## Item 1.01 Entry into a Material Definitive Agreement.

On November 1, 2017, Nathan's Famous, Inc. (the "Company") completed its previously announced offering of \$150.0 million aggregate principal amount of 6.625% Senior Secured Notes due 2025 (the "Notes"). The Company will use the net proceeds of the Notes offering to satisfy and discharge the indenture relating to its 10.000% Senior Secured Notes due 2020 (the "2020 Notes") and redeem the 2020 Notes (the "Redemption"), to pay a portion of a special \$5.00 per share cash dividend to the Company's stockholders of record and to use any remaining net proceeds for general corporate purposes, including working capital. The Notes were sold to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States in accordance with Regulation S under the Securities Act.

### *Indenture*

The Notes were issued pursuant to an indenture, dated as of November 1, 2017 (the "Indenture"), by and among the Company, certain of its wholly-owned subsidiaries, as guarantors, and U.S. Bank National Association, a national banking association, as trustee and collateral trustee.

The Notes mature on November 1, 2025 and bear interest at a rate of 6.625% per annum, payable semi-annually in cash in arrears on May 1 and November 1 of each year, beginning May 1, 2018. The Notes will be redeemable at the Company's option, in whole or in part, at any time prior to November 1, 2020 at a price equal to 100% of the principal amount, plus any accrued and unpaid interest to the date of redemption, plus an applicable premium. Thereafter, the Company may redeem the Notes, at any time on or after November 1, 2020, at redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, on the Notes redeemed to (but not including) the applicable redemption date, if redeemed during the periods indicated below:

Year	Percentage
On or after November 1, 2020 and prior to November 1, 2021	103.313%
On or after November 1, 2021 and prior to November 1, 2022	101.656%
On or after November 1, 2022	100.000%

In addition, before November 1, 2020, the Company may redeem up to 35% of the original aggregate principal amount of the Notes at a redemption price equal to 106.625% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, with the proceeds from certain types of public equity offerings.

The Notes are fully and unconditionally guaranteed on a senior secured basis by each of the Company's wholly-owned domestic subsidiaries, with certain exceptions. Pursuant to the terms of a collateral trust agreement, the liens securing the Notes and the guarantees will be contractually subordinated to the liens securing any future credit facility.

The Notes and the guarantees will be the Company and the guarantors' senior secured obligations and will rank:

senior in right of payment to all of the Company and the guarantors' future subordinated indebtedness;

effectively senior to all unsecured senior indebtedness to the extent of the value of the collateral securing the Notes and the guarantees;

pari passu with all of the Company and the guarantors other senior indebtedness;

effectively junior to any future credit facility to the extent of the value of the collateral securing any future credit facility and the Notes and the guarantees and certain other assets;

effectively junior to any of the Company and the guarantors' existing and future indebtedness that is secured by assets other than the collateral securing the Notes and the guarantees to the extent of the value of any such assets; and

structurally subordinated to the indebtedness of any of the Company's current and future subsidiaries that do not guarantee the Notes.

Upon the occurrence of a change of control (as defined in the Indenture), if the Company has not previously exercised its right to redeem all of the outstanding Notes pursuant to the optional redemption as described above, the Company must offer to repurchase the Notes at 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of repurchase.

The Indenture contains certain covenants limiting the Company's ability and the ability of its restricted subsidiaries (as defined in the Indenture) to, subject to certain exceptions and qualifications: (i) incur additional indebtedness; (ii) pay dividends or make other distributions on, redeem or repurchase, capital stock; (iii) make investments or other restricted payments; (iv) create or incur certain liens; (v) incur restrictions on the payment of dividends or other distributions from its restricted subsidiaries; (vi) enter into certain transactions with affiliates; (vii) sell assets; or (viii) effect a consolidation or merger.

The Indenture also contains customary events of default, including, among other things, failure to pay interest, failure to comply with agreements related to the indenture, failure to pay at maturity or acceleration of other indebtedness, failure to pay certain judgments, and certain events of insolvency or bankruptcy. Generally, if any event of default occurs, the Trustee or the holders of at least 25% in principal amount of the Notes may declare the Notes due and payable by providing notice to the Company. In case of default arising from certain events of bankruptcy or insolvency, the Notes will become immediately due and payable.

The description of the Indenture contained herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture, which is filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference.

### **Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

### **Item 3.03 Material Modification to Rights of Security Holders.**

The information contained in Item 1.01 is incorporated by reference into this Item 3.03. The Indenture contains various restrictive covenants, including a covenant that, among other things, restricts the Company's ability to pay dividends (other than the special dividend referred to in Item 1.01) or make distributions or repurchase capital stock, subject to certain exceptions and qualifications.

### **Item 8.01 Other Events.**

The Company has instructed the Trustee to complete the Redemption pursuant to Sections 3.01, 3.03 and 3.07 of the indenture, dated as of March 10, 2015, by and among the Company and the Trustee (the "2020 Notes Indenture"), and to discharge the 2020 Notes Indenture (the "Discharge") pursuant to Section 12.01 of the 2020 Notes Indenture. Pursuant to the terms of 2020 Notes

Indenture, the Company will redeem, on November 16, 2017 (the Redemption Date ), \$135.0 million

principal amount of the outstanding 2020 Notes at a redemption price of 105% of the principal amount and accrued but unpaid interest on the 2020 Notes redeemed to, but not including, the Redemption Date. As of November 1, 2017, the Company has deposited all funds required for the Redemption of the 2020 Notes and Discharge of the 2020 Notes Indenture.

On November 1, 2017, the Company issued a press release announcing the completion of the Company's previously announced offering of the Notes and the Redemption of the 2020 Notes. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Nathan's Board of Directors has declared the special \$5.00 per share cash dividend. The cash dividend is payable on January 4, 2018 to shareholders of record at the close of business on December 22, 2017.
