PROXY STATEMENT

FOR ANNUAL MEETING OF SHAREHOLDERS

May 31, 2017

The enclosed proxy is solicited by and on behalf of the Board of Directors (the Board) of J. Alexander's Holdings, Inc. (the Company) for use at the 2017 Annual Meeting of Shareholders (the Annual Meeting) to be held on Wednesday, May 31, 2017, at 9:30 a.m., central time, at Redlands Grill, 2609 West End Avenue, Nashville, Tennessee 37203 and at any adjournments or postponements thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders.

We are furnishing proxy materials to our shareholders primarily via the Internet under rules adopted by the U.S. Securities and Exchange Commission (the Commission), instead of mailing printed copies of those materials to each shareholder. On April 11, 2017, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy materials, including our Proxy Statement and our 2016 Annual Report to Shareholders. The Notice of Internet Availability of Proxy Materials also instructs you on how to access your proxy card electronically to vote via the Internet or by telephone.

This process is designed to expedite the shareholders' receipt of proxy materials, lower the cost of the Annual Meeting and help conserve natural resources. Shareholders who would prefer to continue to receive printed proxy materials should follow the instructions included in the Notice of Internet Availability of Proxy Materials.

Proxies may be solicited by mail or by telephone. All costs of this solicitation will be borne by the Company. The Company does not anticipate paying any compensation to any party other than its regular employees for the solicitation of proxies, but may reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to beneficial owners.

All valid proxies properly executed and received by the Company prior to the Annual Meeting will be voted in accordance with the choices specified thereon. If no choice is specified, the shares will be (a) voted FOR the election of the director nominees named herein, (b) voted FOR the approval of the 162(m)-related provisions of the 2015 Equity Incentive Plan and (c) voted FOR ratification of the appointment of KPMG as the Company's independent registered public accounting firm for fiscal year 2017. The Board does not know of any other matters which will be presented for action at the meeting, but the persons named in the proxy intend to vote or act with respect to any other proposal which may be properly presented for action according to their best judgment in light of the conditions then prevailing.

A proxy may be revoked by a shareholder at any time before its exercise by attending the meeting and voting in person, by filing with the Corporate Secretary of the Company a written revocation, by duly executing a proxy bearing a later date or by casting a new vote by telephone or the Internet.

METHOD OF COUNTING VOTES

Each share of the Company's Common Stock, \$0.001 par value (the "Common Stock"), issued and outstanding on March 28, 2017 (the "Record Date"), will be entitled to one vote on all matters to come before the meeting. As of the Record Date, there were outstanding 14,695,176 shares of Common Stock.

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card. If you do not own your shares directly, but instead are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, must vote those shares in accordance with your instructions. If you do not give instructions to your broker, your broker can vote shares only with respect to "discretionary" items, which include matters that are considered routine. On "non-discretionary" items for which you do not give instructions, your shares will be counted as "broker non-votes." Uncontested director elections (such as the election of directors at this Annual Meeting) are not considered routine under the rules and regulations of the primary trading markets applicable to most brokers. As a result, most brokers do not have the ability to vote shares held in "street name" with respect to the election of directors unless the broker has received voting instructions from the beneficial owner of the shares. It is therefore important that you provide instructions to your broker if your shares are held in "street name" by a broker so that your vote with respect to the election of directors is counted.

Only the proposal to ratify the appointment of KPMG as the Company's independent registered public accounting firm for fiscal year 2017 is considered routine and therefore may be voted upon by your broker if you do not give instructions for the shares held in "street name" by your broker.

Abstentions and broker non-votes will be counted as present for purposes of determining the existence of a quorum. Directors will be elected by a plurality of the votes cast in the election by the holders of the Common Stock represented and entitled to vote at the Annual Meeting. Abstentions and broker non-votes will not be counted as votes for or against any director nominee. Ratification of the appointment of KPMG as the Company's independent registered public accounting firm for fiscal year 2017 and approval of the 162(m)-related provisions of the 2015 Equity Incentive Plan and any other matters that may properly come before the meeting or any adjournment or postponement thereof shall be approved by the affirmative vote of a majority of the votes cast by holders of Common Stock represented and entitled to vote at the Annual Meeting, and abstentions and non-votes will have no effect on the outcome of the vote.

SECURITY OWNERSHIP OF CERTAIN

BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of March 28, 2017, certain information with respect to those persons known to the Company to be the beneficial owners (as defined by certain rules of the Commission) of more than five percent of the Common Stock, its only voting security, and with respect to the beneficial ownership of the Common Stock by all directors, each of the executive officers named in the Summary Compensation Table, and all executive officers and directors of the Company as a group (nine persons). Except as otherwise specified, the shares indicated are presently outstanding.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

Our Board is divided into three classes with one-third of the directors up for election each year. The class of each director and the year of their election is noted in their background information descriptions below. At the Annual Meeting, the shareholders will elect two Class II directors to serve a term of three years, or until their respective successors have been duly elected and qualified.

A director elected by the Board to fill a vacancy will hold office until the end of the term for which such director's predecessor was elected, or if the vacancy arises because of an increase in the size of the Board, until the end of the term specified at the time of such director's election or selection, and until that director's successor has been elected and qualified or until his or her earlier resignation, disqualification, disability or removal.

Election of directors requires a plurality of the votes cast in such election. It is intended that shares represented by the enclosed proxy will be voted **FOR** the election of the nominees named below unless a contrary choice is indicated. Each of the nominees is presently a director of the Company and has been nominated to serve on the Board as a result of his or her particular skills, attributes and professional experience. For additional discussion of the Company's director nomination criteria, please see *Nominating and Corporate Governance Matters* below. Management believes that all of the nominees will be available and able to serve as directors, but if for any reason any should not be available or able to serve, it is intended that such shares will be voted for such substitute nominees as may be proposed by the Board.

The Class II nominees to be elected (serving a three-year term and then up for re-election in 2020) are:

Frank R. Martire

Raymond R. Quirk

Certain information with respect to each of these Class II nominees, as well as our other Class I and Class III directors, is set forth below, including their present positions, their principal occupations, current directorships held with other public companies, as well as directorships with other public companies during the past five years, their ages and the year first elected as a director. SEPARATION OF THE COMPANY FROM

FIDELITY NATIONAL FINANCIAL, INC.

In the third quarter of fiscal year 2015, the Board of Directors of FNF approved the legal and structural separation of the Company from FNF, pursuant to which the Company became an independent, publicly-traded company (the Spinoff). In the Spinoff, which was completed on September 29, 2015, FNF distributed to all holders of its FNFV Group common stock (FNF's tracking stock related to Fidelity National Financial Ventures, LLC (FNFV), a wholly-owned subsidiary of FNF), all of the shares of the Company's common stock owned by it at a ratio of approximately 0.17271 shares of the Company's common stock for every one share of FNFV Group common stock held by each such holder as of September 22, 2015, the record date for the Spinoff.

CORPORATE GOVERNANCE

General

The Company believes that good corporate governance is important to ensure that J. Alexander's Holdings, Inc. is managed for the long-term benefit of its shareholders. The Company regularly reviews its corporate governance policies and practices and compares them to those suggested by various authorities on corporate governance and the practices of other public companies. The Company also continues to review the provisions of the Sarbanes-Oxley Act of 2002, the new and proposed rules of the Commission and the applicable listing standards of the New York Stock Exchange (the NYSE).

Board of Directors

The Company is managed under the direction of the Board, which oversees and delegates the conduct of the business to the Company's executive officers and senior management. The Board held four meetings in 2016. Each of the incumbent directors of the Company attended each of (i) the total number of meetings held during 2016 by the Board while he was a director and (ii) the total number of meetings held during 2016 by all committees of the Board while he was a member of such committees.

The Board is currently led by Mr. Martire as the Chairman of the Board (Chairman). Our Corporate Governance Guidelines permit the roles of chairman of the board and chief executive officer to be filled by the same or different individuals. This allows the Board flexibility to determine whether the two roles should be combined or separated based upon our needs and the Board's assessment of its leadership from time to time. In the event the position of Chairman is filled by a non-independent director, the Board will appoint a lead independent director.

At this time, the Board believes that our shareholders are best served by having an independent director serve as chairman of the Board. Our Board believes this leadership structure effectively allocates authority, responsibility, and oversight between management and the independent members of our Board. It gives primary responsibility for the operational leadership and strategic direction of the Company to our CEO, Mr. Stout, while the Chairman facilitates our Board's independent oversight of management, promotes communication between senior management and other Board members about issues such as management development and succession planning, executive compensation, and company performance, engages with shareholders, presides at meetings of the Board, and leads our Board's consideration of key governance matters.

The Board includes three standing committees: an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee. Each of these committees operates under a written committee charter, all of which can be accessed on the Company's website at investor.jalexandersholdings.com, under the corporate governance section.

Director Independence

Our Corporate Governance Guidelines and the NYSE require that our Board consist of a majority of independent directors.

The Board has determined that each of the following directors and nominees, constituting a majority of our Board, qualifies as an independent director within the meaning of the NYSE listing standards, and that such persons do not otherwise have any relationship that, in the opinion of the Board, would interfere with the exercise of such persons' independent judgment in carrying out the responsibilities of a director:

Douglas K. Ammerman

Timothy T. Janszen

Ronald B. Maggard, Sr.

Frank R. Martire

The Nominating and Corporate Governance Committee has evaluated the Company's relationships with each director and nominee and has recommended to our Board to make an affirmative determination that such director or nominee is independent. Under the Company's Corporate Governance Guidelines, an independent director is one who meets the qualification requirements for being independent under applicable laws and the corporate governance listing standards of the NYSE.

Mr. Ammerman currently serves on the audit committee of more than three publicly traded companies, including, in addition to the Company: William Lyon Homes, Inc. (NYSE), FNF (NYSE) and Stantec Inc. (NYSE). Our Board has determined that Mr. Ammerman's simultaneous service on the audit committees of more than three public companies does not impair his ability to serve effectively as a member of our Audit Committee.

The Nominating and Corporate Governance Committee and the Board evaluate the independence of directors and director nominees under the criteria established by the Commission and the NYSE for director independence and for Audit Committee membership, including Rule 10A-3 under the Securities Exchange Act of 1934, as amended (Exchange Act).

Role of the Board in Risk Oversight

One of the key functions of the Board is informed oversight of our risk management process. The Board administers this oversight function directly, with support from its three standing committees, the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee, each of which addresses risks specific to its respective areas of oversight. In particular, the Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements. The Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. The Nominating and Corporate Governance Committee monitors the effectiveness of our Corporate Governance Guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. The Nominating and Corporate Governance Committee also makes the initial determination as to whether directors are independent for purposes of relevant rules.

The independent directors meet regularly in executive session at the conclusion of Board meetings to review and discuss the Company's management, operations, financial performance and material risks to the Company.

Nominating and Corporate Governance Matters

The Nominating and Corporate Governance Committee acts on behalf of the Board to identify individuals qualified to become Board members and to recommend to the Board nominees for each annual meeting of shareholders.

The policy of the Nominating and Corporate Governance Committee is to consider the qualifications of all properly submitted shareholder recommendations of candidates for membership on the Board. In its assessment of a candidate for Board membership, including properly submitted shareholder recommendations, the Nominating and Corporate Governance Committee may consider whatever factors it deems appropriate, including: personal qualities and characteristics, accomplishments and reputation, knowledge within the Company's industry or industries

relevant to the Company's business, skills and personality that would promote an effective, collegial and responsive Board, and diversity of viewpoints, background, experience and other demographics. At a minimum, in the judgment of the Nominating and Corporate Governance Committee, a director nominee must:

be able to represent the interests of the Company and all of its shareholders and not be disposed by affiliation or interest to favor any individual, group or class of shareholders or other constituency;

possess relevant background, skills and abilities, and characteristics that fulfill the needs of the Board at that time;

possess the background and demonstrated ability to contribute to the Board's performance of its collective responsibilities, through senior executive management experience, relevant professional or academic distinction, and/or a record of relevant civic and community leadership;

contribute important opinions and perspectives to Board deliberations as a result of diverse professional experience and personal background;

have the highest ethical character and share the core values of the Company as reflected in the Company's Code of Business Conduct and Ethics;

have a reputation, both personal and professional, consistent with the image and reputation of the Company;

have relevant expertise and experience, and be able to offer advice and guidance to the chief executive officer based on that expertise and experience; and

have the ability and the willingness to devote the necessary time and energy to exercise sound business judgment.

The Nominating and Corporate Governance Committee will preliminarily assess each candidate's qualifications and suitability. If it is the consensus of the Nominating and Corporate Governance Committee that a candidate is likely to meet the criteria for Board membership, the Nominating and Corporate Governance Committee will advise the candidate of the Nominating and Corporate Governance Committee's preliminary interest and, if the candidate expresses sufficient interest, will arrange interviews of the candidate with one or more members of Nominating and Corporate Governance Committee and other members of the Board and will request such additional information from the candidate as the Nominating and Corporate Governance Committee deems appropriate.

If a majority of the Nominating and Corporate Governance Committee determine that the candidate is suitable and meets the criteria for Board membership, the candidate will be invited to meet with senior management of the Company, both to allow the candidate to obtain further information about the Company and to give management a basis for input to the Board regarding the candidate. On the basis of its assessment, and taking into consideration input from senior management, the Nominating and Corporate Governance Committee will formally consider whether to recommend the candidate's nomination for election to the Board. Approval by a majority of the independent directors

will be required to recommend the candidate's nomination.

Upon recommendation from the Nominating and Corporate Governance Committee of a slate of directors for nomination at the Company's annual meeting of shareholders, the Board will consider each candidate's qualifications, the assessment of each individual's background, skills and abilities, and whether such characteristics fulfill the needs of the Board at that time, and will confer and reach a collective assessment as to the qualifications and suitability of each candidate for Board membership. Approval by a majority of the Board will be required to nominate a candidate for election to the Board.

Shareholder Recommendations

Any shareholder recommendations submitted for consideration by the Nominating and Corporate Governance Committee must be made in accordance with the Company's bylaws and applicable law, and include verification of the shareholder status of the person submitting the recommendation and the recommended candidate's name and qualifications for Board membership and should be addressed to:

Compensation Committee Matters

The Compensation Committee acts on behalf of the Board to establish the compensation of executive officers of the Company and to provide oversight of the Company's compensation philosophy. The Compensation Committee also acts as the oversight committee with respect to the Company's deferred compensation, stock and bonus plans covering executive officers and other senior management. In overseeing those plans, the Compensation Committee has the sole authority for administration and interpretation of the plans. The Compensation Committee has the authority to engage outside advisors to assist the Compensation Committee in the performance of its duties; however, the Compensation Committee may not delegate its authority to others.

The Compensation Committee is composed solely of non-employee directors of the Company. All compensation awards made by the Compensation Committee are approved by directors who are (i) independent as defined under the NYSE listing standards, (ii) non-employee directors for purposes of Section 16b-3 of the Exchange Act and (iii) outside directors for purposes of Section 162(m) of the Internal Revenue Code. The Compensation Committee has been given the responsibility to assist the Board in the discharge of its fiduciary duties with respect to the compensation of the executives and other employees of the Company, including the named executive officers, and the Company's retirement and other benefit plans. As part of the Compensation Committee's duties, the Compensation Committee, among other things, periodically reviews the Company's philosophy regarding executive compensation and assesses the three main elements of the Company's compensation. The Compensation Committee reports to the Board on its activities.

Generally, the Compensation Committee reviews the performance and compensation of the Chief Executive Officer and, following discussions with him and other advisors, if appropriate, establishes his compensation level. For the remaining named executive officers, the Chief Executive Officer makes recommendations for salary and bonus levels to the Compensation Committee that are generally approved. With respect to equity compensation awards, the Compensation Committee typically grants options based upon the initial recommendation of the Chief Executive Officer, and with additional or different terms deemed appropriate by the Compensation Committee.

The Compensation Committee generally will consider making equity awards periodically after the Compensation Committee has had an opportunity to review the Company's financial results for the prior fiscal year and consider the Company's expectations and projections for the current fiscal year. The Compensation Committee may grant awards or may determine not to grant any awards to some executives, based on its conclusion that the awards then currently outstanding effectively serve to properly incentivize the executive officers.

The Board sets non-management directors' compensation at the recommendation of the Compensation Committee. See *Director Compensation* for more information.

The Company did not engage any outside compensation consultant during 2016. However, from time to time, Black Knight Advisory Services, LLC (the Management Consultant) provides strategic advice regarding the Company's compensation and benefits programs pursuant to the Management Consulting Agreement with the Company. For further description of the Management Consulting Agreement and other services provided by the Management Consultant, as well as the fees paid to the Management Consultant by the Company, see *Certain Relationships and Related Party Transactions Management Consulting Agreement with Black Knight Advisory Services, LLC*.

NARRATIVE DISCLOSURE TO SUMMARY COMPENSATION TABLE

Compensation Philosophy. The Company's executive compensation program is administered by the Compensation Committee and compensates management primarily through a combination of base salary and annual cash incentives. The goal of the executive compensation program is to attract and retain talent through incentives that reward outstanding Company and individual performance and the creation of shareholder value. Base salaries are intended to provide cash compensation at a level appropriate for the named executive officers' experience and responsibilities. The Company's incentive compensation, which has historically taken the form of a cash incentive program, is designed to align a portion of the management incentives with the interests of our equity holders.

Base Salary. Base salaries are reviewed annually and may be adjusted in light of individual past performance, tenure, any change in the named executive officer's position or responsibilities within our organization, or rates of inflation. The Compensation Committee reviews the base salary of the Chief Executive Officer and receives recommendations from the Chief Executive Officer regarding base salaries for the other named executive officers. Base salaries of the named executive officers commencing July 1, 2016 are listed in the table below.

Named Executive Officer	2016 Base Salary (\$)
Lonnie J. Stout II	550,000
Mark A. Parkey	240,000
J. Michael Moore	240,000

Cash-Based Incentive Compensation. Part of our compensation philosophy is to incentivize the named executive officers using cash-based incentive compensation tied primarily to our business objectives. We approve the payment of annual cash incentive compensation, if earned, because we believe it rewards executives for achieving our shorter-term business objectives.

In fiscal year 2016, all named executive officers participated in our cash incentive bonus plan (the Bonus Plan) under which they were eligible to receive a cash payment based on the achievement of certain performance targets. Performance targets are set annually by the Compensation Committee of the board of directors and communicated to participants. The amount of the cash payment is a percentage of the officer's annual base salary earned by the officer during the applicable fiscal year. Each participant in the Bonus Plan is assigned an annual award target expressed as a percentage of the participant's base salary earned during the applicable fiscal year. This annual award target is generally determined based on seniority, level of responsibility within our organization, and such person's ability to influence profitability, meet our stated objectives of operational excellence and ensure the integrity of our financial statements and our reputation in the business community. In addition, our Compensation Committee has the discretionary authority to modify the annual award target based on its assessment of the individual participant's performance.

The Bonus Plan is designed to provide 100% of a participant's annual award target for achieving targeted performance, 50% of a participant's annual award target for achieving a minimum acceptable (threshold) level of performance (typically, 90% of the targeted performance level), and up to a maximum of 200% of a participant's annual award target for achieving maximum performance (typically, 120% of the targeted performance level). Payouts between the threshold and maximum amounts are interpolated in 1% increments in relation to the performance level achieved. No payments will be made for performance below the threshold level.

The performance targets for fiscal year 2016 were calculated based on our achievement of designated levels of earnings before net interest expense, income taxes, depreciation, amortization, any pre-opening expenses, certain impairment charges, if applicable, along with adjustments for other items that do not reflect our performance for a

given fiscal year (the Plan Adjusted EBITDA). The table below summarizes the potential cash incentives for each of our named executive officers based on our achievement of the threshold, target and maximum Plan Adjusted EBITDA goals for fiscal year 2016.

Named Executive Officer	Threshold Plan Adjusted EBITDA	Target Plan Adjusted EBITDA	Maximum Plan Adjusted EBITDA
Lonnie J. Stout II	50% of Base Salary	100% of Base Salary	200% of Base Salary
Mark A. Parkey	25% of Base Salary	50% of Base Salary	100% of Base Salary
J. Michael Moore	25% of Base Salary	50% of Base Salary	100% of Base Salary

As a result of our achievement of Plan Adjusted EBITDA between the threshold and target goals, each named executive officer received an award equal to approximately 62.7% of their targeted award level for fiscal year 2016, using the interpolation method described above. Consequently, Mr. Stout received a cash award pursuant to the Bonus Plan equal to 62.7% of his base salary earned in fiscal year 2016, and Messrs. Parkey and Moore each received a cash award pursuant to the Bonus Plan equal to 31.4% of their respective base salaries earned in fiscal year 2016.

Cash Bonuses. On occasion, we may award discretionary cash bonus payments to the named executive officers to reward superior individual performance during a fiscal year. No discretionary cash bonus payments were made during fiscal year 2016.

Profits Interest Incentive Awards. On January 1, 2015, the Operating LLC adopted a Management Incentive Plan and issued Class B Units of the Operating LLC's equity incentive awards to certain members of our management team, including our named executive officers, and other key employees. Each Class B Unit represents a non-voting equity interest in the Operating LLC that entitles the holder to a percentage of the profits and appreciation in the equity value of the Operating LLC arising after the date of grant and after such time as an applicable hurdle amount is met. The hurdle amount for the Class B Units issued to our management in January 2015 was set at \$180 million, which at such time was a reasonable premium to the estimated liquidation value of the equity of the Operating LLC. The Class B Units issued to management vested with respect to 50% of the granted Class B Units on the second anniversary of the date of grant and with respect to the remaining 50% on the third anniversary of the date of grant and require a six-month holding period post-vesting.

Mr. Stout received 442,500 Class B Units, and Messrs. Parkey and Moore each received 132,750 Class B Units on January 1, 2015. In conjunction with the Spinoff, the Operating LLC was recapitalized, and the Class B Units were adjusted on a pro-rata basis to 416,673 for Mr. Stout and 125,002 for each of Messrs. Parkey and Moore. These have a grant date fair value of \$778,800 for Mr. Stout and \$233,640 for each of Messrs. Parkey and Moore.

Vested Class B Units may be exchanged for, at the option of the Operating LLC, either (i) cash in an amount equal to the amount that would be distributed to the holder of those Class B Units by the Operating LLC upon a liquidation of the Operating LLC assuming the aggregate amount to be distributed to all members of the Operating LLC was equal to the implied valuation of the Company based upon its market capitalization on the date of exchange, (net of any assets and liabilities of the Company that are not assets or liabilities of the Operating LLC) or (ii) shares of our common stock with a fair market value equal to the cash payment under (i) above.

The Class B Units issued to our management have been classified as equity awards, and compensation expense based on the grant date fair value is being recognized over the applicable vesting period of the grant in our Consolidated Financial Statements. No additional Class B Units have been issued to any named executive officer since January 1, 2015.

Equity-Based Incentive Compensation. The Company awards non-qualified or incentive stock options to its executive officers under shareholder-approved plans on a periodic basis. The Compensation Committee has indicated that it awards stock options because it believes that stock options closely align employees' interests with those of other shareholders because when the price of the Company's stock increases from the price on the date of grant, the employee realizes value commensurate with increases to shareholder value generally.

The 2015 Equity Incentive Plan provides for the grant of non-statutory or incentive stock options, restricted stock, restricted stock units, and other stock-based awards to the Company's employees, officers, directors or consultants. 1,500,000 shares are reserved for issuance under the 2015 Equity Incentive Plan. The Compensation Committee administers the 2015 Equity Incentive Plan, selects the individuals to whom options will be granted, determines the number of options to be granted, and the term and exercise price of each option. The number of options granted is based on the Compensation Committee's conclusions on the sufficiency of the Company's cash compensation and other benefits available to officers. Because the Compensation Committee has indicated that it believes a larger portion of more senior executives' compensation should be tied to the Company's performance, a larger number of options are granted to the more senior executive officers, decreasing incrementally based on position. Stock options granted pursuant to the terms of the 2015 Equity Incentive Plan generally cannot be granted with an exercise price of less than 100% of the fair market value on the date of the grant. The term of the options granted under the 2015 Equity Incentive Plan cannot be greater than 10 years. See Proposal No. 2 below for more information regarding the 2015 Equity Incentive Plan.

In November 2016, the Company made grants of 125,000 stock options to Mr. Stout, and grants of 60,000 stock options to each of Messrs. Parkey and Moore, respectively, all at an exercise price of \$8.90 (the market price of the Company's stock on the date of the grant). All of the options granted to the named executive officers in fiscal year 2016 vest ratably over four years and have a seven-year term.

Employment Agreements. On December 26, 2008, JAC entered into employment agreements with Messrs. Stout, Parkey and Moore, which were each subsequently amended on July 30, 2012. Mr. Parkey's employment agreement was amended again on July 1, 2014. The agreements provide that each of the named executive officers will continue to serve in their current offices and such other office or offices to which he may be appointed or elected by the Board of Directors of JAC for the term of the agreement. Following the initial three-year term, each agreement has been subject to successive one-year automatic renewals unless either party gives written notice to the other party not less than 90 days prior to the end of the then-current term that it is electing not to extend the agreement. Each agreement provides for the named executive officer to continue to receive his current annual base salary as well as customary benefits, including remuneration pursuant to the Company's cash compensation incentive plans (assuming applicable performance targets are met) or any long-term incentive award plans offered generally to executives of the Company and health insurance. Pursuant to the terms of each agreement, JAC also agreed to reimburse the named executive officer for all reasonable business expenses incurred by such named executive officer in performance of his duties. Compensation payable under the agreements is subject to annual review by the Compensation Committee of the Board and may be increased as the Compensation Committee deems advisable.

Each agreement provides for certain payments upon the termination of the named executive officer's employment. Details of these payments and obligations are discussed below under the heading *Potential Payments Upon Termination or Change in Control*. In addition to these payments, if (i) the named executive officer is terminated other than as a result of death or for cause and (ii) the named executive officer does not obtain substantially similar health insurance coverage as provided for in his employment agreement, then once the period for which we are obligated to provide health insurance coverage under the employment agreement ends, we must use commercially reasonable efforts to make available to the named executive officer health insurance benefits for the named executive officer and his dependents under our then-existing health insurance plan at the named executive officer's expense (and at no additional cost to the Company). Further, pursuant to the terms of each of the agreements, each named executive officer is prohibited from (i) competing with the Company (A) during the term of his employment and (B) for a period of one year following termination of employment if the named executive receives payments under the employment agreements in connection with termination without cause or by the named executive for good reason and (ii) soliciting, without our written consent, the services of the Company's executive officers (or otherwise soliciting our executive officers to terminate their employment or agency with us) for a period of one year following termination of employment if the named executive officer receives payments under the employment agreements in connection with termination without cause or by the named executive officer for good reason. The named executive officer is also

subject to certain confidentiality and non-disclosure obligations.

Retirement Benefits. The Company provides a vested salary continuation benefit as the primary retirement benefit for certain senior executives, including the Company's named executive officers. Each named executive officer receives this retirement benefit through Amended and Restated Salary Continuation Agreements between the

Company and such named executive officer. A description of the vested salary continuation benefits provided to each named executive officer under these agreements is described below under *Potential Payments Upon Termination or Change in Control*. In addition, the Company provides the named executive officers certain other retirement benefits, including participation in the Company's 401(k) plan and a non-qualified deferred compensation plan. Each plan allows the named executive officer to defer a portion of his compensation income on a pre-tax basis through contributions to the plan. The Company will match 25% of the named executive officer's total elective contributions up to 3% of the named executive officer's compensation for the plan year (taking into account elective contributions to both plans). Earnings, gains and losses on deferral accounts under the non-qualified deferred compensation plan are determined quarterly and credited to participant accounts based on the gains or losses of hypothetical measurement funds selected by the plan's administrative committee. The Company does not provide above-market or preferential earnings on deferred compensation.

- (3) The numbers included in this column represent outstanding profits interest awards of Class B Units in the Operating LLC and do not represent shares of Common Stock. The actual number of shares of Common Stock that may be issuable upon exercise of units will be determined at the time of exercise.
- (4) On January 1, 2015, Messrs. Stout, Parkey and Moore received a Class B Unit award, half of which vested January 1, 2017 and half of which is reflected in the table above.
- (5) The market value of the Operating LLC Class B Units reported in this table is based on the estimated per unit liquidation value of each Class B Unit over the volume weighted average closing price of the J. Alexander's Holdings, Inc. Common Stock as of the last day of the most recently completed fiscal year. As of January 1, 2017, the per unit liquidation value of each Class B Units was \$0.00.
- (6) This table does not include any portion of the J. Alexander's Holdings, LLC profits interest award granted to the Management Consultant on October 6, 2015, with respect to which Mr. Stout may be an indirect beneficiary as a

result of his ownership in the Management Consultant. For additional information, see *Certain Relationships and Related Party Transactions Management Consulting Agreement with Black Knight Advisory Services, LLC*.

	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants And Rights	Weighted Average Exercise Price of Outstanding Options Warrants and Rights	Number of Securities Remaining Available for Future Issuance under Equity Compensation Plans
Equity compensation plans approved by security holders	990,750	\$ 9.58	509,250

Total (3)	990,750	\$ 9.58	509,250

- (1) On January 1, 2015, the Operating LLC adopted a 2015 Management Incentive Plan (the Profits Interest Plan) that provided for the issuance of up to 1,770,000 Class B Units awards that represent profits interest in the Operating LLC. In conjunction with the Spinoff, the Operating LLC was recapitalized, and the 885,000 Class B Units issued on January 1, 2015 were adjusted on a pro-rata basis to 833,346. The remaining Class B Units authorized for grant were likewise adjusted on a pro-rata basis to 833,346. Vested Class B Unit awards may be exchanged for, at the option of the Operating LLC, either (i) cash in an amount equal to the amount that would be distributed to the holder of those Class B Units by the Operating LLC upon a liquidation of the Operating LLC assuming the aggregate amount to be distributed to all members of the Operating LLC were equal to the implied valuation of the Company based upon its market capitalization on the date of exchange, (net of any assets and liabilities of the Company that are not assets or liabilities of the Operating LLC) or (ii) shares of our common stock with a fair market value equal to the cash payment under (i) above. This number does not include the award of Class B Units granted to the Management Consultant under a separate arrangement. See *Certain Relationships and Related Party Transactions Management Consulting Agreement with Black Knight Advisory Services, LLC*.
- (2) As of January 1, 2017, there were 833,346 outstanding Class B Units that had been issued pursuant to the Profits Interest Plan, 416,673 of which were vested as of such date. As of such date, the per unit liquidation value was \$0.00 for each outstanding Class B Unit issued pursuant to the Profits Interest Plan. As result, none of the outstanding Class B Units issued pursuant to the Profits Interest Plan could have been exchanged for shares of Company common stock as of such date.
- (3) Total amounts reflect only awards and remaining securities under the J. Alexander's Holdings, Inc. 2015 Equity Incentive Plan. See notes (1) and (2) above for a discussion of the Profits Interest Plan and outstanding awards thereunder.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

Overview

Payments Pursuant to the Employment Agreements. Under each of the employment agreements discussed above under *Narrative Disclosure to Summary Compensation Table*, if the Company terminates the employment of the named executive officer with cause, or the named executive officer terminates employment without good reason, the Company is required to pay the named executive officer his salary, prior year bonus (if any) and benefits, in each case, already earned but unpaid through the date of such termination (accrued obligations). If the Company terminates the employment of Mr. Stout without cause, including non-renewal by the Company or if Mr. Stout resigns for good reason, Mr. Stout will receive the accrued obligations and will also be entitled to receive (i) a lump sum cash payment equal to 2.99 times his base salary then in effect, (ii) a lump sum cash payment equal to 2.99 times the greater of a) the cash bonus paid, or earned but not yet paid, in respect of the previous fiscal year or b) the average bonus paid, or earned but not yet paid, in respect of the last three years, and (iii) health insurance benefits substantially commensurate with the Company's standard health insurance benefits for Mr. Stout and his spouse and dependents for a period of two years, with such benefits terminating prior to the end of such two-year period if he receives substantially similar coverage and benefits from a subsequent employer. For each of Messrs. Parkey and Moore, the applicable severance amounts payable under their respective employment agreements in the event of a termination of employment by us without cause or a resignation by the named executive officer for good reason include (i) the accrued obligations, (ii) a lump sum cash payment equal to 2.00 times his base salary then in effect, (iii) a lump sum cash payment equal to 2.00 times the greater of (a) the cash bonus paid, or earned but not yet paid, in respect of the previous fiscal year or (b) the average bonus paid, or earned but not yet paid, in respect of the last three fiscal years, and (iii) health insurance benefits substantially commensurate with our standard health insurance benefits for the named executive officers and his spouse and dependents for a period of up to two years, with such benefits terminating prior to the end of such two-year period if he receives substantially similar coverage and benefits from a subsequent employer. For Mr. Stout, who is also a party to a Severance Benefits Agreement (more fully described below under *Payments Made Pursuant to the Severance Benefits Agreement*) entitling him to 18 months' salary upon termination of employment by the Company without cause or resignation by him for good reason, the applicable severance amounts payable under the employment agreements in the event of termination without cause and for good reason are reduced by amounts actually paid under his Severance Benefits Agreement.

Under the employment agreements, in the event of termination without cause or if the named executive officer resigns for good reason, each within the 36-month period following a change in control, each named executive officer will be entitled to receive the severance payments and benefits described above; however, for Messrs. Moore and Parkey the severance multiple is increased from 2.00 to 2.99, and for each of Messrs. Stout, Moore and Parkey the duration of the health insurance benefits continuation is increased from a period of up to two years to a continuation of up three years. In addition, all unvested equity incentive plan awards held by the named executive officer will vest upon a termination without cause or if the named executive officer resigns for good reason within the 36-month period following a change in control.

Under the employment agreements, the Company may terminate the employment of the named executive officers with cause upon the occurrence of any of the following events (after the Company has provided proper notice and given the named executive officer the opportunity to remedy the condition in accordance with the procedures set forth in his respective employment agreement): (i) conviction of a felony or a crime involving misappropriation or embezzlement; (ii) willful and material wrongdoing on the part of the named executive officer, including, but not limited to, acts of dishonesty or fraud, which have a material adverse effect on us or any of our subsidiaries; (iii) repeated material failure of the named executive officer to follow our direction or the direction of our board of directors regarding the material duties of employment; or (iv) material breach by the named executive officer of a material obligation under his employment agreement. Under the employment agreements, the named executive officers may terminate their employment for good reason within two years of the occurrence of any of the following events (after the named

executive officers have provided proper notice and given us the opportunity to remedy the condition in accordance with the procedures set forth in his respective employment agreement): (i) a material reduction by us in the named executive officer's title or position, or a material reduction by us in the named

executive officer's authority, duties or responsibilities (which, in the case of Mr. Stout, includes no longer serving on our board of directors) or the assignment by us to the named executive officers of any duties or responsibilities that are materially inconsistent with such title, position, authority, duties or responsibilities; (ii) a material reduction in the named executive officer's base salary; (iii) any material breach of the named executive officer's employment agreement by us; or (iv) our requiring the named executive officer to relocate his office location more than 50 miles from Nashville, Tennessee.

In the employment agreements, "change in control" is defined to include (i) the acquisition of 35% or more of the combined voting power of our then outstanding securities by any person, entity or group; (ii) the change in ownership of a majority of the combined voting power of our then outstanding securities as the result of, or in connection with, any cash tender or exchange offer, merger or other business combination transaction, sales of all or substantially all assets or contested election, or any combination of the foregoing; or (iii) a change, during any period of two consecutive years, in a majority of our directors, unless such newly elected directors were approved by a vote of at least two-thirds of the directors in office at the beginning of such period.

Each of the named executive officers' employment agreements provides for certain tax reimbursement payments to the extent any payment made under the employment agreement becomes subject to excise taxes imposed by Section 4999 of the Code or any interest or penalties incurred by the named executive officer with respect to such excise tax.

Payments Made Pursuant to the Severance Benefits Agreement. In 1989, JAC entered into a Severance Benefits Agreement with Mr. Stout (the "Severance Benefits Agreement") pursuant to which Mr. Stout would receive lump sum payments representing 18 months of his salary upon termination by us without cause or resignation by Mr. Stout for reason. Under the Severance Benefits Agreement, Mr. Stout has reason to terminate his employment if his present job responsibilities change or there is a decrease in his compensation or some other economic loss; provided, however, that the assignment of Mr. Stout to a position at FNH in its main corporate office or upscale division office in Nashville, Tennessee with similar duties and responsibilities and substantially similar salary and benefits or their equivalent value as Mr. Stout's salary and benefits prior to the acquisition of JAC by FNF will not give rise to his right to terminate his employment for reason. Under the Severance Benefits Agreement, Mr. Stout would not be entitled to severance benefits if he were terminated for cause. Under the Severance Benefits Agreement, we will have cause only if termination was the result of an act or acts of dishonesty by Mr. Stout constituting a felony and resulting in or intended to result in substantial gain or personal enrichment at our expense. As described above, any payments actually made under the Severance Benefits Agreement to Mr. Stout will offset and reduce any amounts that become payable under his employment agreement.

Payments Made Pursuant to the Amended and Restated Salary Continuation and Severance Benefits Agreements. The Company is a party to Amended and Restated Salary Continuation Agreements with each of the named executive officers that provide for annual retirement benefits payable upon termination of employment. The amounts described below assume that terminations occurred as of January 1, 2017.

The Amended and Restated Salary Continuation Agreements, which were amended in connection with, and prior to, the 2012 acquisition of JAC by FNF, provide for an annual retirement benefit of 50% of the employee's base salary on the date of the termination of service with the Company for any reason other than death if such termination occurs on or after attaining the age of 65. Pursuant to 2012 letter agreements that amended the terms of the Amended and Restated Salary Continuation Agreements, for the purpose of calculating benefits under the Amended and Restated Salary Continuation Agreements, Messrs. Stout's and Moore's base salary is set at their respective base salaries on the date of the acquisition of JAC by FNF, which was \$430,400 and \$176,700, respectively; for Mr. Parkey, base salary is set at \$200,000 pursuant to a July 1, 2014 letter agreement. The retirement benefit is payable over 15 years commencing within 30 days of the employee's retirement. The same benefit is available to the beneficiaries of an employee who dies while in office, but after age 65. The Amended and Restated Salary Continuation Agreements also provide that in the event an employee dies while in the employ of the Company before attaining the age of 65, his

beneficiaries will receive specified benefit payments for a period of ten years, or until such time as the employee would have attained age 65, whichever period is longer. The payments in this instance are 100% of the employee's base salary, in the amounts set forth above, for the first year after death and 50% of the employee's base salary, in amounts set forth above, each year thereafter in the death benefits period. The annual payment for the first year after death for Messrs. Stout, Parkey and Moore would be \$430,400, \$200,000 and \$176,700, respectively.

In connection with the 2012 acquisition of JAC by FNF, the Amended and Restated Salary Continuation Agreements with each of the named executive officers were also amended to suspend the Company's obligation and that of our successors to establish and fund a rabbi trust with respect to certain retirement benefits upon a change in control of JAC (which occurred when FNF acquired JAC in 2012), in exchange a guarantee by FNF and certain of its affiliates of these obligations. Under the 2012 letter agreements, our obligation to fund a rabbi trust would resume once FNF no longer held direct or indirect beneficial ownership of at least 40% of JAC or its successors and permitted assigns. Since, following the Spinoff, FNF did not retain a direct or indirect beneficial ownership of at least 40% of the Operating LLC, which is the successor to JAC, the Spinoff triggered our obligation to fund a rabbi trust under the Amended and Restated Salary Continuation Agreements. Upon the establishment and funding by us of the rabbi trust on October 19, 2015, FNF's guarantee terminated, and each of the named executive officers have released FNF and its affiliates from the guarantee established by the 2012 letter agreements.

The Company's obligations under the Amended and Restated Salary Continuation Agreements, if termination had occurred on January 1, 2017, are described in the table below. None of our non-employee directors are party to a Salary Continuation Agreement.

If a termination of service had occurred on January 1, 2017, the annual retirement benefit for each of Messrs. Stout, Parkey and Moore under the Amended and Restated Salary Continuation Agreements would have been \$215,200, \$100,000 and \$88,350, respectively. Payments to Mr. Stout would have commenced 30 days following his termination. Pursuant to an election made in accordance with the terms of their respective Amended and Restated Salary Continuation Agreements, payments to Messrs. Parkey and Moore would have been scheduled to commence once the named executive officer attained the age of 65.

The following table summarizes the Company's obligations under the employment agreements, Mr. Stout's Severance Benefits Agreement and the Amended and Restated Salary Continuation Agreements to the named executive officers upon (i) a termination of employment or (ii) a termination of employment without cause or a resignation for good reason within the 36-month period following a change in control assuming, in each case, that such termination and change in control occurred on January 1, 2017:

(5) Represents Base Salary (plus applicable bonus factor) x 2.00.

(6) Represents Base Salary (plus applicable bonus factor) x 2.99 less, for Mr. Stout, any benefits calculated under his Severance Benefit Agreement.

Upon termination by the Company without cause or by the named executive officer for good reason, or upon termination as the result of disability, each named executive officer would be eligible for certain continued health insurance benefits for him and his dependents, for a period of up to two years or for a period of up to three years upon a termination in connection with a change in control. No payments would be made upon a change in control not involving a termination.

DIRECTOR COMPENSATION

Director compensation is comprised of a cash component and an equity component. The cash component of the Company's director compensation program consists of an annual cash retainer for non-employee directors and an annual cash retainer for directors serving as chair of any standing committee of the board.

The Company will also reimburse directors for their travel and related out-of-pocket expenses in connection with attending board, committee and shareholders' meetings. Directors who are also employees, such as Mr. Stout, do not receive any additional compensation for their services as director. Directors are also entitled to the protection provided by their indemnification agreements and the indemnification provisions in the Company's Amended and Restated Charter and Amended and Restated Bylaws.

The following table summarizes director compensation for fiscal year 2016:

Name	Fees Earned or Paid in Cash (\$) ⁽¹⁾	Option Awards (\$) ⁽²⁾	Total (\$)
Douglas K. Ammerman	60,000	56,200	116,200
Timothy T. Janszen	45,000	56,200	101,200
Ronald B. Maggard, Sr.	52,500	56,200	108,700
Frank R. Martire	55,000	56,200	111,200
Raymond R. Quirk	45,000	56,200	101,200

- (1) As described below in the narrative, amounts represent cash payments made for a \$3,750 monthly retainer fee paid to each non-employee director plus an additional retainer for each director serving as chair of a standing Board committee.
- (2) Represents the aggregate grant date fair value of the stock option award granted to the director determined in accordance with ASC Topic 718 Compensation - Stock Compensation. For additional information on the assumptions made in the valuation for the current year awards reflected in this column, please see Note 14 to the Consolidated Financial Statements contained in the Form 10-K.

The above table reflects fees earned or paid in cash during fiscal year 2016 and the aggregate grant date fair value of option awards to non-employee directors in fiscal year 2016. Currently each director who is not an employee of the Company receives an annual retainer fee of \$45,000, plus an additional annual retainer fee for directors serving as chair of any standing committee of the Board. The additional retainer fee for committee chairs are \$15,000 for the Audit Committee, \$10,000 for the Compensation Committee, and \$7,500 for the Nominating and Corporate Governance Committee.

Each director who is not also an employee of the Company is eligible for grants of non-qualified stock options under the Plan. In 2016, non-employee directors were awarded options to purchase 20,000 shares of Common Stock, with the exercise price equal to the fair market value of the Common Stock on the date of grant. No non-employee director is eligible for a grant of incentive stock options under the Plan.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Related Party Transactions

Our Code of Business Conduct and Ethics states that a conflict of interest (or conflict) occurs when an individual's private interests interfere in any way, or appear from the perspective of a reasonable person to interfere in any way, with our interests as a whole, and provides further that a conflict situation can arise when an employee or director takes actions or has interests that may make it difficult to perform his or her responsibilities objectively and effectively. We believe that a conflict exists whenever an outside interest could actually or potentially influence the judgment or actions of an individual in the conduct of our business and that conflicts of interest may arise when an employee or director, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our Code of Business Conduct and Ethics provides that directors and employees must avoid conflicts or the appearance of conflicts, and that employees should avoid any outside financial interests that might conflict with our interests. Such outside interests could include, among other things:

personal or family financial interests in, or indebtedness to, enterprises that have business relations with us, such as relatives who are employed by or own an interest in consultants or suppliers;

acquiring any interest in outside entities, properties, etc., in which we have an interest or potential interest;

conduct of any business not on our behalf with any consultant, contractor, supplier, or distributor doing business with us or any of their officers or employees, including service as a director or officer of, or employment or retention as a consultant by, such persons; or

serving on the board of directors of an outside entity whose business competes with our business.

Under our Code of Business Conduct and Ethics, employees are required to report any material transaction or relationship that could result in a conflict of interest to our compliance officer.

The Audit Committee is responsible for the review, approval, or ratification of any potential conflict of interest transaction involving any of our directors or executive officers, director nominees, any person known by us to be the beneficial owner of more than five percent of any class of our voting securities, or any family member of or related party to such persons, including any transaction required to be reported under Item 404(a) of Regulation S-K promulgated by the Commission.

In reviewing any such proposed transaction, the Audit Committee is tasked to consider all relevant facts and circumstances, including the commercial reasonableness of the terms, the benefit or perceived benefit, or lack thereof, to us, opportunity costs of alternate transactions, the materiality and character of the related person's direct or indirect interest and the actual or apparent conflict of interest of the related person.

Certain Related Person Transactions

In addition to the compensation arrangements with directors and executive officers described elsewhere in this Proxy Statement, the following is a description of each transaction in fiscal year 2016, and each currently proposed

transaction in which:

we have been or are to be a participant;

the amount involved exceeded or will exceed \$120,000; and

any of our directors, executive officers, beneficial holders of more than 5% of our capital stock, or any member of their immediate family or person sharing their household had or will have a direct or indirect material interest.

Agreements with FNF

In order to govern the ongoing relationships between us and FNF after the Spinoff and to facilitate an orderly transition, we and FNF entered into agreements providing for various services and rights following the Spinoff, and under which we and FNF will indemnify each other against certain liabilities arising from our respective businesses. The following summarizes the terms of the material agreements we entered into with FNF.

Because the separation and distribution involved our separation from FNF's existing businesses, we negotiated these agreements with FNF while we were still a majority-owned subsidiary of FNF. Accordingly, during this time, certain of our directors and officers were directors, officers and employees of FNF or its subsidiaries and, as such, had an obligation to serve the interests of FNF.

Separation and Distribution Agreement.

We entered into a Separation and Distribution Agreement with FNF before the Spinoff. The Separation and Distribution Agreement sets forth our agreements with FNF regarding the principal actions to be taken in connection with the Spinoff. It also sets forth other agreements that govern aspects of our relationship with FNF following the Spinoff. The Separation and Distribution Agreement identifies certain transfers of assets and assumptions of liabilities that were necessary in advance of our separation from FNF so that we and FNF retained the assets of, and the liabilities associated with, our respective businesses.

The parties agreed to use commercially reasonable efforts, on and after the date of the Spinoff, to take, or cause to be taken, all actions, and to do, or cause to be done, all things, reasonably necessary, proper or advisable under applicable laws, regulations and agreements to consummate and make effective the transactions contemplated by the Separation and Distribution Agreement and the Ancillary Agreements.

In addition, the Company and FNF agreed to provide each other with information reasonably necessary to comply with reporting, disclosure, filing or other requirements of any national securities exchange or government authority, for use in judicial, regulatory, administrative and other proceedings and to satisfy audit, accounting, litigation and other similar requests. We and FNF also agreed that until the end of the first full fiscal year following the Spinoff, each party will use its commercially reasonable efforts, consistent with past practice, to assist the other party with its financial reporting and audit obligations.

The Company and FNF each agreed to release the other and its affiliates, successors and assigns, and all persons that prior to the Spinoff had been the other's shareholders, directors, officers, agents or employees and each of the heirs, executors, trustees, administrators, successors and assigns, against any and all liabilities existing or arising in connection with the implementation of the separation of the Company and FNF. These releases are subject to exceptions set forth in the Separation and Distribution Agreement.

Finally, the Company and FNF each agreed to indemnify the other and each of the other's current, former and future directors, officers and employees, and each of the heirs, administrators, executors, successors and assigns of any of them, against certain liabilities incurred in connection with the Spinoff and our and FNF's respective businesses. The amount of either FNF's or our indemnification obligations will be reduced by any insurance proceeds the party being indemnified receives. The Separation and Distribution Agreement also specifies procedures regarding claims subject to indemnification.

Tax Matters Agreement.

We also entered into a Tax Matters Agreement with FNF prior to the Spinoff that governs the respective rights, responsibilities and obligations of FNF and us after the Spinoff with respect to all tax matters (including tax liabilities,

tax attributes, tax returns and tax contests).

Under the Tax Matters Agreement, FNF generally is required to indemnify us for any income taxes attributable to its operations or our operations and for any non-income taxes attributable to its operations, in each case for all pre-distribution periods as well as any taxes arising from transactions effected to consummate the separation and distribution, and we generally are required to indemnify FNF for any non-income taxes attributable to our operations for all pre-distribution periods and for any taxes attributable to our operations for post-distribution periods.

We are generally required to indemnify FNF against any tax resulting from the distribution (and against any claims made against FNF in respect of any tax imposed on its shareholders), in each case if that tax results from (i) an issuance of a significant amount of our equity securities, a redemption of a significant amount of our equity securities or our involvement in other significant acquisitions of our equity securities (excluding the Spinoff distribution), (ii) other actions or failures to act by us (such as those described in the following paragraph) or (iii) any of our representations or undertakings referred to in the Tax Matters Agreement being incorrect or violated. FNF is generally required to indemnify us for any tax resulting from the distribution.

The Tax Matters Agreement imposes certain restrictions on us and our subsidiaries (including restrictions on share issuances, sales of assets, and voluntarily dissolving or liquidating) that were designed to preserve the tax-free nature of the Spinoff. These restrictions apply for the two-year period after the Spinoff.

Though valid as between the parties, the Tax Matters Agreement is not binding on the IRS and does not affect the several liability of FNF and us for all U.S. federal taxes of the consolidated group relating to periods before the distribution date.

Management Consulting Agreement with Black Knight Advisory Services, LLC

Prior to the Spinoff, the Operating LLC entered into the Management Consulting Agreement with the Management Consultant pursuant to which the Management Consultant will provide corporate and strategic advisory services to us.

As compensation for services rendered to us under the Management Consulting Agreement, on October 6, 2015, the Operating LLC issued the Management Consultant 1,500,024 non-voting Class B Units representing an amount equal to 8.7% of the outstanding units of the Operating LLC. In addition, we agreed to pay to the Management Consultant an annual fee equal to 3.0% of our Adjusted EBITDA for each fiscal year during the term of the Management Consulting Agreement. We will also reimburse the Management Consultant for its direct out-of-pocket costs incurred for management services provided to us. Under the Management Consulting Agreement, Adjusted EBITDA means our net income (loss) before interest expense, income tax (expense) benefit, depreciation and amortization, and adding asset impairment charges and restaurant closing costs, loss on disposals of fixed assets, transaction and integration costs, non-cash compensation, loss from discontinued operations, gain on debt extinguishment, pre-opening costs and certain unusual items.

Each Class B Unit represents a non-voting equity interest in the Operating LLC that entitles the holder thereof to a percentage of the profits and appreciation in the equity value of the Operating LLC arising after the date of grant. The Management Consultant will only participate in distributions by the Operating LLC following such time as a specified hurdle amount has been previously distributed to holders of Class A Units of the Operating LLC (i.e., the Company and its wholly-owned subsidiary, JAX Investments, Inc.). The hurdle amount with respect to the Class B Units issued to the Management Consultant is equal to \$151,052,366, which was determined based on the volume weighted average of the closing price of our common stock over the five trading days following the completion of the Spinoff. None of the Class B Units were vested upon issuance. Instead, the Class B Units issued to the Management Consultant will vest with respect to one-third of such Class B Units on each of the first, second and third anniversaries of the date of grant.

The vesting of the Class B Units issued to the Management Consultant is subject to acceleration upon a change in control of us, our termination of the Management Consulting Agreement without cause or the termination of the Management Consulting Agreement by the Management Consultant as a result of our breach of the Management Consulting Agreement.

Vested Class B Units may be exchanged for shares of our Common Stock. However, upon termination of the Management Consulting Agreement for any reason, Management Consultant must exchange its Class B Units within

90 days, or such units will be forfeited.

Vested Class B Unit awards held by the Management Consultant may be exchanged for shares of J. Alexander's Holdings, Inc. Common Stock with an aggregate fair market value equal to the amount of cash that would be distributed to the Management Consultant in respect of those Class B Units by the Operating LLC upon a liquidation

of the Operating LLC assuming the aggregate amount to be distributed to all members of the Operating LLC were equal to the implied valuation of the Company based upon its market capitalization on the date of exchange, (net of any assets and liabilities of the Company that are not assets or liabilities of the Operating LLC). As of January 1, 2017, the implied per unit liquidation value for each outstanding Class B Unit held by the Management Consultant was \$0.35. As a result, assuming all outstanding Class B Units issued to the Management Consultant were exchanged on such date, we would have issued 49,082 additional shares of common stock to the Management Consultant. Note that as of January 1, 2017, only 500,008 of the Class B Units held by the Management Consultant were vested and, as a result, the remaining 1,000,016 unvested units could not have been exchanged except upon an accelerated vesting of such Class B Units as described above.

The Management Consulting Agreement will continue in effect for an initial term of seven years and be renewed for successive one-year periods thereafter unless earlier terminated (i) by us upon at least six months prior notice to the Management Consultant or (ii) by the Management Consultant upon 30 days prior notice to us. In the event that we terminate the Management Consulting Agreement prior to the tenth anniversary thereof, or the Management Consultant terminates the Management Consulting Agreement within 180 days after a change of control event with respect to us, we will be obligated to pay to the Management Consultant an early termination payment equal to the product of (i) the annual base fee for the most recent fiscal year and (ii) the difference between ten and the number of years that have elapsed under the Management Consulting Agreement, provided that in the event of such a termination following a change of control event, the multiple of the annual base fee to be paid shall not exceed three.

The principal member of the Management Consultant is William P. Foley, II, Senior Managing Director of FNFV. The other members of the Management Consultant consist of other current and former officers of FNFV and Lonnie J. Stout II, our President and Chief Executive Officer.

Mr. Stout currently holds a 11.76% interest in the Management Consultant and, as a result, may be an indirect beneficiary of the Class B Units issued to the Management Consultant and the management fees paid to the Management Consultant.

From the inception of the Management Consulting Agreement through March 28, 2017, we have paid approximately \$76,000 in reimbursements for their out of pocket expenses incurred by or on behalf of the Management Consultant. On March 30, 2016, we paid the Management Consultant a management fee of approximately \$207,000 with respect to the period ended January 3, 2016. On March 3, 2017, we paid the Management Consultant a management fee of approximately \$729,000 with respect to the period ended January 1, 2017.

Indemnification Agreements

We are party to indemnification agreements with each of our current directors. These agreements will require us to indemnify these individuals to the fullest extent permitted under Tennessee law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Commission and NYSE. Executive officers, directors and greater than 10% shareholders are required by regulation of the Commission to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the Forms 3, 4 and 5 and amendments thereto and certain written representations furnished to the Company, the Company believes that during the fiscal year ended January 1, 2017, its executive officers and directors complied with all applicable filing requirements, except as described below.

Mr. Quirk filed one Form 4 Amendment on May 19, 2016 to reflect a number of shares received on September 28, 2015 pursuant to the Spin-off that had not been previously reported.

PROPOSAL NO. 2.

162(M)-RELATED PROVISIONS OF

2015 EQUITY INCENTIVE PLAN

The J. Alexander's Holdings, Inc. 2015 Equity Incentive Plan, as amended (the Plan) provides for the grant of non-statutory and incentive stock options, restricted stock, restricted stock units, incentive compensation cash awards, and other stock-based awards to the Company's employees, officers, directors or consultants. 1,500,000 shares of Common Stock were reserved for issuance under the Plan, of which 514,250 shares are available for grant. The Plan may be subsequently amended from time to time. Prior to the separation of the Company from FNFV, the Plan was approved by the pre-Spinoff shareholders of the Company. The Plan was amended in 2017 to make non-material updating changes, which amendment was approved by the Board, including each independent director. Capitalized terms used but not defined herein shall have the meanings given to them in the Plan.

Our Board is now asking shareholders to approve the material terms of the performance goals under the Plan at this time solely for the purpose of preserving our ability to deduct compensation that qualifies as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)). **The Board is not amending or altering nor seeking shareholder approval to amend or alter the Plan under this Proposal, and the Plan will continue in full force and effect.**

Pursuant to Section 162(m), we generally may not deduct for federal income tax purposes the compensation paid to our Chief Executive Officer or any of our three other most highly compensated executive officers (within the meaning of Section 162(m) which excludes our principal financial officer) (our Covered Officers) that exceeds \$1 million in any single year. However, if the compensation qualifies as performance-based for Section 162(m) purposes, we may generally deduct it for federal income tax purposes even if it exceeds \$1 million in a single year. The requirements of Section 162(m) for performance-based compensation include, but are not limited to, shareholder approval of the material terms of the performance goals under which compensation is paid and the reapproval of such performance goals no less frequently than every five years. Because the material terms of the performance goals under the Plan have not yet been approved by our public shareholders, our Board is seeking approval of the performance goals at this year's annual meeting. Most awards granted to date under the Plan are designed to qualify as performance-based compensation within the meaning of Section 162(m). Most awards granted after the annual meeting will continue to be designed to qualify as performance-based compensation within the meaning of Section 162(m) if our shareholders approve the material terms of the performance goals under the Plan at the annual meeting.

We believe that it is important to retain the flexibility to respond to changes in the market for top executives and offer compensation packages that are competitive with those offered by others in our industry. In the event we are motivated by competitive or other considerations to offer compensation in excess of \$1 million to an executive officer, our Board believes it would be in our best interests and those of our shareholders to be able to deduct such compensation for federal income tax purposes.

The sole effect of shareholders' approval of the material terms of the performance goals under the Plan is to facilitate our continued compliance with applicable legal requirements, so that certain incentive awards granted to our Covered Officers under the Plan may continue to qualify as tax deductible performance-based compensation under Section 162(m). However, even if this proposal is approved by our shareholders, there are additional requirements that must be satisfied for performance-based awards under the Plan to be fully deductible under Section 162(m). In addition, while approval of the performance goals is required for compensation to qualify as performance-based compensation under Section 162(m), it does not mean that all awards or other compensation under the Plan will qualify, or be intended to qualify, as performance-based compensation or otherwise be deductible.

Summary of the Provisions of the Plan Required to be Approved by Shareholders for Purposes of Section 162(m) of the Code

For purposes of Section 162(m), the material terms of the performance goals we are asking shareholders to approve include the employees eligible to receive compensation under the Plan, the business criteria on which the performance goals are based and the maximum amount of compensation that can be paid to an employee under the

performance goals. Each of these aspects is discussed below, and shareholder approval of this Proposal 2 constitutes approval of each of these aspects for purposes of the Section 162(m) shareholder approval requirements. The following summary of the provisions of the Plan related to Section 162(m) does not purport to be a complete description of all of the provisions of the Plan. It is qualified in its entirety by reference to the complete text of the Plan, which has been restated with the recent amendments, which has been filed with the Commission as Annex A to this proxy statement. Any Company shareholder who wishes to obtain a copy of the Plan may do so upon written request to the Corporate Secretary at the Company's principal executive offices.

Eligibility. Grants may be made under the Plan to employees and certain consultants of the Company and its affiliates and to non-employee directors. Incentive stock options may be granted only to employees of the Company or its subsidiaries. As of January 1, 2017, there were approximately 3,500 employees, five non-employee directors, and five consultants eligible to receive grants under the Plan. The Compensation Committee, in its discretion, selects the participants to whom grants may be made, the time or times at which the grants are made and the terms of the grants. Grants for non-employee directors are not subject to Section 162(m) of the Code and are described further below.

Section 162(m) Share and Dollar Limitations. The Plan provides that no grantee may be granted awards covering more than 1,000,000 shares in any calendar year. The maximum cash amount payable to a grantee pursuant to the Plan for any fiscal year that is intended to satisfy the requirements for performance-based compensation under Section 162(m) may not exceed \$5,000,000.

Qualifying Performance Criteria. For purposes of the Plan, qualifying performance criteria means any one or more of the performance criteria listed below, either individually, alternatively or in combination, applied to either the Company as a whole or to a subsidiary, operating unit or restaurant concept of the Company, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis, or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Compensation Committee in the grant agreement (which may be in the form of a separate plan or program adopted by the Company or an affiliate). The qualifying performance criteria for grants (other than options and stock appreciation rights) made under the Plan that are designed to qualify for the performance-based exception from the limitations of Section 162(m) and are to be based on one or more of the following measures: total sales or revenues; sales or revenue per restaurant or other unit; earnings before interest, taxes, depreciation and/or amortization; operating income or profit (before or after taxes); operating margins, gross margins or cash margin; operating efficiencies; return on equity, assets (or net assets), capital, capital employed or investment; net income (before or after taxes); pre- or after-tax income (before or after allocation of corporate overhead and bonuses); earnings (gross, net, pre-tax, after-tax or per share), which may, but need not, exclude interest, depreciation, amortization, taxes and other items; utilization; improvement in or attainment of expense levels or working capital levels, including cash, inventory and accounts receivable; gross or net profit margins; stock price or total shareholder return; cash flow or cash flow per share (before or after dividends); appreciation in and/or maintenance of the price of shares of Common Stock or other publicly-traded securities of the Company; debt reduction; year-end cash; financial ratios, including those measuring activity, leverage, liquidity or profitability, cost of capital or asset levels; financing and other capital-raising transactions; division revenue; strategic business objectives, consisting of one or more objectives based on meeting specified cost targets, business expansion goals or goals relating to acquisitions or divestitures; or any combination thereof. To the extent consistent with Section 162(m) of the Code, performance criteria may be adjusted to exclude: (i) asset write-downs, (ii) litigation or claim judgments or settlements, (iii) the effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results, (iv) accruals for reorganization and restructuring programs, (v) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, (vi) pre-opening costs, and (vii) any extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30, and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report (or quarterly report on Form 10-Q) to shareholders for the applicable year.

Additional Information about Performance Awards

Performance Awards. The Compensation Committee has the authority to determine the Participants who shall receive a Performance Award, which is a right that is (i) denominated in cash, shares or other property, (ii) valued, as determined by the Compensation Committee, in accordance with the achievement of such performance goals during such performance periods as the Compensation Committee establishes, and (iii) payable at such time and in such form as the Compensation Committee determines. Notwithstanding any provision of the Plan to the contrary, dividends or dividend equivalents on Performance Awards denominated in shares may not be paid to a Participant (but they may be accumulated for eventual payment) until such time as the Compensation Committee determines that the performance criteria underlying such Performance Awards have been satisfied. An Award Agreement may provide that Performance Awards may be paid in a lump sum or in installments following the close of the performance period or, in accordance with the procedures established by the Compensation Committee, on a deferred basis, subject to the requirements of Section 409A of the Code. Notwithstanding the foregoing, and to the extent permissible under Section 162(m) (if applicable), the Compensation Committee may in its discretion, waive any performance goals and/or other terms and conditions relating to a Performance Award. In 2015, 2016 and 2017, our Compensation Committee has implemented a cash incentive performance program under the Plan, which has consisted of a cash bonus payment determined based on Plan performance criteria, with the Compensation Committee setting target performance objectives for each year.

Except as otherwise provided in the applicable Award Agreement, in the event of a Participant's Termination of Service prior to the close of the applicable performance period, the Participant's rights in unvested Performance Awards then subject to restrictive conditions shall lapse, and such Performance Awards shall be forfeited.

Compensation Committee Determinations. Following the completion of each performance period, the Compensation Committee shall determine in accordance with the Plan whether the applicable performance targets have been achieved and the amounts, if any, payable to Covered Employees for such performance period. In determining the amount earned by a Covered Employee for a given performance period, subject to any applicable Award Agreement, the Compensation Committee shall have the right to reduce (but not increase) the amount payable at a given level of performance to take into account additional factors that the Compensation Committee may deem relevant in its sole discretion to the assessment of individual or corporate performance for the performance period.

Summary of the Remaining Provisions of the Plan

The remaining principal features of the Plan are summarized below. The following summary of the remaining provisions of the Plan does not purport to be a complete description of all of the provisions of the Plan. It is qualified in its entirety by reference to the complete text of the Plan, which has been filed with the Commission as Annex A to this proxy statement.

General. The purpose of the Plan is to promote the interests of the Company, its subsidiaries and its shareholders by (i) attracting and retaining key officers, employees and directors of, and consultants to, the Company, its subsidiaries and affiliates; (ii) motivating such individuals by means of performance-related incentives to achieve long-range performance goals; (iii) enabling such individuals to participate in the long-term growth and financial success of the Company; (iv) encouraging ownership of stock in the Company by such individuals; and (v) linking such individuals' compensation to the long-term interests of the Company and its shareholders.

Administration. The Plan shall be administered by the Compensation Committee; provided, however, with respect to awards to non-employee directors, the Board shall administer the Plan. Subject to the terms of the Plan and applicable law, and in addition to other express powers and authorizations conferred on the Compensation Committee by the Plan, the Compensation Committee shall have full power and authority in its discretion to take all actions, including, without limitation, designate Participants and determine eligibility for participation in the Plan, make decisions with

respect to terms and types of awards to be granted under the Plan, interpret, administer the Plan and make any other determination and take any other action that the Compensation Committee deems necessary or desirable for the administration of the Plan, subject to the exclusive authority of the Board to amend or terminate the Plan.

Shares Available. The Plan authorizes the delivery of 1,500,000 shares of Company Common Stock. This number represents approximately 10.21% of the Company's 14,695,176 outstanding shares as of January 1, 2017. Of the 1,500,000 shares authorized under the Plan, 514,250 shares remained available for future grants as of April 11, 2017. For the fiscal year ended January 1, 2017, the Company made grants representing a total of 553,750 shares as stock option grants to the participants, with a total grant date fair value of approximately \$1,562,970.

As of January 1, 2017, there were a total of 990,750 outstanding stock options under the Plan. The weighted-average exercise price of all options outstanding under the Plan is \$9.58, and the weighted-average remaining term for these options is 6.37 years. No other types of share awards have been granted.

Terms and Conditions of Options and Stock Appreciation Rights. Subject to the provisions of the Plan and other applicable legal requirements, the Compensation Committee shall have sole and complete authority to determine the Participants to whom Options and SARs shall be granted, the number of shares subject to each award, the exercise price and the conditions and limitations applicable to the exercise of each Option and SAR. An Option may be granted with or without a related SAR. A SAR may be granted with or without a related Option. The Compensation Committee in its sole discretion shall establish the Option Price at the time each Option is granted and the Grant Price at the time each SAR is granted. Except in the case of Substitute Awards, the Option Price of an Option, and the Grant Price of an SAR, may not be less than one hundred percent (100%) of the Fair Market Value of a share on the date of grant of such Option or SAR.

Exercise of Options and Stock Appreciation Rights; Exercise Price. The Compensation Committee determines when options or stock appreciation rights become exercisable and in its discretion may accelerate the vesting of any outstanding grant. The means of payment for shares issued upon exercise of an option are specified in each option agreement. The Plan permits payment to be made by cash or cash equivalents, other shares of Common Stock of the Company (with some restrictions), broker assisted cashless exercise, withholding shares otherwise deliverable to the holder, or any combination of the foregoing.

Term of Option or Stock Appreciation Right. Each Option and SAR and all rights and obligations thereunder shall expire on the date determined by the Compensation Committee and specified in the Award Agreement. To date, all stock option awards granted under the Plan have seven-year terms.

Termination of Service. Except as otherwise provided in the applicable Award Agreement, in the event of a Participant's termination of service, as specified in the Plan, the outstanding Options and SARs held by such Participant terminate on the date of such termination of service and be forfeited.

No Dividends as Equivalents. No dividends or dividend equivalent rights are permitted with respect to options or stock appreciation rights.

Terms and Conditions of Restricted Shares and Restricted Share Units. Subject to the provisions of the Plan and other applicable legal requirements, the Compensation Committee may determine the Participants to whom Restricted Shares and Restricted Share Units shall be granted, the number of Restricted Shares and/or the number of Restricted Share Units to be granted, the duration of the period during which, and the conditions under which, the Restricted Shares and Restricted Share Units may be forfeited to the Company, and the other terms and conditions of such awards. Each Restricted Share Unit shall have a value equal to the Fair Market Value of a share. Restricted Share Units shall be paid in cash, shares, other securities or other property, as determined in the sole discretion of the Compensation Committee, upon the lapse of the restrictions applicable thereto, or otherwise in accordance with the applicable Award Agreement.

Minimum Vesting Period. Awards shall have a vesting period of not less than one (1) year from the date of grant (inclusive of any performance periods related thereto), subject to the discretionary waiver of the Compensation

Committee (so long as at least five percent (5%) of the Awards have an original vesting period of at least one (1) year), except the one-year vesting period shall not apply to Substitute Awards, or in connection with the death or Disability of the Participant, or in the event of a Change in Control.

Termination of Service. Except as otherwise provided in the applicable Award Agreement, in the event of a Participant's Termination of Service, the Participant's rights in unvested Restricted Shares and unvested Restricted Share Units (and any accrued dividends or dividend equivalent rights associated therewith) then subject to restrictive conditions shall lapse and be forfeited.

Dividends. Prior to the lapse of any applicable transfer restrictions, Participants holding Restricted Shares shall be credited with any dividends payable in cash, shares or other property paid with respect to such Restricted Shares while they are so held, unless determined otherwise by the Compensation Committee and set forth in the Award Agreement. Unless otherwise provided in the applicable Award Agreement, Participants holding Restricted Share Units shall not be credited with any dividends.

Non-Employee Director Grants. The Board may provide that all or a portion of a Non-Employee Director's annual retainer, meeting fees and/or other awards or compensation as determined by the Board, be payable (either automatically or at the election of a Non-Employee Director) in the form of Non-Qualified Stock Options, Restricted Shares, Restricted Share Units and/or Other Stock-Based Awards under the Plan, including unrestricted shares. The Board shall determine the terms and conditions of any such Awards, including the terms and conditions which shall apply upon a termination of the Non-Employee Director's service as a member of the Board, and shall have full power and authority in its discretion to administer such Awards, subject to the terms of the Plan and applicable law. Subject to applicable legal requirements, the Board may also grant Awards to Non-Employee Directors pursuant to the terms of the Plan. Notwithstanding anything in the Plan to the contrary, the maximum number of shares subject to Awards granted during a calendar year to any Non-Employee Director shall not exceed \$500,000 in total value (the Non-Employee Director Limit). The Board may not, without the approval of the shareholders, increase the Non-Employee Director Limit.

Termination of Service Generally. Subject to the terms and conditions of the Plan, the Compensation Committee shall have the full power and authority to determine the terms and conditions that shall apply to any Award upon a Termination of Service with the Company or its Affiliates, including a termination by the Company with or without cause, by a Participant voluntarily, or by reason of death, disability or retirement (each, as may be defined by the Compensation Committee from time to time or set forth in an Award Agreement), and may provide such terms and conditions in the Award Agreement or in such rules and regulations as it may prescribe.

Nontransferability. Each Award shall be exercisable only by a Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. Notwithstanding the foregoing, the Compensation Committee may permit Awards other than Incentive Stock Options to be transferred by a Participant, without consideration, subject to such rules as the Compensation Committee may adopt consistent with any applicable Award Agreement to preserve the purposes of the Plan, to: any person who is a family member of the Participant; certain related entities or trusts; or any other transferee as may be approved by the Compensation Committee.

Amendment and Termination of the Plan. The Board may at any time and from time to time, alter, amend, suspend, or terminate the Plan, in whole or in part. However, no amendment that requires shareholder approval in order to comply with tax or regulatory requirements will be made without shareholder approval. The Compensation Committee may waive any conditions or rights under, amend any terms of or alter, suspend, discontinue, cancel or terminate, any award theretofore granted, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary.

Change in Control. Unless otherwise provided in an Award Agreement or by the Compensation Committee at any time, in the event of a Change in Control of the Company to the extent the successor company does not assume or

substitute for an Award (or in which the Company is the ultimate parent corporation and does not continue the Award): (i) those Options and SARs outstanding as of the date of the Change in Control that are not assumed or substituted for (or continued) shall immediately vest and become fully exercisable, (ii) restrictions, limitations and other conditions applicable to Restricted Shares and Restricted Share Units that are not assumed or substituted for (or continued) shall lapse and the Restricted Shares and Restricted Share Units shall become free of all restrictions, limitations and conditions and become fully vested, and (iii) the restrictions, other limitations and other conditions

applicable to any Other Stock-Based Awards or any other Awards (including the settlement at target level of Performance Awards) that are not assumed or substituted for (or continued) shall lapse, and such Other Stock-Based Awards or such other Awards shall become free of all restrictions, limitations and conditions and become fully vested and transferable to the full extent of the original grant. The Plan also provides for, under certain circumstances, Substitute Awards, cancellation of underwater options and other features.

The Compensation Committee, in its discretion, may determine that, upon the occurrence of a Change in Control of the Company, each Option and SAR outstanding shall terminate within a specified number of days after notice to the Participant, and/or that each Participant shall receive, with respect to each share subject to such Option or SAR, an amount equal to the excess of the Fair Market Value of such share immediately prior to the occurrence of such Change in Control over the Option Price or Grant Price of such Option and/or SAR; such amount to be payable in cash, in one or more kinds of stock or property (including the stock or property, if any, payable in the transaction) or in a combination thereof, as the Compensation Committee, in its discretion, shall determine.

Clawback Policies. Pursuant to its general authority to determine the terms and conditions applicable to Awards under the Plan, the Compensation Committee shall have the right to provide, in an Award Agreement, or to require a Participant to agree by separate written or electronic instrument, that all Awards (including any proceeds, gains or other economic benefit actually or constructively received by the Participant upon any receipt or exercise of any Award or upon the receipt or resale of any shares underlying the Award) of such Participant shall be subject to the provisions of any claw-back policy implemented by the Company at any time, including, without limitation, any claw-back policy adopted to comply with the requirements of applicable law, including without limitation the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder, to the extent set forth in such claw-back policy and/or in the applicable Award Agreement. The Company will require such agreements when and to the extent necessary to implement any claw-back policy so required.

Plan Benefits

Because benefits under the Plan will depend on the Compensation Committee's and the Board's actions and the fair market value of Common Stock at various future dates, it is not possible to determine the benefits that will be received by directors, executive officers and other employees if the Plan is approved by the shareholders.

U.S. Federal Income Tax Consequences

Incentive Stock Options. A grantee who is granted an incentive stock option does not recognize taxable income at the time the option is granted, upon vesting, or upon exercise, although the difference between the exercise price and the fair market value on the date of exercise is an adjustment item for alternative minimum tax purposes and may subject the grantee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and one year after exercise of the option, the grantee will recognize long-term capital gain or loss equal to the difference between the sale price and the exercise price. If the holding periods are not satisfied, then: (1) if the sale price exceeds the exercise price, the grantee will recognize capital gain equal to the excess of the sale price over the fair market value of the shares on the date of exercise and will recognize ordinary income equal to the difference, if any, between the fair market value of the shares on the exercise date and the exercise price; or (2) if the sale price is less than the exercise price, the grantee will recognize a capital loss equal to the difference between the exercise price and the sale price. Unless limited by Section 162(m) of the Code, the Company is entitled to a deduction in the same amount as and at the time the grantee recognizes ordinary income.

Non-Statutory Stock Options. A grantee does not recognize any taxable income at the time a non-statutory stock option is granted or upon vesting. Upon exercise, the grantee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. Any taxable income recognized in connection with an option exercise by an employee of the Company is subject to tax withholding by the Company.

Unless limited by Section 162(m) of the Code, the Company is entitled to a deduction in the same amount as and at the time the grantee recognizes ordinary income. Upon a sale or other disposition of the shares at arm's length by the grantee, any difference between the sale price and the exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Stock Appreciation Rights. Stock appreciation rights will generally be taxed in the same manner as non-statutory stock options. Unless limited by Section 162(m) of the Code, the Company is entitled to a corresponding deduction.

Restricted Share Grants. A restricted share grant is subject to a substantial risk of forfeiture within the meaning of Section 83 of the Code to the extent the grant will be forfeited in the event that the grantee ceases to provide services to the Company. As a result of this substantial risk of forfeiture, the grantee will not recognize ordinary income at the time of grant. Instead, the grantee will recognize ordinary income on the dates when the shares are no longer subject to a substantial risk of forfeiture, or when the shares become transferable, if earlier (the vesting date). The grantee's ordinary income is measured as the difference between the amount paid for the shares, if any, and the fair market value of the shares on the vesting date.

The grantee may accelerate his or her recognition of ordinary income, if any, and begin his or her capital gains holding period by timely filing an election pursuant to Section 83(b) of the Code. In that case, the ordinary income recognized, if any, is measured as the difference between the amount paid for the shares, if any, and the fair market value of the shares on the date of grant. Any share grants that are fully vested on the grant date will generally be taxable to the grantee as ordinary income (based on the excess of the fair market value over the purchase price, if any) on the grant date.

The ordinary income recognized by an employee in connection with a share grant will be subject to tax withholding by the Company. Unless limited by Section 162(m) of the Code, the Company is entitled to a deduction in respect of share grants in the same amount as and at the time the grantee recognizes ordinary income.

Upon a sale or other disposition of shares at arm's length by the grantee, any difference between the sale price and the grantee's tax basis (usually the value of the shares at the time of vesting), is treated as long-term or short-term capital gain or loss, depending on the holding period.

Restricted Share Units and Performance-based Units. A grantee does not recognize any taxable income at the time a restricted share unit is granted. Generally, restricted share units, including performance-based units, will be subject to income taxation based upon the fair market value of the shares underlying the units on each date shares are delivered or made available to the grantee. The ordinary income recognized by an employee will be subject to tax withholding by the Company. Unless limited by Section 162(m) of the Code, the Company is entitled to a deduction in the same amount as and at the time the grantee recognizes ordinary income. Upon a sale or other disposition of shares at arm's length by the grantee, any difference between the sale price and the grantee's tax basis (usually the value of the shares at the time of settlement), is treated as long-term or short-term capital gain or loss, depending on the holding period. A Section 83(b) election is not permitted in connection with the grant of restricted share units.

Cash Awards. The recipient will have taxable ordinary income, in the year of receipt, equal to the amount of cash received. Any cash received by an employee of the Company will be subject to tax withholding by the Company. Unless limited by Section 162(m) of the Code, the Company will be entitled to a tax deduction in the amount and at the time the grantee recognizes compensation income.

The foregoing is only a summary of the effect of U.S. Federal income taxation upon grantees and the Company with respect to the grant and the exercise thereof under the Plan based on the U.S. Federal income tax laws in effect as of the date of this proxy statement. It does not intend to be exhaustive and does not discuss the tax consequences arising in the context of a grantee's death, or the income tax laws of any municipality, state or foreign country in which the grantee's income or gain may be taxable or the gift, estate, excise (including application of Sections 409A, 280G or 4999 of the Code), or any tax law other than U.S. Federal income tax law. Because individual circumstances may vary, the Company advises all recipients to consult their own tax advisors concerning the tax implications of grants made under the Plan.

Vote Required to Approve the 162(m)-related provisions of the 2015 Equity Incentive Plan

The proposal to approve the material terms of the performance goals under the Plan to preserve our ability to deduct compensation that qualifies as performance-based compensation under Section 162(m) requires the affirmative vote of a majority of the votes cast by holders of Common Stock represented and entitled to vote at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of the vote for this proposal. Failure of the Company's stockholders to approve this Proposal will not affect the rights of existing award holders under the Plan or under any previously granted awards under the Plan. However, if this Proposal is not approved, the Company may be required to reevaluate its compensation structure because compensation paid to our Covered Officers in future years may not be deductible by the Company to the extent it exceeds \$1,000,000.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RELEVANT PROVISIONS OF THE COMPANY'S 2015 EQUITY INCENTIVE PLAN, AS AMENDED. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS SHAREHOLDERS OTHERWISE SPECIFY IN THEIR PROXIES.

A portion of the reported Audit Fees for 2015 related to work performed by KPMG in connection with the Spinoff.

The Company's current policies and procedures require that all audit and audit-related services be pre-approved by the Audit Committee, except for fees approved in advance by the Audit Committee chair and disclosed to and ratified by the Audit Committee pursuant to the Audit Committee's pre-approval policy for audit and permitted non-audit services.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF KPMG AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

AUDIT COMMITTEE REPORT

The audit committee of the board of directors submits the following report on the performance of certain of its responsibilities for the Company's 2016 fiscal year:

The primary function of our audit committee is oversight of (i) the quality and integrity of our financial statements and related disclosures, (ii) our compliance with legal and regulatory requirements, (iii) the independent registered public accounting firm's qualifications and independence, and (iv) the performance of our internal audit function, internal controls over financial reporting and independent registered public accounting firm. Our audit committee acts under a written charter, which was adopted in October 2015 and approved by our board of directors. We review the adequacy of our charter at least annually. Our audit committee is comprised of the three directors named below, each of whom has been determined by the board of directors to be independent as defined by New York Stock Exchange independence standards. In addition, our board of directors has determined that Mr. Ammerman is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission.

In performing our oversight function, we reviewed and discussed with management and KPMG LLP (KPMG), our independent registered public accounting firm, our audited financial statements as of and for the year ended January 1, 2017. Management and KPMG reported to us that our Consolidated Financial Statements present fairly, in all material respects, the consolidated financial position and results of operations and cash flows of the Company and its subsidiaries in conformity with generally accepted accounting principles. We also discussed with KPMG matters covered by the Public Company Accounting Oversight Board Auditing Standards No. 16 (Communications With Audit Committees).

We have received and reviewed the written disclosures and the letter from KPMG required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and have discussed with them their independence. In addition, we have considered whether KPMG's provision of non-audit services to us is compatible with their independence.

Finally, we met and discussed with those responsible for our internal audit function and with KPMG the overall scope and plans for their respective audits. Management was present for some, but not all, of these discussions. We met with KPMG separately at each meeting at which KPMG was present. Our discussions with KPMG addressed the results of their examinations, their evaluations of our internal controls and the overall quality of our financial reporting.

Based on the reviews and discussions referred to above, we recommended to our board of directors that the audited financial statements referred to above be included in our Annual Report on Form 10-K for the fiscal year ended January 1, 2017, and that KPMG be appointed independent registered public accounting firm for the Company for fiscal year 2017.

In carrying out our responsibilities, we look to management and the independent registered public accounting firm. Management is responsible for the preparation and fair presentation of our financial statements and for maintaining effective internal control. Management is also responsible for assessing and maintaining the effectiveness of internal control over the financial reporting process. The independent registered public accounting firm is responsible for auditing our annual financial statements and expressing an opinion as to whether the statements are fairly stated in conformity with generally accepted accounting principles. The independent registered public accounting firm performs its responsibilities in accordance with the standards of the Public Company Accounting Oversight Board.

The foregoing report is provided by the following independent directors, who constitute the committee:

- (d) **Board** means the Board of Directors of the Company.
- (e) **Change in Control** means, unless otherwise defined in the applicable Award Agreement, any of the following events:

plan thereof, becomes the beneficial owner, directly or indirectly, of more than 35% of the combined voting power of the voting securities of the Company;

(ii) Individuals who, as of the date hereof, constitute the Board (the Incumbent Board) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the date hereof whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (other than an election or nomination of an individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of the Directors of the Company or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board) shall be, for purposes of this Agreement, considered as though such person were a member of the Incumbent Board;

The Committee, in its sole discretion, shall determine the effect of all matters and questions relating to any Termination of Service, including, without limitation, the question of whether a Termination of Service resulted from a discharge for cause and all questions of whether particular leaves of absence constitute a Termination of Service; provided, however, that, with respect to Incentive Stock Options, unless the Committee otherwise provides in the terms of the Award Agreement or otherwise, or as otherwise required by applicable law, a leave of absence, change in status from an employee to an independent contractor or other change in the employee-employer relationship shall constitute a Termination of Service only if, and to the extent that, such leave of absence, change in status or other change interrupts employment for the purposes of Section 422(a)(2) of the Code and the then applicable regulations and revenue rulings under said Section. For purposes of the Plan, a Participant's employee-employer relationship or consultancy relations shall be deemed to be terminated in the event that the Affiliate employing or contracting with such Participant ceases to remain an Affiliate following any merger, sale of stock or other corporate transaction or event (including, without limitation, a spin-off).

Section 3. Administration.

3.1 Authority of Committee. The Plan shall be administered by the Committee, which shall be appointed by and serve at the pleasure of the Board; provided, however, with respect to Awards to Non-Employee Directors, all references in the Plan to the Committee shall be deemed to be references to the Board. Subject to the terms of the Plan and applicable law, and in addition to other express powers and authorizations conferred on the Committee by the Plan, the Committee shall have full power and authority in its discretion to:

- (i) designate Participants;
- (ii) determine eligibility for participation in the Plan and decide all questions concerning eligibility for and the amount of Awards under the Plan;
- (iii) determine the type or types of Awards to be granted to a Participant and whether such Awards are to be granted singly, in combination, or in tandem;
- (iv) determine the number of Shares to be covered by, or with respect to which payments, rights or other matters are to be calculated in connection with Awards;
- (v) determine the timing, terms, and conditions of any Award, including any restrictions or vesting requirements;
- (vi) accelerate the time at which all or any part of an Award may be settled or exercised;
- (vii) determine whether, to what extent, and under what circumstances, Awards may be settled or exercised in cash, Shares, other securities, other Awards or other property, or canceled, forfeited or suspended and the method or methods by which Awards may be settled, exercised, canceled, forfeited or suspended;
- (viii) determine whether, to what extent, and under what circumstances cash, Shares, other securities, other Awards, other property, and other amounts payable with respect to an Award shall be deferred either automatically or at the election of the holder thereof or of the Committee;
- (ix) determine whether, to what extent and under what circumstances any Award shall be canceled, suspended or subjected to additional restrictions, including in connection with any Share ownership guidelines or insider trading policies of the Company;

(x) grant Awards as an alternative to, or as the form of payment for grants or rights earned or payable under, other bonus or compensation plans, arrangements or policies of the Company or any Affiliate;

(xi) grant Substitute Awards on such terms and conditions as the Committee may prescribe, subject to compliance with the Incentive Stock Option rules under Section 422 of the Code and the nonqualified deferred compensation rules under Section 409A of the Code, where applicable;

(xii) make all determinations under the Plan concerning any Participant's Termination of Service with the Company or an Affiliate, including whether such termination occurs by reason of cause, disability, retirement (each, as may be defined by the Committee from time to time or set forth in an Award Agreement), or in connection with a Change in Control and whether a leave constitutes a Termination of Service;

(xiii) interpret and administer the Plan and any instrument or agreement relating to, or Award made under, the Plan;

(xiv) to the extent permitted by Section 14.2 and not prohibited by Section 6.2, amend or modify the terms of any Award at or after grant;

(xv) correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent that the Committee shall deem desirable to carry it into effect;

(xvi) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and

(xvii) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan, subject to the exclusive authority of the Board under Section 14 hereunder to amend or terminate the Plan.

3.2 Committee Discretion Binding. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive, and binding upon all Persons, including the Company and any Affiliate, any Participant and any holder or beneficiary of any Award. A Participant or other holder of an Award may contest a decision or action by the Committee with respect to such Person or Award only on the grounds that such decision or action was arbitrary or capricious or was unlawful, and any review of such decision or action shall be limited to determining whether the Committee's decision or action was arbitrary or capricious or was unlawful.

3.3 Delegation. Subject to the terms of the Plan, the Committee's charter and applicable law, the Committee may delegate to one or more officers or managers of the Company or of any Affiliate, or to a Committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to grant Awards to or to cancel, modify or waive rights with respect to, or to alter, discontinue, suspend or terminate Awards held by Participants who are not officers or directors of the Company for purposes of Section 16 or who are otherwise not subject to Section 16.

Section 4. Shares Available For Awards.

4.1 Shares Available.

(a) Subject to the provisions of Section 4.2 hereof, a total of 1,500,000 Shares shall be authorized for grant under the Plan.

(b) If any Shares subject to an Award are forfeited or expire or an Award is settled in cash (in whole or in part), the Shares subject to such Award shall, to the extent of such forfeiture, expiration or cash settlement, again be available for Awards under the Plan. In the event that withholding tax liabilities arising from an Award other than an Option or Stock Appreciation Right are satisfied by the tendering of Shares (either actually or by attestation) or by the withholding of Shares by the Company, the Shares so tendered or withheld shall be added to the Shares available for Awards under the Plan. Notwithstanding anything to the contrary contained herein, the following Shares shall not be added to the Shares authorized for grant under paragraph (a) of this Section: (i) Shares tendered by the Participant or withheld by the Company in payment of the Option Price or to satisfy any tax withholding obligation with respect to an Option or SAR, and (ii) Shares subject to a SAR that are not issued in connection with the stock settlement of the SAR on exercise thereof, and (iii) Shares reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of Options. The payment of dividend equivalents in cash in conjunction with any outstanding Awards shall not be counted against the Shares available for issuance under the Plan.

(c) Notwithstanding any provision in the Plan to the contrary, and subject to Section 4.2, the maximum aggregate number of Shares with respect to one or more Awards that may be granted to any one person during any calendar year shall be 1,000,000 and the maximum aggregate amount that may be paid in cash to any one person during any calendar year with respect to one or more Awards payable in cash shall be \$5,000,000. To the extent required by Section 162(m), Shares subject to Awards which are canceled shall continue to be counted against the limits set forth in this Section 4.1(c).

(d) *Adjustments.* In the event that any dividend (other than a normal, recurring dividend) or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares, then the Committee shall in an equitable and proportionate manner as deemed appropriate by the Committee (and, as applicable, in such manner as is consistent with Sections 162(m), 422 and 409A of the Code and the regulations thereunder) either: (i) adjust any or all of (1) the aggregate number and class of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted under the Plan; (2) the number and class of Shares or other securities of the Company (or number and kind of other property) subject to outstanding Awards, provided that the number of Shares subject to any Award shall always be a whole number; (3) the grant or exercise price per Share with respect to any Award under the Plan; (4) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (5) the limits on the number of Shares or Awards that may be granted to Participants under the Plan in any calendar year; (ii) provide for an equivalent award in respect of securities of the surviving entity of any merger, consolidation or other transaction or event having a similar effect; or (iii) make provision for a cash payment to the holder of an outstanding Award.

(e) *Substitute Awards; Future Pre-Existing Plans.* Any Shares issued by the Company as Substitute Awards in connection with the assumption or substitution of outstanding grants from any acquired corporation shall not reduce the Shares available for Awards under the Plan or count against any limits set forth in the Plan.

(f) *Sources of Shares Deliverable Under Awards.* Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares, treasury shares or issued Shares which have been reacquired by the Company.

Section 5. Eligibility.

Any Employee, Director or Consultant shall be eligible to be designated a Participant; provided, however, that Non-Employee Directors shall only be eligible to receive Awards granted consistent with Section 10; provided further, that any award to an Employee who is a prospective employee or officer shall be conditioned upon such individual becoming an employee or officer of the Company or its Affiliate. The terms and conditions of Awards need not be the same with respect to each Participant.

Section 6. Stock Options; Stock Appreciation Rights.

6.1 *Grant.* Subject to the provisions of the Plan and other applicable legal requirements, the Committee shall have sole and complete authority to determine the Participants to whom Options and SARs shall be granted, the number of Shares subject to each Award, the exercise price and the conditions and limitations applicable to the exercise of each Option and SAR. An Option may be granted with or without a related SAR. A SAR may be granted with or without a related Option. The grant of an Option or SAR shall take place when the Committee by resolution, written consent or other appropriate action determines to grant such Option or SAR for a particular number of Shares to a particular Participant at a particular Option Price or Grant Price. The Committee shall have the authority to grant Incentive Stock Options and to grant Non-Qualified Stock Options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with Section 422 of the Code, as from time to time amended, and any regulations implementing such statute.

6.2 *Price.* The Committee in its sole discretion shall establish the Option Price at the time each Option is granted and the Grant Price at the time each SAR is granted. Except in the case of Substitute Awards, the Option Price of an Option, and the Grant Price of an SAR, may not be less than one hundred percent (100%) of the Fair Market Value of a Share on the date of grant of such Option or SAR. Notwithstanding the foregoing and except as permitted by the provisions of Section 4.2 hereof, the Committee shall not have the power to (i) amend the terms of previously granted Options or SARs to reduce the Option Price of such Options or the Grant Price of such SARs, (ii) cancel previously granted Options or SARs and grant substitute Options or SARs with a lower Option Price or Grant Price than the cancelled Options or SARs, (iii) cancel previously granted Options or SARs in exchange for a cash payment or any other Award when the Option Price or Grant Price exceeds the Fair Market Value of the underlying Shares (other than in connection with a Change in Control), or (iv) take any other action with respect to an Option or SAR that would be treated as a repricing under the rules and regulations of the principal securities exchange on which Shares are traded, in each case without the approval of the Company's shareholders.

6.3 *Term.* Subject to the Committee's authority under Section 3.1 and the provisions of Section 6.6, each Option and SAR and all rights and obligations thereunder shall expire on the date determined by the Committee and specified in the Award Agreement. The Committee shall be under no duty to provide terms of like duration for Options or SARs granted under the Plan. Notwithstanding the foregoing, but subject to the last sentence of Section 6.4(a), no Option or SAR shall be exercisable after the expiration of ten (10) years from the date such Option or SAR was granted.

6.4 *Exercise.*

(a) Each Option and SAR shall be exercisable at such times and subject to such terms and conditions as the Committee may, in its sole discretion, specify in the applicable Award Agreement or thereafter. The Committee shall have full and complete authority to determine whether an Option or SAR will be exercisable in full at any time or from time to time during the term of the Option or SAR, or to provide for the exercise thereof in such installments, upon the occurrence of such events and at such times during the term of the Option or SAR as the Committee may determine. An Award Agreement may provide that the period of time over which an Option or SAR, other than an Incentive Stock Option, may be exercised shall be automatically extended if on the scheduled expiration of such Award, the Participant's exercise of such Award would violate applicable securities law; provided, however, that during the extended exercise period the Option or SAR may only be exercised to the extent the Option or SAR was exercisable in accordance with its terms immediately prior to such scheduled expiration date; provided further, however, that such extended exercise period shall end not later than thirty (30) days after the exercise of such Option or SAR first would no longer violate such laws.

(b) The period during which the right to exercise, in whole or in part, an Option or SAR vests in the Participant shall be set by the Committee and the Committee may determine that an Option or SAR may not be exercised in whole or in part for a specified period after it is granted. Such vesting may be based on service with the Company or any Affiliate, any performance criteria, or any other criteria selected by the Committee, and, except as limited by the Plan, at any time after the grant of an Option or SAR, the Committee, in its sole discretion and subject to whatever terms and conditions it selects, may accelerate the period during which an Option or SAR vests.

(c) An Option or SAR may be exercised in whole or in part at any time, with respect to whole Shares only, within the period permitted thereunder for the exercise thereof, and shall be exercised by (i) written or electronic notice of intent to exercise the Option or SAR, in such form as the Committee may prescribe, delivered to the Company at its principal office or such other office as the Committee may from time to time direct, (ii) the delivery of such representations and documents as the Committee, in its sole discretion, deems necessary or advisable to effect compliance with applicable law, and (iii) payment in full to the Company at the direction of the Committee of the amount of the Option Price for the number of Shares with respect to which the Option is then being exercised.

(d) Payment of the Option Price shall be made (i) in cash or cash equivalents, (ii) at the discretion of the Committee, by transfer, either actually or by attestation, to the Company of unencumbered Shares previously acquired by the Participant, valued at the Fair Market Value of such Shares on the date of exercise (or next succeeding trading date, if the date of exercise is not a trading date), together with any applicable withholding taxes, such transfer to be upon such terms and conditions as determined by the Committee, (iii) at the discretion of the Committee, by a cashless (broker-assisted) exercise that complies with applicable laws, (iv) at the discretion of the Committee, by withholding Shares (net-exercise) otherwise deliverable to the Participant pursuant to the Option having an aggregate Fair Market Value at the time of exercise equal to the total Option Price or (v) any combination of (i) through (iv). Until the optionee has been issued the Shares subject to such exercise, he or she shall possess no rights as a shareholder with respect to such Shares.

(e) At the Committee's discretion, the amount payable to the Participant as a result of the exercise of a SAR may be settled in cash, Shares or other property, or any combination thereof. A fractional Share shall not be deliverable upon the exercise of a SAR but a cash payment will be made in lieu thereof.

(f) An Award Agreement may provide, or be amended to provide, that if on the last day of the term of an Option or SAR, the Fair Market Value of one Share exceeds the Option Price or Grant Price of such Award, the Participant has not exercised the Option or SAR and the Option or SAR has not expired, the Option or SAR shall be deemed to have been exercised by the Participant on such day with payment made by withholding Shares otherwise issuable in connection with the exercise of the Option or SAR. In such event, the Company shall deliver to the Participant the

number of Shares for which the Award was deemed exercised, less the number of Shares required to be withheld for the payment of the total purchase price (in the case of an Option) and required withholding taxes.

6.5 Termination of Service. Except as otherwise provided in the applicable Award Agreement, in the event of a Participant's Termination of Service, the outstanding Options and SARs held by such Participant shall terminate on the date of such Termination of Service and be forfeited. Notwithstanding the foregoing provisions of this Section 6.5 to the contrary, the Committee may determine in its discretion that an Option or SAR may be exercised following any such Termination of Service, whether or not exercisable at the time of such Termination of Service; provided, however, that in no event may an Option or SAR be exercised after the expiration date of such Option or SAR specified in the applicable Award Agreement, except as provided in the last sentence of Section 6.4(a).

6.6 Ten Percent Stock Rule. Notwithstanding any other provisions in the Plan, if at the time an Option is otherwise to be granted pursuant to the Plan, the optionee or rights holder owns directly or indirectly (within the meaning of Section 424(d) of the Code) Shares of the Company possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or its parent or Subsidiary corporations (within the meaning of Section 422(b)(6) of the Code), then any Incentive Stock Option to be granted to such optionee or rights holder pursuant to the Plan shall satisfy the requirement of Section 422(c)(5) of the Code, and the Option Price shall be not less than one hundred ten percent (110%) of the Fair Market Value of the Shares of the Company, and such Option by its terms shall not be exercisable after the expiration of five (5) years from the date such Option is granted.

6.7 Substitution of SARs. The Committee may provide in the applicable Award Agreement evidencing the grant of an Option, at or after grant, that the Committee, in its sole discretion, shall have the right to substitute a Stock Appreciation Right for such Option at any time prior to or upon exercise of such Option; provided that such Stock Appreciation Right shall be exercisable with respect to the same number of Shares for which such substituted Option would have been exercisable, shall have the same exercise price and vesting schedule as the substituted Option, and shall have a Stock Appreciation Right term equal in length to the remaining Option term of the substituted Option.

Section 7. Restricted Shares And Restricted Share Units.

7.1 Grant.

(a) Subject to the provisions of the Plan and other applicable legal requirements, the Committee shall have sole and complete authority to determine the Participants to whom Restricted Shares and Restricted Share Units shall be granted, the number of Restricted Shares and/or the number of Restricted Share Units to be granted to each Participant, the duration of the period during which, and the conditions under which, the Restricted Shares and Restricted Share Units may be forfeited to the Company, and the other terms and conditions of such Awards. The Restricted Share and Restricted Share Unit Awards shall be evidenced by Award Agreements in such form as the Committee shall from time to time approve, which agreements shall comply with and be subject to the terms and conditions provided hereunder and any additional terms and conditions established by the Committee that are consistent with the terms of the Plan.

(b) Each Restricted Share and Restricted Share Unit Award made under the Plan shall be for such number of Shares as shall be determined by the Committee and set forth in the Award Agreement containing the terms of such Restricted Share or Restricted Share Unit Award. Such agreement shall set forth a period of time during which the grantee must remain in the continuous employment of the Company in order for the forfeiture and transfer restrictions to lapse. If the Committee so determines, the restrictions may lapse during such restricted period in installments with respect to specified portions of the Shares covered by the Restricted Share or Restricted Share Unit Award. The Award Agreement may also, in the discretion of the Committee, set forth performance or other conditions that will subject the Shares to forfeiture and transfer restrictions. The Committee may, at its discretion, waive all or any part of the restrictions applicable to any or all outstanding Restricted Share and Restricted Share Unit Awards.

7.2 Dividends and Other Distributions.

(a) Prior to the lapse of any applicable transfer restrictions, Participants holding Restricted Shares shall be credited with any dividends payable in cash, Shares or other property paid with respect to such Restricted Shares while they are so held, unless determined otherwise by the Committee and set forth in the Award Agreement. The Committee may apply any restrictions to such dividends that the Committee deems appropriate. Except as set forth in the Award Agreement or otherwise determined by the Committee, in the event (a) of any adjustment as provided in Section 4.2, or (b) any cash, Shares or other property is paid by the Company as a dividend on Restricted Shares, such cash, Shares or other property payable to a Participant on such Restricted Shares shall be subject to the same terms and conditions, including any transfer restrictions, as relate to the original Restricted Shares and shall be paid to the Participant when and if the applicable Restricted Shares vest.

(b) Unless otherwise provided in the applicable Award Agreement, Participants holding Restricted Share Units shall not be credited with any dividends paid with respect to the underlying Shares of such Restricted Share Units. If the applicable Award Agreement specifies that a Participant will be entitled to receive dividend equivalent rights, (i) the amount of any such dividend equivalent right shall equal the amount that would be payable to the Participant as a shareholder in respect of a number of Shares equal to the number of Restricted Share Units then credited to the Participant, (ii) any such dividend equivalent right shall be paid in accordance with the Company's payment practices as may be established from time to time and as of the date on which such dividend would have been payable in respect of outstanding Shares, and (iii) unless otherwise provided in the applicable Award Agreement, dividend equivalents will not be paid in respect of Restricted Share Units that are not yet vested unless and until such Restricted Share Units vest.

7.3 Transfer Restrictions on Restricted Shares. At the time of the grant of a Restricted Share Award, a certificate representing the number of Shares awarded thereunder may be registered in the name of the grantee. Such certificate shall be held by the Company or any custodian appointed by the Company for the account of the grantee subject to the terms and conditions of the Plan, and shall bear such a legend setting forth the restrictions imposed thereon as the Committee, in its discretion, may determine. Alternatively, the Committee may, in its discretion, provide that a Participant's ownership of Restricted Shares prior to the lapse of any transfer restrictions or any other applicable restrictions shall, in lieu of such certificates, be evidenced by a book entry (*i.e.*, a computerized or manual entry) in the records of the Company or its designated agent in the name of the Participant who has received such Award, and confirmation and account statements sent to the Participant with respect to such book-entry Shares may bear the restrictive legend referenced in the preceding sentence. Such records of the Company or such agent shall, absent manifest error, be binding on all Participants who receive Restricted Share Awards evidenced in such manner. The holding of Restricted Shares by the Company or such an escrow holder, or the use of book entries to evidence the ownership of Restricted Shares, in accordance with this Section 7.3, shall not affect the rights of Participants as owners of the Restricted Shares awarded to them, nor affect the restrictions applicable to such shares under the Award Agreement or the Plan, including the transfer restrictions.

7.4 Other Rights of Restricted Shareholders. Unless otherwise provided in the applicable Award Agreement, the grantee shall have all other rights of a shareholder with respect to Restricted Shares, including the right to vote such Shares, subject to the following restrictions: (i) the grantee shall not be entitled to delivery of the stock certificate until the expiration of the restricted period and the fulfillment of any other restrictive conditions set forth in the Award Agreement with respect to such Shares; (ii) none of the Shares may be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of during such restricted period or until after the fulfillment of any such other restrictive conditions; and (iii) except as otherwise determined by the Committee at or after grant, all of the Shares (including any dividends accrued and held thereon) shall be forfeited and all rights of the grantee to such Shares shall terminate, without further obligation on the part of the Company, unless the grantee remains in the continuous employment of the Company for the entire restricted period in relation to which such Shares were granted and unless any other restrictive conditions relating to the Restricted Share Award are met.

7.5 Termination of Restrictions on Restricted Shares. At the end of the restricted period and provided that any other restrictive conditions of the Restricted Share Award are met, or at such earlier time as otherwise determined by the Committee, all restrictions set forth in the Award Agreement relating to the Restricted Share Award or in the Plan shall lapse as to the restricted Shares subject thereto, and a stock certificate for the appropriate number of Shares, free of the restrictions and restricted stock legend, shall be delivered to the Participant or the Participant's beneficiary or estate, as the case may be (or, in the case of book-entry Shares, such restrictions and restricted stock legend shall be removed from the confirmation and account statements delivered to the Participant or the Participant's beneficiary or estate, as the case may be, in book-entry form) and any dividends or dividend equivalents accrued thereon shall be paid.

7.6 Payment of Restricted Share Units. Each Restricted Share Unit shall have a value equal to the Fair Market Value of a Share. Restricted Share Units shall be paid in cash, Shares, other securities or other property, as determined in the sole discretion of the Committee, upon the lapse of the restrictions applicable thereto, or otherwise in accordance with the applicable Award Agreement. Except as otherwise determined by the Committee at or after grant, Restricted Share Units may not be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of, and all Restricted Share Units (and any dividend equivalents associated therewith) and all rights of the grantee thereto shall terminate, without further obligation on the part of the Company, unless the grantee remains in continuous employment of the Company for the entire restricted period in relation to which such Restricted Share Units were granted and unless any other restrictive conditions relating to the Restricted Share Unit Award are met. Except as otherwise provided in the Plan or the applicable Award Agreement, a Participant shall have no rights of a shareholder with respect to Restricted Share Units.

7.7 Termination of Service. Except as otherwise provided in the applicable Award Agreement, in the event of a Participant's Termination of Service, the Participant's rights in unvested Restricted Shares and unvested Restricted Share Units (and any accrued dividends or dividend equivalent rights associated therewith) then subject to restrictive conditions shall lapse, and such Restricted Shares and Restricted Share Units shall be forfeited and surrendered to the Company without consideration. Notwithstanding the foregoing provisions of this Section 7.7 to the contrary, the Committee may provide in its discretion that a Participant's rights in unvested Restricted Shares and Restricted Share Units shall not lapse in the event of certain Terminations of Service, such as termination by the Company without cause, by a Participant voluntarily, or by reason of death, disability or retirement (each, as may be defined by the Committee from time to time or set forth in an Award Agreement).

7.8 Minimum Vesting Period. Except for Substitute Awards, or in connection with death or Disability of the Participant, or in the event of a Change in Control, Awards shall have a vesting period of not less than one (1) year from the date of grant (inclusive of any performance periods related thereto); provided, that the Committee has the discretion to waive this requirement with respect to an Award at or after grant, so long as the total number of Shares that are issued pursuant to Awards having an originally stated Vesting Period of less than one year from the date of grant (inclusive of any performance periods related thereto) shall not exceed 5% of the Shares authorized for grant under the Plan as originally stated under Section 4.1(a).

Section 8. Performance Awards.

8.1 Grant. The Committee shall have sole and complete authority to determine the Participants who shall receive a Performance Award, which shall consist of a right that is (i) denominated in cash, Shares or other property, (ii) valued, as determined by the Committee, in accordance with the achievement of such performance goals during such performance periods as the Committee shall establish, and (iii) payable at such time and in such form as the Committee shall determine.

8.2 Terms and Conditions. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award and the amount and kind of any payment or transfer to be made pursuant to any Performance Award, and, subject to Section 11 of the Plan, may amend specific provisions of the Performance Award; provided, however, that such amendment may not adversely affect existing Performance Awards made within a performance period commencing prior to implementation of the amendment.

8.3 Dividends and Other Distributions. Notwithstanding any provision of this Plan to the contrary, dividends or dividend equivalents on Performance Awards denominated in Shares may not be paid to a Participant (but they may be accumulated for eventual payment) until such time as the Committee determines that the performance criteria underlying such Performance Awards have been satisfied.

8.4 Payment of Performance Awards. An Award Agreement may provide that Performance Awards may be paid in a lump sum or in installments following the close of the performance period or, in accordance with the procedures established by the Committee, on a deferred basis, subject to the requirements of Section 409A of the Code. Notwithstanding the foregoing, and to the extent permissible under Section 162(m) (if applicable), the Committee may in its discretion, waive any performance goals and/or other terms and conditions relating to a Performance Award. A Participant's rights to any Performance Award may not be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of in any manner, except by will or the laws of descent and distribution, and/or except as the Committee may determine at or after grant.

8.5 Termination of Service. Except as otherwise provided in the applicable Award Agreement, in the event of a Participant's Termination of Service prior to the close of the applicable performance period, the Participant's rights in unvested Performance Awards then subject to restrictive conditions shall lapse, and such Performance Awards shall be forfeited and surrendered to the Company without consideration. Notwithstanding the foregoing provisions of this Section 8.5 to the contrary, the Committee may provide in its discretion that a Participant's rights in unvested Performance Awards shall not lapse in the event of certain Terminations of Service, such as termination by the Company without cause, by a Participant voluntarily, or by reason of death, disability or retirement (each, as may be defined by the Committee from time to time or set forth in an Award Agreement).

Section 9. Other Stock-Based Awards.

The Committee shall have the authority to determine the Participants who shall receive an Other Stock-Based Award, which shall consist of any right that is (i) not an Award described in Sections 6, 7, or 8 above and (ii) an Award of Shares or an Award denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares or other property (including, without limitation, securities convertible into Shares), as deemed by the Committee to be consistent with the purposes of the Plan. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the terms and conditions of any such Other Stock-Based Award.

Section 10. Non-Employee Director Awards.

10.1 Non-Employee Director Awards. The Board may provide that all or a portion of a Non-Employee Director's annual retainer, meeting fees and/or other awards or compensation as determined by the Board, be payable (either automatically or at the election of a Non-Employee Director) in the form of Non-Qualified Stock Options, Restricted Shares, Restricted Share Units and/or Other Stock-Based Awards under the Plan, including unrestricted Shares. The Board shall determine the terms and conditions of any such Awards, including the terms and conditions which shall apply upon a termination of the Non-Employee Director's service as a member of the Board, and shall have full power and authority in its discretion to administer such Awards, subject to the terms of the Plan and applicable law. Subject to applicable legal requirements, the Board may also grant Awards to Non-Employee Directors pursuant to the terms of the Plan, including any Award described in Sections 6, 7 or 9 above.

10.2 *Non-Employee Director Limits*. Notwithstanding anything in this Plan to the contrary, the maximum number of Shares subject to Awards granted during a calendar year to any Non-Employee Director shall not exceed \$500,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes and excluding, for this purpose, the value of any dividends or dividend equivalents paid) (the Non-Employee Director Limit). The Board may not, without the approval of the shareholders, increase the Non-Employee Director Limit.

Section 11. Provisions Applicable To Covered Employees And Performance Awards.

11.1 *Covered Employees*. Notwithstanding anything in the Plan to the contrary, unless the Committee determines that a Performance Award to be granted to a Covered Employee should not qualify as performance-based compensation for purposes of Section 162(m), Performance Awards granted to Covered Employees shall be subject to the terms and provisions of this Section 11. Unless otherwise determined by the Committee, if any provision of the Plan or any Award Agreement relating to such an Award does not comply or is inconsistent with Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and no provision shall be deemed to confer upon the Committee discretion to increase the amount of compensation otherwise payable to a Covered Employee in connection with any such Award upon the attainment of the performance criteria established by the Committee.

11.2 *Performance Goals*. The Committee may grant Performance Awards to Covered Employees based solely upon the attainment of performance targets related to one or more performance goals selected by the Committee from among the goals specified below. For the purposes of this Section 11, performance goals shall be limited to one or more of the following Company, Subsidiary, operating unit, restaurant concept or division financial performance measures:

- (a) total sales or revenues;
- (b) sales or revenue per restaurant or other unit;
- (c) earnings before interest, taxes, depreciation and/or amortization;
- (d) operating income or profit (before or after taxes);
- (e) operating margins, gross margins or cash margin;
- (f) operating efficiencies;
- (g) return on equity, assets (or net assets), capital, capital employed or investment;
- (h) net income (before or after taxes);

- (i) pre- or after-tax income (before or after allocation of corporate overhead and bonuses);

- (j) earnings (gross, net, pre-tax, after-tax or per share), which may, but need not, exclude interest, depreciation, amortization, taxes and other items;

- (k) utilization;
- (l) improvement in or attainment of expense levels or working capital levels, including cash, inventory and accounts receivable;
- (m) gross or net profit margins;
- (n) stock price or total shareholder return;
- (o) cash flow or cash flow per Share (before or after dividends);
- (p) appreciation in and/or maintenance of the price of Shares or other publicly-traded securities of the Company;
- (q) debt reduction;
- (r) year-end cash;
- (s) financial ratios, including those measuring activity, leverage, liquidity or profitability, cost of capital or asset levels;
- (t) financing and other capital-raising transactions;
- (u) division revenue;
- (v) strategic business objectives, consisting of one or more objectives based on meeting specified cost targets, business expansion goals or goals relating to acquisitions or divestitures; or
- (w) any combination thereof.

Each goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on internal targets, the past performance of the Company or any Subsidiary, operating unit, restaurant concept or division of the Company and/or the past or current performance of other companies, and in the case of earnings-based measures, may use or employ comparisons relating to capital, stockholders' equity and/or Shares outstanding, or to assets or net assets. The Committee may appropriately adjust any evaluation of performance under criteria set forth in this Section 11.2 to exclude any of the following events that occurs during a performance period: (i) asset write-downs, (ii) litigation or claim judgments or settlements, (iii) the effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results, (iv) accruals for reorganization and restructuring programs, (v) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, (vi) pre-opening costs, and (vi) any extraordinary non-recurring items as described in

Accounting Principles Board Opinion No. 30, and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report (or quarterly report on Form 10-Q) to shareholders for the applicable year; provided, that the Committee must commit to make any such adjustments, and shall specify such adjustments, within the time for prescribing performance targets generally as described in Section 11.4.

11.3 *Negative Discretion Allowed*. Notwithstanding any provision of the Plan (other than Section 13), with respect to any Restricted Share Award, Restricted Share Unit Award, Performance Award or Other Share-Based Award that is subject to this Section 11, the Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award to a Covered Employee, and the Committee may not waive the achievement of the applicable performance goals, except in the case of the death or disability of the Participant.

11.4 *Section 162(m) Administration.* To the extent necessary to comply with Section 162(m), with respect to grants of Performance Awards to a Covered Employee, no later than 90 days following the commencement of each performance period (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (1) select the performance goal or goals applicable to the performance period, (2) establish the various targets and bonus amounts which may be earned for such performance period, and (3) specify the relationship between performance goals and targets and the amounts to be earned by each Covered Employee for such performance period. Following the completion of each performance period, the Committee shall certify in writing whether the applicable performance targets have been achieved and the amounts, if any, payable to Covered Employees for such performance period. In determining the amount earned by a Covered Employee for a given performance period, subject to any applicable Award Agreement, the Committee shall have the right to reduce (but not increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant in its sole discretion to the assessment of individual or corporate performance for the performance period.

Section 12. Termination of Service.

Subject to the terms and conditions set forth herein, the Committee shall have the full power and authority to determine the terms and conditions that shall apply to any Award upon a Termination of Service with the Company or its Affiliates, including a termination by the Company with or without cause, by a Participant voluntarily, or by reason of death, disability or retirement (each, as may be defined by the Committee from time to time or set forth in an Award Agreement), and may provide such terms and conditions in the Award Agreement or in such rules and regulations as it may prescribe.

Section 13. Change In Control.

13.1 *Impact on Certain Awards.* Unless otherwise provided in an applicable Award Agreement or by the Committee at any time, in the event of a Change in Control of the Company, Options and Stock Appreciation Rights outstanding as of the date of the Change in Control may be cancelled and terminated without payment if the Fair Market Value of one Share as of the date of the Change in Control is less than the per Share Exercise Price of such Award. In the event of a Change in Control, the Committee may provide, in an Award Agreement or otherwise, that all Performance Awards shall be considered to be earned and payable (in full or pro rata based on the target value of the Award and the portion of Performance Period completed as of the date of the Change in Control) and any limitations or other restrictions shall lapse and such Performance Awards shall be immediately settled or distributed or that such Performance Awards shall continue or be cancelled.

13.2 Assumption or Substitution of Certain Awards.

(a) Unless otherwise provided in an Award Agreement or by the Committee at any time, in the event of a Change in Control of the Company in which the successor company assumes or substitutes for an Award (or in which the Company is the ultimate parent corporation and continues the Award), if the surviving or successor corporation terminates a Participant's employment or service without cause (as such term is defined in the sole discretion of the Committee, or as set forth in the Award Agreement relating to such Award) within 12 months following such Change in Control: (i) such Participant's Options and SARs outstanding as of the date of such termination will immediately vest, become fully exercisable, and may thereafter be exercised for 12 months, (ii) restrictions, limitations and other conditions applicable to such Participant's Restricted Shares and Restricted Share Units outstanding as of the date of such termination shall lapse and the Restricted Shares and Restricted Share Units shall become free of all restrictions, limitations and conditions and become fully vested, and (iii) the restrictions, limitations and other conditions applicable to such Participant's Other Stock-Based Awards or any other Awards (including the settlement at target level of any Performance Awards) shall lapse, and such Awards shall become free of all restrictions, limitations and conditions and become fully vested and transferable to the full extent of the original grant. For the purposes of this

Section 13.2, an Award shall be considered assumed or

substituted for if following the Change in Control the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change in Control by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company, the Committee may, with the consent of the successor company, provide that the consideration to be received upon the exercise or vesting of an Award, for each Share subject thereto, will be solely common stock of the successor company substantially equal in fair market value to the per Share consideration received by holders of Shares in the transaction constituting a Change in Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its discretion and its determination shall be conclusive and binding.

(b) Unless otherwise provided in an Award Agreement or by the Committee at any time, in the event of a Change in Control of the Company to the extent the successor company does not assume or substitute for an Award (or in which the Company is the ultimate parent corporation and does not continue the Award): (i) those Options and SARs outstanding as of the date of the Change in Control that are not assumed or substituted for (or continued) shall immediately vest and become fully exercisable, (ii) restrictions, limitations and other conditions applicable to Restricted Shares and Restricted Share Units that are not assumed or substituted for (or continued) shall lapse and the Restricted Shares and Restricted Share Units shall become free of all restrictions, limitations and conditions and become fully vested, and (iii) the restrictions, other limitations and other conditions applicable to any Other Stock-Based Awards or any other Awards (including the settlement at target level of Performance Awards) that are not assumed or substituted for (or continued) shall lapse, and such Other Stock-Based Awards or such other Awards shall become free of all restrictions, limitations and conditions and become fully vested and transferable to the full extent of the original grant.

(c) The Committee, in its discretion, may determine that, upon the occurrence of a Change in Control of the Company, each Option and SAR outstanding shall terminate within a specified number of days after notice to the Participant, and/or that each Participant shall receive, with respect to each Share subject to such Option or SAR, an amount equal to the excess of the Fair Market Value of such Share immediately prior to the occurrence of such Change in Control over the Option Price or Grant Price of such Option and/or SAR; such amount to be payable in cash, in one or more kinds of stock or property (including the stock or property, if any, payable in the transaction) or in a combination thereof, as the Committee, in its discretion, shall determine. Upon the occurrence of a Change in Control, the Committee, in its sole discretion, may include such further provisions and limitations in any Award, agreement or certificate, as it may deem equitable and in the best interests of the Company that are not inconsistent with the provisions of the Plan.]

13.3 *No Implied Rights; Other Limitations.* No Participant shall have any right to prevent the consummation of any Change in Control or any of the acts described in Section 4.2 affecting the number of Shares available to, or other entitlement of, such Participant under the Plan or such Participant's Award. Any actions or determinations of the Committee under this Section 13 need not be uniform as to all outstanding Awards, nor treat all Participants identically.

Section 14. Amendment and Termination.

14.1 *Amendments to the Plan.* Except as otherwise provided in the Plan, the Board may amend, alter, suspend, discontinue or terminate the Plan or any portion thereof at any time; provided that no such amendment, alteration, suspension, discontinuation or termination shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement for which or with which the Board deems it necessary or desirable to comply, including the rules and regulations of the principal securities exchange on which Shares are traded.

14.2 *Amendments to Awards*. Subject to the restrictions and shareholder approval requirements set forth in Section 6.2 and Section 14.1, the Committee may waive any conditions or rights under, amend any terms of or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary.

14.3 *Adjustments of Awards upon the Occurrence of Certain Unusual or Nonrecurring Events.* Subject to Section 11.4, the Committee is hereby authorized to make equitable and proportionate adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (and shall make such adjustments for events described in Section 4.2 hereof) affecting the Company or any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in applicable laws, regulations or accounting principles.

Section 15. General Provisions.

15.1 *Limited Transferability of Awards.* Subject to this Section 15.1, each Award shall be exercisable only by a Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company and its Affiliates; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(a) Notwithstanding the foregoing, the Committee may, in its sole discretion, permit Awards other than Incentive Stock Options to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt consistent with any applicable Award Agreement to preserve the purposes of the Plan, to:

- (i) any person who is a family member of the Participant, as such term is used in the instructions to Form S-8 (collectively, the Immediate Family Members);
- (ii) a trust solely for the benefit of the Participant and his or her Immediate Family Members;
- (iii) a partnership or limited liability company whose only partners or shareholders are persons described in (i) or (ii) above; or
- (iv) any other transferee as may be approved by the Committee in its sole discretion or as provided in the applicable Award agreement;

(each transferee described in clauses (i), (ii), (iii) and (iv) above is hereinafter referred to as a Permitted Transferee); provided that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer is permissible and would comply with the requirements of the Plan and any applicable Award Agreement.

(b) The terms of any Award transferred in accordance with the immediately preceding Section shall apply to the Permitted Transferee and any reference in the Plan, or in any applicable Award Agreement, to a Participant shall be deemed to refer to the Permitted Transferee, except that (i) Permitted Transferees shall not be entitled to transfer any Award, other than by will or the laws of descent and distribution; (ii) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the Shares to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award Agreement, that such a registration statement is necessary or appropriate, (iii) the Committee or the Company shall not be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise, and (iv) the consequences of a Termination of Service by the Participant under the terms of the Plan and the applicable Award Agreement shall

continue to be applied with respect to the Participant, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award Agreement.

15.2 Dividend Equivalents. Subject to any limitations set forth in the Plan, in the sole and complete discretion of the Committee, an Award may provide the Participant with dividends or dividend equivalents, payable in cash, Shares, other securities or other property on a current or deferred basis. All dividend or dividend equivalents which are not paid currently may, at the Committee's discretion, accrue interest, be reinvested into additional Shares, or, in the case of dividends or dividend equivalents credited in connection with Performance Awards, be credited as additional Performance Awards and paid to the Participant if and when, and to the extent that, payment is made pursuant to such Award. Notwithstanding the foregoing, and except as would otherwise constitute an adjustment pursuant to Section 4.2 of the Plan, no dividends or dividend equivalent rights shall be granted with respect to Options or SARs.

15.3 No Rights to Awards. No Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards need not be the same with respect to each Participant.

15.4 Share Certificates. All certificates for Shares or other securities of the Company or any Affiliate (or, if any such Shares or securities are in book-entry form, such book-entry balances and confirmation and account statements with respect thereto) delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations and other requirements of any regulatory authority, any stock exchange or other market upon which such Shares or other securities are then listed, and any applicable Federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates (or confirmation and account statements for book-entry Shares) to make appropriate reference to such restrictions.

15.5 Tax Withholding. A Participant may be required to pay to the Company or any Affiliate and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan, or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding or other tax-related obligations in respect of an Award, its exercise or any other transaction involving an Award, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes. Without limiting the generality of the foregoing, the Committee may in its discretion permit a Participant to satisfy or arrange to satisfy, in whole or in part, the tax obligations incident to an Award by: (a) electing to have the Company withhold Shares or other property otherwise deliverable to such Participant pursuant to his or her Award (*provided, however*, that the amount of any Shares so withheld shall not exceed the amount necessary to satisfy required federal, state, local and foreign withholding obligations using the maximum statutory withholding rates for federal, state, local and/or foreign tax purposes, including payroll taxes, that are applicable to supplemental taxable income, or such lower tax withholding rate as may be required to avoid the Company or any Affiliate incurring an adverse accounting charge) and/or (b) tendering to the Company Shares owned by such Participant (or by such Participant and his or her spouse jointly) and purchased or held for the requisite period of time as may be required to avoid the Company's or the Affiliates incurring an adverse accounting charge, based, in each case, on the Fair Market Value of the Shares on the payment date as determined by the Committee. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

15.6 Forfeiture and Clawback Provisions. Pursuant to its general authority to determine the terms and conditions applicable to Awards under the Plan, the Committee shall have the right to provide, in an Award Agreement, or to require a Participant to agree by separate written or electronic instrument, that all Awards (including any proceeds, gains or other economic benefit actually or constructively received by the Participant upon any receipt or exercise of any Award or upon the receipt or resale of any Shares underlying the Award) of such Participant shall be subject to the provisions of any claw-back policy implemented by the Company at any time, including, without limitation, any claw-back policy adopted to comply with the requirements of applicable law, including without limitation the

Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder, to the extent set forth in such claw-back policy and/or in the applicable Award Agreement.

15.7 Award Agreements. Each Award hereunder shall be evidenced by an Award Agreement that shall be delivered to the Participant and may specify the terms and conditions of the Award and any rules applicable thereto. In the event of a conflict between the terms of the Plan and any Award Agreement, the terms of the Plan shall prevail. The Committee shall, subject to applicable law, determine the date an Award is deemed to be granted. The Committee or, except to the extent prohibited under applicable law, its delegate(s) may establish the terms of agreements or other documents evidencing Awards under this Plan and may, but need not, require as a condition to any such agreement's or document's effectiveness that such agreement or document be executed by the Participant, including by electronic signature or other electronic indication of acceptance, and that such Participant agree to such further terms and conditions as specified in such agreement or document. The grant of an Award under this Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in this Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the agreement or other document evidencing such Award.

15.8 No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements, which may, but need not, provide for the grant of Options, Restricted Shares, Restricted Share Units, Other Stock-Based Awards or other types of Awards provided for hereunder.

15.9 No Right to Employment; Claims to Awards. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ or service of the Company or any Affiliate. Further, the Company or an Affiliate may at any time dismiss a Participant from employment or service, free from any liability or any claim under the Plan, unless otherwise expressly provided in an Award Agreement. No Employee, Director or Consultant shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Employees, Directors or Consultants under the Plan.

15.10 No Rights as Shareholder. Subject to the provisions of the Plan and the applicable Award Agreement, no Participant or holder or beneficiary of any Award shall have any rights as a shareholder with respect to any Shares to be distributed under the Plan until such person has become a holder of such Shares. Notwithstanding the foregoing, in connection with each grant of Restricted Shares hereunder, the applicable Award Agreement shall specify if and to what extent the Participant shall not be entitled to the rights of a shareholder in respect of such Restricted Shares.

15.11 Compliance with Section 409A of the Code. Notwithstanding any other provisions of the Plan or any Award Agreements thereunder, it is intended that the provisions of the Plan and such Award Agreements comply with Section 409A of the Code, and that no Award shall be granted, deferred, accelerated, extended, paid out or modified under this Plan, or any Award Agreement interpreted, in a manner that would result in the imposition of an additional tax under Section 409A of the Code upon a Participant. Any provision of this Plan that would cause the grant of an Award or the payment, settlement or deferral thereof to fail to satisfy Section 409A of the Code shall be amended to comply with Section 409A of the Code on a timely basis, which may be made on a retroactive basis, in accordance with regulations and other guidance issued under Section 409A of the Code. In the event that it is reasonably determined by the Board or Committee that, as a result of Section 409A of the Code, payments in respect of any Award under the Plan may not be made at the time contemplated by the terms of the Plan or the relevant Award agreement, as the case may be, without causing the Participant holding such Award to be subject to taxation under Section 409A of the Code, the Company will make such payment on the first day that would not result in the Participant incurring any tax liability under Section 409A of the Code; which, if the Participant is a specified employee within the meaning of Section 409A, shall be the first day following the six-month period beginning on the date of Participant's Termination of Service. Unless otherwise provided in an Award Agreement or other document governing the issuance of such Award, payment of any Performance Award intended to qualify as a short term deferral within the meaning of Section 1.409A-1(b)(4)(i) of the U.S. Treasury Regulations shall be made between the first day following the close of the applicable Performance Period and the last day of the applicable 2½ month period as defined therein. Although the Company intends to administer the Plan so that Awards will be exempt from, or will

comply with, the requirements of Section 409A of the Code, the Company does not warrant that any Award under the Plan will qualify for favorable tax treatment under Section 409A of the Code or any other provision of federal, state, local or foreign law. The Company shall not be liable to any Participant for any tax, interest, or penalties that Participant might owe as a result of the grant, holding, vesting, exercise, or payment of any Award under the Plan.

15.12 *Governing Law.* The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Tennessee without giving effect to conflicts of laws principles.

15.13 *Severability.* If any provision of the Plan or any Award is, or becomes, or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

15.14 *Other Laws.* The Committee may refuse to issue or transfer any Shares or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such Shares or such other consideration might violate any applicable law or regulation (including applicable non-U.S. laws or regulations) or entitle the Company to recover the same under Exchange Act Section 16(b), and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary.

15.15 *No Trust or Fund Created.* Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

15.16 *No Fractional Shares.* No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

15.17 *Headings.* Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

Section 16. Term Of The Plan.

16.1 *Effective Date.* The Plan shall be effective as of the date adopted by the Board (the Effective Date), provided that no Incentive Stock Options shall be granted hereunder unless the Plan is approved by the Company's shareholders prior to such grant or within twelve months following any such grant.

16.2 *Expiration Date.* No new Awards shall be granted under the Plan after the tenth anniversary of the Effective Date. Unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award granted hereunder may, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award or to waive any conditions or rights under any such Award shall, continue after the tenth anniversary of the Effective Date.
