Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 15, 2017, pursuant to the Agreement and Plan of Merger (the Merger Agreement), dated as of August 1, 2017, by and among Jacobs Engineering Group Inc., a Delaware corporation (Jacobs or the Company), CH2M HILL Companies, Ltd., a Delaware corporation (CH2M), and Basketball Merger Sub Inc., a Delaware corporation and wholly-owned subsidiary of Jacobs (Merger Sub), CH2M merged with and into Merger Sub, with CH2M continuing as the surviving company (the Merger). As a result of the Merger, CH2M became a direct, wholly-owned subsidiary of Jacobs.

At the effective time of the Merger (the Effective Time), each share of CH2M common stock issued and outstanding immediately prior to the Effective Time (including shares of CH2M preferred stock deemed converted to shares of common stock immediately prior to the Effective Time but excluding shares of CH2M common stock owned by (i) Jacobs, CH2M or any of their wholly-owned subsidiaries and (ii) any person who was entitled to and properly demanded statutory appraisal of his, her or its shares of CH2M common stock under Delaware law) received per share consideration, at the election of the holder thereof, equal to (i) a combination of \$52.85 in cash and 0.6677 shares of Jacobs common stock, (ii) \$88.08 in cash or (iii) 1.6693 shares of Jacobs common stock. Each outstanding share of CH2M preferred stock was deemed converted into shares of CH2M common stock in accordance with the Certificate of Designation for such preferred stock, and such shares were also automatically converted into the right to receive, at the election of the holder thereof, the same merger consideration.

The aggregate consideration paid in the Merger in exchange for CH2M common stock (including CH2M preferred stock deemed converted to shares of common stock immediately prior to the Effective Time) is equal to approximately \$1,644,214,180 in cash and 20,767,577 shares of Jacobs common stock, which takes into account rounding described in the Merger Agreement and cash in lieu of fractional shares. Based on the final results of CH2M stockholder elections, the stock consideration is oversubscribed. Accordingly, CH2M stockholders who validly elected to receive the stock consideration will receive approximately \$41.52 in cash and 0.8824 shares of Jacobs common stock, subject to rounding described in the Merger Agreement and cash in lieu of fractional shares each of which may result in variances on a holder-by-holder basis.

Immediately prior to the Effective Time, the outstanding equity awards of CH2M were treated as follows:

Other than Assumed Restricted Stock Units and Assumed Performance Stock Units (each as defined below), each outstanding option, restricted stock unit, phantom stock award or other equity or equity-based award in respect of CH2M common stock (collectively, CH2M Accelerated Equity Awards) vested (treating any performance-based vesting condition as having been attained at target). CH2M Accelerated Equity Awards (other than outstanding shares subject to a right of repurchase in favor of CH2M or risk of forfeiture (Restricted Shares)) were cancelled in exchange for a cash payment determined in accordance with the terms of the Merger Agreement.

Each Restricted Share vested and was converted into the right to receive, at the election of the holder thereof, the merger consideration described above with respect to each outstanding share of CH2M common stock.

Each restricted stock unit granted under CH2M's Amended and Restated Long-Term Incentive Plan after February 28, 2017 and held by an employee of CH2M who will continue to be employed by Jacobs after the closing of the Merger (a Continuing Employee) (each, an Assumed Restricted Stock Unit) was converted into a restricted stock unit in respect of Jacobs common stock based on the exchange ratio set forth in the

Merger Agreement on the same terms and conditions (including applicable vesting requirements) under the Amended and Restated Long-Term Incentive Plan and award agreement evidencing such Assumed Restricted Stock Unit.

Each performance stock unit granted under CH2M's Amended and Restated Long-Term Incentive Plan after February 28, 2017 and held by a Continuing Employee (each, an Assumed Performance Stock Unit) was converted into a restricted stock unit in respect of Jacobs common stock based on the

exchange ratio set forth in the Merger Agreement, with all applicable performance goals deemed achieved at target , in accordance with the terms of the Amended and Restated Long-Term Incentive Plan and award agreement evidencing such Assumed Performance Stock Unit (and will vest in substantially equal installments on each of the first three anniversaries of the original date of grant, subject to accelerated vesting, if any, provided in the Amended and Restated Long-Term Incentive Plan or award agreement evidencing such Assumed Performance Stock Unit).

No fractional shares of Jacobs common stock were issued in the Merger, and stockholders of CH2M common stock converted in the Merger will receive cash in lieu of any fractional shares (after aggregating all shares delivered by each such stockholder pursuant to the Merger).

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is subject, and qualified in its entirety by reference, to the full text of the Merger Agreement, which is attached as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on August 2, 2017 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 15, 2017, the Company borrowed \$1.5 billion of delayed draw term loans under the Term Loan Facility and \$400 million of revolving loans under the Amended and Restated Credit Agreement in order to finance a portion of the cash component of the merger consideration, the repayment of CH2M's outstanding indebtedness and other transaction expenses. In addition, the Company borrowed \$300 million of revolving loans under the Amended and Restated Credit Agreement, which it expects to use to pay related transaction fees and for general working capital purposes. Williams. Mr. Williams' appointment to the Board takes effect December 18, 2017 and will serve for an initial term that will expire at the 2019 annual meeting of the Company's stockholders. The Board has determined that

Mr. Williams is independent under the corporate governance standards of the New York Stock Exchange.

It is expected that Mr. Williams will serve on at least one committee of the Board, which has yet to be determined.

In connection with his election, Mr. Williams will receive the standard, annual compensation for the Company's non-management directors, which is described in the Company's most recent proxy statement filed with the Securities and Exchange Commission on December 7, 2017.
