(b) Retirement of Director

Mr. James J. (e) Material Amendment to Material Compensation Arrangement

At the 2017 Annual Meeting, the shareholders of the Company approved the Company s 2013 Equity Incentive Plan, as amended and restated by the Board effective December 16, 2016 (the Amended and Restated 2013 Plan), which included amendments to:

increase the number of shares authorized for issuance by 1,800,000;

add a limit on the aggregate value of all awards that may be granted during any calendar year to any member of the Board who is not an employee of the Company;

add a minimum vesting requirement, such that all awards will vest no earlier than one year after the date of grant (except if accelerated pursuant to a change in control or a termination of service), except that awards for up to an aggregate maximum of 5% of the aggregate number of shares authorized for issuance may be granted without regard to such minimum vesting requirement;

limit the discretion of the Compensation Committee of the Board to permit the transfer of an award, such that the Compensation Committee may not permit a participant to assign or transfer an award to a third party financial institution in exchange for a cash payment or other consideration without shareholder approval; and

certain other administrative revisions.

The Amended and Restated 2013 Plan authorizes the issuance of 3,300,000 shares of common stock, which includes the increase of 1,800,000 shares. In addition, up to 2,640,025 shares authorized for issuance under the Company s Amended and Restated 1997 Stock Option Plan or 2004 Equity Incentive Plan (as amended) (together, the Prior Plans) may become available for issuance under the Amended and Restated 2013 Plan to the extent such shares, as of March 6, 2013, (a) had not been issued under the Prior Plans and were not subject to outstanding awards under the Prior Plans or (b) were subject to outstanding awards under the Prior Plans but subsequently cease to be subject to such awards (other than by reason of exercise or settlement of the awards in shares).

The Compensation Committee of the Board will continue to administer the Amended and Restated 2013 Plan. Employees, officers, directors, consultants, agents, advisors and independent contractors are eligible to receive awards under the Amended and Restated 2013 Plan. Awards may consist of stock options, stock appreciation rights, stock awards, restricted stock, stock units, performance awards or other stock or cash-based awards. The Amended and Restated 2013 Plan will terminate on March 6, 2023, unless earlier terminated pursuant to the terms of the Amended and Restated 2013 Plan.

The description of the Amended and Restated 2013 Plan contained in this report is qualified in its entirety by reference to the full text of the Amended and Restated 2013 Plan, a copy of which is filed as Exhibit 10.1 hereto and incorporated by reference herein.
