PROPOSAL 1. ELECTION OF DIRECTORS

Background

In accordance with the Fund's Charter, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. At the Meeting, Stockholders will be asked to elect three Class I Directors, each to hold office until the 2021 Annual Meeting of Stockholders, or thereafter until their respective successors are elected and qualified. Stockholders will not be asked to elect any Class II or Class III Directors, as the terms of office of the Class II and Class III Directors expire at the 2020 and 2019 Annual Meeting of Stockholders, respectively, or thereafter until their respective successors are duly elected and qualified. These staggered terms have the effect of limiting the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors and could have the effect of depriving Stockholders of an opportunity to sell their shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of the Fund.

Ms. Nisha Kumar, Mr. Martin Gilbert, and Mr. Jeswald Salacuse are the nominees for election as Class I Directors. Their qualifications are described in more detail below. Ms. Kumar, Mr. Gilbert, and Mr. Salacuse have been members of the Fund's Board of Directors since 2016, 2012, and 1993, respectively.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of the nominees listed below. The nominees have consented to their being named in this proxy statement and have indicated that they will serve if elected. If a nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named as proxies in their discretion.

Responsibilities of the Board of Directors

The Board of Directors is responsible under applicable state law for overseeing generally the operation of the Fund. The Directors oversee the Fund's operations by, among other things, meeting at regularly scheduled meetings and as otherwise needed with the Fund's management and evaluating the performance of the Fund's service providers including AAMAL, the Fund's custodian, and the transfer agent. As part of this process, the Directors consult with the Fund's independent registered public accounting firm, and the directors who are not considered to be interested persons of the Fund, as defined in the 1940 Act (Independent Directors), consult with their own separate independent counsel.

The Directors regularly review the Fund's financial statements, performance and market price as well as the quality of the services being provided to the Fund. As part of this process, the Directors review the Fund's fees and expenses to determine if they are reasonable and competitive in light of the services being received, while also ensuring that the Fund continues to have access to high quality services in the future.

Based on these reviews, the Directors periodically make suggestions to the Fund's management and monitor to ensure that responsive action is taken. The Directors also monitor potential conflicts of interest among the Fund, AAMAL and its affiliates and other funds and clients managed by AAMAL with the objective that the Fund will be managed in a manner that is in the best interest of the Fund's Stockholders.

The Board of Directors has four regularly scheduled meetings each year and additional meetings are scheduled as needed. Furthermore, the Board of Directors has a standing Audit Committee and a Nominating Committee, which meet periodically during the year and the responsibilities of which are described below, each composed entirely of Directors who are not interested persons of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards.

Audit Committee

The Fund's Audit Committee is composed entirely of Directors who are not interested persons of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards. Currently, Mr. Salacuse is the Chairman and Messrs. Gelb, and Rubio and Ms. Kumar and Maasbach are members of the Audit Committee. The Audit Committee convened five times during the fiscal year ended December 31, 2017. The principal functions of the Audit Committee are to appoint and retain the Fund's independent registered public accounting firm, to review with the independent registered public accounting firm the scope, performance and anticipated cost of their audit and to receive and consider a report from the independent registered public accounting firm concerning their conduct of the audit, including the form of the opinion proposed to be rendered, and any comments or recommendations the independent registered public accounting firm might want to make in that connection. The Board has determined that Ms. Kumar is an audit committee financial expert, as defined in Section 401(h) of Regulation S-K. The Fund adopted an Audit Committee Charter in February 2000, which was most recently amended in May 2015. The Audit Committee Charter states that no member of the Audit Committee may serve on the audit committees of more than three public companies, including the Fund, unless the Board of Directors determines that such simultaneous service would not impair the ability of such member to serve on the Audit Committee effectively. For purposes of this determination, service on multiple audit committees within the same fund complex, such as service on the Audit Committee of the Fund and the audit committee of Aberdeen Income Credit Strategies Fund, is counted as service on a single audit committee. The Board of Directors has determined that the service by Mr. Gelb on the audit committees of more than two other public companies does not impair his ability to

serve effectively on the Fund's Audit Committee. The Fund's amended and restated Audit Committee Charter was attached as Appendix A to the 2016 proxy statement and is available on the Fund's website at www.aberdeenifn.com.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Pursuant to the Fund's Audit Committee Pre-Approval Policy, the Audit Committee pre-approved all audit and non-audit services provided by each of PricewaterhouseCoopers LLP (PwC), the Fund's prior independent registered public accounting firm, and KPMG LLP (KPMG), the Fund's current independent registered public accounting firm, to the Fund in 2017. As further described below under "Independent Registered Public Accounting Firm Change in Auditor," effective on August 8, 2017, PwC resigned and the Board engaged KPMG as the Fund's independent registered public accounting firm. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by KPMG, as necessary, between Audit Committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting. Representatives of KPMG are not expected to be present at the Meeting to make a statement or respond to questions from shareholders. However, such representatives are expected to be available by telephone to respond to questions raised by shareholders, if any, during the Meeting.

Nominating Committee

The Nominating Committee is composed entirely of Directors who are not "interested persons" of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act and who are "independent" as defined in the NYSE listing standards. Currently, Mr. Salacuse is the Chairman and Messrs. Gelb and Rubio and Ms. Kumar and Maasbach are members of the Nominating Committee. This Committee met two times during the fiscal year ended December 31, 2017. The principal function of the Nominating Committee is to select and nominate persons for election as Directors of the Fund. The Fund's Nominating Committee Charter was attached as Appendix B to the 2016 proxy statement and is available on the Fund's website at www.aberdeenifn.com.

The Nominating Committee identifies potential nominees through its network of contacts. While the Nominating Committee meets to discuss and consider such candidates' qualifications and then chooses a candidate by majority vote, the Nominating Committee does not have specific, minimum qualifications for nominees and has not established specific qualities or skills that it regards as necessary for one or more of

the Fund's Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard).

In identifying and evaluating nominees, the Nominating Committee considers factors it deems relevant, which include: whether or not the person is an interested person as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve on the Board of Directors of the Fund; whether or not the person has any relationship that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, Fund service providers or their affiliates; whether or not the person serves on boards of, or is otherwise affiliated with, competing organizations or funds; and the character and integrity of the person and the contribution which the person can make to the Board. The Nominating Committee does not have a formal diversity policy but may also consider diversity of professional experience, education and skills when evaluating potential nominees. The Nominating Committee will accept nominations for the office of Director made by Fund Stockholders. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee. There are no differences in the manner in which the Nominating Committee evaluates nominees based on whether such nominees are recommended by a Stockholder.

The Fund does not pay a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The Nominating Committee did not receive a recommended nominee from a Stockholder who beneficially owned, or a group of Stockholders who beneficially owned, more than 5% of the Fund's shares for at least one year as of the date the recommendation to elect the three Director nominees was made.

Governance

On September 23, 2015, the Fund announced that its Board of Directors approved changes to its corporate governance practices. Specifically, the Board approved an amendment to the Fund's By-Laws, effective September 30, 2015, to provide for the election of Directors by a majority of the votes cast at a meeting of Stockholders at which a quorum is present, except in contested elections, where a Director shall be elected by a plurality vote. The Fund's By-laws previously provided that Directors be elected by a plurality vote in all Director elections.

At the same time, the Board also adopted certain corporate governance policies for the Fund, effective September 30, 2015. The corporate governance policies include (i) a resignation policy, which generally provides that a Director who does not receive a majority of votes cast for his or her election at a meeting of Stockholders shall be deemed to have tendered his or her resignation, subject to the Board's acceptance or rejection of such resignation, which Board determination will be disclosed publicly to Fund Stockholders; and (ii) a policy requiring that after an Independent Director has served on the Board for three consecutive three-year terms following the later of the appointment of the Fund's then-current investment manager or the initial election of the Director by the Fund's Stockholders, the Director will be put forth for consideration by Stockholders annually. The failure to obtain a majority of votes cast will trigger the resignation policy described above. Although the charter of the Fund provides that the Board be

classified into three classes with the Directors in each class having a term of three years, under the new corporate governance policies, Directors are agreeing to submit to annual elections once they have completed the three consecutive three-year terms noted above.

Board Meetings

During the fiscal year ended December 31, 2017, the Board of Directors held four regular meetings and one special meeting. Each Director attended at least 75% of the meetings of the Board or the committee(s) of the Board on which the Director served.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act, and Section 30(h) of the 1940 Act in combination require the Fund's Directors and Officers, persons who own more than ten percent of the Fund's common stock, and AAMAL and its directors and officers, to file reports of ownership and changes in ownership of the Fund's securities with the SEC and the NYSE. These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file.

Based solely on a review of those forms furnished to the Fund, and written representations from certain reporting persons, to the Fund's knowledge, during the fiscal year ended December 31, 2017, such forms were filed on a timely basis.

Report of the Audit Committee

The Audit Committee reports that it has: (i) reviewed and discussed the Fund's audited financial statements for the fiscal year ended December 31, 2017 with management; and (ii) discussed with KPMG, the Fund's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (SAS 61). SAS 61 requires the independent registered public accounting firm to communicate to the Audit Committee matters including, if applicable: (i) methods used to account for significant unusual transactions; (ii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (iii) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (iv) disagreements with management over the application of accounting principles and certain other matters.

The Audit Committee also reports that it previously received (i) written confirmation from KPMG that it is independent and (ii) written disclosures regarding such independence as required by the Public Company Accounting Oversight Board Rule 3526 and discussed with KPMG the independent registered public accounting firm's independence. In addition, the Audit Committee has reviewed the aggregate fees billed by KPMG for professional services rendered to the Fund and for non-audit services provided to: AAMAL, the Fund's investment manager as of December 19, 2011, and any entity controlling, controlled by or under common control with AAMAL that provided services to the Fund. As part of this review, the Audit Committee considered, in addition to other practices and requirements relating to selection of the Fund's independent registered public accounting firm, whether the provision of such non-audit services was compatible with maintaining the independence of KPMG.

Based on the foregoing review and discussions, the Audit Committee presents this report to the Board of Directors and recommends that the Fund's audited financial statements be included in the Fund's annual report to stockholders for the fiscal year ended December 31, 2017 and filed with the Securities and Exchange Commission.

Required Vote

As announced on September 23, 2015, Directors are now elected by a majority of all the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. A majority of the votes cast means that the number of shares voted FOR a Director must exceed the number of votes cast AGAINST that Director. For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast either FOR or AGAINST that Director's election, and do not affect the majority vote required for Directors.

Please note that unless otherwise instructed, the proxies will vote FOR each nominee for Director.

The Directors, including the Independent Directors, recommend that Stockholders vote FOR each nominee for Director.

Independent Registered Public Accounting Firm

The Fund's Audit Committee has adopted written policies relating to the pre-approval of the audit and non-audit services performed by the Fund's independent registered public accounting firm. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it requires specific pre-approval by the Audit Committee. Under the policies, on an annual basis, the Fund's Audit Committee reviews and pre-approves the services to be provided by the independent registered public accounting firm. In addition, the Audit Committee pre-approves any permitted non-audit services to be provided by the independent registered public accounting firm to AAMAL or any entity controlling, controlled by, or under common control with AAMAL if such services relate directly to the operations and financial reporting of the Fund. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by KPMG, as necessary, between audit committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting. Effective on August 8, 2017, PwC resigned and the Board engaged KPMG as the Fund's independent registered public accounting firm. See Change in Auditor section below for additional information.

Audit Fees. The aggregate fees paid to PwC for the fiscal year ended December 31, 2016 and to KPMG for the fiscal year ended December 31, 2017 in connection with the annual audit of the Fund's financial statements and for services normally provided in connection with the statutory and regulatory filings of the Fund were \$55,000 and \$49,500, respectively, including out-of-pocket expenses.

Audit-Related Fees. The aggregate fees paid to PwC for the fiscal year ended December 31, 2016 and to KPMG for the fiscal year ended December 31, 2017 in connection with assurance and related services reasonably related to the annual audit of the Fund and for review of the Fund's financial statements, other than the Audit Fees described above, were \$0 and \$0, respectively.

Tax Fees. The aggregate fees paid for domestic and international tax-related services, including tax compliance, tax advice and tax planning, rendered to the Fund by PwC for the fiscal years ended December 31, 2016 and December 31, 2017 and by KPMG for the fiscal year ended December 31, 2017 were \$24,950, \$5,850 and \$8,500, respectively. All Other Fees. The aggregate fees billed for all other non-audit services rendered to the Fund by PwC for the fiscal year ended December 31, 2016 and by KPMG for the fiscal year ended December 31, 2017 were \$15,520 and \$0, respectively. The 2016 fees are attributable to tax consulting services.

The aggregate non-audit fees billed by PwC for the fiscal year ended December 31, 2016 and by KPMG for the fiscal year ended December 31, 2017 for services rendered to the Fund, AAMAL, the Fund's investment manager, and any entity controlling, controlled by or under common control with the Fund or AAMAL that provided ongoing services to the Fund were \$40,070 and \$671,126, respectively. The Audit Committee has determined that the provision of non-audit services is compatible with maintaining the independence of PwC and KPMG.

None of the services described above, provided in the fiscal year ended December 31, 2017, were approved pursuant to the *de minimis* exception provided in Rule 2-01(c)(7)(i)(C) of Regulation S-X promulgated by the SEC.

Change in Auditor. On August 8, 2017, PwC resigned as the independent registered public accounting firm for the Fund.

The reports of PwC on the Fund's financial statements as of and for the two most recent fiscal years in which PwC served as the independent registered public accounting firm for the Fund (ended December 31, 2016 and December 31, 2015) did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainties, audit scope or accounting principles.

During the Fund's two most recent fiscal years in which PwC served as the independent registered public accounting firm for the Fund (ended December 31, 2016 and December 31, 2015) and the subsequent interim period through August 8, 2017, there were no disagreements between the Fund and PwC on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused it to make reference to the subject matter of the disagreements in its reports on the financial statements of the Fund for such years.

During the Fund's two most recent fiscal years in which PwC served as the independent registered public accounting firm for the Fund (ended December 31, 2016 and December 31, 2015) and the subsequent interim period through August 8, 2017, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K under the 1934 Act).

The Fund received a letter from PwC addressed to the Securities and Exchange Commission stating that PwC agrees with the above statements concerning PwC. A copy of PwC's letter, dated August 9, 2017, was attached as an exhibit to Form 8-K filed by the Fund on August 9, 2017.

On August 8, 2017, upon the recommendation of the Audit Committee, the Board approved the engagement of KPMG as the independent registered public accounting firm for the Fund for the fiscal year ending December 31, 2017. During the Fund's two most recent fiscal years in which PwC served as the independent registered public accounting firm for the Fund (ended December 31, 2016 and December 31, 2015) and the subsequent interim period through August 8, 2017, neither the Fund, nor anyone on its behalf, consulted with KPMG, on behalf of the Fund, regarding the application of accounting principles to a specified transaction (either completed or proposed), the type of audit opinion that might be rendered on the Fund's financial statements, or any matter that was either the subject of a disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K under the 1934 Act and the instructions thereto, or a reportable event, as defined in Item 304(a)(1)(v) of Regulation S-K under the 1934 Act.

Other Business

The Fund's Board of Directors does not know of any other matter that may come before the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the proxy to vote the proxies in accordance with their judgment on that matter.

Stockholder Proposals

All proposals by Stockholders of the Fund that are intended to be presented at the Fund's next Annual Meeting of Stockholders, to be held in 2019, must be received by the Fund (addressed to The India Fund, Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103) in order to be considered for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than January 7, 2019. Any Stockholder who desires to bring a proposal for consideration at the Fund's year 2019 Annual Meeting of Stockholders without including such proposal in the Fund's proxy statement must deliver written notice thereof to the Secretary or Assistant Secretary of the Fund (addressed to The India Fund, Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103) during the period from February 20, 2019 to March 22, 2019. However, if the Fund's 2019 Annual Meeting of Stockholders is held earlier than May 21, 2019 or later than August 20, 2019, such written notice must be delivered to the Secretary or Assistant Secretary of the Fund no earlier than 120 days before the date of the 2019 Annual Meeting of Stockholders and no later than the later of 90 days before the date of the 2019 Annual Meeting of Stockholders or 10 days following the public announcement of the date of the 2019 Annual Meeting of Stockholders.

Any Stockholder proposal intended to be included in the Fund's proxy statement, including any accompanying supporting statement, may not exceed 500 words. A Stockholder desiring to submit such a

proposal must be a record or beneficial owner of shares with a market value of \$2,000 or 1% of shares entitled to vote on a proposal at the 2019 Annual Meeting of Stockholders and must have held such shares for at least one year. Further, the Stockholder must continue to hold such shares through the date on which the 2019 Annual Meeting of Stockholders is held. Documentary support regarding the foregoing must be provided along with the proposal. There are additional requirements regarding proposals of Stockholders, and a Stockholder contemplating submission of a proposal is referred to Rule 14a-8 promulgated under the 1934 Act and Section 4(b) of the By-Laws of the Fund. The timely submission of a proposal does not guarantee its inclusion in a Fund's proxy materials.

Stockholder Communications with the Board of Directors

The Fund has adopted procedures by which Fund Stockholders may send communications to the Board of Directors. Stockholders may mail written communications to the Board to the attention of the Board of Directors of The India Fund, Inc., c/o the Fund's Chief Legal Officer, 1735 Market Street, 32nd Floor, Philadelphia, PA 19103. Stockholder communications must (i) be in writing and be signed by the Stockholder and (ii) identify the number of shares held by the Stockholder. The Chief Legal Officer of the Fund is responsible for reviewing properly submitted Stockholder communications. The Chief Legal Officer shall either (i) provide a copy of each properly submitted Stockholder communication to the Board at its next regularly scheduled board meeting or (ii) if the Chief Legal Officer determines that the communication requires more immediate attention, forward the communication to the Directors promptly after receipt. The Chief Legal Officer may, in good faith, determine that a Stockholder communication should not be provided to the Board because it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, Stockholders or other matters relating to an investment in the Fund or is otherwise ministerial in nature. These procedures shall not apply to (i) any communication from an officer or Director of the Fund, (ii) any communication from an employee or agent of the Fund, unless such communication is made solely in such employee's or agent's capacity as a Stockholder of the Fund, or (iii) any Stockholder proposal submitted pursuant to Rule 14a-8 under the 1934 Act or any communication made in connection with such a proposal.

The Fund does not have a formal policy regarding attendance by Directors at Annual Meetings of Stockholders.

Expenses of Proxy Solicitation

The costs of preparing, printing, assembling and mailing material in connection with this solicitation of proxies will be borne by the Fund, even if the proposals are not successful, as will all of the other costs in connection with the Meeting. **Proxies may also be solicited personally by Directors and officers of the Fund, by employees of the Fund's transfer agent, and by regular employees of AAMAL's respective affiliates or other representatives of the Fund, and may be accomplished by telephone in addition to the use of mails.** Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and they will be reimbursed by the Fund for out-of-pocket expenses so incurred.

In addition, Georgeson LLC (Georgeson), a proxy solicitation firm, has been retained to assist in the solicitation of the proxy vote. It is anticipated that Georgeson will be paid an amount estimated at \$2,000 plus reasonable out-of-pocket expenses. Therefore, expenses of the Meeting will include costs of (i) preparing, assembling and mailing material in connection with the solicitation, (ii) soliciting proxies by officers or employees, personally or by telephone or telegraph, (iii) reimbursing brokerage houses, banks and other fiduciaries and (iv) compensating the proxy solicitor.

Georgeson may call Stockholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Stockholders' identities, to allow Stockholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. A Stockholder voting by telephone would be asked for his or her social security number or other identifying information and would be given an opportunity to authorize proxies to vote his or her shares in accordance with his or her instructions. To ensure that the Stockholder's instructions have been recorded correctly, he or she will receive a confirmation of such instructions in the mail. The confirmation is a replica of the proxy card, but with marks indicating how the Stockholder voted, along with a special toll-free number which will be available in the event the Stockholder wishes to change or revoke the vote. Although a Stockholder's vote may be taken by telephone, each Stockholder will receive a copy of this proxy statement and may vote by mailing the enclosed proxy card. If you have any questions or need assistance in voting, please contact Georgeson at its toll-free number, 1-866-297-1264.

Please vote promptly by signing and dating the enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the instructions on the enclosed proxy card for voting by telephone or over the Internet.
