WILLIAMS COMMENCES LITIGATION AGAINST ETE AND KELCY WARREN TO PROTECT STOCKHOLDER RIGHTS

Williams Board Unanimously Committed to Enforcing Its Rights Under the Merger Agreement and to Delivering the Benefits of the Merger Agreement to its Stockholders

TULSA, Okla. April 6, 2016 The Williams Companies, Inc. (NYSE: WMB) (Williams or WMB) today announced that it has commenced litigation against Energy Transfer Equity, L.P. (NYSE: ETE) (ETE) and Kelcy Warren in response to the private offering of Series A Convertible Preferred Units that ETE disclosed on March 9, 2016. The litigation against ETE in the Delaware Court of Chancery seeks to unwind the private offering of Series A Convertible Preferred Units. The litigation against Kelcy Warren in the district court of Dallas County, Texas, is for tortious, or wrongful, interference with the merger agreement executed on September 28, 2015 as a result of the private offering of Series A Convertible Preferred Units.

The Williams Board issued the following statement:

The Williams Board is unanimously committed to enforcing its rights under the merger agreement entered into with ETE on September 28, 2015 and to delivering the benefits of the merger agreement to Williams stockholders. ETE has no basis to avoid its obligations under the merger agreement.

Williams has reviewed ETE s private offering of convertible preferred units and concluded it is a breach of the merger agreement. Among other things, the offering provides select ETE investors with preferential treatment on ETE distributions.

Williams has commenced litigation to protect the interests of its stockholders. The litigation is intended to ensure that Williams stockholders will receive the consideration to which they are entitled under the merger agreement.

Williams is committed to mailing the proxy statement, holding the stockholder vote and closing the transaction as soon as possible.

Williams remains committed to working with ETE to ensure the financial strength of the combined company, provided that all ETE and Williams investors are treated fairly and equitably. Williams looks forward to completing the transaction and delivering its benefits to the Company s stockholders.

The Williams Board has not changed its recommendation FOR the merger agreement executed on September 28, 2015. In addition to the receipt of Williams stockholder approval, the transaction remains subject to other customary closing conditions. Integration planning is underway. The transaction is expected to close in the second quarter of 2016.

Colleagues,

This morning, Williams announced that we have filed litigation against ETE and Kelcy Warren in response to the private offering of Series A Convertible Preferred Units that ETE disclosed on March 9, 2016. I am writing to provide some context around what this action means for Williams and our employees. A copy of the press release we issued this morning is attached.

First and foremost, the Williams Board is unanimously committed to enforcing the Williams stockholder rights under the merger agreement entered into with ETE on September 28, 2015.

We reviewed ETE's private offering and concluded it is a breach of the merger agreement. Among other things, the offering provides select ETE investors with preferential treatment on ETE distributions. The litigation is entered into to protect the Williams stockholder rights as established under the merger agreement.

I recognize the originally proposed merger timeframe has been delayed and acknowledge the uncertainty that this brings. However, I can't stress enough the importance of each one of us remaining focused on our roles and doing the best job we can in the safest possible manner.

I want to further emphasize that the Board's actions to protect stockholder rights has no impact on our operations, or on the fantastic work you all do every day. For those of you engaged in our integration work with ETE, those activities are continuing and we appreciate your efforts.

I know that recent news associated with the pending transaction has caused increased speculation in the media and from others. I assure you that we will communicate additional details when we are able to do so. Because speculation is likely to continue, it is important that we continue to speak with one voice. Accordingly, please forward any calls you may receive from the media to Lance Latham at 918-573-9675 and any calls from financial analysts or investors to John Porter at 918-573-0797.

Thanks for your continued commitment and dedication.

Alan
