## NEWS RELEASE

**Release Time** IMMEDIATE

**Date** 22 August 2017

**Release Number** 23/17

### **BHP launches U.S. bond repurchase plan**

BHP announced today that the Board has approved a global multi-currency bond repurchase plan. The multi-currency plan will comprise of two separate transactions, one targeting certain bonds issued under BHP's U.S. debt capital markets programme and another targeting certain bonds issued under the Euro Medium-Term Notes Programme. The multi-currency plan will be subject to a global aggregate cap of US\$2.5 billion and will be funded by BHP's strong US\$14.2 billion cash position. Any early repurchase of bonds under either transaction will extend BHP's average debt maturity profile and enhance the group's capital structure.

The U.S. bond repurchase plan will target 2021, 2022 and 2023 US dollar denominated Notes.

### **Tender Offers**

BHP Billiton Finance (USA) Limited (the **Company**), a wholly-owned subsidiary of BHP Billiton Limited, today announced that it is offering to purchase for cash (the **Tender Offers**), upon the terms and subject to the conditions set forth in the offer to purchase, dated 21 August 2017 (the **Offer to Purchase**), its outstanding US\$529,978,000 3.250% Senior Notes due 2021, its US\$859,938,000 2.875% Senior Notes due 2022 and its US\$1,500,000,000 3.850% Senior Notes due 2023 (together, the **Notes**), from holders of any of the Notes. BHP has also initiated a separate and concurrent tender offer for 6 series of notes (the **Euro Notes**) outstanding under BHP's Euro Medium-Term Note Programme (the **Euro Tender Offers**). The Euro Tender Offers are being made pursuant to a separate tender offer memorandum and solely to qualified investors that are outside the United States. In respect of the Tender Offers, the Company will only accept for purchase Notes up to an aggregate purchase price (excluding accrued and unpaid interest) that will not exceed an amount equal to US\$2,500,000,000 *less* the aggregate purchase price (excluding accrued and unpaid interest) of the Euro Notes validly tendered and accepted for purchase in the Euro Tender Offers (the **Offer Cap**). The terms and conditions of the Tender Offers are described in the Offer to Purchase. Terms not defined in this announcement have the meanings given to them in the Offer to Purchase. BHP will announce the Offer Cap for the Tender Offers upon the announcement of the results of the Euro Tender Offers.

Notes purchased in the Tender Offers will be retired and cancelled.

The following table sets forth certain information relating to the pricing for the Tender Offers.

- (a) Per US\$1,000 principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date (as defined below) and accepted for purchase in the applicable Offer; included in the Total Consideration.

The Tender Offers for the Notes will expire at 11:59 p.m., New York City time, on 21 September 2017 (the **Expiration Date**), or, in each case, any other date and time to which the Company extends the applicable Tender Offer. Holders must validly tender their Notes prior to or at 5:00 p.m., New York City time, on 7 September 2017 (such date and time, as it may be extended with respect to a series of Notes, the **Early Tender Date**), to be eligible to receive the applicable Total Consideration (as defined below) plus accrued interest. If Holders validly tender their Notes after the Early Tender Date but prior to or at the applicable Expiration Date, Holders will only be eligible to receive the applicable Late Tender Offer Consideration plus accrued interest.

Notes tendered may be withdrawn prior to or at, but not after, 5:00 p.m. New York City time, on 7 September 2017 (such date and time, as it may be extended with respect to a series of Notes, the **Withdrawal Deadline**). The Tender Offers are subject to the satisfaction of certain conditions, as set forth in the Offer to Purchase.

With respect to the Tender Offers, the Company will only accept for purchase Notes up to an aggregate purchase price (excluding accrued interest) that will not exceed the Offer Cap. The Offer Cap will not be determined until the aggregate purchase price of the Euro Notes validly tendered and accepted for purchase by BHP in the Euro Tender Offers is determined. BHP will announce the Offer Cap for the Tender Offers upon the announcement of the results of the Euro Tender Offers. The Company reserves the right, but is under no obligation, to increase the Offer Cap in respect of the Tender Offers at any time, subject to applicable law, which could result in the Company purchasing a greater aggregate principal amount of Notes in the Tender Offers.

All Notes tendered prior to or at the Early Tender Date will have priority over Notes tendered after the Early Tender Date, regardless of the acceptance priority levels noted above (the **Acceptance Priority Levels**). The purchase of any series of Notes is not conditioned upon the purchase of any other series of Notes. However, any Notes validly tendered in the Tender Offers and accepted for purchase will be accepted for purchase by the Company based on the Offer Cap and the Acceptance Priority Levels, each as more fully described in the Offer to Purchase.

The **Total Consideration** payable for each series of Notes will be a price per US\$1,000 principal amount of such series that would reflect a yield to the applicable maturity date of such series of Notes equal to the sum of (i) the Reference Yield (as defined below) for such series, determined at 11:00 a.m. (New York City time) on the business day following the Early Tender Date, plus (ii) the fixed spread applicable to such series, as set forth in the table above (the **Fixed Spread**), in each case (as set out in the calculation in Schedule A of the Offer to Purchase) minus accrued and unpaid interest on the Notes from, and including, the most recent interest payment date prior to the Early Settlement Date up to, but not including, the Early Settlement Date (as defined in the Offer to Purchase). The **Reference Yield** means the bid side yield of the applicable reference security listed in the table above (the **Reference Security**) for such series. The Total Consideration includes the Early Tender Payment (as defined below) for the applicable series of Notes set forth in the table above.

Holders of Notes that are validly tendered and not validly withdrawn at or prior to the Early Tender Date and accepted for purchase will receive the applicable Total Consideration.

Holders of any Notes that are validly tendered after the Early Tender Date but prior to or at the Expiration Date and that are accepted for purchase will receive the applicable Total Consideration minus an amount in cash (the **Early Tender Payment**) equal to the applicable amount set forth in the table above under the heading Early Tender Payment. Total Consideration minus the Early Tender Payment is referred to as the Late Tender Offer Consideration.
