**Item 5.04. Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.**

**Blackout period notification**

On January 19, 2017, Spectra Energy Corp ( Spectra Energy or the Company ) delivered a notice regarding a blackout period ( Blackout Period Notice ) to its executive officers and directors who are subject to Section 16 of the Securities Exchange Act of 1934, as amended (collectively, the Covered Persons ). The Blackout Period Notice informed the Covered Persons that, in connection with closing of Spectra Energy's proposed merger (the Merger ) with Enbridge Inc. ( Enbridge ), a blackout period may be imposed with respect to the Spectra Energy Retirement Savings Plan (the Plan ). We continue to anticipate that the Merger will close in the first quarter of 2017, subject to receipt of certain regulatory approvals and other customary closing conditions.

During the blackout period, Covered Persons would be subject to certain trading restrictions with respect to shares of Spectra Energy common stock and certain related derivative securities under Section 306(a) of the Sarbanes-Oxley Act of 2002 and Regulation BTR promulgated by the Securities and Exchange Commission. Under the blackout period, Covered Persons will be prohibited from directly or indirectly purchasing, selling, acquiring, or transferring any Spectra Energy equity securities, including Spectra Energy common stock and derivative securities with respect to Spectra Energy common stock, other than in certain limited circumstances. Delivery of the Blackout Period Notice followed Spectra Energy's receipt, on January 12, 2017, of a notice required by Section 101(i)(2)(E) of the Employee Retirement Income Security Act of 1974, as amended, regarding the blackout period. The blackout period applicable to Plan participants would be imposed in connection with the Merger to allow shares of Spectra Energy common stock held in the Spectra Energy Common Stock Fund under the Plan ( Spectra Energy Stock Fund ) to be converted into an investment option with respect to Enbridge common shares. During the blackout period, Plan participants will be unable to direct or diversify investments in or out of the Spectra Energy Stock Fund or engage in any other Plan transactions that relate to the Spectra Energy Stock Fund.

**Timing of blackout period**

It is currently expected that the blackout period could begin as early as the calendar week beginning on Sunday, February 12, 2017, and could end as late as the calendar week beginning on Sunday, March 26, 2017. Though we continue to anticipate that the closing of the Merger will occur in the first quarter of 2017, because it is not yet known with certainty when closing of the Merger will occur, this blackout period range could change, be advanced or be extended. The blackout period is expected to begin as of market close (usually 4 p.m. ET) three business days prior to the date of closing of the Merger and end a few days following the closing of the Merger.

Covered Persons may obtain, without charge, information as to whether the blackout period has begun or ended from Mindy Lee, Assistant General Counsel, Employee Benefits and Executive Compensation; 5400 Westheimer Court, Houston, Texas, 77056; 713-627-5288. Inquiries from Covered Persons about the blackout period generally may be directed to that same person.

During and for a period of two years after the ending date of the blackout period, Spectra Energy stockholders or other interested parties may obtain, without charge, information about the actual beginning and ending dates of the blackout period by also contacting the same person referenced above.

A copy of the notice sent to Covered Persons is attached hereto as Exhibit 99.1 and incorporated by reference herein.
