loeb (Mr. Loeb) and, together with the Management Company, the Reporting Persons).

(b) The principal business address of the Reporting Persons is 390 Park Avenue, 19th Floor, New York, New York 10022.

(c) The principal business of the Management Company is to serve as investment manager or adviser to a variety of hedge funds and managed accounts (such funds and accounts, collectively, the Funds), and to control the investing and trading in securities of the Funds. The principal occupation of Mr. Loeb is serving as Chief Executive Officer of the Management Company.

(d) (e) During the last five years, none of the Reporting Persons (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Mr. Loeb is a citizen of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration

The Funds expended an aggregate of approximately \$1,517,014,538 of their own investment capital to acquire the 37,925,000 shares of Common Stock held by them.

The Reporting Persons and Funds may effect purchases of shares of Common Stock through margin accounts maintained for them with brokers, which extend margin credit as and when required to open or carry positions in their margin accounts, subject to applicable federal margin regulations, stock exchange rules and such firms' credit policies. Positions in shares of Common Stock may be held in margin accounts and may be pledged as collateral security for the repayment of debit balances in such accounts. Such margin accounts may from time to time have debit balances. In addition, since other securities may be held in such margin accounts, it may not be possible to determine the amounts, if any, of margin used to purchase shares of Common Stock.

Item 4. Purpose of Transaction

On July 2, 2015, the Reporting Persons and the Funds filed with the Federal Trade Commission Notifications pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules promulgated thereunder (collectively, the HSR Act) related to future acquisitions of additional shares of the Issuer's Common Stock. Notice of such filing was delivered on the same day to the Issuer, which subsequently confirmed receipt thereof. The waiting periods under the HSR Act expired on August 3, 2015.

On July 30, 2015 representatives of the Reporting Persons met with the Chief Executive Officer of the Issuer and other members of management. On August 4, 2015 representatives of the Reporting Persons met with Thomas T.

Stallkamp, the Issuer's lead director.

On August 5, 2015 the Reporting Persons delivered to the Issuer a letter, a copy of which is attached as Exhibit 3 hereto and incorporated herein in its entirety.

The Reporting Persons originally acquired their shares of Common Stock subject to this Schedule 13D for investment purposes. In addition to discussions with the Issuer's Board of Directors (the Board) and management team, the Reporting Persons may also engage in a dialogue and other communications regarding the Issuer with other stockholders of the Issuer, knowledgeable industry or market observers or other persons. Any such discussions may relate to, among other things, the Issuer's operating strategies, performance, management succession plans and corporate governance matters.

The Reporting Persons may also take other steps to increase shareholder value as well as pursue other plans or proposals that relate to, or would result in, any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D, excluding (i) acquiring a control stake in the Issuer's shares of common stock, or grouping with any other party or parties to do so, (ii) engaging in an extraordinary transaction, such as a merger, with the Issuer, or acquiring a material amount of the Issuer's assets, or grouping with any other party or parties to do either, or (iii) seeking to exert negative control over the important corporate actions of the Issuer, or grouping with any other party or parties to do so, although the Reporting Persons may seek to influence such actions through customary means including presenting its views for consideration to the Issuer, shareholders and other interested parties, privately or publicly, and, if necessary, through the exercise of its shareholder rights including the right to propose new directors for the Issuer's Board.

The Reporting Persons intend to review their investment in the Issuer's shares of Common Stock on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, purchasing additional shares of Common Stock (but without (i) acquiring a control stake in the Issuer's shares of common stock, or (ii) grouping with any other party or parties to do so), or selling some or all of their shares of Common Stock.

Item 5. Interest in Securities of the Issuer

(a) As of 9:30 a.m., New York City time, on the date of this Schedule 13D, the Reporting Persons beneficially own an aggregate of 37,925,000 shares of Common Stock held by the Funds (the Shares). The Shares represent 7.0% of the Issuer's Common Stock outstanding. Percentages of the Common Stock outstanding reported in this Schedule 13D are calculated based upon the 544,254,211 shares of Common Stock outstanding as of April 30, 2015, as reported in the Issuer's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2015, filed by the Issuer with the Securities and Exchange Commission on May 6, 2015.

(b) Each of the Reporting Persons shares voting and dispositive power over the shares of Common Stock held directly by the Funds.

(c) Set forth on Schedule I hereto are all transactions in the securities of the Issuer effected during the past sixty days by the Reporting Persons, inclusive of any transactions effected through 9:30 a.m., New York City time, on August 5, 2015.

(d) Other than the Funds that directly hold the securities of the Issuer, and except as set forth in this Item 5, no other person is known to have the right to receive, or the power to direct the receipt of, dividends from or proceeds from the sale, of the Shares.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Pursuant to Rule 13d-1(k) promulgated under the Exchange Act, the Reporting Persons have entered into a Joint Filing Agreement, a copy of which is filed with this Schedule 13D as Exhibit 1, with respect to the joint filing of this Schedule 13D and any amendment or amendments thereto.

The Funds may, from time to time, enter into and dispose of cash-settled equity swap, stock-settled equity swap, option or other derivative transactions with one or more counterparties that are based upon the value of shares of Common Stock, which transactions may be significant in amount. The profit, loss and/or return on such contracts may be wholly or partially dependent on the market value of the shares of Common Stock.

Certain of the Funds have entered into swaps with respect to the Common Stock. Under the terms of the swaps, (i) the relevant Fund will be obligated to pay to the counterparty any negative price performance of the specified notional number of shares of Common Stock subject to the swaps as of the expiration date of such swaps, plus interest rates set forth in the applicable contracts, and (ii) the counterparty will be obligated to pay the relevant Fund any positive price performance of the specified notional number of shares of Common Stock subject to the swaps as of the expiration date of the swaps. Any dividends received by the counterparty on such notional Shares during the term of the swaps will be paid to the relevant Funds. The swaps do not give the Reporting Persons direct or indirect voting, investment or dispositive control over any securities of the Issuer and do not require the counterparty thereto to acquire, hold, vote or dispose of any securities of the Issuer. Accordingly, the Reporting Persons disclaim any beneficial ownership of any shares that may be referenced in the swap contracts or shares or other securities or financial instruments that may be held from time to time by any counterparty to the contracts. The number of shares of Common Stock specified in such swaps as of 9:30 a.m. New York City time on the date hereof is 15,925,000.

As of 9:30 a.m. New York City time on the date hereof, the Funds have sold put options referencing an aggregate of 4,500,000 shares of Common Stock at an exercise price of \$37.50 per share, which expire on November 20, 2015. As of 9:30 a.m. New York City time on the date hereof, the Funds have purchased call options referencing an aggregate of 8,500,000 shares of Common Stock at an exercise price of \$39.00 per Share, which expire on August 21, 2015.

Other than as described herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Persons and any other person with respect to the securities of the Issuer.
