Item 15. Indemnification of Directors and Officers.

Article 4 of our by-laws provides for indemnification of any person who is, or is threatened to be made a party to, or is otherwise involved in, any proceeding by reason of his or her position as a director or officer against expenses and liabilities incurred by them in connection with any suit to which they are, or are threatened to be made, a party by reason of their serving in their positions so long as they acted in good faith and in a manner they reasonably believe to be in, or not opposed to, the best interests of the corporation, and with respect to any criminal action, they had no reasonable cause to believe their conduct was unlawful. With respect to suits by or in the right of a corporation, however, indemnification is generally limited to attorney's fees and other expenses and is not available if the person is adjudged to be liable to the corporation unless the court determines that indemnification is appropriate. In addition, a corporation has the power to purchase and maintain insurance for these persons. Article 4 of our by-laws also expressly provides that the power to indemnify authorized thereby is not exclusive of any other rights to which any present and former directors and officers may be entitled.

Article 9 of our charter eliminates in certain circumstances the monetary liability of our directors for a breach of their fiduciary duty as directors. These provisions do not eliminate the liability of a director

for a breach of the director's duty of loyalty to us or to our stockholders;

Edgar Filing: UNIT CORP - Form POSASR

for acts or omissions not in good faith or which involve intentional misconduct or knowing violation of law;

under Section 174 of the Delaware General Corporation Law (relating to the declaration of dividends and purchase or redemption of shares in violation of the Delaware General Corporation Law); or

for transactions from which the director derived an improper personal benefit.

We have purchased directors and officer's liability insurance that would indemnify our directors and officers against damages arising out of certain kinds of claims that might be made against them based on their negligent acts or omissions while performing their duties.

Our policy is to enter into separate indemnification agreements with each of our directors and executive officers that provide the maximum indemnity allowed to directors and executive officers by Section 145 of the Delaware General Corporation Law and which allow for certain additional procedural protections.

The agreements provide that, on request by a director or executive officer, we are obligated to advance expenses for defense of a claim made against the director or executive officer. Our obligation to indemnify the director or executive officer is subject to applicable law and may be subject to the determination by independent counsel or another reviewing party selected by the board of directors that the director or executive officer is entitled to indemnification. The agreements also provide for partial indemnification if a portion of a claim for indemnification is not allowed by the agreements.

The above discussion of our charter, by-laws, indemnification agreements and of Section 145 of the Delaware General Corporation Law is not exhaustive and is qualified in its entirety by our charter, our by-laws, the indemnification agreements and statute.

We have been advised that, in the opinion of the SEC, indemnification for certain liabilities is against public policy as expressed in the Exchange Act and is, therefore, unenforceable.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sale are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information described in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in

the form of prospectus filed with the SEC under Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price described in the Calculation of Registration Fee table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to the information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant under Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration

statement, or is contained in a form of prospectus filed under Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each post-effective amendment will be deemed to be a new registration statement relating to the securities offered, and the offering of the securities at that time will be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for purposes of determining liability under the Securities Act to any purchaser
 - (i) Each prospectus filed by the registrant under Rule 424(b)(3) will be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed under Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made under Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act will be deemed to be part of and included in the registration statement as of the earlier of the date the form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, that date will be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of the securities at that time will be deemed to be the initial good faith offering. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale before the effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any document immediately before the effective date.
- (5) That, for purposes of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant under this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to the purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell the securities to the purchaser.
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed under Rule 424;

Edgar Filing: UNIT CORP - Form POSASR

- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

II-6

- (b) The undersigned Registrant hereby undertakes, that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report under Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report under Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement will be deemed to be a new registration statement relating to the securities offered therein, and the offering of the securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant under the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. If a claim for indemnification against those liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether the indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of the issue.

- (d) The undersigned registrant undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.
