TO BE HELD ON MAY 19, 2016

To the Shareholders of Prothena Corporation plc:

NOTICE IS HEREBY GIVEN that the Annual General Meeting of Shareholders (the Annual Meeting) of Prothena Corporation plc, an Irish public limited company (the Company), will be held on Thursday, May 19, 2016, at 8:00 a.m. local time, at The Westbury Hotel, Grafton Street, Dublin 2, Ireland, for the following purposes:

2. To ratify, in a non-binding vote, the appointment of KPMG LLP as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2016 and to authorize, in a binding vote, the Company's Board of Directors, acting through its Audit Committee, to approve the remuneration of that auditor;
3. To approve, in a non-binding advisory vote, the compensation of the Company's executive officers named in the Proxy Statement accompanying this Notice;
4. To approve, in a non-binding advisory vote, the frequency of future advisory votes by shareholders on the compensation of the Company's named executive officers;
5. To approve an amendment to the Company's Amended and Restated 2012 Long Term Incentive Plan to increase the number of ordinary shares authorized for issuance under that Plan by 1,850,000 ordinary shares, to a total of 7,400,000 ordinary shares;
6. To approve, by separate resolutions, amendments to (A) the Company's Memorandum of Association and (B) the Company's Articles of Association; and

The Company's Irish statutory financial statements for our fiscal year 2015, including the reports of the directors and auditors thereon, will be presented at the Annual Meeting. There is no requirement under Irish law that our statutory financial statements be approved by shareholders, and no such approval will be sought at the Annual Meeting.

Under our Articles of Association, Proposal Nos. 1, 2, 3, 4 and 5 are deemed to be ordinary resolutions requiring the approval of a simple majority of the votes cast at the meeting, while Proposal No. 6(A) and 6(B) are deemed to be special resolutions requiring the approval of at least 75% of the votes cast.

Only shareholders who owned our ordinary shares at the close of business on March 14, 2016 may vote at the Annual Meeting. Each shareholder of record will be entitled to one vote per ordinary share on each matter submitted to a vote of the shareholders, as long as those shares are represented at the Annual Meeting, either in person or by proxy.

Our Board of Directors recommends that you vote as follows on the matters to be presented to shareholders at the Annual Meeting:

1. **FOR** the re-election of Richard T. Collier, K. Anders O. Härfstrand and Christopher S. Henney as directors, as described in Proposal No. 1;

6. **FOR** the amendments to (A) the Company's Memorandum of Association and (B) the Company's Articles of Association, as described in Proposal No. 6.

For our Annual Meeting, we have elected to use the internet as the primary means of providing our proxy materials to shareholders. Consequently, some shareholders may not receive paper copies of our proxy materials. We intend to send shareholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials and for voting via the internet. The Notice of Internet Availability of Proxy Materials will also provide the date, time and location of the Annual Meeting; the matters to be acted upon at the meeting and the Board of Directors recommendation with regard to each matter; a toll-free number, an e-mail address and a website where shareholders can request a paper or e-mail copy of our Proxy Statement and form of proxy card and our Annual Report on Form 10-K; information on how to access their proxy card; and information on how to attend the meeting and vote in person.

You are cordially invited to attend the Annual Meeting, but whether or not you expect to attend in person, you are urged to mark, date and sign your proxy card and return it by mail or follow the alternative voting procedures described in the Notice of Internet Availability of Proxy Materials or the proxy card.

PROXY STATEMENT

FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS

TO BE HELD ON MAY 19, 2016

The Board of Directors of Prothena Corporation plc is soliciting your proxy to vote at the Annual General Meeting of Shareholders to be held on Thursday, May 19, 2016, at 8:00 a.m. local time, and any adjournment or postponement of that meeting (the Annual Meeting). The Annual Meeting will be held at The Westbury Hotel, Grafton Street, Dublin 2, Ireland.

We have elected to use the internet as our primary means of providing our proxy materials to shareholders. Accordingly, on or about April 4, 2016, we are making this Proxy Statement and the accompanying form of proxy card, the accompanying Notice of Annual General Meeting of Shareholders and our Annual Report on Form 10-K for our fiscal year 2015 available on the internet and mailing a Notice of Internet Availability of Proxy Materials to shareholders of record as of March 14, 2016 (the Record Date). Brokers and other nominees who hold shares on behalf of beneficial owners will be sending their own similar notice. All shareholders as of the Record Date will have the ability to access our proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials or request to receive a printed set of the proxy materials. Instructions on how to request a printed copy by mail or electronically may be found in the Notice of Internet Availability of Proxy Materials and on the website referred to in the notice, including an option to request paper copies on an ongoing basis. We intend to mail this Proxy Statement, together with the accompanying form of proxy card and Notice of Annual General Meeting of Shareholders, to those shareholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials within three business days of request.

The only voting securities of Prothena are ordinary shares, \$0.01 par value per share (ordinary shares). There were 34,339,008 ordinary shares issued and outstanding as of the Record Date. A quorum of shareholders is necessary to hold a valid meeting and requires that the shareholders holding a majority of the issued and outstanding ordinary shares entitled to vote are present in person or represented by proxy at the Annual Meeting.

In this Proxy Statement, we refer to Prothena Corporation plc as the Company, Prothena, our, we or us and the Board of Directors as the Board. When we refer to Prothena's fiscal year, we mean the 12-month period ending December 31 of the stated year.

THE PROXY PROCESS AND SHAREHOLDER VOTING

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Who can vote at the Annual Meeting?

Only shareholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, there were 34,339,008 ordinary shares issued and outstanding and entitled to vote.

Shareholder of Record: Shares Registered in Your Name

If, on the Record Date, your shares were registered directly in your name with the transfer agent for our ordinary shares, Computershare Trust Company, N.A., then you are a shareholder of record. As a shareholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If, on the Record Date, your shares were not held in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, who in turn hold through The Depository Trust Company (DTC), then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker or other agent.

What am I being asked to vote on?

You are being asked to vote **FOR:**

Re-election, by separate resolutions, of Richard T. Collier, K. Anders O. Härfstrand and Christopher S. Henney as directors, to hold office until no later than our annual general meeting of shareholders in 2019 or until their successors are elected;

Ratification, in a non-binding vote, of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year 2016 and authorization, in a binding vote, of our Board of Directors, acting through its Audit Committee, to approve the remuneration of that auditor;

Approval, in a non-binding advisory vote, of the compensation of the executive officers named in this Proxy Statement;

Edgar Filing: Prothena Corp plc - Form DEF 14A

Approval, in a non-binding advisory vote, of future advisory votes by shareholders on the compensation of our named executive officers being requested every year;

Approval of an amendment to the Company's Amended and Restated 2012 Long Term Incentive Plan to increase the number of ordinary shares authorized for issuance under that Plan by 1,850,000 ordinary shares, to a total of 7,400,000 ordinary shares; and

Approval, by separate resolutions, of amendments to (A) the Company's Memorandum of Association and (B) the Company's Articles of Association.

In addition, you are entitled to vote on any other matters that are properly brought before the Annual Meeting. We are not aware of any other matter that will be presented for consideration at the Annual Meeting. If

any other matter is properly brought before the Annual Meeting, the Board intends that one of the individuals named in the accompanying form of proxy card will vote on such matter in accordance with his or her discretion.

How do I vote?

You may vote by mail or follow any alternative voting procedure described on the proxy card or the Notice of Internet Availability of Proxy Materials. To use an alternative voting procedure, follow the instructions on each proxy card that you receive or on the Notice of Internet Availability of Proxy Materials.

For each proposal except Proposal No. 4, you may vote For or Against or abstain from voting. For Proposal No. 4, you may vote for 1 Year, 2 Years or 3 Years or abstain from voting.

The procedures for voting are as follows:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote in person at the Annual Meeting. Alternatively, you may vote by proxy by using the accompanying proxy card over the internet or by telephone. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. Even if you have submitted a proxy before the Annual Meeting, you may still attend the Annual Meeting and vote in person. In such case, your previously submitted proxy will be disregarded.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the accompanying proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote by proxy over the internet, follow the instructions provided on the proxy card or in the Notice of Internet Availability of Proxy Materials.

To vote by telephone if you request printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, who in turn hold through DTC, you should have received a voting instruction card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the voting instruction card to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

Who counts the votes?

Edgar Filing: Prothena Corp plc - Form DEF 14A

Broadridge Financial Solutions, Inc. (Broadridge) has been engaged as our independent agent to tabulate shareholder votes. If you are a shareholder of record, your executed proxy card is returned directly to Broadridge for tabulation. If you hold your shares through a broker, your broker returns one proxy card to Broadridge on behalf of all its clients.

How are votes counted?

With respect to the following Proposals, the affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting is required for approval:

Proposal No. 1, the election of directors;

Proposal No. 2, the ratification, in a non-binding vote, of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year 2016 and authorization, in a binding vote, of our Board of Directors, acting through its Audit Committee, to approve the remuneration of that auditor;

Proposal No. 3, the approval, in a non-binding advisory vote, of the compensation of our named executive officers;

Proposal No. 4, the approval, in a non-binding advisory vote, of the frequency of future advisory votes by shareholders on the compensation of our named executive officers (if none of the frequency alternatives - one year, two years or three years - receives a majority of the votes cast, we will consider the highest number of votes cast by shareholders to be the frequency that has been selected by shareholders); and

Proposal No. 5, the approval of the amendment to the Company's Amended and Restated 2012 Long Term Incentive Plan.

With respect to Proposal No. 6, the approval, by separate resolutions, of the amendments to (A) the Company's Memorandum of Association and (B) the Company's Articles of Association, the affirmative vote of 75% of the votes cast in person or by proxy at the Annual Meeting is required for approval. Irish law requires that the amendments to the Memorandum of Association be voted on separately from the amendments to the Articles of Association. For this reason, shareholders are being asked to vote separately on Proposal No. 6(A) and 6(B).

Please instruct your bank or broker so your vote can be counted.

If your shares are held by a broker on your behalf (that is, in street name), and you do not instruct the broker as to how to vote these shares on Proposal No. 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction.

If your shares are held by a broker on your behalf (in street name), and you do not instruct the broker as to how to vote these shares on Proposal Nos. 1, 3, 4, 5 and 6, the broker may *not* exercise discretion to vote on those proposals. This would be a broker non-vote and these shares will *not* be counted as having been voted on those proposals. However, these broker non-votes will be considered present and entitled to vote at the Annual Meeting and will be counted towards determining whether or not a quorum is present.

If shareholders abstain from voting, including brokers holding their clients' shares of record who cause abstentions to be recorded, these shares will be considered present and entitled to vote at the Annual Meeting and will be counted towards determining whether or not a quorum is present. Abstentions will not, however, be considered votes cast at the Annual Meeting.

Because the approval of each of the proposals is based on the votes cast at the Annual Meeting, abstentions and broker non-votes will not have any effect on the outcome of voting on any of the proposals.

How many votes do I have?

On each matter to be voted upon, you have one vote for each ordinary share you own as of the Record Date.

Why did I receive a one-page notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules of the U.S. Securities and Exchange Commission (the SEC), Irish law and our Articles of Association, we have elected to provide access to our proxy materials on the internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to our shareholders. All shareholders will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials on the internet or to request a printed copy may be found in the Notice of Internet Availability of Proxy Materials. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We encourage shareholders to take advantage of the availability of the proxy materials on the internet to help reduce the environmental impact of the Annual Meeting.

How do I vote via internet or telephone?

You may vote by proxy on the internet by following the instructions provided on the proxy card or in the Notice of Internet Availability of Proxy Materials. If you request printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card. Please be aware that if you vote on the internet, you may incur costs such as telephone and internet access charges for which you will be responsible. The internet and telephone voting facilities for eligible shareholders of record will close at 11:59 p.m. Eastern Time on May 18, 2016. The giving of such a proxy by telephone or the internet will not affect your right to vote in person should you decide to attend the Annual Meeting.

The telephone and internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly.

What if I return a proxy card but do not make specific choices?

If we receive a signed and dated proxy card and the proxy card does not specify how your shares are to be voted, your shares will be voted as follows:

FOR re-election, by separate resolutions, of Richard T. Collier, K. Anders O. Härfstrand and Christopher S. Henney as directors, to hold office until no later than our annual general meeting of shareholders in 2019 or until their successors are elected;

FOR ratification, in a non-binding vote, of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year 2016 and authorization, in a binding vote, of our Board of Directors, acting through its Audit Committee, to approve the remuneration of that auditor;

FOR approval, in a non-binding advisory vote, of the compensation of our named executive officers;

FOR approval, in a non-binding advisory vote, of future advisory votes by shareholders on the compensation of our named executive officers being requested every year;

Edgar Filing: Prothena Corp plc - Form DEF 14A

FOR approval of the amendment to the Company's Amended and Restated 2012 Long Term Incentive Plan to increase the number of ordinary shares authorized for issuance under that Plan by 1,850,000 ordinary shares, to a total of 7,400,000 ordinary shares; and

FOR approval of the amendments to (A) the Company's Memorandum of Association and (B) the Company's Articles of Association.

If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her discretion.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone or by other means of communication. Directors, officers and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We have not yet retained a proxy solicitation firm in connection with the Annual Meeting; however, we may engage one if we deem appropriate to assist in the solicitation of proxies, in which case we would pay customary fees and expenses of such proxy solicitation firm.

What does it mean if I receive more than one set of materials?

If you receive more than one set of materials, your shares are registered in more than one name or are registered in different accounts. In order to vote all the shares you own, you must either sign and return all of the proxy cards or follow the instructions for any alternative voting procedure on each of the proxy cards or Notice of Internet Availability of Proxy Materials you receive.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

You may submit another properly completed proxy with a later date.

You may send a written notice that you are revoking your proxy to our Company Secretary at Prothena Corporation plc, Adelphi Plaza, Upper George's Street, Dún Laoghaire, Co. Dublin, A96 T927, Ireland. Your notice must be received no later than one hour before the date and time of the Annual Meeting, provided however that where such revocation is given in electronic form it must be made no later than 11:59 p.m. Eastern Time on May 18, 2016.

You may attend the Annual Meeting and either vote or revoke your proxy in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

When are shareholder proposals due for next year's Annual Meeting?

In accordance with SEC rules, including Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), shareholders may submit to us proposals on matters appropriate for shareholder action at meetings of our shareholders. In order to be considered for inclusion in next year's proxy materials, your proposal must comply with the requirements of Rule 14a-8 of the Exchange Act and other SEC rules and be submitted in writing by December 2, 2016, to our Company Secretary at Prothena Corporation plc, Adelphi Plaza, Upper George's Street, Dún Laoghaire, Co. Dublin, A96 T927, Ireland; provided that if the date of next year's annual general meeting of shareholders is greater than 30 days from May 19, 2017, the deadline is a reasonable time before we begin to print and send our proxy materials for next year's annual general meeting. You are also advised to review our Articles of Association, which contain additional requirements about advance notice of director nominations. For more information, see below under the heading *Proposal No. 1 - Election of Directors - Board Committees - Nominating*

and Corporate Governance Committee.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if the holders of not less than one-half of the ordinary shares issued and outstanding and entitled to vote are present in person

or represented by proxy at the Annual Meeting. On the Record Date, there were 34,339,008 ordinary shares issued and outstanding and entitled to vote. Accordingly, 17,169,504 ordinary shares must be represented by shareholders present at the Annual Meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum if you submit a valid proxy vote or vote at the Annual Meeting. Abstentions and broker non-votes will also be counted towards the quorum requirement. If there is no quorum, either the chairperson of the Annual Meeting or a majority in voting power of the shareholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the Annual Meeting to another time or place.

How can I find out the results of the voting at the Annual Meeting?

Voting results will be announced by the filing with the SEC of a Current Report on Form 8-K within four business days after the Annual Meeting. If final voting results are unavailable at that time, we will file an amended Current Report on Form 8-K within four business days of the day the final results are available.

What are the Irish statutory financial statements?

Since we are an Irish company, we are required to prepare Irish statutory financial statements, including the respective reports of the directors and the auditors thereon, under applicable Irish company law; to deliver those statutory financial statements to our shareholders of record prior to the Annual Meeting; and to present those statutory financial statements at the Annual Meeting. The Irish statutory financial statements cover the results of operations and financial position of the Company for our fiscal year 2015, and are prepared in accordance with generally accepted accounting principles in the United States to the extent the use of such principles does not contravene any provision of the Irish Companies Act 2014, or any regulation thereunder. There is no requirement under Irish law that our Irish statutory financial statements be approved by our shareholders, and no such approval will be sought at the Annual Meeting. Our Irish statutory financial statements are available on the Company's website at <http://ir.prothena.com>. We will mail without charge, upon written request, a copy of our Irish statutory financial statements to beneficial owners of our shares. Such requests should be sent to our Company Secretary at Prothena Corporation plc, Adelphi Plaza, Upper George's Street Dún Laoghaire, Co. Dublin, A96 T927, Ireland.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

We have seven directors serving on our Board of Directors. The Company's Articles of Association require that at least one-third (which, if not a round number, is rounded to the number which is nearest to and less than one-third) of the directors must stand for re-election at each annual general meeting, and that directors must stand for re-election no later than the third annual general meeting subsequent to their election or appointment to the Board. Generally, vacancies on the Board may be filled only by ordinary resolution of the Company's shareholders or the affirmative vote of a majority of the remaining directors. A director appointed by the Board to fill a vacancy will serve until the subsequent annual general meeting and must stand for election at that time.

The Board is divided into the following groups:

K. Anders O. Härfstrand and Christopher S. Henney, whose current terms will expire at the Annual Meeting;

Richard T. Collier, Dale B. Schenk and Dennis J. Selkoe, whose current terms will expire no later than the annual general meeting of shareholders to be held in 2017; and

Shane M. Cooke and Lars G. Ekman, whose current terms will expire no later than the annual general meeting of shareholders to be held in 2018.

Mr. Collier, Dr. Härfstrand and Dr. Henney have been nominated by the Board to stand for re-election. Dr. Henney is required to stand for re-election because his three-year term will expire at the Annual Meeting. Dr. Härfstrand, who was appointed to the Board in June 2015, is required to stand for re-election because the Company's Articles of Association require that any director appointed by the Board stand for election at the next annual general meeting following that appointment. The Board nominated Mr. Collier to stand for re-election, even though his three-year term will not expire until 2017, because the Company's Articles of Association require that one-third of the directors (not including any director appointed to the Board since the last annual general meeting) stand for election at each annual general meeting, and that a director longest in office since being appointed or last elected must be nominated to complete such slate of directors.

If re-elected by the shareholders at the Annual Meeting, Mr. Collier, Dr. Härfstrand and Dr. Henney will each hold office from the date of his election until no later than the third subsequent annual general meeting of shareholders (i.e., in 2019) or until his successor is elected, or until his earlier death, resignation or removal.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the above-named nominees. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares may be voted for the election of such substitute nominee as the Board may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve.

Set forth below is certain biographical information for each nominee for director and each director whose term as a director will continue after the Annual Meeting. The following includes information regarding each director's individual experience, qualifications, attributes or skills that led the Board to conclude that he should serve as a director, in light of our business and structure.

Nominees for Election to Terms Expiring No Later than the Annual General Meeting of Shareholders in 2019

Richard T. Collier is an Adjunct Professor of Law at the Temple University Beasley School of Law in Philadelphia, where he has taught Drug and Medical Device Law since 2004. From 2004 to 2010, Mr. Collier also served as Executive Vice President and General Counsel of Elan Corporation, plc (a pharmaceutical company). Prior to that, he served as Senior Vice President and General Counsel of Rhone-Poulenc Rorer Inc., Pharmacia & Upjohn Company and Pharmacia Corporation (all pharmaceutical companies). Mr. Collier also practiced law at two leading Philadelphia-based law firms and served with the U.S. Federal Trade Commission in Washington, D.C. and the U.S. Department of Justice in Philadelphia. Mr. Collier earned both his B.A. and his J.D. (law degree) from Temple University. He has served on our Board since 2012. Age: 62

The Board concluded that Mr. Collier should serve as a director given his extensive legal and management experience as a senior executive with a number of global pharmaceutical companies. The Board also considered his extensive knowledge of and experience with laws and regulations applicable to the pharmaceutical industry.

K. Anders O. Härfstrand, M.D., Ph.D., is Chairman of Härfstrand Consulting AG (a pharmaceutical/biotechnology consulting firm), which he founded in 2010. He has over 28 years of experience in the pharmaceutical and biotechnology industries. Most recently, Dr. Härfstrand served as Chief Executive Officer of BBB Therapeutics BV (a biopharmaceutical company) from 2014 to 2015. Prior to that, he was President and Chief Executive Officer, Europe of Makhteshim Agan Industries Ltd. (an agrichemicals company) from 2013 to 2014; President and Chief Executive Officer of Humabs BioMed SA (a biotechnology company) from 2011 to 2012; and Chief Executive Officer of Nitec Pharma AG (a biopharmaceutical company) from 2007 to 2010. Dr. Härfstrand also served in various executive and management roles at Serono, Pfizer and Pharmacia, and in non-executive roles on a number of Supervisory Boards in Europe. Dr. Härfstrand earned his M.D. and Ph.D. in neuropharmacology endocrinology from Karolinska Institute in Sweden. He has served on our Board since 2015. Age: 59

The Board concluded that Dr. Härfstrand should serve as a director given his significant management, operational and, in particular, commercial experience from serving in executive positions with a number of biopharmaceutical companies. The Board also considered his scientific background and work experience in a broad range of geographies.

Christopher S. Henney, Ph.D., D.Sc., is Chairman of the Board and interim President and Chief Executive Officer of Oncothyreon, Inc. and Chairman of the Board of Anthera Pharmaceuticals, Inc. (both biotechnology companies). He is also Vice-Chairman of the Board of Cyclacel Pharmaceuticals, Inc. (a pharmaceutical company). The Board also considered his significant experience as a research scientist in immunotherapy for the treatment of diseases involving amyloid or cell adhesion, as well as his experience gained from serving in leadership roles in other biotechnology companies.

Independence of Directors

Nasdaq rules require that a majority of the members of a listed company's board of directors must qualify as independent directors as defined by Nasdaq rules and affirmatively determined by the board of directors.

Our Board has determined that, with the exception of Dr. Schenk, all members of our Board are independent directors as defined by Nasdaq rules. Dr. Schenk is not an independent director because he is our President and Chief Executive Officer.

Board Role in Risk Oversight

Our Board is responsible for the oversight of risk, while management is responsible for the day-to-day management of risk. The Board fulfills this oversight role directly and through certain of its committees. In particular, our Board reviews strategic as well as operational risks as an element of its review of strategic and operational plans and programs. The Audit Committee of the Board periodically reviews the Company's major risk exposures and the steps management has undertaken to control them; oversees internal controls and other activities to manage financial risks; and periodically reviews the Company's policies, programs and systems intended to ensure compliance with applicable laws and ethical standards.

Board Leadership Structure

Our Chairman of the Board and our Chief Executive Officer are currently separate individuals. Dr. Ekman serves as Chairman of the Board, and Dr. Schenk serves as our President and Chief Executive Officer. In his role as Chairman, Dr. Ekman provides leadership to the Board; approves Board meeting schedules and agendas; presides over all Board meetings, including regular executive sessions of the independent directors; and serves as the primary liaison between the independent directors and our Chief Executive Officer and other members of management. Our Board has concluded that our current leadership structure is appropriate at this time. However, our Board will continue to periodically review our leadership structure and may make changes as it deems appropriate.

Board Committees

Our Board has the following standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The composition and responsibilities of each of these Committee are described below. Members serve on these Committees until their resignation or until otherwise determined by our Board.

Director	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee

Richard T. Collier ⁽¹⁾	X		Chair
Shane M. Cooke	Chair		
K. Anders O. Härfstrand ⁽²⁾			X
Christopher S. Henney ⁽¹⁾⁽²⁾	X	X

Dennis J. Selkoe		Chair	X

- (1) Mr. Collier served as a member of the Compensation Committee until October 2015, when Dr. Henney was appointed to that Committee.
- (2) Dr. Henney served as a member of the Nominating and Corporate Governance Committee until October 2015, when Dr. Härfstrand was appointed to that Committee.

Audit Committee

Our Audit Committee's primary purposes are to oversee our corporate accounting and financial reporting processes and the audits and reviews of our financial statements, and our legal and ethical compliance activities. Among other matters, the Audit Committee is responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm (the auditor); reviewing and confirming the auditor's independence; periodically reviewing the adequacy and effectiveness of the Company's internal control over financial reporting; reviewing with the management and the auditor the audited and reviewed financial statements to be included in the Company's annual and quarterly reports, respectively, filed with the SEC; reviewing the Company's major risk exposures and steps to control them; and reviewing the Company's policies, program and systems intended to ensure compliance with applicable laws and ethical standards.

The current members of our Audit Committee are Mr. Collier, Mr. Cooke and Dr. Henney. Mr. Cooke serves as the chairman of the Committee. Each member of the Committee is an independent director and meets the heightened independence requirements, and also meets the financial literacy requirements, under Nasdaq rules. Our Board has determined that Mr. Cooke and Dr. Henney are each an audit committee financial expert as defined under SEC rules and each has the requisite additional financial sophistication required under Nasdaq rules. The Audit Committee operates under a written charter, a copy of which is available on the Company's website at <http://ir.prothena.com>.

Compensation Committee

Our Compensation Committee's primary purposes are to consider and approve all compensation of our executive officers other than our chief executive officer (CEO), and consider and recommend to the Board all compensation of our CEO; consider and recommend to the Board all director compensation; and administer or oversee our compensation plans (including equity compensation plans).

Edgar Filing: Prothena Corp plc - Form DEF 14A

The current members of our Compensation Committee are Dr. Ekman, Dr. Henney and Dr. Selkoe. Dr. Selkoe serves as the chairman of the Committee. Each member of the Committee is an independent director and otherwise meets the independence requirements under Nasdaq rules, is a non-employee director

as defined in Rule 16b-3 under the Exchange Act, and is an outside director as defined in Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended. The Committee operates under a written charter, a copy of which is available on the Company's website at <http://ir.prothena.com>.

Our CEO makes recommendations to the Compensation Committee on compensation to executive officers other than himself. He also makes recommendations to the Board and the Compensation Committee on what should be the Company objectives that drive annual performance-based incentive compensation (cash bonuses). Following completion of the fiscal year, he provides his assessment of the Company's performance relative to those objectives, as well as the individual performance of executive officers other than himself. Certain of our executive officers and other members of management provide data and other information to the Committee's compensation consultant (discussed below), as requested by that consultant. Our executive officers do not determine or recommend the amount or form of director compensation.

The Compensation Committee utilizes a compensation consultant to provide advice and recommendations to the Committee on the amounts and forms of executive and director compensation. The Committee is directly responsible for the appointment, compensation and oversight of its compensation consultants, and is responsible for assessing the independence of those consultants after consideration of the independence factors prescribed by Nasdaq rules.

The Compensation Committee directly engaged Radford, an AonHewitt Company, to provide advice and recommendations on executive as well as director compensation for our fiscal year 2015. The Committee assessed Radford's independence prior to that engagement.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee's primary purposes are to identify individuals qualified to become Board members, and recommend to the Board qualified individuals to be nominated for election or appointed to the Board; make recommendations to the Board regarding composition of the Board and its committees; develop and implement regular evaluations of the Board; develop and implement regular performance evaluations of our CEO; develop a succession plan for our CEO; and develop corporate governance guidelines applicable to the Company.

The current members of our Nominating and Corporate Governance Committee are Mr. Collier, Dr. Härfstrand and Dr. Selkoe. Mr. Collier serves as the chairman of the Committee. Each member of the Committee is an independent director under Nasdaq rules. The Committee operates under a written charter, a copy of which is available on the Company's website at <http://ir.prothena.com>.

The Nominating and Corporate Governance Committee is responsible for determining the qualifications of nominees for election and candidates for appointment as directors, and for identifying, evaluating and then recommending to the Board such nominees or candidates. The Committee reviews periodically the composition and size of the Board, and makes recommendations to the Board as it deems necessary or appropriate so that the Board as a whole reflects the appropriate balance of knowledge, skills, experience and independence. Nominees or candidates are expected to possess and have demonstrated breadth and depth of management and leadership experience, financial and/or business acumen and relevant industry or scientific experience, high integrity, sufficient time to devote to the Company's business, and a demonstrated ability to think independently but work collaboratively with other members of the Board and the Company's management. In recommending candidates for election or appointment to the Board, the Committee considers each nominee's or candidate's knowledge, skills and experience, according to this criteria, as well as his or her independence under Nasdaq and SEC rules. The Committee evaluates each nominee or candidate in the context of the Board as a whole, with the objective of assembling a group that can best maximize the success of the business and represent shareholder interests through the exercise of sound judgment using its diversity of experience.

To assist the Nominating and Corporate Governance Committee in identifying potential directors who meet the criteria and priorities established from time to time and facilitate the evaluation of such potential directors, the Committee may retain third-party search firms. In 2014, the Committee engaged Egon Zehnder to assist the Committee in identifying and evaluating potential candidates to join our Board. Egon Zehnder identified and assisted with the evaluation of a number of potential directors, including Dr. Härfstrand. In June 2015, the Board appointed Dr. Härfstrand as a director, based on the recommendation of the Committee.

The Nominating and Corporate Governance Committee will consider director candidates recommended by shareholders. For a shareholder to make any nomination for election to the Board at an annual general meeting of shareholders, the shareholder must provide notice to the Company, which notice must be delivered to, or mailed and received at, the Company's registered office (Prothena Corporation plc, Adelphi Plaza, Upper George's Street, Dún Laoghaire, Co. Dublin, A96 T927, Ireland, Attention: Company Secretary) not less than 90 days and not more than 150 days prior to the one-year anniversary of the date the Company's proxy statement was first released in connection with the prior year's annual general meeting; provided, that if the date of the annual general meeting is more than 30 days from the one-year anniversary of the date of the prior year's annual general meeting, the shareholder's notice must be delivered, or mailed and received, not earlier than 150 days and no later than 90 days prior to the date of the annual general meeting or, if later, the 10th day following the date on which public disclosure of the date of such annual general meeting is made. Further updates and supplements to such notice may be required at the times, and in the forms, required under our Articles of Association. As set forth in our Articles of Association, submissions must include the information regarding the proposed nominee that is required to be disclosed in a proxy statement or other filings in a contested election pursuant to Section 14(a) under the Exchange Act and written consent from the proposed nominee to being named in the proxy statement as a nominee and to serving as a director of the Company. Our Articles of Association also specify further requirements as to the form and content of a shareholder's notice. We recommend that any shareholder who wishes to make a nomination for director review our Articles of Association, which is an exhibit to our Annual Report on Form 10-K filed with the SEC and is also available, without charge, from our Company Secretary, at Prothena Corporation plc, Adelphi Plaza, Upper George's Street, Dún Laoghaire, Co. Dublin, A96 T927, Ireland.

Meetings of the Board and Committees, Meeting Attendance and Annual General Meeting Attendance

During our fiscal year 2015, the Board met five times, the Audit Committee met eight times, the Compensation Committee met four times, and the Nominating and Corporate Governance Committee met four times.

During our fiscal year 2015, each director attended at least 75% of all meetings of the Board and committees of the Board of which the director was a member.

We encourage all of our directors and nominees for director to attend our annual general meetings of shareholders; however, attendance is not mandatory. All but one of our directors attended our annual general meeting of shareholders in 2015.

Director Compensation

Our non-employee directors, other than the Chairman of the Board, each receive an annual cash retainer fee of \$50,000. Our Chairman of the Board receives an annual cash retainer fee of \$80,000. In addition, all non-employee directors who serve on or chair a Board committee receive the following annual committee fees:

Committee	Chair	Other Member
Audit Committee	\$ 15,000	\$ 7,500
Compensation Committee	10,000	5,000
Nominating and Corporate Governance Committee	8,000	4,000

All of these fees are paid in quarterly installments.

Each of our non-employee directors is awarded annually, on the first business day following each annual general meeting of the shareholders, a nonqualified stock (share) option to acquire 15,000 of the Company's ordinary shares. These options vest on the earlier of the first anniversary of the grant date or the day prior to the next annual general meeting of shareholders (subject to continuous service as a director until such vesting date, except in the event of certain terminations of service) and has a ten year term. Any new non-employee director is awarded, on the first business day following the date of initial appointment or election to the Board, a nonqualified stock (share) option to acquire 30,000 of the Company's ordinary shares. This option vests in equal annual installments over three years following the grant date with the final year vesting date being the earlier of the third anniversary of the grant date or the day prior to the annual general meeting of shareholders for that year (subject to continuous service as a director until each such vesting date, except in the event of certain terminations of service) and has a ten year term. All of these options are awarded under our Amended and Restated 2012 Long Term Incentive Plan (the "LTIP") and have a per share exercise price equal to the closing market price of our ordinary shares on the date of grant.

Our sole non-independent director, Dale B. Schenk (our President and Chief Executive Officer), does not receive any additional compensation for his service on our Board.

The following table sets forth information concerning the compensation paid to our non-employee directors for our fiscal year 2015:

Name	Fees Earned or Paid in			Total
	Cash ⁽¹⁾	Option Awards ⁽²⁾	All Other Compensation	
	(\$)	(\$)	(\$)	(\$)
Lars G. Ekman	78,819	337,970		416,789

Shane M. Cooke	64,614	337,970		402,584
K. Anders O. Härfstrand	26,422	985,983		1,012,405
Christopher S. Henney	60,963	337,970		398,933
Dennis J. Selkoe	63,227	337,970	37,500 ⁽³⁾	438,697

(1) Consists of retainer, committee chair and committee service fees, as described in the narrative above.

- (2) Consists of nonqualified stock (share) options awarded under the LTIP. These amounts do not reflect compensation actually received. Rather, these amounts represent the grant date fair value of the options awarded, calculated in accordance with Financial Accounting Standards Board ASC Topic 718. For a discussion of the assumptions made in calculating the values reflected, see Note 9 of the Consolidated Financial Statements included in our Annual Report on Form 10-K for our fiscal year 2015.

Except in the case of Dr. Härfstrand, the amounts reported represent the grant date fair value for an option granted on May 22, 2015 to acquire 15,000 of the Company's ordinary shares, which option has an exercise price of \$34.04 per share (the fair market value per share on the date of grant), vests on the earlier of the

first anniversary of the grant date or the day prior to the next annual general meeting of shareholders (subject to continuous service as a director until such vesting date) and has a ten year term. In the case of Dr. Härfstrand, the amount reported represents the grant date fair value for an option granted on June 29, 2015 to acquire 30,000 of the Company's ordinary shares, which option has an exercise price of \$49.60 per share (the fair market value per share on the date of grant), vests in equal annual installments over three years following the grant date with the final year vesting date being the earlier of the third anniversary of the grant date or the day prior to the annual general meeting of shareholders for that year (subject to continuous service as a director until such vesting date) and has a ten year term.

As of the end of our fiscal year 2015, the total number of shares acquirable from outstanding option awards held by each non-employee director were as set forth in the following table. No other equity awards were held by our non-employee directors as of the end of our fiscal year 2015.

Name	Outstanding Option Awards (Shares)
Lars G. Ekman	110,000
Richard T. Collier	65,000
Shane M. Cooke	65,000
K. Anders O. Härfstrand	30,000
Christopher S. Henney	45,000
Dennis J. Selkoe	52,500

- (3) Consists of consulting fees paid under a consulting agreement between Dr. Selkoe and the Company's wholly-owned subsidiary Prothena Biosciences Limited (PBL) under which Dr. Selkoe provided consulting services relating to immunotherapy for neurodegenerative diseases and PBL's License, Development, and Commercialization Agreement with F. Hoffmann-La Roche Ltd and Hoffmann-La Roche Inc. That consulting agreement terminated effective September 29, 2015.

Any shareholder who desires to communicate with the Board or any specified individual director, may do so by directing such correspondence to the attention of the Company Secretary, Prothena Corporation plc, Adelphi Plaza, Upper George's Street, Dún Laoghaire, Co. THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE *FOR* THE RE-ELECTION, BY SEPARATE RESOLUTIONS, OF RICHARD T. COLLIER, K. ANDERS O. HÄRFSTRAND AND CHRISTOPHER S. HENNEY AS DIRECTORS, TO HOLD OFFICE UNTIL NO LATER THAN THE ANNUAL GENERAL MEETING OF SHAREHOLDERS IN 2019 OR UNTIL THEIR SUCCESSORS ARE ELECTED.

PROPOSAL NO. 2**RATIFICATION, IN A NON-BINDING VOTE, OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OUR FISCAL YEAR 2016 AND AUTHORIZATION, IN A BINDING VOTE, OF OUR BOARD OF DIRECTORS, ACTING THROUGH ITS AUDIT COMMITTEE, TO APPROVE THE REMUNERATION OF THAT AUDITOR**

The Audit Committee is responsible for the appointment of our independent accounting firm. The Audit Committee has appointed KPMG LLP, a registered public accounting firm, as our independent accounting firm to audit our consolidated financial statements for our fiscal year ending December 31, 2016, and our shareholders are being asked to ratify that appointment and authorize the Board of Directors, acting through its Audit Committee, to approve the remuneration of KPMG LLP as our auditor. Neither our Memorandum and Articles of Association nor Irish law require shareholder ratification of the appointment of KPMG LLP as our independent registered public accounting firm. Our Board is nonetheless submitting the appointment of KPMG LLP to our shareholders for ratification, in a non-binding vote, as a matter of good governance practice. The Board is also requesting that shareholders authorize, in a binding vote, the Board, acting through its Audit Committee, to approve the remuneration of KPMG LLP as our auditor.

If our shareholders fail to ratify such appointment of KPMG LLP, the Audit Committee will reconsider whether or not to retain KPMG LLP, but may still determine to maintain its appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year 2016. Even if the appointment of KPMG LLP is ratified by our shareholders, the Audit Committee may appoint a different independent registered public accounting firm at any time if the Committee determines that such a change would be in the best interests of the Company and its shareholders.

KPMG LLP has audited our financial statements since the year ended December 31, 2012. Representatives of KPMG LLP are expected to attend the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Fees Paid to KPMG

The following table sets forth fees paid to KPMG LLP for services provided to the Company for our fiscal years ended December 31, 2015 and 2014.

	Year Ended December 31,	
	2015	2014
Audit Fees ⁽¹⁾	\$ 706,792	\$ 532,000
Audit-Related Fees		
Tax Fees ⁽²⁾	75,683	70,616
All Other Fees		
Total Fees	\$ 782,475	\$ 602,616

⁽¹⁾ Consists of fees and out-of-pocket expenses related to the audits for our annual financial statements, reviews of our quarterly financial statements, audits of our Irish statutory accounts, and comfort letters and consents relating to registration statements.

(2) Consists of fees and out-of-pocket expenses for tax consultation and compliance services.

Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures requiring that the Company obtain the Committee's pre-approval of all audit, non-audit and permissible non-audit services to be provided by the

Company's independent registered public accounting firm. Under those policies and procedures, all such services must be pre-approved by the Committee (although certain services may be pre-approved by the Chairman of the Committee with Committee ratification at the next Committee meeting). Before pre-approving services, the Committee considers the estimated fees for those services and whether those services might impair KPMG LLP's independence. Pursuant to these policies and procedures, the Audit Committee pre-approved all services provided by KPMG LLP for our fiscal years 2015 and 2014.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE *FOR* THE RATIFICATION, IN A NON-BINDING VOTE, OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OUR FISCAL YEAR 2016 AND AUTHORIZATION, IN A BINDING VOTE, OF OUR BOARD OF DIRECTORS, ACTING THROUGH ITS AUDIT COMMITTEE, TO APPROVE THE REMUNERATION OF THAT AUDITOR.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The information in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether before or after the date hereof and irrespective of any general incorporation language in any such filing.

The primary purpose of the Audit Committee is to oversee the Company's financial reporting processes on behalf of our Board. The Audit Committee's functions are more fully described in its charter, which is available on our website at <http://ir.prothena.com>. Management has the primary responsibility for our financial statements and reporting processes, including our systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2015.

The Audit Committee reviewed and discussed with KPMG LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees* as adopted by the Public Company Accounting Oversight Board (the PCAOB). In addition, the Audit Committee discussed with KPMG LLP their independence, and received from KPMG LLP and reviewed the written disclosures and the letter required by Ethics and Independence Rule 3526 of the PCAOB. Finally, the Audit Committee discussed with KPMG LLP, with and without management present, the scope and results of KPMG LLP's audit of such financial statements.

Based on these reviews and discussions, the Audit Committee recommended to our Board that such audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the U.S. Securities and Exchange Commission.

PROPOSAL NO. 3

APPROVAL, IN A NON-BINDING ADVISORY VOTE, OF THE COMPENSATION OF OUR EXECUTIVE OFFICERS NAMED IN THIS PROXY STATEMENT (SAY-ON-PAY)

Summary

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) enables our shareholders to vote on a resolution to approve, on an advisory (non-binding) basis, the compensation of our named executive officers (our Chief Executive Officer, our Chief Financial Officer and our other three most highly compensated executive officers). This advisory shareholder vote, commonly known as Say-on-Pay, gives our shareholders the opportunity to endorse or not endorse the named executive officer compensation as described and explained in the *Compensation Discussion and Analysis*, compensation tables and accompanying narrative disclosures in this Proxy Statement. We encourage you to carefully review that information.

Alignment with Performance. We believe that the compensation of our named executive officers for fiscal year 2015 was aligned with the Company's strong performance. As is described more fully in the *Compensation Discussion and Analysis*, during 2015:

We Significantly Increased Shareholder Value. Our share price increased by 228% during fiscal year 2015. This strong share price performance was consistent with our long-term performance; since we began trading as a separate public company on December 21, 2012, through December 31, 2015, our share price increased by 846%, which far exceeded our peer group and other sector and broader market indices.

We Significantly Advanced our Development Pipeline. Our management team made significant progress in advancing each of our lead development programs, NEOD001, PRX002 and PRX003, meeting key milestones for each.

We Significantly Strengthened our Cash Position. Our management team significantly strengthened the Company's balance sheet through careful cash management as well as a successful equity offering. As of December 31, 2015, we had \$370.6 million in cash and cash equivalents, better than our guidance of \$353-359 million and providing a solid financial foundation for advancing the Company's multiple programs.

Pay for Performance. Consistent with our performance-based compensation philosophy, approximately 80% of our named executive officers' potential compensation for fiscal year 2015 was incentive-based.

Annual cash incentives motivate our executive officers to achieve pre-determined annual operational and financial objective set by our Compensation Committee and Board to promote achievement of our business strategies and drive increases in shareholder value.

Equity awards - all in the form of stock options - comprised approximately 71% of our named executive officers' total targeted compensation for fiscal year 2015. Stock options closely align the interests of our executive officers with those of our shareholders because our executive officers will only realize compensation from an option if our share price increases. In addition, options align with our growth strategy and provide significant leverage if our growth objectives are achieved; they also place a significant portion of the executives' compensation at risk if our objectives are not achieved.

Board Recommendation

Our Board believes that the information provided above and in the *Compensation Discussion and Analysis*, compensation tables and accompanying narrative disclosures in this Proxy Statement demonstrate that our executive compensation programs were designed appropriately and are working to ensure that our management s

interests are aligned with our shareholders' interests and support long-term value creation, and that those interests were well-served in fiscal year 2015. Accordingly, we are asking shareholders to approve the following non-binding advisory resolution at the Annual Meeting:

RESOLVED, that the shareholders of Prothena Corporation plc (the Company) approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the *Compensation Discussion and Analysis*, compensation tables and accompanying narrative disclosures set forth in this Proxy Statement.

The vote on this resolution is advisory, and therefore not binding on the Company, our Board or its Compensation Committee. Although non-binding, our Board and its Compensation Committee will review and consider the voting on this proposal when making future decisions regarding compensation of our named executive officers.

**THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE *FOR* THE
NON-BINDING ADVISORY RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED
EXECUTIVE OFFICERS.**

PROPOSAL NO. 4

APPROVAL, IN A NON-BINDING ADVISORY VOTE, OF THE FREQUENCY OF FUTURE ADVISORY (SAY-ON-PAY) VOTES BY SHAREHOLDERS ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Summary

The Dodd-Frank Act enables our shareholders to indicate how frequently they believe we should seek an advisory (non-binding) vote from shareholders on the compensation of our named executive officers, i.e., how frequently to request future Say-on-Pay votes from shareholders. We are accordingly seeking a non-binding advisory vote from shareholders as to the frequency with which our shareholders should have an opportunity to provide an advisory approval - a Say-on-Pay - of our named executive officer compensation. We are providing our shareholders with the choice of selecting a frequency of one, two or three years.

While we will continue to monitor developments in this area, the Board currently plans to seek an advisory Say-on-Pay vote from shareholders every year. We believe that this frequency is appropriate because it will enable our shareholders to vote, on an advisory basis, on the most recent executive compensation information that is presented in each of our proxy statements, leading to a more meaningful and coherent communication between the Company and our shareholders on the compensation of our named executive officers.

The Board's current plan is further based on the premise that this recommendation could be modified if it becomes apparent that an annual frequency vote is not meaningful, is burdensome or is more frequent than indicated by best corporate governance practices.

Board Recommendation

Based on these factors, the Board recommends that future advisory votes by shareholders on named executive officer compensation occur every year, until the next advisory vote on the frequency of future Say-on-Pay votes. Shareholders are not being asked to approve or disapprove the Board's recommendation, but rather to indicate their choice among the following frequency options: one year, two years or three years, or to abstain from voting on this item. If none of the frequency alternatives - one year, two years or three years - receives a majority of the votes cast, we will consider the highest number of votes cast by shareholders to be the frequency that has been selected by shareholders. Accordingly, we are asking shareholders to approve the following non-binding advisory resolution at the Annual Meeting:

RESOLVED, that the compensation of named executive officers of Prothena Corporation plc (the Company) be submitted to an advisory vote by the Company's shareholders every (a) year, (b) two years, or (c) three years, with such alternative that receives the highest number of votes cast representing the vote of shareholders.

The vote on this resolution is advisory, and therefore not binding on the Company, our Board or its Compensation Committee. The Board may decide that it is in the best interests of the Company and its shareholders to hold future advisory Say-on-Pay votes more or less frequently than the frequency indicated by shareholders in voting on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE, IN A NON-BINDING ADVISORY VOTE, THAT FUTURE ADVISORY VOTES BY SHAREHOLDERS ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS BE REQUESTED *EVERY YEAR*.

PROPOSAL NO. 5

APPROVAL OF AN AMENDMENT TO OUR AMENDED AND RESTATED 2012 LONG TERM INCENTIVE PLAN TO INCREASE THE NUMBER OF ORDINARY SHARES AUTHORIZED FOR ISSUANCE UNDER THAT PLAN BY 1,850,000 ORDINARY SHARES, TO A TOTAL OF 7,400,000 ORDINARY SHARES

Summary

On February 24, 2016, the Board adopted, subject to shareholder approval, an amendment (the *Amendment*) to the Prothena Corporation plc Amended and Restated 2012 Long Term Incentive Plan (the *LTIP* and, as amended, the *Amended LTIP*), which was adopted by the Board on March 11, 2014 and approved by our shareholders on May 21, 2014. The effectiveness of the Amended LTIP is subject to approval by the Company's shareholders.

Employees and consultants of the Company, its subsidiaries and affiliates, as well as members of our Board, are eligible to receive awards under the Amended LTIP. The Amended LTIP provides for the grant of stock options, including incentive stock options and NQSOs (nonqualified stock options), stock appreciation rights (SARS), restricted shares, restricted share units, cash or stock-based performance awards and other share-based awards to eligible individuals.

Under the Amended LTIP, we propose to increase the number of ordinary shares reserved for issuance, which we believe is necessary to help ensure that the Company has a sufficient reserve of ordinary shares available to attract and retain the services of key individuals essential to the Company's long-term growth and success.

The Amended LTIP increases the aggregate number of ordinary shares available for issuance under the current LTIP by 1,850,000 ordinary shares, to a total of 7,400,000 ordinary shares.

If shareholders do not approve this Proposal No. 5, the current LTIP will continue in full force and effect subject to the limitations set forth therein.

Background on Share Request

In its determination to approve the Amended LTIP, our Board reviewed an analysis prepared by Radford, its compensation consultant, which included an analysis of our historical shares usage, certain burn rate metrics and the costs of the Amended LTIP. Specifically, our Board considered that:

Based on the Company's current share usage, the remaining share reserve under the current LTIP is expected to last only one year; and

Radford concluded that the addition of 1,850,000 ordinary shares to the share reserve would be within the allowable range under the policies of shareholder proxy advisory services, given the existing share reserve under the current LTIP and outstanding options.

In light of the factors described above, our Board believes the additional authorized shares being requested under the Amended LTIP is reasonable and provides a significant incentive for officers, employees, non-employee directors and consultants to increase the value of the Company for all shareholders.

A summary of the principal provisions of the Amended LTIP is set forth below. The summary is qualified by reference to the full text of the current LTIP, which is incorporated by reference to Appendix A of the Company's Definitive Proxy Statement on Schedule 14A filed with the SEC on March 31, 2014, and the Amendment, which is attached as Appendix A to this Proxy Statement.

Administration

The Amended LTIP may be administered by the Compensation Committee of the Board or such other Board committee designated by the Board (including the full Board), provided that to the extent required by applicable law, the Amended LTIP will be administered by a committee of at least two directors, each of whom qualifies as a non-employee director pursuant to Rule 16b of the Securities Exchange Act of 1934, as amended (the Exchange Act), and an outside director pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) (such committee, the Committee). The Committee may in turn delegate to one or more members of the Board or one or more officers or managers of the Company or any subsidiary or affiliate the authority to perform administrative functions and with respect to awards granted to participants other than senior executives of the Company who are subject to Section 16 of the Exchange Act, to perform other functions as the Committee may determine to the extent permitted under applicable law.

The Committee has the authority to administer the Amended LTIP, including the power to determine participants, affiliates, the types and sizes of awards, the price and timing of awards, the methods for settling awards, the method of payment for any exercise or purchase price, the forms of award agreements, any rules and regulations the Committee deems necessary to administer the Amended LTIP, and the acceleration or waiver of any vesting restriction. The Committee also has the power and authority to interpret the terms of the Amended LTIP and any award agreement thereunder.

Eligibility

Persons eligible to participate in the Amended LTIP include all members of the Board, currently comprised of seven directors, approximately 70 employees (including eight executive officers) and approximately 35 consultants of the Company and its subsidiaries and affiliates, in each case, as determined by the Committee.

Limitation on Awards and Shares Available

The number of ordinary shares authorized for issuance under the current LTIP is 5,550,000. The Amended LTIP's share reserve will be increased by 1,850,000 ordinary shares, to a total of 7,400,000 ordinary shares.

As of March 14, 2016, 4,098,433 ordinary shares were subject to outstanding option awards, with a weighted average exercise price of \$24.38 and a weighted average remaining term of 8.42 years, no ordinary shares were subject to any other types of outstanding awards and 813,820 ordinary shares remained available for future grant under all of the Company's equity plans (which is only the current LTIP). The closing price of our ordinary shares on March 14, 2016 was \$37.83 per share. The ordinary shares covered by the Amended LTIP may be authorized but unissued shares or reacquired shares, including shares purchased by the Company on the open market.

The aggregate number of ordinary shares available for issuance under the Amended LTIP will be reduced by 1.5 ordinary shares for each ordinary share delivered in settlement of any award other than an option or SAR. To the extent that any award is forfeited, terminated, settled in cash, or the shares subject to the award are withheld or surrendered, the shares subject to the award may be added back to the shares available for issuance under the Amended LTIP to the extent that it was originally debited. However, shares tendered or withheld in payment of an exercise price of an option or to satisfy tax withholding obligations for any option or SAR, and shares subject to any SAR that are not issued in connection with the stock settlement of such SAR, may not be added back to the shares available for issuance under the Amended LTIP. In addition, ordinary shares repurchased on the open market with proceeds from stock option exercises may not be used again for new grants under the Amended LTIP. Upon the exercise of any award granted in tandem with any other awards, the related awards will be cancelled with respect to the number of shares as to which the award is exercised. Ordinary shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in the acquisition of any business by the Company or any of its

subsidiaries will not be counted against the shares available for issuance under the Amended LTIP.

The maximum number of ordinary shares that may be subject to one or more awards granted to a participant pursuant to the Amended LTIP during a calendar year is 750,000 and the maximum aggregate amount of cash that may be paid in cash to any person during any calendar year with respect to one or more awards payable in cash shall be \$5,000,000.

Under the Amended LTIP, awards granted to employees or consultants of the Company, other than options and SARs, must vest over a period of not less than three years measured from the date of grant or, in the case of performance-vesting awards, a period of not less than one year measured from the beginning of the applicable performance period, provided, that the Committee has the discretion to accelerate vesting in the event of a death, permanent disability, retirement, termination of service or change in control. The Company hereby commits to extending this minimum vesting requirement to members of our Board, provided, that up to an aggregate of five percent of the total number of shares reserved for issuance under the Amended LTIP may be granted to employees, consultants or members of our Board without regard to these minimum vesting requirements.

Awards

The Amended LTIP provides for the grant of incentive stock options, nonqualified stock options, SARs, restricted shares, restricted share units, cash and stock-based performance awards, dividend equivalents and other share-based awards.

Stock options, including incentive stock options, as defined under Section 422 of the Code, and nonqualified stock options may be granted pursuant to the Amended LTIP. The exercise price of any stock option granted pursuant to the Amended LTIP will not be less than 100% of the fair market value of our ordinary shares on the date of grant. The term of each stock option will be determined by the Committee, but in no event will be longer than ten years after the date of grant. The terms of any incentive stock options shall comply in all respects with the provisions of Section 422 of the Code, including that incentive stock options will be granted within ten years from the earlier of the date of adoption or shareholder approval of the Amended LTIP, as may be amended from time to time. The Committee may provide that any stock option will be exercisable with respect to shares that otherwise would not be then exercisable, provided that the participant enters into a form of restricted share agreement in connection with such exercise.

The Committee determines the times at which a stock option may be exercised, the methods by which such exercise price may be paid, the form of payment, and the methods by which the shares will be delivered to the participant.

A SAR is the right to receive payment of an amount equal to the excess of the fair market value of an ordinary share on the date of exercise of the SAR over the exercise price per share of the SAR, which may not be less than the fair market value of a share of an ordinary share on the date of grant. The Committee determines the times at which a SAR may be exercised, the method of settlement, form of payment, and whether or not a SAR will be in tandem with any other award.

A restricted share award is the grant of ordinary shares at a per share purchase price determined by the Committee (which may equal zero), that is nontransferable and may be subject to substantial risk of forfeiture until specific conditions on vesting determined by the Committee are met. During the period of restriction, participants holding restricted shares may have full voting and dividend rights with respect to such shares (except as described below with respect to restricted stock subject to performance-based vesting conditions). The restrictions will lapse in accordance with a schedule or other conditions determined by the Committee.

Restricted share units may be awarded to any eligible individual, typically without payment of consideration, but subject to vesting conditions based on continued employment or service or on performance criteria established by the Committee. Like restricted shares, restricted share units may not be sold, or otherwise transferred or hypothecated, until vesting conditions are removed or expire. Unlike restricted shares, shares

underlying restricted share units will not be issued until the restricted share units have vested, and recipients of restricted share units generally will have no voting or dividend rights prior to the time when vesting conditions are satisfied.

Dividend equivalent awards entitle participants to receive the equivalent value (in cash or additional shares) of dividends in respect of other awards held by participants. Dividend equivalents may accrue on awards that vest based on the attainment of performance-based objectives, but shall not be payable unless and until such performance-based objectives are met. Additionally, the Amended LTIP provides that dividend equivalents are not payable with respect to options or SARs.

The other types of awards that may be granted under the Amended LTIP include performance awards and other share-based awards. Performance awards, including cash bonuses and performance stock units, which are denominated in ordinary shares or their cash equivalents, may be linked to any one or more performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Other share-based awards are compensation that may be payable in or otherwise based on ordinary shares, including, without limitation, unrestricted shares awarded purely as a bonus.

The Committee may grant awards to employees who are or may be covered employees, as defined in Section 162(m) of the Code, that are intended to be performance-based awards within the meaning of Section 162(m) of the Code in order to preserve the deductibility of these awards for federal income tax. Participants are only entitled to receive payment for a performance-based award for any given performance period to the extent that pre-established performance goals set by the Committee for the period are satisfied. These pre-established performance goals must be based on one or more of the following performance criteria: stock price, earnings per share, price-earnings multiples, net earnings, operating earnings, revenue, number of days sales outstanding in accounts receivable, productivity, margin, EBITDA (earnings before interest, taxes, depreciation and amortization), net capital employed, return on assets, shareholder return, return on equity, return on capital employed, growth in assets, unit volume, sales, cash flow, market share, or strategic business criteria consisting of one or more objectives based on meeting specified revenue goals, market penetration goals, customer growth, geographic business expansion goals, cost targets or goals relating to acquisitions or divestitures, any of which may be measured either in absolute terms or as compared to any incremental increase or decrease or as compared to results of a peer group or to market performance indicators or indices. The performance goals may relate to one or more business units or the performance of the Company as a whole, or any combination of the foregoing. With regard to a particular performance period, the Committee has the discretion to select the length of the performance period, the type of performance-based awards to be granted, and the goals that will be used to measure the performance for the period. In determining the actual size of an individual performance-based award for a performance period, the Committee may reduce or eliminate (but not increase) the award.

Amendment and Termination

The Board may terminate, amend, suspend or modify the Amended LTIP at any time; provided, however, that shareholder approval will be obtained for any amendment to the extent necessary to comply with any applicable law, regulation or securities exchange rule. In addition, the terms of outstanding awards may not be amended to reduce the exercise price of outstanding options or the base amount of outstanding SARs or to cancel outstanding options or SARs in exchange for cash, other awards, options or SARs with an exercise price or base amount less than that of the original options or SARs without shareholder approval. Further, no amendment or termination of the Amended LTIP may materially and adversely affect the rights of any participant pursuant to any award granted to the participant without his or her consent.

No incentive stock options may be granted under the Amended LTIP after March 11, 2024.

Change in Control or Equity Restructuring

If a Change in Control of the Company occurs (as defined in the Amended LTIP), unless the Committee determines otherwise, all outstanding options and SARs that are not exercised shall be assumed or substituted by the surviving corporation and other outstanding awards shall be converted into similar awards of the surviving corporation. Notwithstanding the foregoing, in the event of a Change in Control, the Committee may take any of the following actions with respect to any outstanding award: (a) provide that outstanding awards will accelerate or that restrictions thereon will lapse, as applicable; (b) provide that holders of restricted share units, performance awards, dividend equivalents and other share-based awards will receive a payment in settlement of such awards in an amount determined by the Committee; (c) require that holders of options and SARs surrender their options and SARs in exchange for payment by the Company in an amount equal to the amount by which the then fair market value of the shares exceeds the exercise price of the options or the base amount of SARs, as applicable; or (d) terminate any unexercised options and SARs after giving participants an opportunity to exercise their outstanding options and SARs.

The Committee shall make such equitable changes and adjustments as it deems appropriate in the event of a recapitalization, share split, reverse split, reorganization, merger, or other similar corporate transaction or event, including (i) adjusting the number and kind of shares issuable under the Amended LTIP; the number and kind of securities issued or issuable in respect of outstanding awards; and the exercise price, grant price or purchase price of any award; and (ii) providing for a distribution of cash or property in respect of any award.

Federal Income Tax Consequences

With respect to nonqualified stock options, the Company is generally entitled to deduct and the optionee recognizes ordinary income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. The gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition of such stock will be treated as a long-term capital gain or loss, and the Company will not be entitled to any deduction.

With respect to incentive stock options, if applicable holding period requirements are met (e.g., the stock acquired upon exercise of an incentive stock option is held for a minimum of two years from the date of grant and one year from the date of exercise), the participant will not recognize taxable income at the time of exercise of the incentive stock option. However, the excess of the fair market value of the ordinary shares received over the exercise price is an item of tax preference income potentially subject to the alternative minimum tax. The gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition of such stock will be treated as a long-term capital gain or loss, and the Company will not be entitled to any deduction. If the holding period requirements described above are not met, the incentive stock option will be treated as one which does not meet the requirements of the Code for incentive stock options and the tax consequences described for nonqualified stock options will apply, although the amount of income recognized by the participant will be the lesser of (a) the excess of the fair market value of the shares at the time of exercise over the exercise price, or (b) the excess of the amount realized on the disposition over the exercise price.

The current federal income tax consequences of other awards authorized under the Amended LTIP generally follow certain basic patterns: SARs are taxed and deductible in substantially the same manner as nonqualified stock options; nontransferable restricted shares subject to a substantial risk of forfeiture and restricted share units will result in income recognition equal to the excess of the fair market value over the price paid, if any, only at the time the restrictions applicable to such awards lapse (unless, with respect to an award of restricted shares, the recipient elects to accelerate recognition as of the date of grant); share-based performance awards, dividend equivalents and other types of awards are generally subject to tax at ordinary income rates at the time of payment. In each of the foregoing cases, the Company will generally have a corresponding deduction at the time the participant recognizes income, subject to Section 162(m) of the Code with respect to covered employees.

New Plan Benefits

Awards under the Amended LTIP are subject to the discretion of the Committee. Therefore, it is not possible to determine the benefits that will be received in the future by participants in the Amended LTIP. The *Grants of Plan-Based Awards - Fiscal Year 2015* table in this Proxy Statement describes all equity awards granted to our named executive officers during our fiscal year ended December 31, 2015 under the current LTIP.

Awards Granted to Certain Persons as of March 14, 2016

The following table provides information with respect to awards granted under the current LTIP to our named executive officers, directors and employees as of March 14, 2016. As stated above, it is not possible to determine the amounts of awards that will be granted in the future to participants under the Amended LTIP.

PROPOSAL NO. 6

APPROVAL, BY SEPARATE RESOLUTIONS, OF AMENDMENTS TO (A) THE COMPANY'S MEMORANDUM OF ASSOCIATION AND (B) THE COMPANY'S ARTICLES OF ASSOCIATION

Summary

The Companies Act 2014 (the Act) took effect in Ireland on June 1, 2015. The Act consolidates and amends Irish companies law, and in so doing adopts a new approach and new terminology in regard to the memorandum of association and articles of association of all Irish companies.

We are proposing amendments to our Memorandum of Association and our Articles of Association (collectively referred to as our Constitution) to ensure that they remain consistent with the Act and our current Memorandum of Association and Articles of Association. We believe that none of the proposed amendments to our Memorandum of Association or our Articles of Association will materially diminish the rights of our shareholders.

Under Irish law, any amendment to a public company's memorandum of association must be voted on separately from any amendment to its articles of association. Accordingly, Proposal No. 6(A) sets out the proposed amendments to our Memorandum of Association and Proposal No. 6(B) sets out the proposed amendments to our Articles of Association, and we are asking shareholders to vote separately on Proposal No. 6(A) and Proposal No. 6(B).

Under Irish law, Proposal No. 6(A) and Proposal No. 6(B) are both special resolutions that require the affirmative vote of 75% of the votes cast in person or by proxy at the Annual Meeting in order to be approved.

Proposal No. 6(A) - Amendments to our Memorandum of Association

We propose to amend our Memorandum of Association solely to correctly refer to sections of the Act. Our current Memorandum of Association refers to two sections of the former Companies Act 1963, and those section references need to be updated to refer to corresponding sections of the Act.

Attached as Appendix B - Part I to this Proxy Statement is the Memorandum of Association as proposed to be amended, with the proposed amendments indicated.

Irish law requires that the proposed amendments to our Memorandum of Association be specifically described in the text of the resolution presented to shareholders for approval.

Accordingly, we are asking shareholders to approve the following special resolution at the Annual Meeting:

RESOLVED, that the Memorandum of Association of Prothena Corporation plc be and hereby is amended as follows, as set forth in Appendix B - Part II to this Proxy Statement:

In section 3.15 of that Memorandum of Association, the reference to section 155 of the Companies Act, 1963 be deleted and the words section 158 of the Companies Act 2014 be substituted therefor, and the words as defined by the said section be deleted and the words as defined by the said section 7 of the Companies Act 2014 be substituted therefor.

Proposal No. 6(B) - Amendments to our Articles of Association

We propose to amend our Articles of Association to (1) correctly refer to sections and terminology of the Act, conform to sections of the Act, and make other housekeeping corrections and clarifications, and (2) opt-out of (disapply) certain optional sections of the Act. More specifically:

Our current Articles of Association refers to certain sections of the former Companies Acts 1963-2013, and those section references need to be updated to refer to corresponding sections of the Act. In addition, certain terminology in our current Articles are no longer consistent with terminology used in the Act, and that language needs to be conformed to the terminology of the Act. Other changes are appropriate to conform to the Act. Finally, our current Articles of Association also contains references to Elan Corporation, plc, and the transaction pursuant to which we were separated from Elan on December 20, 2012, that are no longer relevant or applicable.

The Act contains certain optional sections that will apply to the Company unless we specifically opt-out of (disapply) those sections of the Act as permitted by the Act, and we propose to opt-out of certain of those sections in order to remain consistent with our current Articles of Association.

Attached as Appendix B - Part II to this Proxy Statement is the Company's Articles of Association as proposed to be amended, with the proposed amendments indicated.

Attached as Appendix C to this Proxy Statement is a table that describes the proposed amendments to our Articles of Association. Part I of Appendix C describes the updated section references and terminology changes and otherwise to conform with the Act and the other housekeeping corrections and clarifications. Part II of Appendix C describes the optional sections of the Act from which we propose to opt-out (disapply), and Part III of Appendix C describes the optional sections of the Act from which we do not propose to opt-out. Appendix C contains only a summary of the proposed amendments to our Articles of Association and is qualified in its entirety by reference to the complete text of those proposed amendments as shown in Appendix B - Part II.

Irish law does not require that the proposed amendments to our Articles of Association be specifically described in the text of the resolution presented to shareholders for approval. Instead, those proposed amendments are shown in Appendix B - Part II to this Proxy Statement.

Accordingly, we are asking shareholders to approve the following special resolution at the Annual Meeting:

RESOLVED, that the Articles of Association of Prothena Corporation plc be and hereby are amended as set forth in Appendix B - Part II to this Proxy Statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE *FOR* THE AMENDMENTS, BY SEPARATE RESOLUTIONS, TO OUR (A) MEMORANDUM OF ASSOCIATION AND (B) ARTICLES OF ASSOCIATION.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of ordinary shares and other equity securities of the Company. Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company or written representations that no other reports were required, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with during our fiscal year 2015.

COMPENSATION DISCUSSION AND ANALYSIS

In this section we provide an explanation and analysis of the material elements of the compensation provided to our Chief Executive Officer, Chief Financial Officer and other three most highly compensated employees who were serving as executive officers at the end of our fiscal year 2015 (referred to as the named executive officers). For 2015, those named executive officers were:

Dale B. Schenk, President and Chief Executive Officer;

Tran B. Nguyen, Chief Financial Officer;

A.W. Homan, Chief Legal Officer;

Gene G. Kinney, Ph.D., Chief Scientific Officer and Head of Research and Development; and

Martin Koller, M.D., Chief Medical Officer.

Executive Summary

Alignment with Performance. Our executive compensation programs are designed to reward superior performance and provide consequences for under-performance. We believe that compensation of our named executive officers for fiscal year 2015 was aligned with the Company's performance during 2015. Highlights of that performance include:

We Significantly Increased Shareholder Value. Our share price increased from \$20.76 to \$68.11 per share during fiscal year 2015, an appreciation of 228%. This strong share price performance was consistent with our long-term performance; since we began trading as a separate public company on December 21, 2012, through December 31, 2015, our share price increased by 846%, which far exceeded our peer group and other sector and broader market indices.

We Significantly Advanced our Pipeline. During fiscal year 2015, our management team made significant progress in advancing our drug candidate programs. Key accomplishments included:

Reporting positive data from the on-going Phase 1/2 study of NEOD001, a monoclonal antibody for the potential treatment of AL amyloidosis;

Completing enrollment of the expansion cohort of the Phase 1/2 study of NEOD001, while accommodating a significantly greater number of patients than originally projected;

Developing and announcing plans to initiate a Phase 2b global, registration-directed trial (PRONTO), to supplement the on-going Phase 3 VITAL Amyloidosis Study of NEOD001;

Reporting positive data from a Phase 1 single ascending dose study of PRX002, a monoclonal antibody for the potential treatment of Parkinson's disease and other related synucleinopathies,

Initiating a Phase 1 multiple ascending dose study of PRX002;

Initiating a Phase 1 single ascending dose study of PRX003, a monoclonal antibody for the potential treatment of inflammatory diseases including psoriasis; and

Presenting positive preclinical results from a series of novel, conformation-specific protein immunotherapy antibodies that selectively bind to diseased forms of transthyretin (ATTR) protein, advancing a key pre-clinical program in the Company's pipeline.

We Significantly Strengthened our Cash Position. During fiscal year 2015, our management team significantly strengthened the Company's balance sheet through careful cash management as well as a successful equity offering. Our 2015 cash burn from operating and investing activities was favorably below our guidance of \$66-72 million while advancing a number of strategic and operational initiatives, including those listed above. As of December 31, 2015, we had \$370.6 million in cash and cash equivalents, better than our post-offering guidance of \$353-359 million and providing a solid financial foundation for advancing the Company's multiple programs.

Pay for Performance. Our executive compensation programs are designed to deliver pay in accordance with corporate and individual performance. Accordingly, approximately 80% of our named executive officers' total targeted compensation for fiscal year 2015 was in the form of annual cash incentives and stock options, which are linked to actual performance.

Compensation Governance and Best Practices. We are committed to having strong governance standards with respect to our compensation programs, procedures and practices. Our key governance practices include the following:

Pay for performance - A significant percentage of total target compensation is pay at-risk that is connected to performance.

Strong link between performance measures and strategic objectives - Performance measures for incentive compensation are linked to operating priorities designed to create long-term shareholder value.

Independent compensation consultant - The Committee retains an independent compensation consultant to review our executive compensation program and practices.

No guaranteed annual salary increases or bonuses - Our named executive officers' salary increases are based on individual evaluations and their annual cash incentives are tied to corporate and individual performance.

No tax gross-ups - We do not provide any tax gross-ups to our named executive officers.

No perquisites - We do not provide any perquisites or personal benefits to our named executive officers.

The Objective of Our Executive Compensation Programs

The principal objective of our executive compensation programs is to attract, retain, motivate and reward individuals with the executive experience and skills necessary for us to achieve our ultimate goal of increasing shareholder value. In order to do this, our executive compensation programs are designed to:

Attract and retain individuals of superior ability, experience and management talent;

Motivate and reward executives whose knowledge, skills and performance ensure continued success;

Align compensation with corporate strategies, business and financial objectives, operational needs and the long-term interests of shareholders;

Ensure that elements of compensation do not encourage excessive risk-taking; and

Ensure that total compensation is fair, reasonable and competitive relative to both internal and external comparison points.

How We Determined Executive Compensation

The Compensation Committee is Responsible for Executive Compensation. The Compensation Committee of our Board of Directors (the Committee) makes all decisions on compensation to our executive officers other than our Chief Executive Officer. In the case of our CEO, the Committee makes recommendations to the Board regarding his compensation, and the Board (excluding the CEO) makes all final decisions on his compensation. Information about the Committee is provided in this Proxy Statement under the heading *Proposal No. 1 - Election of Directors - Board Committees - Compensation Committee*.

The Committee Utilizes a Compensation Consultant. The Committee annually retains an executive compensation consultant to assist the Committee in making informed decisions on executive officer compensation. The compensation consultant engaged by the Committee for the purpose of establishing fiscal

year 2015 compensation was Radford, an AonHewitt Company. Radford was identified and engaged directly by the Committee, after the Committee assessed Radford's independence from the Company and its management.

Radford was engaged by the Committee to prepare and present an objective assessment of compensation programs for our executive officers, with respect to their reasonableness compared to those of peer companies and their appropriateness in accomplishing the Committee's objectives. Radford was also asked to provide to the Committee specific recommendations on our executive compensation programs generally, as well as on the compensation for each executive officer.

For purposes of their compensation study for the Committee, Radford identified a peer group of companies for executive compensation comparison purposes. Radford used criteria based on (a) sector, stage and geography, (b) market capitalization, and (c) number of employees, to develop a recommended list of peer companies, which Radford presented to the Committee and the Committee then approved. The peer group companies identified and used by Radford for executive compensation comparison purposes for fiscal year 2015 were:

Acceleron Pharma	Geron
Agios Pharmaceuticals	Inovio Pharmaceuticals
Anacor Pharmaceuticals	Karyopharm Therapeutics
bluebird bio	MacroGenics
Celldex Therapeutics	OncoMed Pharmaceuticals
Cempra	Portola Pharmaceuticals
Chimerix	Sangamo BioSciences
Clovis Oncology	Threshold Pharmaceuticals
Enanta Pharmaceuticals	Xencor
Epizyme	XOMA
Five Prime Therapeutics	ZIOPHARM Oncology

At the time the Committee approved this peer group, the Company's market capitalization was at approximately the 40th percentile of the peer group's range of \$300 million to \$1.5 billion.

For competitive assessment purposes, Radford used executive compensation data publicly reported by these peer group companies (i.e., proxy statement data), as well as data from Radford's 2014 Global Life Science Survey of these peer companies and other publicly-traded pre-commercial biotechnology companies with market capitalizations comparable to the Company.

Radford's report to the Committee included a review of our existing executive compensation programs, practices, levels and arrangements, each executive officer's compensation relative to the comparative data, and our equity grant practices for all employees (not just executive officers) relative to the comparative data. Radford's report also provided recommendations on changes that might be made to our executive compensation programs generally, and to each

executive officer's compensation. Radford provided its written report in advance of a Committee meeting, at which the lead Radford consultant presented and responded to questions from the Committee.

The CEO Makes Recommendations. At a meeting with the Radford consultant present, the CEO presented to the Committee his recommendations on executive compensation programs, objectives and levels for the executive officers other than himself. Following completion of fiscal year 2015, the CEO provided his assessment of the performance of those executive officers, generally as well as with specific reference to corporate objectives previously established by the Committee.

The Committee or Board Makes Compensation Decisions. The Committee determined at the beginning of fiscal year 2015 the structure of executive officer compensation programs for that year, after receiving Radford's

report and recommendations and receiving the CEO's recommendations on compensation for the executive officers other than himself. Specifically, the Committee determined for each executive officer other than the CEO (a) any adjustment to his or her base salary, (b) his or her target annual cash bonus opportunity for 2015 and the corporate objectives for 2015 upon which 75% of that bonus would be based, and (c) his or her stock option award for 2015.

In the case of the CEO, the Committee recommended to the full Board (other than the CEO) any adjustment to the his base salary, his annual cash bonus opportunity for fiscal year 2015 and the corporate objectives for 2015 upon which 100% of that bonus would be based, and his annual stock option award for 2015. In an executive session without the CEO present, the Board approved the compensation recommended by the Committee with respect to the CEO.

After completion of fiscal year 2015, the Committee received the CEO's report on the Company's performance relative to the pre-determined corporate objectives for 2015, as well as on the individual performance of each executive officer other than himself. The Company's Head of Human Resources (who is not an executive officer) participated in that Committee meeting, as did the lead Radford consultant. After receiving that report, the Committee determined the annual cash bonus to be paid to each executive officer other than the CEO for 2015.

After completion of fiscal year 2015, the Nominating and Corporate Governance Committee of the Board completed its review of the CEO's performance during 2015 (in a meeting with all other independent members of the Board present). The Compensation Committee then met, with the other independent members of the Board present and the lead Radford consultant, to discuss the CEO's compensation. The Committee determined its recommendation to the full Board (other than the CEO) on the CEO's annual cash bonus for 2015. In an executive session without the CEO present, the Board approved that bonus recommended by the Committee.

Executive Compensation for Fiscal Year 2015

The three key elements of our executive officer compensation programs for fiscal year 2015 were: base salaries; annual cash bonuses; and long-term incentive compensation in the form of stock option awards. In addition, the Committee (or the Board) has approved arrangements providing for certain payments and benefits in the event of certain terminations of employment.

Base Salaries. Base salaries are intended to compensate our named executive officers for serving as the senior members of our management team. Salaries are also considered an important element of compensation necessary to retain the Company's executive officers in a competitive marketplace. To accomplish these objectives, the Committee reviews and sets base salaries annually, generally positioning around the 50th percentile of the competitive data specific to each executive officer's position, which the Committee considers appropriate to accomplish the purposes of this element of executive compensation. Radford determined 50th percentile data using a composite of data from the peer group and the broader market survey discussed above.

In determining base salaries for fiscal year 2015, the Committee considered the competitive data provided by Radford, and also made subjective assessments of each executive officer's experience, performance and criticality. Based on these considerations, the Committee approved adjustments to annual base salaries of our executive officers in the range of 1.5% to 7%, in order to maintain them at approximately the 50th percentiles as indicated by Radford's comparative market data.

The Committee made a recommendation to the Board, based on the same considerations, with respect to the CEO's base salary. The Committee recommended and the Board approved a 4% adjustment of the CEO's base salary, in order to maintain competitive market positioning at approximately the 50th percentile.

Annual Cash Bonuses. Annual cash bonuses are intended principally to motivate executive officers to achieve pre-determined annual operational and financial (corporate) objectives set by the Committee to

promote achievement of our business strategies and drive increases in shareholder value. The annual cash bonuses for our named executive officers other than the CEO depend primarily on the Company achievement of those corporate objectives, but also depend on individual performance. Our CEO's annual cash bonus depends exclusively on the Company's achievement of the pre-determined corporate objectives. The Committee believes that broader corporate objectives are appropriate to ensure all executive officers are working together toward those goals, and that individual performance is in some cases an appropriate additional consideration to motivate and reward individual contributions to the Company's overall success. These cash awards are made under our shareholder-approved Incentive Compensation Plan (the "ICP"), and are described in the *Grants of Plan-Based Awards - Fiscal Year 2015* table below.

In determining the targeted annual cash bonus opportunity for each named executive officer, the Committee considered Radford's comparative data (including peer group and survey data) on targeted annual cash bonus opportunity and total targeted annual cash compensation. The Committee also considered the experience, performance and criticality of each executive officer. Based on these considerations, the Committee determined each executive officer's targeted annual cash bonus opportunity, which were generally around the 75th percentile for comparable positions, although the Committee did not necessarily target the 75th percentile. Because the Committee set base salaries that were generally around the 50th percentile, the resulting total targeted annual cash compensation for each executive officer generally fell in the range of the 50th to 75th percentiles.

Targeted annual cash bonuses are expressed as a percentage of annual base salary. For fiscal year 2015, the CEO's targeted cash bonus was 60% of his base salary earned in 2015, and the other named executive officers' targeted cash bonuses were 40% of their respective base salaries earned in 2015. The maximum cash bonus that could have been earned by the CEO was 90% of base salary, and the maximum cash bonus that could have been earned by the other named executive officers was 60% of base salary - i.e., 150% of their respective target bonuses. The Committee determined not to change the target and maximum bonuses for our named executive officers from their respective levels in 2014. With respect to such levels, the Committee determined that a higher target and maximum bonus opportunity for the CEO, relative to the other executive officers, was appropriate because of his position and responsibilities and in light of the comparative data supplied by Radford. The Committee determined to use the same bonus opportunities (as a percentage of base salary) for all of the other named executive officers because it felt that differences in their base salaries were sufficient to distinguish between their relative positions, experience and criticality.

Annual cash bonuses earned by each named executive officer for fiscal year 2015 depended on (a) the Company's performance relative to pre-determined corporate objectives established by the Committee (weighted 100% for the CEO and 75% for the other named executive officers), and (b) in the case of the executive officers other than the CEO, the executive officer's individual performance (weighted 25%), as determined by the Committee based on assessments from the CEO.

For fiscal year 2015, the Committee (and the Board, with respect to the CEO) established pre-determined corporate objectives that it considered critical to the near- and long-term success of the Company. The Company does not disclose certain specific objectives as they contain competitively sensitive information. However, the objectives were generally as follows, with the weighting shown:

Research and Development: Progress our research and development portfolio to achieve specific primary milestones with respect to our NEOD001, PRX002, PRX003 clinical programs, as well as preclinical programs (65%);

Edgar Filing: Prothena Corp plc - Form DEF 14A

Financial: Meet our cash burn guidance range of \$66-72 million, and increase the ownership stake to 35% of at least one additional institutional investor (20%);

Business Development: Meet an objective with respect to a third-party collaboration (10%); and

Human Resources: Attract and retain talent (by achieving below 7.5% voluntary turnover) to achieve our goals (5%).

The Committee and Board considered most of these objectives moderately difficult to achieve, and some as stretch objectives that would be more difficult to achieve.

The Committee determined after fiscal year 2015 that the Company met some but not all of the Research and Development objectives; exceeded the Financial objectives; did not meet the Business Development objective; and met the Human Resources objectives. On that basis, the Committee determined that overall Company performance relative to the pre-determined corporate objectives was 85%. Based on the CEO's assessment and report to the Committee on each other named executive officer's individual performance (relative to the pre-determined corporate objectives and/or more generally), the Committee approved annual cash bonuses to the named executive officers (other than the CEO) ranging from 86% to 93% of their targeted annual cash bonuses. The Committee recommended to the Board that the CEO's annual cash bonus be 85% of his targeted annual performance-based bonus - consistent with what the Committee determined with respect to the Company's achievement relative to the pre-determined corporate objectives - which recommendation the Board approved. The actual annual cash bonus paid to each named executive officer for 2015 performance is set forth in the *Non-Equity Incentive Plan Compensation* column of the *Summary Compensation Table* below.

Long-Term Incentive Compensation. Long-term incentives are an important element of our executive compensation that the Committee uses primarily to motivate our executive officers to increase shareholder value, and secondarily to retain executive officers. The Committee believes that long-term incentive compensation also encourages our executives to identify, pursue and invest in appropriate long-term strategies for increasing shareholder value. Our long-term incentives for fiscal year 2015 were solely in the form of nonqualified stock (share) options awarded under our shareholder-approved Amended and Restated 2012 Long Term Incentive Plan (the "LTIP").

We use stock options to link executive officer compensation directly to increases in the price of our ordinary shares, which directly reflects increased shareholder value. All stock options are granted with an exercise price equal to the fair market value (as defined by our LTIP) of our ordinary shares, and generally require continued employment for four years in order to vest fully. Stock options therefore compensate our executive officers only if our share price increases after the date of grant and the executive officer remains employed for the periods required for the stock option to become exercisable. The Committee thus considers stock options a particularly effective incentive and retention tool because it motivates our executive officers to increase shareholder value and remain with the Company.

In determining the stock option to award to each executive officer (and to recommend that the Board approve awarding to the CEO) in fiscal year 2015, the Committee considered data presented by Radford, including:

For each executive officer, the grant date Black-Scholes values (using the assumptions in the Company's most recent quarterly or annual report) of the annual stock option awarded to the executive officer in 2014, Radford's market data for the 50th and 75th percentiles, and the number of option shares necessary (at that Black-Scholes value) to align with those 50th and 75th percentiles;

For each executive officer and all executive officers as a whole, the annual stock options awarded in 2014 as a percent of the Company's outstanding shares;

Various share dilution analyses, assessed share usage and equity compensation practices of the peer group companies identified by Radford and approved by the Committee;

The prevalence of other forms of equity-based incentive compensation used by those peer group companies;

Executive officers' individual and collective equity ownership through vested and unvested stock options relative to the peer group data;

The in-the-money and underwater values of vested and unvested options and total potential value at certain potential future stock prices of stock options previously granted to each executive officer; and

Other comparative market data on equity compensation practices at the peer group companies and from Radford's broader biotechnology sector survey.

The Committee also considered the relative position, experience, performance and criticality of each executive officer.

The grant date Black-Scholes values of the stock options awarded to our executive officers in 2015 were generally around the 75th percentile of the comparative market data, although the Committee did not specifically target the 75th percentile.

The stock option awarded in 2015 to each named executive officer is set forth in the *Grants of Plan-Based Awards - Fiscal Year 2015* table below, and the value of that option is set forth in the *Options Awards* column of the *Summary Compensation Table* below.

Deferred Compensation. Our executive officers are eligible to participate in our tax-qualified 401(k) Plan on the same terms as all other U.S. employees. The Company makes non-discretionary contributions to the accounts of all participants in that Plan, and may also make discretionary matching contributions to all participants' accounts (which it did for fiscal year 2015, equal to 1.25% of each participant's eligible earnings in 2015).

Perquisites and Other Personal Benefits. No perquisites or other personal benefits are provided to our executive officers.

Termination of Employment Arrangements. We have an employment agreement with Dr. Schenk, our CEO, which was approved by our Board in order to retain Dr. Schenk as our CEO at the time that Prothena separated from Elan Corporation, plc to become a separate publicly-traded company. Dr. Schenk's employment agreement provides for certain severance payments and benefits in the event of qualifying termination of employment. Certain provisions of that employment agreement were amended by our Amended and Restated Severance Plan (the *Severance Plan*), in which all of our U.S. employees participate, which Plan was approved by the Committee. We have also awarded stock options to Dr. Schenk containing accelerated vesting provisions in the event Dr. Schenk's employment with the Company terminates under certain circumstances. The material terms of the employment agreement (as so amended) and these option terms, as they relate to certain potential terminations of Dr. Schenk's employment, are described below under the heading *Change in Control and Severance Arrangements - Dale B. Schenk*.

The Committee and the Board considered these arrangements to be necessary in order to secure Dr. Schenk's services as our CEO. The Committee and the Board also consider them to be reasonable and customary, and believe that these arrangements ensure that Dr. Schenk focuses solely on the best interests of our shareholders in the event of a possible, threatened or pending change in control, despite how a change in control might affect him personally. These change in control arrangements therefore serve as an important retention tool and ensure that personal uncertainties do not dilute his complete focus on promoting shareholder value.

Our other named executive officers do not have employment agreements. However, they do participate in our Severance Plan, which provides for certain severance payments and benefits in the event of qualifying terminations of employment, and they have also been awarded stock options containing accelerated vesting provisions in the event the executive officer's employment with the Company terminates under certain circumstances. The material terms of the Severance Plan and these option agreements, as they relate to certain potential terminations of the named executive officers' employment, are described below under the heading *Change in Control and Severance Arrangements - Other Named Executive Officers*.

For the same reasons described above, the Committee considered these arrangements to be necessary in order to secure the services of the named executive officer, reasonable and customary and an important retention tool that ensures that personal uncertainties do not dilute our executive officers' complete focus on promoting shareholder value.

Other Compensation-Related Practices and Considerations

Stock Option Grant Practices and Procedures. All stock options awarded to our executive officers other than the CEO were approved by the Committee, and stock options awarded to our CEO were approved by our Board (based on recommendations from the Committee). Grants to other employees are pursuant to specific delegations of authority from the Committee, which delegations include individual grant limits, aggregate grant limits, specification of grant terms and specification of grant dates.

Stock options approved (or delegated for approval) by the Committee and the Board have always been granted on a date not earlier than the date of approval by the Committee, Board or delegated officer, and with an exercise price that is not less than the fair market value (as defined the LTIP) on the date of grant.

Tax Considerations. Section 162(m) of the U.S. Internal Revenue Code generally limits a company's ability to deduct for tax purposes compensation in excess of \$1,000,000 paid in any single tax year to the chief executive officer or any of the next three most highly compensated executive officers other than the chief financial officer, unless that compensation is deemed to be performance-based in accordance with Section 162(m). Our ICP and LTIP are designed and approved by shareholders so that incentive compensation may be performance-based in accordance with Section 162(m). However, the Committee considers it essential to structure a compensation program that will attract, retain, motivate and reward executives with the experience, skills and proven ability to maximize shareholder returns. Accordingly, the Committee considers the tax deductibility of executive officer compensation programs, but has chosen to approve certain compensation that has limited tax deductibility under Section 162(m) where such compensation serves the Committee's compensation objectives. These elements of compensation that are not qualified under Section 162(m) will only be non-deductible to the Company if, as to any particular named executive officer, the total amount of that compensation, when combined with that executive's salary and imputed income for certain benefits, exceeds \$1,000,000 in any given year.

- (1) Consists of nonqualified stock (share) options awarded under our Amended and Restated 2012 Long Term Incentive Plan (the "LTIP"). These amounts do not reflect compensation actually received. Rather, these amounts represent the grant date fair value of the options awarded, calculated in accordance with Financial Accounting Standards Board ASC Topic 718. For a discussion of the assumptions made in calculating the values reflected for fiscal year 2015, see Note 9 of the Consolidated Financial Statements included in our Annual Report on Form 10-K for fiscal year 2015.

- (3) For fiscal year 2015, consists only of Company contributions to the named executive officer's account under the Company's tax-qualified 401(k) defined contribution plan.

- (1) Consists of cash bonus awards under the ICP for our fiscal year 2015. Under these awards, the named executive officers were eligible to receive a cash payout depending entirely or primarily upon Company performance relative to pre-determined objectives for fiscal year 2015. In the case of Dr. Schenk, his earned cash payout depended 100% upon Company performance against those pre-determined objectives. In the case of the other named executive officers, their earned cash payouts depended 75% on Company performance against those pre-determined objectives and 25% on individual performance for fiscal year 2015. The amounts shown in the *Threshold* column are those that would have been paid if the exact minimum or threshold level of Company performance relative to the pre-determined objectives established by the Committee had been achieved for payouts to have been earned (which minimum performance the Committee had set at 60%) and, in the case of the named executive officers other than Dr. Schenk, no amount was paid for individual performance; these amounts equal 36% of annual base salary earned in 2015 in the case of Dr. Schenk, and 24% of annual base salary earned in 2015 in the case of the other named executive officers. The amounts shown in the *Target* column are those that would have been paid if each of the pre-determined objectives for Company performance established by the Committee had been achieved, and assume that the Committee also determined that individual performance (for the named executive officers other than Dr. Schenk) supported a 100% payout; these amounts equal 60% of annual base salary earned in 2015 in the case of Dr. Schenk and 40% of annual base salary earned in 2015 in the case of the other named executive officers. The amounts shown in the *Maximum* column are those that would have been paid if the each of the pre-determined objectives for Company performance established by the Committee had been achieved and the Committee determined that other Company and individual accomplishments supported a maximum payout; these amounts equal 90% of annual base salary earned in 2015 in the case of Dr. Schenk and 60% of annual base salary earned in 2015 in the case of the other named executive officers. If Company performance relative to the pre-determined objectives for fiscal year 2015 had not at least equaled the minimum (threshold) level of 60%, no payout would have been earned. Regardless of Company and/or individual performance, the maximum payout for each named executive officer was 150% of his or her targeted bonus payout. In addition, regardless of actual performance relative to the pre-determined objectives, the Committee retained discretion to reduce or eliminate any amount that otherwise would be payable. The amounts

reported in this table are estimated future payouts as they existed at the time the award was made; the actual cash payouts to each executive officer are reported in the *Non-Equity Incentive Plan* column of the *Summary Compensation Table* above.

- (2) Consists of ordinary shares that may be acquired by exercise of nonqualified stock (share) options awarded under the LTIP. These option awards have a four-year vesting schedule from a vesting commencement date of March 11, 2015, with 25% of the shares subject to the option vesting on the first anniversary of that vesting commencement date, and the remainder vesting in equal monthly installments over the next three

years thereafter, subject to continued employment (except in the event of certain terminations of employment, as described below under the heading *Change in Control and Severance Arrangements*). The option exercise price per share for each of these option awards is the closing market price of the Company's ordinary shares on the date of grant. These options expire no later than ten years after the grant date. The options reported in this table are also reported in the *Outstanding Equity Awards at Fiscal Year-End* table below.

- (3) These amounts do not reflect compensation actually received. Rather, these amounts represent the grant date fair value of the options awarded, calculated in accordance with Financial Accounting Standards Board ASC Topic 718. For a discussion of the assumptions made in calculating the values reflected, see Note 9 of the Consolidated Financial Statements included in our Annual Report on Form 10-K for fiscal year 2015. The fair values reported in this table are also reported in the *Option Awards* column of the *Summary Compensation Table* above.

The following table shows all outstanding equity awards - which were only stock (share) options - held by our named executive officers at the end of our fiscal year 2015. Certain of the stock (share) option awards reported in this table are also reported in the *Grants of Plan-Based Awards* table above.

- (4) Consists of the in-the-money value of certain unvested nonqualified stock (share) options as of December 31, 2015 at the closing market price per share on that date (\$68.11). The value of accelerated options are calculated by multiplying the number of unvested option shares as of December 31, 2015 by the difference between the exercise price per share and the closing market price per share on December 31, 2015. For more information, see the footnotes to the *Outstanding Equity Awards at Fiscal Year-End Fiscal Year 2015* table above.
- (5) Amounts shown are estimates of what the Company would pay in COBRA premiums for continued medical, dental and vision coverage after a qualifying termination of employment. The reported amounts (a) include only the portion of the COBRA premiums for the executive officer and his or her covered dependents that exceeds the amount the executive officer would have paid as an employee, (b) assume that the executive officer and all covered dependents do not cease to be eligible for COBRA during the relevant period, and (c) assume that the executive officer does not become eligible to receive new healthcare coverage during the relevant period.
- (6) Amounts shown are estimates of what the Company would pay to provide career transition assistance to the executive officer. Change in Control and Severance Arrangements

Dale B. Schenk

Dr. Schenk, our President and Chief Executive Officer, is party to an Employment Agreement, dated January 22, 2013, with Prothena Biosciences Inc ("PBI"), a wholly-owned subsidiary of the Company and Dr. Schenk's employer (referred to in this narrative as the "Company"). That Employment Agreement was approved by our Board. The Employment Agreement provides for certain compensation to be paid and benefits to be provided to Dr. Schenk (or his estate) in the event of certain involuntary terminations of his employment. Certain provisions of that Employment Agreement were amended by the Prothena Biosciences Inc Amended and Restated Severance Plan (the "Severance Plan"), which was approved by the Compensation Committee. In addition, stock options awarded to Dr. Schenk (as recommended by the Compensation Committee and approved by the Board) are subject to terms providing for accelerated vesting and extensions of time to exercise in the event of certain involuntary terminations of employment.

The Employment Agreement (as so amended by the Severance Plan) and option award agreements with Dr. Schenk provide for the following compensation and benefits to be provided to Dr. Schenk in the event of certain involuntary terminations of his employment:

Accrued Payments: Upon a termination of Dr. Schenk's employment for any reason, Dr. Schenk (or his estate) will be entitled to receive (a) any portion of his annual base salary and targeted annual performance-based bonus that is earned but not paid through the date of termination, (b) any unreimbursed business expenses, (c) any accrued but unused vacation and/or floating holidays, and (d) any amount arising from Dr. Schenk's participation in, or benefits under, any employee benefit plans, programs or arrangements.

Severance Payments and Benefits Not in Connection with a Change in Control: In the event of Dr. Schenk's termination of employment by the Company without Cause (defined below), by Dr. Schenk for Good Reason (defined below) or because of Dr. Schenk's death or Disability (as defined in the Employment Agreement), in each case that occurs outside of the 24-month period commencing on the consummation of a Change in Control

(defined below), in addition to the accrued payments described above, the Company will (a) pay in a lump sum cash payment an amount equal to 150% of Dr. Schenk's annual base salary as of the date of termination; (b) pay 100% of the annual target bonus in a lump sum cash payment; (c) if Dr. Schenk elects to receive continued healthcare coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), directly pay, or reimburse him for, the portion of the COBRA premiums for Dr. Schenk and his covered dependents that exceeds the amount of such premium an active employee would be required to pay during the period commencing on his termination of employment and ending upon the earliest of (1) the 18-month anniversary of the date of termination, (2) the date that he and/or his covered dependents, as applicable, become no longer eligible for COBRA, or (3) the date that he becomes eligible to receive healthcare coverage from a subsequent employer; and (d) if Dr. Schenk commences a career transition assistance program sponsored or arranged for by the Company within 60 days following the date of termination, pay for such program for a period of 12 months. In addition, if Dr. Schenk's termination of employment by the Company without Cause or by Dr. Schenk for Good Reason, the Company will accelerate each outstanding equity award held by Dr. Schenk with respect to that number of shares that would have vested had he continued employment for the 18-month period immediately following the date of termination, and extend the post-termination exercise period to 18 months from the date of termination (unless it expires earlier under its term). In the event of the termination of Dr. Schenk's employment due to his death or Total and Permanent Disability (as defined in the option award agreements), the Company will accelerate each outstanding option award held by him with respect to 100% of the then unvested shares subject to each such option award, and extend the post-termination exercise period to 12 months from the date of termination (unless it expires earlier under its term).

Severance Payments and Benefits in Connection with a Change in Control: In the event of Dr. Schenk's termination of employment by the Company without Cause, by Dr. Schenk for Good Reason or because of Dr. Schenk's death or Disability, in each case that occurs within the 24-month period commencing on the consummation of a Change in Control, in addition to the general severance payments described above, the Company will (a) pay in a lump sum cash payment an amount equal to 250% of Dr. Schenk's annual base salary as of the date of termination; (b) pay 250% of the annual target bonus in a lump sum cash payment; (c) accelerate each outstanding equity award held by Dr. Schenk with respect to 100% of the then unvested shares subject to each such equity award and extend the post-termination exercise period to 18 months from the date of termination (unless it expires earlier under its term); (d) if Dr. Schenk elects to receive continued healthcare coverage pursuant to COBRA, directly pay, or reimburse him for, the portion of the COBRA premiums for Dr. Schenk and his covered dependents that exceeds the amount of such premium an active employee would be required to pay during the period commencing on his termination of employment and ending upon the earliest of (1) the 18-month anniversary of the date of termination, (2) the date that he and/or his covered dependents, as applicable, become no longer eligible for COBRA, or (3) the date he becomes eligible to receive healthcare coverage from a subsequent employer; and (e) if Dr. Schenk commences a career transition assistance program sponsored or arranged for by the Company within 60 days following the date of termination, pay for such program for a period of 12 months.

Dr. Schenk's employment agreement also includes a Section 280G "best pay" provision, which provides that in the event that any payments or benefits received by Dr. Schenk in connection with a Change in Control would be subject to the excise tax under Section 4999 of the Code, Dr. Schenk will receive either a reduced portion of such payments and benefits such that no excise tax would apply or the full amount of the payments and benefits, whichever results in a greater after-tax benefit to Dr. Schenk.

"Change in Control" is defined in the Employment Agreement as (a) the consummation of a merger or consolidation of the Company with or into another entity or any other corporate reorganization, if more than 50% of the combined voting power of the continuing or surviving entity's issued shares or securities outstanding immediately after such merger, consolidation or other reorganization is owned by persons who were not shareholders of the Company immediately prior to such merger, consolidation or other reorganization; (b) the sale, transfer or other disposition of all or substantially all of the Company's assets; (c) individuals who as of the date the Board first consists of at least seven members constitute the Board (the "Original Directors") cease for

any reason to constitute at least a majority of the Board; provided, however, that any individual who becomes a director of the Company subsequent to the date the Board first consists of at least seven members shall be considered an Original Director if the individual's election or nomination for election to the Board was approved by a vote of at least a majority of the Original Directors; but, provided further that any such individual whose initial assumption of office is in connection with an actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board, including by reason of agreement intended to avoid or settle any such actual or threatened contest or solicitation will not be considered an Original Director; (d) a transaction as a result of which any person or company obtains the ownership directly or indirectly of the shares in the Company carrying more than 50% of the total voting power represented by the Company's issued share capital in pursuance of a compromise or arrangement sanctioned by the court under Section 450 of the Irish Companies Act 2014, or becomes bound or entitled to acquire ordinary shares in the Company under Section 457 of the Irish Companies Act 2014; (e) any transaction as a result of which any person becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company, representing at least 50% of the total voting power represented by the Company's then outstanding voting securities (e.g., issued shares); or (f) certain similar transactions taking place with respect to PBI, as set forth more fully in the Employment Agreement. The definition of Change in Control for purposes of the option award agreements is substantially similar to the definition in the Employment Agreement, except that similar transactions with respect to PBI are not included.

Cause is defined in the Employment Agreement as (a) the willful and continued failure by Dr. Schenk to substantially perform his duties with the Company (other than as a result of physical or mental disability) after a written demand for substantial performance is delivered to Dr. Schenk by the Board, which demand specifically identifies the manner in which the Board believes that Dr. Schenk has not substantially performed his duties and that has not been cured within 30 days following receipt by him of the written demand; (b) commission by Dr. Schenk of a felony (other than a traffic-related offense) that in the written determination of the Board is likely to cause or has caused material injury to our business; (c) documented intentional misrepresentation or omission of material fact with respect to a significant matter relating to our business; or (d) material breach of any agreement by and between Dr. Schenk and the Company, which material breach has not been cured within 30 days following receipt by Dr. Schenk of written notice from the Board identifying such material breach. Cause is defined in the option award agreements as (i) the willful breach, habitual neglect or poor performance of job duties and responsibilities; (ii) conviction (or entry of a guilty plea or plea of nolo contendere) of any crime, excluding minor traffic offenses; (iii) commission of an act of dishonesty or breach of fiduciary duty; (iv) commission of a material violation of any of the Company's personnel policies; or (v) any act or omission which is contrary to the business interest, reputation or goodwill of the Company.

Good Reason is defined in the Employment Agreement as (a) a material diminution in Dr. Schenk's base compensation; (b) a material diminution in his authority, duties or responsibilities; (c) a change in the geographic location at which he must perform his services that increases his one-way commute by more than 30 miles; or (d) a material breach of the Employment Agreement by the Company. Notwithstanding the foregoing, Dr. Schenk will not have Good Reason unless the condition giving rise to his resignation continues more than 30 days following his written notice of the condition provided to the Company within 90 days of the first occurrence of such condition and his resignation is effective within 180 days following the first occurrence of such condition. The definition of Good Reason in the option award agreements is substantially similar to the definition in the Employment Agreement.

Other Named Executive Officers

The other named executive officers (i.e., the named executive officers other than Dr. Schenk) are eligible to participate in the Severance Plan. The Severance Plan provides for certain compensation to be paid and benefits to be provided to them (or their estates) in the event of certain involuntary terminations of their employment. In addition, stock options awarded to those named executive officers under our LTIP are subject to terms providing for accelerated vesting and extensions of time to exercise in the event of certain involuntary terminations of employment.

The Severance Plan and option award agreements provide for the following compensation and benefits to be provided to the other named executive officers in the event of certain involuntary terminations of employment:

Severance Payments and Benefits Not in Connection with a Change in Control: Under the Severance Plan, in the event of a named executive officer's termination of employment by the Company on account of a Triggering Event (defined below) that occurs outside of the 24-month period commencing on the consummation of a Change in Control (defined below), the Company will (a) pay in a lump sum cash payment an amount equal to 100% of the named executive officer's annual base salary as of the date of termination; (b) pay 100% of the annual target bonus in a lump sum cash payment; (c) if the named executive officer elects to receive continued healthcare coverage pursuant to COBRA, directly pay, or reimburse him or her for, the portion of the COBRA premiums for the named executive officer and his or her covered dependents that exceeds the amount of such premium an active employee would be required to pay during the period commencing on his termination of employment and ending upon the earliest of (1) the 12-month anniversary of the date of termination, (2) the date that he or she and/or his or her covered dependents, as applicable, become no longer eligible for COBRA, or (3) the date he or she becomes eligible for new healthcare coverage (other than through his or her spouse); and (d) if the named executive officer commences a career transition assistance program sponsored or arranged for by the Company within 60 days following the date of termination, pay for such program for a period of 12 months.

Under the option award agreements, in the event of the named executive officer's termination of employment by the Company without Cause (defined below) or by the executive officer for Good Reason (defined below), in each case that occurs outside of the 24-month period commencing on the consummation of a Change in Control (defined below), the Company will accelerate each outstanding option award held by the named executive officer with respect to that number of shares that would have vested had he or she continued employment for the 12-month period immediately following the date of termination, and extend the post-termination exercise period to 12 months from the date of termination (unless it expires earlier under its term). In the event of a named executive officer's termination of employment because of the executive officer's death or Total and Permanent Disability (as defined in the agreements), the Company will accelerate each outstanding option award held by the named executive officer with respect to 100% of the then unvested shares subject to each such option award, and extend the post-termination exercise period to 12 months from the date of termination (unless it expires earlier under its term).

Severance Payments and Benefits in Connection with a Change in Control: In the event of a named executive officer's termination of employment by the Company in connection with a Triggering Event that occurs within the 24-month period commencing on the consummation of a Change in Control, the Company will (a) pay in a lump sum cash payment an amount equal to 150% of the named executive officer's annual base salary as of the date of termination; (b) pay 150% of the annual target bonus in a lump sum cash payment; (c) if the named executive officer elects to receive continued healthcare coverage pursuant to COBRA, directly pay, or reimburse him or her for, the portion of the COBRA premiums for the named executive officer and his or her covered dependents that exceeds the amount of such premium an active employee would be required to pay during the period commencing on his or her termination of employment and ending upon the earliest of (1) the 18-month anniversary of the date of termination, (2) the date that he or she and/or his or her covered dependents, as applicable, become no longer eligible for COBRA, or (3) the date he or she becomes eligible for new healthcare coverage (other than through his or her spouse); and (d) if the named executive officer commences a career transition assistance program sponsored or arranged for by the Company within 60 days following the date of termination, pay for such program for a period of 12 months.

The Severance Plan also includes a Section 280G "best pay" provision, which provides that in the event that any payments or benefits received by the named executive officer in connection with a Change in Control would be subject to the excise tax under Section 4999 of the Code, the named executive officer will receive either a reduced portion of such payments and benefits such that no excise tax would apply or the full amount of the payments and benefits, whichever results in a greater after-tax benefit to the named executive officer.

Under the option award agreements, in the event of a named executive officer's termination of employment by the Company without Cause or by the executive officer for Good Reason, in each case that occurs within the 24-month period commencing on the consummation of a Change in Control, the Company will accelerate each outstanding option award held by the named executive officer with respect to 100% of the then unvested shares subject to each such option award, and extend the post-termination exercise period to 12 months from the date of termination (unless it expires earlier under its term).

The definitions of "Change in Control" in the Severance Plan and for purposes of the option award agreements are substantially similar to the definition in Dr. Schenk's Employment Agreement described above, except that similar transactions with respect to PBI are not included.

"Cause" is defined in the option award agreements as (a) the willful breach, habitual neglect or poor performance of job duties and responsibilities; (b) conviction (or entry of a guilty plea or plea of nolo contendere) of any crime, excluding minor traffic offenses; (c) commission of an act of dishonesty or breach of fiduciary duty; (d) commission of a material violation of any of the Company's personnel policies; or (e) any act or omission which is contrary to the business interest, reputation or goodwill of the Company.

The definition of "Good Reason" in the option award agreements is substantially similar to the definition in Dr. Schenk's Employment Agreement described above.

"Triggering Event" is defined in the Severance Plan as (a) an Involuntary Termination, (b) Relocation, or (c) Significant Reduction in Scope or Base Compensation, which are defined as follows: "Involuntary Termination" is defined as a termination by the Company of the named executive officer due to a business condition; "Relocation" is defined as a material change in the geographic location at which the named executive officer is required to perform services, which is defined as including a relocation that increases his one-way commute by at least 30 miles or relocation that requires him to move his home to a new location more than 30 miles from his current home; and "Significant Reduction in Scope or Base Compensation" is defined as material diminution in the named executive officer's authority, duties or responsibilities or a material diminution in his or her base compensation.

Compensation Risk Assessment

Consistent with the SEC's disclosure requirements, we have assessed our compensation programs for all employees. We have concluded that our compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on us. Management has evaluated our executive and employee compensation and benefits programs to determine if these programs' provisions and operations create undesired or unintentional risk of a material nature. The risk assessment process includes a review of program policies and practices; analysis to identify risks and risk controls related to our compensation programs; and determinations as to the sufficiency of risk identification, the balance of potential risk to potential reward, the effectiveness of our risk controls and the impacts of our compensation programs and their risks to our strategy. Although we periodically review all compensation programs, we focus on the programs with variability of payout, with the ability of a participant to directly affect payout and the controls on participant action and payout. In relation to this, we believe that our incentive compensation arrangements provide incentives that do not encourage risk taking beyond our ability to effectively identify and manage significant risks and are compatible with effective internal controls and our risk management practices. The Compensation Committee monitors our compensation programs on an annual basis and expects to make modifications as necessary to address any changes in our business or risk profile.

A call may be required to be paid by instalments. A call may be revoked before receipt by the Company of a sum due thereunder, in whole or in part and payment of a call may be postponed in whole or in part.

41. 37. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
42. 38. A person on whom a call is made shall (in addition to a transferee) remain liable notwithstanding the subsequent transfer of the Share in respect of which the call is made.
43. 39. The joint holders of a Share shall be jointly and severally liable to pay all calls in respect thereof.
44. 40. If a call remains unpaid after it has become due and payable, the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due until it is paid at the rate fixed by the terms of allotment of the Share or in the notice of the call or, if no rate is fixed, at the appropriate rate (as defined by the Companies Acts) but the Directors may waive payment of the interest wholly or in part.
45. 41. An amount payable in respect of a Share on allotment or at any fixed date, whether in respect of nominal value by way of premium, shall be deemed to be a call and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call.
46. 42. Subject to the terms of allotment, the Directors may make arrangements on the issue of Shares for a difference between the holders in the amounts and times of payment of calls on their Shares.
47. 43. The Directors may, if they think fit, receive from any Member willing to advance the same, all or any part of the monies uncalled and unpaid upon any Shares held by her, and upon all or any of the monies so advanced may pay (until the same would, but for such advance, become payable) interest at such rate as may be agreed upon between the Directors and the Member paying such sum in advance.

49. 45. The notice shall state a further day (not earlier than the expiration of fourteen clear days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the Shares in respect of which the call was made will be liable to be forfeited.
50. 46. If the requirements of any such notice as aforesaid are not complied with then, at any time thereafter before the payment required by the notice has been made, any Shares in respect of which the notice has been given may be forfeited by a resolution of the Directors to that effect. The forfeiture shall include all dividends or other monies payable in respect of the forfeited Shares and not paid before forfeiture. The Directors may accept a

surrender of any Share liable to be forfeited hereunder.

- ~~51.~~ 47. On the trial or hearing of any action for the recovery of any money due for any call it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the Shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the Member sued, in pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
- ~~52.~~ 48. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit. The Company may receive the consideration, if any, given for the Share on any sale or disposition thereof and may execute a transfer of the Share in favour of the person to whom the Share is sold or disposed of and thereupon she shall be registered as the holder of the Share and shall not be bound to see to the application of the purchase money, if any, nor shall her title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the Share.

- ~~53.~~ 49. A person whose Shares have been forfeited shall cease to be a Member in respect of the forfeited Shares, but nevertheless shall remain liable to pay to the Company all monies which, at the date of forfeiture, were payable by her to the Company in respect of the Shares, without any deduction or allowance for the value of the Shares at the time of forfeiture but her liability shall cease if and when the Company shall have received payment in full of all such monies in respect of the Shares.
- ~~54.~~ 50. A statutory declaration or affidavit that the declarant is a Director or the Secretary of the Company, and that a Share in the Company has been duly forfeited on the date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Share.
- ~~55.~~ 51. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the Share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
- ~~56.~~ 52. The Directors may accept the surrender of any Share which the Directors have resolved to have been forfeited upon such terms and conditions as may be agreed and, subject to any such terms and conditions, a surrendered Share shall be treated as if it has been forfeited.

NON-RECOGNITION OF TRUSTS

- ~~57.~~ 53. The Company shall not be obligated to recognise any person as holding any Share upon any trust (except as is otherwise provided in these Articles or to the extent required by law) and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future, or partial interest in any Share, or any interest in any fractional part of a Share, or (except only as is otherwise provided by these Articles or the Companies Acts) any other rights in respect of any Share except an absolute right to the entirety thereof in the registered holder. This shall not preclude the Company from requiring the Members or a transferee of Shares to furnish to the Company with information as to the beneficial ownership of any Share when such information is reasonably required by the Company.

TRANSMISSION OF SHARES

- ~~58.~~ 54. In case of the death of a Member, the survivor or survivors where the deceased was a joint holder, and the legal personal representatives of the deceased where she was a sole holder, shall be the only persons recognised by the Company as having any title to her interest in the Shares, but nothing herein contained shall release the estate of any such deceased holder from any liability in respect of any Shares which had been held by her solely or jointly with other persons.

- ~~59.~~ 55. Any person becoming entitled to a Share in consequence of the death or bankruptcy or liquidation or dissolution of a Member (or in any other way than by transfer) may, upon such evidence being produced as may from time to time be required by the Board and subject as hereinafter provided, elect either to be registered himself as holder of the Share or to make such transfer of the Share to such other person nominated by her and to have such person registered as the transferee thereof, but the Board shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by that Member before her death or bankruptcy as the case may be the event giving rise to the entitlement of the relevant person to the Share.

B-18

- ~~60.~~ 56. If the person so becoming entitled shall elect to be registered himself as holder, she shall deliver or send to the Company a notice in writing signed by her stating that she so elects.
- ~~61.~~ 57. Subject to Article ~~62~~58, a person becoming entitled to a Share by reason of the death or bankruptcy or liquidation or dissolution of the holder (or in any other case than by transfer) shall be entitled to the same dividends and other advantages to which she would be entitled if she were the registered holder of the Share, except that she shall not, before being registered as a Member in respect of the Share, be entitled in respect of it to exercise any right conferred by Membership in relation to meetings of the Company provided however that the Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety (90) days the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.
- ~~62.~~ 58. The Board may at any time give notice requiring a person entitled by transmission to a Share to elect either to be registered himself or to transfer the Share and if the notice is not complied with within sixty (60) days the Board may withhold payment of all dividends and other monies payable in respect of the Share until the requirements of the notice have been complied with.

ALTERATION OF CAPITAL; AMENDMENT OF MEMORANDUM OF ASSOCIATION; AND CHANGE OF LOCATION OF REGISTERED OFFICE

- ~~63.~~ 59. The Company may by Ordinary Resolution:
- ~~63.1~~ 59.1 divide its share capital into several classes and attach to them respectively any preferential, deferred, qualified or special rights, privileges or conditions;

- ~~63.3~~ 59.3 consolidate and divide all or any of its share capital into Shares of larger amount than its existing Shares;
- ~~63.4~~ 59.4 by subdivision of its existing Shares or any of them divide the whole or any part of its share capital into Shares of smaller nominal value than is fixed by the Memorandum subject to section ~~688~~83(1)(~~db~~) of the ~~1963~~ Act, so, however, that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in the case of the Share from which the reduced Share is derived;
- ~~63.5~~ 59.5 cancel any Shares that at the date of the passing of the relevant Ordinary Resolution have not been taken or agreed to be taken by any person; and

- ~~63.6~~ 59.6 subject to applicable law, change the currency denomination of its share capital.
- ~~64.~~ 60. Whenever as a result of an issuance, alteration, reorganisation, consolidation, division, or subdivision of the share capital of the Company any Members would become entitled to fractions of a Share, no such fractions shall be issued or delivered to Members. All such fractions of a Share will be aggregated into whole Shares and sold in the open market at prevailing market prices and the aggregate cash proceeds from such sale (net of tax, commissions, costs and other expenses) shall be distributed on a *pro rata* basis, rounding down to the nearest cent, to each Member who would otherwise have been entitled to receive fractions of a Share. The transferee shall not be bound to see to the application of the purchase money nor shall her title to the Shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.
- ~~65.~~ 61. Subject to the provisions of the ~~Companies~~ Acts, the Company may:
- ~~65.1~~ 61.1 by Special Resolution change its name, alter or add to the Memorandum with respect to any objects, powers or other matters specified therein or alter or add to these Articles;

~~65.2~~ 61.2 by Special Resolution, or as otherwise required or permitted by applicable law, including without limitation section 83(1)(c) of the Act, reduce its issued share capital and any capital redemption reserve fund or any share premium account or any undenominated capital. In relation to such reductions, the Company may by Special Resolution determine the terms upon which the reduction is to be effected, including in the case of a reduction of part only of any class of Shares, those Shares to be affected; and

~~65.3~~ 61.3 by resolution of the Directors change the location of its registered office.

CLOSING REGISTER OF MEMBERS OR FIXING RECORD DATE

- ~~66.~~ 62. For the purpose of determining Members entitled to notice of or to vote at any meeting of Members or any adjournment thereof, or Members entitled to receive payment of any dividend, or in order to make a determination of Members for any other proper purpose, the Board may provide, subject to the requirements of section ~~124~~174 of the ~~1963~~ Act, that the Register of Members shall be closed for transfers at such times and for such periods, not exceeding in the whole thirty (30) days in each year. The record date shall not precede the date upon which the resolution fixing the record date is adopted by the Directors.
- ~~68.~~ 64. If the Register of Members is not so closed and no record date is fixed for the determination of Members entitled to notice of or to vote at a meeting of Members or Members entitled to receive payment of a dividend, the date immediately preceding the date on which notice of the meeting is deemed given under these Articles or the date on which the resolution of the Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of Members. When a determination of Members entitled to vote at any meeting of Members has been made as provided in these Articles, such determination shall apply to any adjournment thereof; provided, however, that the Directors may fix a new record date of the adjourned meeting, if they think fit.

GENERAL MEETINGS

- ~~69.~~ 65. The Board shall convene and the Company shall hold annual general meetings in accordance with the requirements of the ~~Companies~~ Acts.
- ~~70.~~ 66. The Board may, whenever it thinks fit, and shall, on the requisition in writing of Members holding such number of Shares as is prescribed by, and made in accordance with, section ~~132~~178(3) of the ~~1963~~ Act, convene

Subject to section ~~140~~176 of the ~~1963~~ Act, all general meetings may be held outside of Ireland.

B-20

72. ~~68.~~ Each general meeting shall be held at such time and place as specified in the notice of meeting.
73. ~~69.~~ The Board may, in its absolute discretion, authorise the Secretary to postpone any general meeting called in accordance with the provisions of these Articles (other than a meeting requisitioned under Article ~~74~~66 of these Articles or the postponement of which would be contrary to the ~~Companies Acts~~, law or a court order pursuant to the ~~Companies Acts~~) if the Board considers that, for any reason, it is impractical or unreasonable to hold the general meeting, provided that notice of postponement is given to each Member before the time for such meeting. Fresh notice of the date, time and place for the postponed meeting shall be given to each Member in accordance with the provisions of these Articles.

NOTICE OF GENERAL MEETINGS

74. ~~70.~~ Subject to the provisions of the ~~Companies Acts~~ allowing a general meeting to be called by shorter notice, an annual general meeting, and an extraordinary general meeting called for the passing of a Special Resolution, shall be called by at least twenty-one (21) clear days' notice and all other extraordinary general meetings shall be called by at least fourteen (14) clear days' notice. Such notice shall state the date, time, place of the meeting and, ~~in the case of an extraordinary general meeting,~~ the general nature of the business to be considered. Every notice shall be exclusive of the day on which it is given or deemed to be given and of the day for which it is given and shall specify such other details as are required by applicable law or the relevant code, rules and regulations applicable to the listing of the Shares on the Exchange.

Notice of every general meeting shall be given in any manner permitted by these Articles to all Members ~~other than such as, under the provisions hereof or the terms of issue of the Shares they hold, are not entitled to receive such notice from the Company.~~
77. ~~73.~~ There shall appear with reasonable prominence in every notice of general meetings of the Company a statement that a Member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of her and that any proxy need not be a Member of the Company.
78. ~~74.~~ The accidental omission to give notice of a general meeting to, or the non-receipt of notice of a meeting by any person entitled to receive notice shall not invalidate the proceedings of that meeting.
79. ~~75.~~ In cases where instruments of proxy are sent out with notices, the accidental omission to send such instrument of proxy to, or the non-receipt of such instrument of proxy by, any person entitled to receive notice shall not invalidate any resolution passed or any proceeding at any such meeting. A Member present, either in person or by proxy, at any general meeting of the Company or of the holders of any class of Shares in the

Company, will be deemed to have received notice of that meeting and, where required, of the purpose for which it was called.

~~87.~~ 83.

~~87.1~~ 83.1 Subject to the ~~Companies~~ Acts, a resolution may only be put to a vote at a general meeting of the Company or of any class of Members if:

- (a) it is proposed by or at the direction of the Board;
- (b) it is proposed at the direction of the Court;
- (c) it is proposed on the requisition in writing of such number of Members as is prescribed by, and is made in accordance with, section ~~132~~178(3) of the ~~1963~~ Act;

~~87.2~~ 83.2 No amendment may be made to a resolution, at or before the time when it is put to a vote, unless the Chairman of the meeting in her absolute discretion decides that the amendment or the amended resolution may properly be put to a vote at that meeting.

B-22

- ~~87.3~~ 83.3 If the Chairman of the meeting rules a resolution or an amendment to a resolution admissible or out of order (as the case may be), the proceedings of the meeting or on the resolution in question shall not be invalidated by any error in her ruling. Any ruling by the Chairman of the meeting in relation to a resolution or an amendment to a resolution shall be final and conclusive.
- ~~88.~~ 84. Except where a greater majority is required by the ~~Companies~~ Acts or these Articles or any applicable law or regulation to which the Company is subject, any question proposed for a decision of the Members at any general meeting of the Company or a decision of any class of Members at a separate meeting of any class of Shares shall be decided by an Ordinary Resolution.
- ~~89.~~ 85. At any general meeting a resolution put to the vote of the meeting shall be decided on a poll. The Board or the Chairman may determine the manner in which the poll is to be taken and the manner in which the votes are to be counted.
- ~~90.~~ 86. A poll demanded on the election of the Chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time, not being more than ten (10) days from the date of the meeting or adjourned meeting at which the vote was taken, as the Chairman of the meeting directs, and any business other than that on which a poll has been demanded may be proceeded with pending the taking of the poll.
- ~~91.~~ 87. No notice need be given of a poll not taken immediately. The result of the poll shall be deemed to be the resolution of the general meeting at which the poll was demanded. On a poll a Member entitled to more than one (1) vote need not use all her votes or cast all the votes she uses in the same way.
- ~~92.~~ 88. If authorised by the Board, any vote taken by written ballot may be satisfied by a ballot submitted by electronic or telephonic transmission, provided that any such electronic or telephonic submission must either set forth or be submitted with information from which it can be determined that the electronic submission has been authorised by the Member or proxy.
- ~~93.~~ 89. The Board may, and at any general meeting, the chairman of such meeting may make such arrangement and impose any requirement or restriction it or she considers appropriate to ensure the security of a general meeting including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of personal property and the restriction of items that may be taken into the meeting place. The Board and, at any general meeting, the chairman of such meeting are entitled to refuse entry to a person who refuses to comply with such arrangements, requirements or restrictions.
- ~~94.~~ 90. Subject to sections ~~141~~193 and ~~109~~3 of the ~~1963~~ Act, a resolution in writing signed by all of the Members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a special resolution shall be deemed to be a special resolution within the meaning of the ~~1963~~ Act. Any such resolution shall be served on the Company.

VOTES OF MEMBERS

- ~~95.~~ 91. Subject to any rights or restrictions for the time being attached to any class or classes of Shares, every Member of record present in person or by proxy shall have one vote for each Share registered in her name in the Register of Members.
- ~~96.~~ 92. In the case of joint holders of record the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members.

B-23

- ~~97.~~ 93. A Member of unsound mind, or in respect of whom an order has been made by any court, having jurisdiction in lunacy, may vote by her committee, receiver, *curator bonis*, or other person in the nature of a committee, receiver or *curator bonis* appointed by that court, and any such committee, receiver, *curator bonis* or other persons may vote by proxy.
- ~~98.~~ 94. No Member shall be entitled to vote at any general meeting unless she is registered as a Member on the record date for such meeting.
- ~~99.~~ 95. No objection shall be raised to the qualification of any voter except at the general meeting or adjourned general meeting at which the vote objected to is given or tendered and every vote not disallowed at such general meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the general meeting whose decision shall be final and conclusive.
- ~~100.~~ 96. Votes may be given either personally or by proxy. A Member may appoint more than one proxy or the same proxy under one or more instruments to attend and vote at a meeting and may appoint one proxy to vote both in favour of and against the same resolution in such proportion as specified in the instrument appointing the proxy.

PROXIES AND CORPORATE REPRESENTATIVES

~~101.~~ 97.

- ~~101.1~~ 97.1 Every Member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on her behalf and may appoint more than one proxy to attend, speak and vote at the same meeting. The appointment of a proxy or corporate representative shall be in such form and may be accepted by the Company at such place and at such time as the Board or the Secretary shall from time to time determine, subject to applicable requirements of (i) sections 183 and 184 of the Act and (ii) the United States Securities and Exchange Commission and the Exchange on which the Shares are listed. No such instrument appointing a proxy or corporate representative shall be voted or acted upon after two (2) years from its date.
- ~~101.2~~ 97.2 Without limiting the foregoing, the Directors may from time to time permit appointments of a proxy to be made by means of an electronic or internet communication or facility and may in a similar manner permit supplements to, or amendments or revocations of, any such electronic or internet communication or facility to be made. The Directors may in addition prescribe the method of determining the time at which any such electronic or internet communication or facility is to be treated as received by the Company. The Directors may treat any such electronic or internet communication or facility which purports to be or is expressed to be sent on behalf of a Member as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Member.
- ~~102.~~ 98. Any body corporate which is a Member of the Company may authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Members of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which she represents as that body corporate could exercise if it were an individual Member of the Company. The Company may require

evidence from the body corporate of the due authorisation of such person to act as the representative of the relevant body corporate.

- ~~103.~~ 99. An appointment of proxy relating to more than one meeting (including any adjournment thereof) having once been received by the Company for the purposes of any meeting shall not require to be delivered, deposited or received again by the Company for the purposes of any subsequent meeting to which it relates.
- ~~104.~~ 100. Receipt by the Company of an appointment of proxy in respect of a meeting shall not preclude a Member from attending and voting at the meeting or at any adjournment thereof which attendance and voting will automatically cancel any proxy previously submitted.

B-24

~~105.~~ 101. An appointment proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

~~106.~~ 102.

~~106.1~~ 102.1 A vote given in accordance with the terms of an appointment of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the appointment of proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or transfer of the Share in respect of which the proxy was appointed or the authorisation of the representative to act was given, provided that no intimation in writing (whether in electronic form or otherwise) of such death, insanity, revocation or transfer shall have been received by the Company at the Office, ~~at least one hour~~ before the commencement of the meeting or adjourned meeting at which the appointment of proxy is used or at which the representative acts; ~~PROVIDED, HOWEVER, that where such intimation is given in electronic form it shall have been received by the Company at least 24 hours (or such lesser time as the Directors may specify) before the commencement of the meeting and~~

~~106.2~~ 102.2 The Directors may send, at the expense of the Company, by post, electronic mail or otherwise, to the Members forms for the appointment of a proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative.

~~108.~~ 104. The remuneration to be paid to the Directors shall be such remuneration as the Directors shall determine. Such remuneration shall be deemed to accrue from day to day. The Directors shall also be entitled to be paid their travelling, hotel and other expenses properly incurred by them in going to, attending and returning from meetings of the Directors, or any committee of the Directors, or general meetings of the Company, or otherwise in connection with the business of the Company, or to receive a fixed allowance in respect thereof as may be determined by the Board from time to time, or a combination partly of one such method and partly the other. - ~~111.~~ 111. No person shall be disqualified from the office of Director or from being an officer of the Company or prevented by such office from contracting with the Company, either as vendor, purchaser or otherwise, nor shall any such contract or any contract or transaction entered into by or on behalf of the Company in which any Director or officer of the Company shall be in any way interested be or be liable to be avoided, nor shall any Director or officer of the Company so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or transaction by reason of such Director or officer of the Company holding office or of the fiduciary relation thereby established; provided that:
