Accordingly, issuance of the Exchange Notes will not result in any increase in our outstanding indebtedness.

**Resale of the Exchange Notes**

Based on existing interpretations of the Securities Act by the SEC staff set forth in several no-action letters to third parties and subject to the immediately following sentence, we believe Exchange Notes issued under these Exchange Offers in exchange for Original Notes may be

offered for resale, resold and otherwise transferred by the holders thereof (other than holders that are broker-dealers) without further compliance with the registration and prospectus delivery provisions of the Securities Act. However, any holder of Original Notes that is an affiliate of ours that does not comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable in connection with the resale of the

**Table of Contents**

Exchange Notes, will not acquire the Exchange Notes in the ordinary course of its business, or that intends to participate in the Exchange Offers for the purpose of distributing any of the Exchange Notes, or any broker-dealer that purchased any of the Original Notes from us for resale pursuant to Rule 144A or any other available exemption under the Securities Act, (i) will not be able to rely on the interpretations of the SEC staff set forth in the above-mentioned no-action letters, (ii) will not be entitled to tender its Original Notes in the Exchange Offers and (iii) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any sale or transfer of the Original Notes unless such sale or transfer is made pursuant to an exemption from such requirements.

Any broker-dealer that receives Exchange Notes for its own account in exchange for Original Notes that were acquired as a result of market-making activities or other trading activities, must deliver a prospectus (or to the extent permitted by law, make a prospectus available to purchasers) in connection with any resale of such Exchange Notes. See Plan of Distribution.

Consequences of Not Exchanging Original Notes If you do not exchange your Original Notes in the Exchange Offers, you will continue to be subject to the restrictions on transfer described in the legend on your Original Notes. In general, you may offer or sell your Original Notes only:

if they are registered under the Securities Act and applicable state securities laws;

if they are offered or sold under an exemption from registration under the Securities Act and applicable state securities laws; or

if they are offered or sold in a transaction not subject to the Securities Act and applicable state securities laws.

Although your Original Notes will continue to accrue interest, they will generally retain no rights under the Registration Rights Agreement. We currently do not intend to register any series of Original Notes under the Securities Act. Under some circumstances, holders of the Original Notes, including holders that are not permitted to participate in the Exchange Offers or that may not freely sell Exchange Notes received in the Exchange Offers, may require us to file, and to cause to become effective, a shelf registration statement covering resales of Original

Notes by these holders. For more information regarding the consequences of not tendering your Original Notes and our obligations to file a shelf registration statement, see [The Exchange Offers](#) [Consequences of Exchanging or Failing to Exchange the Original Notes](#) and [The Exchange Offers](#) [Registration Rights](#).

**Table of Contents**

**RISK FACTORS**

*An investment in the Exchange Notes involves risks. Before making a decision whether to participate in the Exchange Offers, you should carefully consider the risks and uncertainties described in this prospectus, including the risk factors set forth in the documents and reports filed with the SEC that are incorporated by reference herein. Our business, financial condition, operating results and cash flows can be impacted by these factors, any one of which could cause our actual results to vary materially from recent results or from our anticipated future results.*

**Uncertainty as to the trading market for Original Notes not exchanged**

To the extent valid tenders of Original Notes for exchange in the Exchange Offers are accepted by us and the Exchange Offers are completed, the trading market for the Original Notes that remain outstanding following such completion may be significantly more limited. The remaining Original Notes may command a lower price than a comparable issue of securities with greater market liquidity. A reduced market value and reduced liquidity may also make the trading price of the remaining Original Notes more volatile. As a result, the market price for the Original Notes that remain outstanding after the completion of the Exchange Offers may be adversely affected. Neither we nor the Exchange Agent has any duty to make a market in any remaining Original Notes.

**Uncertainty as to the trading market for the Exchange Notes**

We cannot make any assurance as to:

the development of an active trading market for the Exchange Notes;

the liquidity of any trading market that may develop for the Exchange Notes;

the ability of holders to sell their Exchange Notes; or

the price at which the holders would be able to sell their Exchange Notes.

We do not intend to apply for listing of the Exchange Notes on any securities exchange or for quotation through any automated dealer quotation system. Any trading market that may develop for the Exchange Notes may be adversely affected by changes in the overall market for investment grade securities, changes in our financial performance or prospects, a change in our credit rating, the prospects for companies in our industry generally, any acquisitions or business combinations proposed or consummated by us, the interest of securities dealers in making a market for the Exchange Notes and prevailing interest rates, financial markets and general economic conditions. A market for the Exchange Notes may be subject to volatility.

**Resale of the Original Notes is restricted**

Each series of Exchange Notes will be issued pursuant to a registration statement filed with the SEC of which this prospectus forms a part. We have not registered the Original Notes under the Securities Act or for public offerings outside the United States. Consequently, the Original Notes may not be offered or sold in the United States, unless they are registered under the Securities Act, transferred pursuant to an exemption from registration under the

Securities Act and applicable state securities laws or transferred in a transaction not subject to the Securities Act and applicable state securities laws. As a result, holders of Original Notes who do not participate in the Exchange Offers will face restrictions on the resale of their Original Notes, and such holders may not be able to sell their Original Notes at the time they wish or at prices acceptable to them. In addition, we do not anticipate that we will register the Original Notes under the Securities Act and, if you are eligible to exchange your Original Notes in the Exchange Offers and do not exchange your Original Notes in the Exchange Offers, you will no longer be entitled to have those Original Notes registered under the Securities Act.

## **Table of Contents**

### **Treatment of the Original Notes not exchanged**

Original Notes not exchanged in the Exchange Offers will remain outstanding. The terms and conditions governing the Original Notes will remain unchanged. No amendments to these terms and conditions are being sought.

From time to time after the expiration date, we or our affiliates may acquire Original Notes that are not exchanged in the Exchange Offers through open market purchases, privately negotiated transactions, tender offers, exchange offers, redemptions or otherwise, upon such terms and at such prices as we or our affiliates may determine or as may be provided for in the documents governing the Original Notes (which may be on terms more or less favorable from those contemplated in the Exchange Offers and, in either case, could be for cash or other consideration).

### **Responsibility for complying with the procedures of the Exchange Offers**

Holders of Original Notes are responsible for complying with all of the procedures for tendering Original Notes for exchange in a timely manner. Therefore, holders of Original Notes that wish to exchange them for Exchange Notes should allow sufficient time for timely completion of the exchange procedures. If the exchange procedures are not strictly complied with, the letter of transmittal or the agent's message, as the case may be, may be rejected. Neither we nor the Exchange Agent assumes any responsibility for informing any holder of Original Notes of irregularities with respect to such holder's participation in the Exchange Offers.

### **Consummation of the Exchange Offers may not occur**

The Exchange Offers are subject to the satisfaction of certain conditions. See "The Exchange Offers" Conditions to the Exchange Offers. Even if the Exchange Offers are completed, they may not be completed on the schedule described in this prospectus. Accordingly, holders participating in the Exchange Offers may have to wait longer than expected to receive their Exchange Notes, during which time such holders will not be able to effect transfers of their Original Notes tendered in the Exchange Offers.

### **Completion, termination, waiver and amendment**

Until we announce whether we have accepted valid tenders of Original Notes for exchange pursuant to the Exchange Offers, no assurance can be given that the Exchange Offers will be completed. In addition, subject to applicable law and as provided in this prospectus, we may, in our sole discretion, extend, re-open, amend, waive any condition of or terminate any or all of the Exchange Offers at any time before our announcement of whether we will accept valid tenders of Original Notes for exchange pursuant to the Exchange Offers, which we expect to make as soon as reasonably practicable after the applicable expiration date.

### **Responsibility to consult advisers**

Holders should consult their own tax, accounting, financial and legal advisers regarding the suitability to themselves of the tax or accounting consequences of participating in the Exchange Offers and an investment in the Exchange Notes.

Neither we nor the Exchange Agent, nor our or its directors, employees or affiliates, is acting for any holder of Original Notes or will be responsible to any holder of Original Notes for providing advice in relation to the Exchange Offers, and accordingly neither we nor the Exchange Agent, nor our or its directors, employees and affiliates, makes any recommendation whatsoever regarding the Exchange Offers or any recommendation as to whether you should tender your Original Notes for exchange pursuant to the Exchange Offers.

**Table of Contents**

**Registration and prospectus delivery requirements of the Securities Act**

If you exchange your Original Notes in the Exchange Offers for the purpose of participating in a distribution of the Exchange Notes, you may be deemed to have received restricted securities and, if so, you will be required to comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction. In addition, a broker-dealer that purchased Original Notes for its own account as part of market-making activities or trading activities must deliver a prospectus when it sells the Exchange Notes it receives in exchange for Original Notes in the Exchange Offers. Our obligation to keep the registration statement of which this prospectus forms a part effective is limited. Accordingly, we cannot guarantee that a current prospectus will be available at all times to broker-dealers wishing to resell their Exchange Notes.

**Table of Contents**

**USE OF PROCEEDS**

We will not receive any cash proceeds from the issuance of the Exchange Notes in the Exchange Offers. The Original Notes surrendered and exchanged for the Exchange Notes will be retired and canceled.

**THE EXCHANGE OFFERS**

**Purpose of the Exchange Offers**

When we completed the issuance of the Original Notes in connection with private exchange offers on December 15, 2017, we entered into the Registration Rights Agreement with the dealer managers of the private exchange offers. Under the Registration Rights Agreement, we agreed to file a registration statement with the SEC relating to the Exchange Offers within 120 days of the settlement date of each series of Original Notes. We also agreed to use our commercially reasonable efforts to (i) cause the registration statement to become effective with the SEC within 210 days of the settlement date of each series of Original Notes and (ii) complete the Exchange Offers within 250 days of the settlement date of each series of Original Notes. The Registration Rights Agreement provides that we will be required to pay additional interest to the holders of the Original Notes of the applicable series if we fail to comply with such filing, effectiveness and exchange offer consummation requirements.

The Exchange Offers are not being made to holders of Original Notes in any jurisdiction where the exchange would not comply with the securities or blue sky laws of such jurisdiction. A copy of the Registration Rights Agreement has been filed as an exhibit to the registration statement of which this prospectus forms a part, and it is available from us upon request. See [Where You Can Find More Information](#).

Each broker-dealer that receives Exchange Notes for its own account in exchange for Original Notes, where such Original Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes. See [Plan of Distribution](#).

**Terms of the Exchange Offers**

Upon the terms and subject to the conditions described in this prospectus and in the accompanying letter of transmittal, we will accept for exchange Original Notes that are validly tendered before 5:00 p.m., New York City time, on the applicable expiration date and not validly withdrawn as permitted below. We will issue a like principal amount of Exchange Notes in exchange for the principal amount of the corresponding Original Notes tendered under the respective Exchange Offers. As used in this prospectus, the term [expiration date](#) means May 8, 2018. However, if we have extended the period of time for which the Exchange Offers are open with respect to any or all series of Notes, the term [expiration date](#) means the latest date to which we extend the relevant Exchange Offer.

As of the date of this prospectus, \$106,104,000 aggregate principal amount of Original Notes due 2029 is outstanding and \$122,499,000 aggregate principal amount of Original Notes due 2032 is outstanding. The Original Notes of each series were issued under the Indenture. Our obligation to accept Original Notes of each series for exchange in the Exchange Offers is subject to the conditions described below under [Conditions to the Exchange Offers](#). We reserve the right to extend the period of time during which any or all of the Exchange Offers is open. We may, subject to applicable law, elect to extend the relevant Exchange Offer period if less than 100% of the Original Notes of the relevant series are tendered or if any condition to consummation of the relevant Exchange Offer has not been satisfied as of the relevant expiration date and it is likely that such condition will be satisfied after such date. In addition, in the event of any material change to any or all of the Exchange Offers, we will extend the period of time during which the relevant Exchange Offer is open as necessary. In the event of such extension, and only in such event, we may delay acceptance for exchange of any Original Notes of the relevant series by giving written notice of the extension to the holders of Original Notes of such series as described below. During any extension period, all Original Notes of such series previously tendered will remain subject to the Exchange Offers and may be accepted for exchange by us. Any Original Notes not accepted for exchange will be returned to the tendering holder promptly after the expiration or

termination of the Exchange Offers.

## **Table of Contents**

Original Notes of each series tendered in the Exchange Offers must be in denominations of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000.

Subject to applicable law, we reserve the right to amend or terminate any or all of the Exchange Offers, and not to accept for exchange any Original Notes of the relevant series not previously accepted for exchange, upon the occurrence of any of the conditions of the relevant Exchange Offer specified below under **Conditions to the Exchange Offers**. We will give written notice of any extension, amendment, non-acceptance or termination to the holders of the Original Notes of the relevant series as promptly as practicable. Such notice, in the case of any extension, will be issued by means of a press release or other public announcement no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date for such series.

Our acceptance of the tender of Original Notes by a tendering holder will form a binding agreement upon the terms and subject to the conditions provided in this prospectus and the accompanying letter of transmittal.

### **Absence of Dissenters Rights of Appraisal**

Holders of the Original Notes do not have any dissenters rights of appraisal in connection with the Exchange Offers.

### **Procedures for Tendering**

Except as described below, a holder tendering Original Notes must, prior to 5:00 p.m., New York City time, on the applicable expiration date:

transmit a properly completed and duly executed letter of transmittal, including all other documents required by the letter of transmittal, to the Exchange Agent, at the address listed below under the heading **Exchange Agent**; or

if Original Notes are tendered in accordance with the book-entry procedures described below, the tendering holder must transmit an agent's message (described below) to the Exchange Agent.

Transmittal will be deemed made only when actually received or confirmed by the Exchange Agent.

In addition, the Exchange Agent must receive, before 5:00 p.m., New York City time, on the applicable expiration date:

certificates for the Original Notes; or

confirmation of book-entry transfer of the Original Notes into the Exchange Agent's account at DTC, the book-entry transfer facility.

The term **agent's message** means a computer-generated message, transmitted by DTC to, and received by, the Exchange Agent and forming a part of a book-entry confirmation, which states that DTC has received an express acknowledgment from the tendering participant that such participant has received and agrees to be bound by, and makes the representations and warranties contained in, the letter of transmittal and that we may enforce the letter of

transmittal against such participant.

**The method of delivery of Original Notes, letters of transmittal and all other required documents is at your election and risk. If delivery is by mail, we recommend that you use registered mail, properly insured, with return receipt requested. In all cases, you should allow sufficient time to assure timely delivery. You should not send letters of transmittal or Original Notes to anyone other than the Exchange Agent.**

If you are a beneficial owner whose Original Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee, and wish to tender, you should promptly instruct the

registered holder to tender on your behalf. Any registered holder that is a participant in DTC's book-entry transfer facility system may make book-entry delivery of the Original Notes by causing DTC to transfer the Original Notes into the Exchange Agent's account.

Signatures on a letter of transmittal or a notice of withdrawal must be guaranteed unless the Original Notes surrendered for exchange are tendered:

by a registered holder of the Original Notes that has not completed the box entitled "Special Issuance Instructions" or "Special Delivery Instructions" on the letter of transmittal; or

for the account of an eligible institution.

If signatures on a letter of transmittal or a notice of withdrawal are required to be guaranteed, the guarantees must be by an eligible institution. An eligible institution is a financial institution, including most banks, savings and loan associations and brokerage houses, that is a participant in the Securities Transfer Agents Medallion Program, the New York Stock Exchange Medallion Signature Program or the Stock Exchanges Medallion Program.

We will reasonably determine all questions as to the validity, form and eligibility of Original Notes tendered for exchange and all questions concerning the timing of receipts and acceptance of tenders. These determinations will be final and binding.

We reserve the right to reject any particular Original Note not validly tendered, or any acceptance that might, in our judgment, be unlawful. We also reserve the right to waive any defects or irregularities with respect to the form of, or procedures applicable to, the tender of any particular Original Note before the applicable expiration date. Unless waived, any defects or irregularities in connection with tenders of Original Notes must be cured before the applicable expiration date of the Exchange Offers. Neither we, the Exchange Agent nor any other person will be under any duty to give notification of any defect or irregularity in any tender of Original Notes. Neither we, the Exchange Agent nor any other person will incur any liability for failing to give notification of any defect or irregularity.

If the letter of transmittal is signed by a person other than the registered holder of Original Notes, the letter of transmittal must be accompanied by a physical certificate representing the Original Notes endorsed by the registered holder or written instrument of transfer or exchange in satisfactory form, duly executed by the registered holder, in either case with the signature guaranteed by an eligible institution. In addition, in either case, the original endorsement or the instrument of transfer must be signed exactly as the name of any registered holder appears on the Original Notes.

If the letter of transmittal or any Original Notes or powers of attorney are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, these persons should so indicate when signing. Unless waived by us, proper evidence satisfactory to us of their authority to so act must be submitted.

By signing or agreeing to be bound by the letter of transmittal, each tendering holder of Original Notes will represent, among other things, that:

it is not an affiliate of ours or, if an affiliate of ours, will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable in connection with the resale of the Exchange Notes;

the Exchange Notes will be acquired in the ordinary course of its business;

it is not participating, does not intend to participate, and has no arrangement or understanding with anyone to participate, in the distribution (within the meaning of the Securities Act) of the Exchange Notes;

## **Table of Contents**

it is not a broker-dealer that purchased any of the Original Notes from us for resale pursuant to Rule 144A or any other available exemption under the Securities Act; and

if such holder is a broker-dealer that will receive Exchange Notes for its own account in exchange for Original Notes that were acquired as a result of market-making activities or other trading activities, that it will deliver a prospectus (or to the extent permitted by law, make available a prospectus to purchasers) in connection with any resale of such Exchange Notes.

Each broker-dealer that receives Exchange Notes for its own account in exchange for Original Notes, where such Original Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes. See Plan of Distribution.

### **Acceptance of Original Notes for Exchange; Delivery of Exchange Notes**

Upon satisfaction of all of the conditions to an Exchange Offer, we will accept, promptly after the applicable expiration date, all Original Notes of the relevant series validly tendered. We will issue the applicable Exchange Notes promptly after the expiration of the relevant Exchange Offer and acceptance of the corresponding Original Notes. See Conditions to the Exchange Offers below. For purposes of the Exchange Offers, we will be deemed to have accepted validly tendered Original Notes for exchange when, as and if we have given written notice of such acceptance to the Exchange Agent.

For each Original Note accepted for exchange, the holder of the Original Note will receive an Exchange Note of the corresponding series having a principal amount equal to that of the surrendered Original Note. The Exchange Notes due 2029 will bear interest from May 1, 2018, and the Exchange Notes due 2032 will bear interest from January 1, 2018. Original Notes accepted for exchange will cease to accrue interest from and after the date of completion of the relevant Exchange Offer. Holders of Original Notes whose Original Notes are accepted for exchange will not receive any payment for accrued interest on the Original Notes otherwise payable on any interest payment date, the record date for which occurs on or after completion of the relevant Exchange Offer and will be deemed to have waived their rights to receive the accrued interest on the Original Notes.

In all cases, issuance of Exchange Notes for Original Notes will be made only after timely receipt by the Exchange Agent of:

certificates for the Original Notes or a book-entry confirmation of the deposit of the Original Notes into the Exchange Agent's account at the book-entry transfer facility;

a properly completed and duly executed letter of transmittal or a transmitted agent's message; and

all other required documents.

Unaccepted or non-exchanged Original Notes will be returned without expense to the tendering holder of the Original Notes promptly after the expiration of the relevant Exchange Offer. In the case of Original Notes tendered by book-entry transfer in accordance with the book-entry procedures described below, the non-exchanged Original Notes will be returned or recredited promptly after the expiration of the relevant Exchange Offer.

**Book-Entry Transfer**

The Exchange Agent will make a request to establish an account for the Original Notes at DTC for purposes of the Exchange Offers within two business days after the date of this prospectus. Any financial institution that is a participant in DTC's systems and is tendering Original Notes must make book-entry delivery of the Original Notes by causing DTC to transfer those Original Notes into the Exchange Agent's account at DTC in accordance with DTC's procedure for transfer. The participant should transmit its acceptance to DTC prior to 5:00 p.m.,

## **Table of Contents**

New York City time, on the applicable expiration date. DTC will verify this acceptance, execute a book-entry transfer of the tendered Original Notes into the Exchange Agent's account at DTC and then send to the Exchange Agent confirmation of this book-entry transfer, which confirmation must be received prior to 5:00 p.m., New York City time, on the applicable expiration date. The confirmation of this book-entry transfer will include an agent's message confirming that DTC has received an express acknowledgment from the participant that the participant has received and agrees to be bound by the letter of transmittal and that we may enforce the letter of transmittal against the participant. Delivery of Exchange Notes issued in the Exchange Offers may be effected through book-entry transfer at DTC. However, the letter of transmittal (or an agent's message in lieu thereof), with any required signature guarantees and any other required documents, must be transmitted to, and received by, the Exchange Agent at the address listed below under Exchange Agent (or its account at DTC with respect to an agent's message) prior to 5:00 p.m., New York City time, on the applicable expiration date.

## **Exchanging Book-Entry Notes**

The Exchange Agent and the book-entry transfer facility have confirmed that any financial institution that is a participant in the book-entry transfer facility may utilize the book-entry transfer facility's Automated Tender Offer Program, or ATOP, procedures to tender Original Notes. Any participant in the book-entry transfer facility may make book-entry delivery of Original Notes by causing the book-entry transfer facility to transfer such Original Notes into the Exchange Agent's account in accordance with the book-entry transfer facility's ATOP procedures for transfer. However, the exchange for the Original Notes so tendered will only be made after a book-entry confirmation of the book-entry transfer of Original Notes into the Exchange Agent's account, and timely receipt by the Exchange Agent of an agent's message and any other documents required by the letter of transmittal.

## **Withdrawal Rights**

For a withdrawal to be effective, the Exchange Agent must receive a written notice of withdrawal at the address indicated below under Exchange Agent before 5:00 p.m., New York City time, on the applicable expiration date. Any notice of withdrawal must:

specify the name of the person, referred to as the depositor, having tendered the Original Notes to be withdrawn;

identify the Original Notes to be withdrawn, including the relevant series, certificate number or numbers and principal amount of the Original Notes;

in the case of Original Notes tendered by book-entry transfer, specify the number of the account at the book-entry transfer facility from which the Original Notes were tendered and specify the name and number of the account at the book-entry transfer facility to be credited with the withdrawn Original Notes and otherwise comply with the procedures of such facility;

contain a statement that the holder is withdrawing his election to have the Original Notes exchanged;

be signed by the holder in the same manner as the original signature on the letter of transmittal by which the Original Notes were tendered, including any required signature guarantees, or be accompanied by documents of transfer to have the Trustee with respect to the Original Notes register the transfer of the Original Notes in the name of the person withdrawing the tender, together with satisfactory evidence of payment of applicable transfer taxes or exemption therefrom; and

specify the name in which the Original Notes are registered, if different from that of the depositor.

If certificates for Original Notes have been delivered or otherwise identified to the Exchange Agent, then, prior to the release of these certificates, the withdrawing holder must also submit the serial numbers of the particular certificates to be withdrawn and a signed notice of withdrawal with signatures guaranteed by an eligible institution unless this holder is an eligible institution. We will determine all questions as to the validity,

form and eligibility, including time of receipt, of notices of withdrawal. Validly withdrawn Original Notes may be re-tendered by following the procedures described under Procedures for Tendering above at any time before 5:00 p.m., New York City time, on the applicable expiration date.

**Conditions to the Exchange Offers**

Notwithstanding any other provision of this prospectus, with respect to each Exchange Offer, we will not be obligated to (i) accept for exchange any validly tendered Original Notes or (ii) issue any Exchange Notes in exchange for validly tendered Original Notes or complete such Exchange Offer, if at or prior to the applicable expiration date:

- (1) there is threatened, instituted or pending any action or proceeding before, or any injunction, order or decree issued by, any court or governmental agency or other governmental regulatory or administrative agency or commission that might materially impair our ability to proceed with the applicable exchange offer; or
- (2) the applicable exchange offer or the making of any exchange by a holder of Original Notes of the relevant series would violate applicable law or any applicable interpretation of the SEC staff.

In addition, we will not accept for exchange any Original Notes tendered, and no Exchange Notes will be issued in exchange for any Original Notes, if any stop order is threatened by the SEC or in effect relating to the registration statement of which this prospectus constitutes a part or the qualification of the Indenture under the Trust Indenture Act of 1939, as amended. We are required to use our commercially reasonable efforts to obtain the withdrawal of any stop order suspending the effectiveness of a registration statement at the earliest possible time.

No Exchange Offer is conditioned upon any minimum amount of Original Notes being tendered or the consummation of any other Exchange Offer, and each Exchange Offer may be amended, extended or terminated individually.
