**Business Overview**

*Wealth Management Business*

Our Wealth Management business provides financial advisors, who affiliate with HD Vest's registered broker-dealer and/or investment advisor subsidiaries as independent contractors, an integrated platform of brokerage, investment advisory, and insurance services, enabling each financial advisor to serve as a financial service center for his/her clients. HD Vest generates revenue primarily through commissions, quarterly investment advisory fees based on assets under management, and other fees.

HD Vest was founded to help tax and accounting professionals integrate financial services into their practices. Unlike traditional independent broker-dealers who rely only on financial advisory relationships, most HD Vest advisors have long-standing tax advisory relationships that anchor their wealth management businesses. We believe that tax and accounting professionals, with their existing client relationships and in-depth knowledge of their clients' financial situations, have a competitive advantage and are better positioned than competitors to provide tailored financial solutions that enable clients to meet their goals. HD Vest primarily recruits independent tax professionals with established tax practices and offers specialized training and support, which allows them to join the HD Vest platform as independent financial advisors. HD Vest has designed a learning management system for its advisors, branded VestU, with curriculum that introduces advisors to the investment business and helps them build their practices. The comprehensive training curriculum is administered through numerous outlets, including an annual three-day national sales conference, approximately 600 specialized local training events held annually, and on-demand learning paths.

HD Vest's business model provides an open-architecture investment platform and technology tools to help financial advisors identify investment opportunities for their clients, while the long-standing tax advisory relationships provide a large client base of possible investment clients. This results in an experienced and stable network of financial

advisors who have multiple revenue-generating options to diversify their earnings sources. HD Vest also has a highly experienced home office team that is focused on solutions tailored to the advisor's practice. The home office team provides marketing, practice management, insurance and annuity, wealth management, compliance, succession planning, and other support to our advisors.

#### *Tax Preparation Business*

Our Tax Preparation business provides digital do-it-yourself tax preparation solutions for consumers, small business owners, and tax professionals. TaxAct generates revenue primarily through its online service at [www.TaxAct.com](http://www.TaxAct.com).

TaxAct, a top-three provider of digital tax preparation solutions, has leveraged its strong brand, comprehensive suite of tax preparation solutions, and proven online lead generation capabilities to enable the filing of more than 60 million federal consumer tax returns since 2000. TaxAct operates as the value player in its market, with a mission to empower people to navigate the complexities of tax preparation with ease and accuracy at a fair price.

## **Table of Contents**

TaxAct's offerings come with a price lock guarantee, whereby the price at the start of the tax return filing process is the price when the return is filed, rather than pricing the offering at the time that the tax return is filed. We believe this price lock guarantee ensures price transparency and differentiates TaxAct from its competitors. In addition to these core offerings, TaxAct offers ancillary services such as refund payment transfer, data archive services, audit defense, stored value cards, and other add-on services. TaxAct's value proposition and established reputation attract value-conscious customers away from competitor platforms and onto the TaxAct platform.

TaxAct's professional tax preparer software allows professional tax preparers to prepare and file individual and business returns for their clients. TaxAct offers flexible pricing and packaging options that help tax professionals save money by paying only for what they need. In addition, the professional tax preparer software includes valuable features that tax professionals count on to maximize their efficiency and productivity, including the option of entering data directly into tax forms, utilizing the question-and-answer interview method to enter data, or easily toggling between the two data entry methods.

**Material Relationships**

On August 23, 2011, we entered into a Securities Purchase Agreement, a Stockholder Agreement, and a Warrant to Purchase Common Stock (collectively, the "Agreements") with CIG. The Stockholder Agreement with CIG provided for, among other things, the registration of the resale of the shares of our common stock CIG owns from time to time. This registration statement is being filed to satisfy our obligations under the Stockholder Agreement. In addition, in connection with the Agreements, Andrew M. Snyder was elected to fill an existing vacancy on our Board of Directors when we entered into the Agreements. Pursuant to the Securities Purchase Agreement, CIG has the right to appoint a replacement investor representative in the event that Mr. Snyder ceases to serve on the Board of Directors. CIG's right to appoint an investor representative will expire upon the earlier of (i) such time as CIG no longer beneficially owns at least 1,000,000 shares of our common stock and (ii) August 23, 2017. On March 28, 2017, Mr. Snyder informed the Company's Board of Directors that he will not be standing for re-election at the 2017 annual meeting of stockholders to be held on June 1, 2017. CIG has waived its right to appoint a replacement director when Mr. Snyder ceases to serve on the Board following the 2017 annual meeting of stockholders. Mr. Snyder's decision not to stand for reelection was not the result of any disagreement with the Company.

Pursuant to the Agreements, on August 23, 2011, we sold to CIG 764,192 newly-issued shares of unregistered common stock. In addition, we issued to CIG warrants (the "Warrants") to purchase 1,000,000 shares of our common stock, exercisable at a price of \$9.62 per share. Prior to exercise, 60,000 of these Warrants were transferred to CIG Equity (which is an affiliate of CIG). All of the Warrants were exercised by CIG and CIG Equity in 2013, and CIG and CIG Equity were issued 940,000 and 60,000 shares, respectively, of our common stock at that time. This prospectus covers the resale of certain of the shares of our common stock that were acquired by CIG and CIG Equity in connection with the Agreements.

**Resales**

The selling shareholders and intermediaries through whom shares are sold may be deemed "underwriters" within the meaning of the Securities Act with respect to the shares offered by this prospectus, and any profits realized or commissions received may be deemed underwriting compensation.

Additional selling shareholders not named in this prospectus will not be able to use this prospectus for resales until they are named in the table above by prospectus supplement or post-effective amendment. Transferees, successors and donees of identified selling shareholders will not be able to use this prospectus for resales until they are named in the table above by prospectus supplement or post-effective amendment. If required, we will add transferees, successors and donees by prospectus supplement in instances where the transferee, successor or donee has acquired its shares from a selling shareholder named in this prospectus after the effective date of this prospectus.

The selling shareholders may, from time to time, pledge or grant a security interest in some or all of the shares they own and, if the selling shareholders default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares, from time to time, under this prospectus, or under an amendment to this

prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling shareholders to include any donee, pledgee, transferee or other successors-in-interest as a selling shareholder under this prospectus. The selling shareholders also may transfer the shares in other circumstances, in which case the donees, transferees, pledgees or other successors-in-interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of the shares or interests therein, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of such shares in the course of hedging the positions they assume. The selling shareholders may also sell shares short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of the shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling shareholders reserve the right to accept and, together with its agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from the resale of the shares.

The selling shareholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that the selling shareholder meets the criteria and conforms to the requirements of that rule.

Any underwriters, broker-dealers or agents that participate in the sale of the common stock therein may be underwriters within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares covered by this prospectus may be underwriting discounts and commissions under the Securities Act. If a selling shareholder is deemed to be an underwriter within the meaning of Section 2(11) of the Securities Act, the selling shareholder will be subject to the prospectus delivery requirements of the Securities Act.

## **Table of Contents**

To the extent required, the shares to be sold, the names of the selling shareholders, the respective purchase prices and public offering prices, the names of any agents, dealers or underwriters and any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the shares may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states, the shares may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling shareholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling shareholder and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling shareholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify CIG, and may agree to indemnify any underwriters for the shares, against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

**Item 15. Indemnification of Directors and Officers**

Section 145 of the Delaware General Corporation Law (the "DGCL") makes provision for the indemnification of officers and directors of corporations in terms sufficiently broad to indemnify the officers and directors of a corporation under certain circumstances from liabilities (including reimbursement of expenses incurred) arising under the Securities Act and the Exchange Act. Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) in respect of certain unlawful dividend payments or stock redemptions or repurchases, or (iv) for any transaction from which the director derived an improper personal benefit.

As permitted by the DGCL, our Restated Certificate of Incorporation, as amended (the "Charter"), provides that, to the fullest extent permitted by the DGCL, no director shall be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duty as a director. The effect of this provision in the Charter is to eliminate our rights and the rights of our stockholders (through stockholders' derivative suits on behalf of us) to recover monetary damages against a director for breach of fiduciary duty as a director thereof (including breaches resulting from negligent or grossly negligent behavior) except in the situations described in clauses (i)-(iv), inclusive, above. These provisions will not alter the liability of directors under federal securities laws. The Charter also provides that any amendment or repeal of the right of indemnification provided under the Charter will not be adversely affected for acts or omissions occurring prior to such amendment or repeal.

Our Amended and Restated Bylaws, as amended ("Bylaws"), provide for indemnification of our officers and directors to the maximum extent permitted by the DGCL and establish such right to be a contract right. The Bylaws also provide that expenses incurred by any of our officers or directors (acting in his or her capacity as such) in defending any such action, suit, or proceeding in advance of its final disposition shall be paid by us, subject to DGCL requirements. The Bylaws also provide that indemnification provided for in the Bylaws shall not be deemed exclusive of any other rights

to which the indemnified party may be entitled, and that we may purchase and maintain insurance to protect Blucora and any such person against any such expenses, liability, and loss, whether or not we would have the power to indemnify such person against such expenses, liability, or loss under the DGCL or the Bylaws.

In addition, we have entered into contractual indemnification agreements with each of our directors and certain of our officers, as designated by our Board of Directors, to indemnify such individuals to the full extent permitted by law. These agreements also address certain procedural and substantive matters that are not covered, or are covered in less detail, in the Bylaws or by the DGCL. We also provide indemnity insurance pursuant to which officers and directors are indemnified or insured against liability or loss under certain circumstances, which may include liability or related loss under the Securities Act and the Exchange Act.

### **Item 17. Undertakings**

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser,

(i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no

statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of the securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
