- * Subject to change in the event that the Fund properly authorizes an extension of time during which the Offer is pending. *In the event of any such extension, Shareholders will be notified in writing by the Fund.* Because the Fund does not presently anticipate authorizing any such extension, the Fund strongly recommends that Shareholders make any decisions with respect to this Offer based on the dates specified in the table above.

AIP Multi-Strategy Fund P (the *Fund*), in accordance with the terms and conditions set forth herein, is offering to purchase from shareholders of the Fund (*Shareholders*) shares of the Fund (*Shares*). (As used in this Schedule TO, the term *Shares* refers to the shares of beneficial interest in the Fund constituting the class of security which is the subject of this Offer (as defined below).) As the Fund invests substantially all of its assets in shares of AIP Multi-Strategy Fund A, a Delaware statutory trust (the *Master Fund*), the Fund's offer to purchase *Shares* is being made at the same time as, and in parallel with, a corresponding offer by the Master Fund. The Master Fund is offering to purchase Master Fund shares in an amount up to 15% of the net assets of the Master Fund, calculated as of the Valuation Date, and each Master Fund share tendered for purchase will be purchased at the net asset value per Master Fund share calculated as of such date. (Net asset value per Master Fund share is equal to (a) the difference between the value of the Master Fund's assets and the value of the Master Fund's liabilities, *divided by* (b) the number of Master Fund shares outstanding.)

Subject ultimately to the Master Fund's 15% limitation *vis-à-vis* Master Fund shareholders, which include the Fund, the Fund is hereby offering to purchase *Shares* from *Shareholders*, and each Share tendered for purchase will be purchased at the net asset value per Share calculated as of the Valuation Date. (Net asset value per Share is equal to (a) the difference between the value of the Fund's assets and the value of the Fund's liabilities, *divided by* (b) the number of *Shares* outstanding.) *Shareholders* desiring to tender *Shares* for purchase must do so by 12:00 midnight, Eastern time, on the Initial Notice Date (or, in the event of any extension of the offer to purchase *Shares* for cash on the terms and conditions set out in the Offer to Purchase and the related Letter of Transmittal (which, together constitute the *Offer*), by 12:00 midnight, Eastern time, on the latest applicable Notice Date). *Shareholders* have the right to change their minds and withdraw any tenders of their *Shares* until 12:00 midnight, Eastern time, on the Initial Expiration Date (or, in the event of any extension of the Offer, by 12:00 midnight, Eastern time, on the latest applicable Expiration Date). The net asset value of *Shares* will be calculated for this purpose as of the Valuation Date. The Fund will review the net asset value calculation of the *Shares* during the Fund's audit for its fiscal year ending on the Fiscal Year-End Date. The Fund expects that the Fund's audit will be completed no later than 60 days after the Fiscal Year-End Date, and the net asset value per Share calculated as of such Fiscal Year-End Date will be used to determine the final amount paid for each tendered Share.

If a *Shareholder* tenders any of its *Shares* and the Fund purchases those *Shares*, the Fund will give the *Shareholder* a non-interest bearing, non-transferable promissory note (the *Note*). The *Note* entitles the *Shareholder* to receive an amount, determined as of the Valuation Date, equal to the net asset value of the *Shares* tendered.

The *Note* will entitle the *Shareholder* to receive an initial payment in cash equal to at least 90% of the unaudited net asset value of the *Shares* tendered by the *Shareholder* and accepted for purchase by the Fund (the *Initial Payment*) which will be paid to the *Shareholder* no later than 30 days after the Valuation Date or, if the Fund has requested withdrawals of its capital from the Master Fund in order to fund the purchase of *Shares*, no later than ten business days after the Fund has received at least 90% of the aggregate amount withdrawn from the Master Fund. The Master Fund may need to redeem some or all of its interests in certain underlying hedge funds in which the Master Fund invests (*Investment Funds*) in order to fulfill the Fund's request to withdraw capital from the Master Fund. If any of the *Investment Funds* have delayed or suspended the rights of their respective investors to redeem interests in such *Investment Funds*, the Master Fund may not be able to fulfill the Fund's withdrawal request, which may force the Fund to suspend or delay the Offer. *Shareholders* will be notified promptly of any such suspension or delay.

The Note will also entitle the Shareholder to receive a contingent payment (the Post-Audit Payment) equal to the amount, if any, by which the net asset value of the Shares tendered and purchased as of the Valuation Date (as such net asset value may be adjusted based upon the next annual audit of the Fund's financial statements) exceeds the Initial Payment. The Post-Audit Payment will be payable promptly after the completion of the Fund's next annual audit. Proceeds of the Initial Payment and the Post-Audit Payment will be wire-transferred.

If the Fund accepts the tender of the Shareholder's Shares, the Fund will make payment for the Shares it purchases from one or more of the following sources: cash on hand, the proceeds of the sale of portfolio securities held by the Fund, withdrawals of its capital from the Master Fund, or borrowings.

Shareholders desiring to tender Shares for purchase by the Fund should keep in mind that the Fund reserves the right to repurchase *all* of a Shareholder's Shares at any time if the aggregate value of such Shareholder's Shares is, at the time of such compulsory repurchase, less than the minimum initial investment applicable for the Fund. This right of the Fund to repurchase Shares compulsorily may be a factor which Shareholders may wish to consider when determining the extent of any tender for purchase by the Fund.

Shareholders desiring to tender Shares for purchase must do so by 12:00 midnight, Eastern time, on the Initial Notice Date (or, if the Offer is extended, by 12:00 midnight, Eastern time, on the latest applicable Notice Date). The Offer to Shareholders remains revocable until 12:00 midnight, Eastern time, on the Initial Expiration Date (or, if the Offer is extended, until 12:00 midnight, Eastern time, on the latest applicable Expiration Date). Until the Expiration Date, Shareholders have the right to change their minds and withdraw any tenders of their Shares. Shares withdrawn may be re-tendered, however, *provided that* such tenders are made before the Notice Date by following the tender procedures described herein. If the Fund has not yet accepted a Shareholder's tender of Shares on or before the Acceptance Date, a Shareholder will also have the right to withdraw its tender of its Shares after such date.

If a Shareholder would like the Fund to purchase any of its Shares, it should complete, sign, and either (i) mail (via certified mail, return receipt requested) or otherwise deliver a Letter of Transmittal to the Fund at either of the following addresses:

Overnight Delivery:

AIP Multi-Strategy Fund P

Milwaukee, WI 53212

or (ii) fax it to the Fund at (877) 839-1119, so that it is received before 12:00 midnight, Eastern time, on the Initial Notice Date. The value of the Shares may change between the Prior NAV Calculation Date and the Valuation Date. Shareholders desiring to obtain the estimated net asset value of their Shares, which the Fund will calculate from time to time based upon the information the Fund receives from the managers of the investment funds in which it invests, may contact one of the Fund's dedicated account representatives at (800) 421-7572, Monday through Friday (except holidays), from 8:00 a.m. to 5:00 p.m., Eastern time.

Regular Mail:

AIP Multi-Strategy Fund P
P.O. Box 2175
Milwaukee, WI 53201-2175

Please note that, just as each Shareholder has the right to withdraw its tender, the Fund has the right to cancel, amend, or postpone this Offer at any time before 12:00 midnight, Eastern time, on the Initial Expiration Date. Also realize that the Offer is set to expire on the Initial Expiration Date (or, if the Offer is extended, the latest applicable Expiration Date) and that, if a Shareholder desires to tender Shares for purchase, it must do so by the Initial Notice Date (or, if the Offer is extended, by the latest applicable Notice Date). A Shareholder tendering all of its Shares will remain a Shareholder of the Fund through the Valuation Date, when the net asset value of the Shareholder's Shares is calculated, notwithstanding the Fund's acceptance of the Shareholder's Shares for purchase.

ITEM 4. TERMS OF THE TENDER OFFER

(a) (1) (i) Subject to the conditions set out in the Offer and to the limitation described in the following two sentences, the Fund will purchase Shares which are tendered by Shareholders by 12:00 midnight, Eastern time, on the Initial Notice Date (or, if the Offer is extended, by 12:00 midnight, Eastern time, on the latest applicable Notice Date) and not withdrawn as described in Item 4(a)(1)(vi). The Fund's Offer is being made at the same time as, and in parallel with, a corresponding offer by the Master Fund, and the Master Fund is offering to purchase Master Fund shares in an amount up to 15% of the net assets of the Master Fund. Participation by the Fund (a Master Fund shareholder) in the Master Fund's offer is subject to the Master Fund's 15% limitation.

(ii) The value of the Shares tendered to the Fund for purchase will be their net asset value as of the close of business on the Valuation Date. See Item 4(a)(1)(v) below.

Subject to the discussion below in Item 4(a)(1)(ix), each Shareholder may tender any of its Shares for repurchase by the Fund (keeping in mind that the Fund reserves the right to repurchase *all* of a Shareholder's Shares at any time if the aggregate value of such Shareholder's Shares is, at the time of such compulsory repurchase, less than the minimum initial investment applicable for the Fund. Each Shareholder tendering Shares which are accepted for purchase will be given a Note promptly after the Expiration Date. The Note will entitle the Shareholder to be paid an amount, determined as of the Valuation Date, equal to the value of the Shares being purchased (subject to adjustment upon completion of the next annual audit of the Fund's financial statements). This amount will be the value of the Shareholder's Shares determined as of the Valuation Date and will be based upon the net asset value of the Fund's assets as of that date, after giving effect to all allocations to be made as of that date.

The Note will entitle the Shareholder to receive the Initial Payment in an amount equal to at least 90% of the unaudited net asset value of the Shares tendered and accepted for purchase by the Fund, determined as of the Valuation Date. Payment of this amount will be made no later than 30 days after the Valuation Date or, if the Fund has requested withdrawals of its capital from the Master Fund in order to fund the purchase of Shares, no later than 10 business days after the Fund has received at least 90% of the aggregate amount withdrawn by the Fund from the Master Fund. The Master Fund may need to redeem some or all of its interests in certain underlying hedge funds in which the Master Fund invests (Investment Funds) in order to fulfill the Fund's request to withdraw capital from the Master Fund. If any of the Investment Funds have delayed or suspended the rights of their respective investors to redeem interests in such Investment Funds, the Master Fund may not be able to fulfill the Fund's withdrawal request, which may force the Fund to suspend or delay the Offer. Shareholders will be notified promptly of any such suspension or delay.

The Note will also entitle a Shareholder to receive the Post-Audit Payment, *i.e.*, a contingent payment equal to the amount, if any, by which the net asset value of the Shares tendered by the Shareholder and accepted by the Fund for purchase as of the Valuation Date (as such net asset value may be adjusted based upon the next annual audit of the Fund's financial statements) exceeds the Initial Payment. The Post-Audit Payment will be payable promptly after the completion of the Fund's next annual audit. It is anticipated that the annual audit of the Fund's financial statements will be completed no later than 60 days after the Fiscal Year-End Date.

(iii) Shareholders desiring to tender Shares for purchase must do so by 12:00 midnight, Eastern time, on the Initial Notice Date (or, if the Offer is extended, by 12:00 midnight, Eastern time, on the latest applicable Notice Date). Shareholders have the right to change their minds and withdraw any tenders of their Shares before 12:00 midnight, Eastern time, on the Initial Expiration Date (or, if the Offer is extended, before 12:00 midnight, Eastern time, on the latest applicable Expiration Date).

(iv) Not applicable.

(v) The Fund reserves the right, at any time and from time to time, to extend the period of time during which the Offer is pending by notifying Shareholders of such extension. If the Fund elects to extend the tender period, the net asset value, and, hence, the purchase amount, of the tendered Shares will be determined at the close of business on the last day of the month immediately following the month in which the Expiration Date occurs. During any such extension, all Shares previously tendered and not withdrawn will remain subject to the Offer. The Fund also reserves the right, at any time and from time to time, up to and including the Acceptance Date: (a) to cancel the Offer in the circumstances set out in Section 8 of the Offer to Purchase dated as of the Commencement Date, and, in the event of such cancellation, not to purchase, or pay for, any Shares tendered pursuant to the Offer; (b) to amend the Offer; or (c) to postpone the acceptance of Shares. If the Fund determines to amend the Offer or to postpone the acceptance of Shares tendered, it will, to the extent necessary, extend the period of time during which the Offer is open as provided above and will promptly notify Shareholders.

(vi) In accordance with the terms set forth in the Fund's Prospectus dated May 10, 2018 (as it may be amended, modified, or otherwise supplemented from time to time, the "Prospectus"), a tender of Shares made pursuant to this Offer may be withdrawn at any time before 12:00 midnight, Eastern time, on the Initial Expiration Date (or, if the Offer is extended, before 12:00 midnight, Eastern time, on the latest applicable Expiration Date). Pursuant to Rule 13e-4(f)(2)(ii) of the Securities Exchange Act of 1934 (the "1934 Act"), if the Fund has not yet accepted a Shareholder's tender of Shares on or before the Acceptance Date, a Shareholder will also have the right to withdraw its tender of its Shares after such date.

(vii) Shareholders wishing to tender Shares pursuant to the Offer should send or deliver a completed and executed Letter of Transmittal to the Fund, at the address set out on the first page of the Letter of Transmittal, or fax a completed and executed Letter of Transmittal to the Fund, at the fax number set out on the first page of the Letter of Transmittal. The completed and executed Letter of Transmittal must be received by the Fund, either by mail or by fax, no later than 12:00 midnight, Eastern time, on Initial Notice Date (or, if the Offer is extended, no later than 12:00 midnight, Eastern time, on the latest applicable Notice Date). The Fund recommends that all documents be submitted to the Fund by certified mail, return receipt requested, or by facsimile transmission.

Any Shareholder tendering Shares pursuant to the Offer may withdraw its tender as described above in Item 4(a)(1)(vi). To be effective, any notice of withdrawal must be timely received by the Fund at the address or fax number set out on the first page of the Letter of Transmittal. A tender of Shares properly withdrawn shall not thereafter be deemed to be tendered for purposes of the Offer. Shares withdrawn may be re-tendered, however, *provided that* such tenders are made before the Notice Date by following the tender procedures described above.

(viii) For purposes of the Offer, the Fund will be deemed to have accepted a Shareholder's tender of Shares as, if, and when it gives written notice to the tendering Shareholder of its acceptance of such Shareholder's tender and purchase such Shares.

(ix) If Master Fund shares in excess of 15% of the net assets of the Master Fund are duly tendered to the Master Fund before the Notice Date and not withdrawn before the Expiration Date as part of the Master Fund's corresponding offer, the Master Fund, in its sole discretion, may do any of the following: (a) accept the additional Master Fund shares permitted to be accepted pursuant to Rule 13e-4(f)(3) under the 1934 Act; (b) extend the Master Fund's corresponding offer, if necessary, and increase the amount of Master Fund shares which the Master Fund is offering to purchase to an amount it believes sufficient to accommodate the excess Master Fund shares tendered as well as any Master Fund shares tendered on or before the specified Notice Date in such extension of the Master Fund's corresponding offer; and (c) accept Master Fund shares tendered before the Notice Date and not withdrawn before the Expiration Date for payment on a *pro rata* basis based on the aggregate net asset value of tendered Master Fund shares. The Fund will take the same action with respect to this Offer as the Master Fund, in its discretion takes with respect to the Master Fund's corresponding offer. Additionally, the Offer may be extended, amended, or canceled in various other circumstances described in Item 4(a)(1)(v) above.

(x) The purchase of Shares pursuant to the Offer will have the effect of increasing the proportionate interest in the Fund of Shareholders not tendering Shares. Shareholders retaining their Shares may be subject to increased risks which may possibly result from the reduction in the Fund's aggregate assets due to the Fund's payment for the Shares tendered. (Similar risks apply to the Master Fund with respect to the Master Fund's corresponding offer. These risks include the potential for greater volatility due to decreased diversification.) The Fund believes that this result is unlikely, however, given the nature of the Fund's investment program. A reduction in the aggregate assets of the Fund may result in those Shareholders not tendering Shares bearing higher costs to the extent that certain relatively fixed expenses borne by the Fund may not decrease if assets decline. These effects may be reduced or eliminated to the extent that additional subscriptions for Shares are made by new and existing Shareholders from time to time.

(xi) Not applicable.

(xii) The U.S. federal income tax discussion set forth below is a summary included for general information purposes only. This summary is based upon the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations promulgated thereunder, Internal Revenue Service ("IRS") pronouncements and judicial decisions, all as currently in effect as of the date hereof and all of which are subject to change or differing interpretation, possibly with retroactive effect. Except where noted, this summary addresses Shareholders whose Shares are held as capital assets within the meaning of the Code and does not deal with special situations, including, without limitation, those of dealers in securities or commodities, traders in securities that elect to mark their holdings to market, financial institutions, tax-exempt organizations, insurance companies, U.S. expatriates, persons liable for the alternative minimum tax, persons holding Shares as a part of a hedging, conversion or constructive sale transaction or a straddle or U.S. Shareholders whose functional currency is not the U.S. dollar. This summary does not address all aspects of U.S. federal income taxes and does not address the effects of the Medicare contribution tax on net investment income or foreign, state, local or other tax considerations that may be relevant to Shareholders in light of their particular circumstances. In view of the individual nature of tax consequences, each Shareholder is advised to consult its own tax adviser with respect to the specific, individual tax consequences of participation in the Offer, including the effect and applicability of state, local, foreign and other tax laws and the possible effects of changes in federal or other tax laws. If a partnership holds Shares, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partner of a partnership holding Shares, you should consult your tax advisors.

The sale of Shares pursuant to the Offer will be a taxable transaction for U.S. federal income tax purposes, either as a sale or exchange, or under certain circumstances, as a dividend. Under Section 302(b) of the Code, a sale of Shares pursuant to the Offer generally will be treated as a sale or exchange if the receipt of cash by the Shareholder:

(a) results in a complete termination of the Shareholder's interest in the Fund, (b) is substantially disproportionate with respect to the Shareholder, or (c) is not essentially equivalent to a dividend with respect to the Shareholder. In determining whether any of these tests has been met, Shares actually owned, as well as Shares considered to be owned by the Shareholder by reason of certain constructive ownership rules set forth in Section 318 of the Code, generally must be taken into account. If any of these three tests for sale or exchange treatment is met, a Shareholder will recognize gain or loss equal to the difference between the price paid by the Fund for the Shares purchased in the Offer and the Shareholder's adjusted basis in such Shares. If such Shares are held as a capital asset, the gain or loss will generally be capital gain or loss. The maximum tax rate applicable to net capital gains recognized by individuals and other non-corporate taxpayers is generally (i) the same as the applicable ordinary income rate for capital assets held for one year or less or (ii) either 15% or 20% for capital assets held for more than one year, depending on whether the individual's income exceeds certain threshold amounts.

If the requirements of Section 302(b) of the Code are not met, amounts received by a Shareholder who sells Shares pursuant to the Offer will be taxable to the Shareholder as a dividend to the extent of such Shareholder's allocable Share of the Fund's current or accumulated earnings and profits. To the extent that amounts received exceed such Shareholder's allocable Share of the Fund's current and accumulated earnings and profits, such excess will constitute a non-taxable return of capital (to the extent of the Shareholder's adjusted basis in its Shares), and any amounts in excess of the Shareholder's adjusted basis will constitute taxable capital gain. Any remaining adjusted basis in the Shares tendered to the Fund will be transferred to any remaining Shares held by such Shareholder. In addition, if a tender of Shares is treated as a dividend to a tendering Shareholder, a constructive dividend under Section 305(c) of the Code may result to a non-tendering Shareholder whose proportionate interest in the earnings and assets of the Fund has been increased by such tender.

Foreign Shareholders. Any payments (including constructive dividends) to a tendering Shareholder who is a nonresident alien individual, a foreign trust or estate or a foreign corporation that does not hold his, her or its Shares in connection with a trade or business conducted in the United States (a Foreign Shareholder) that are treated as dividends for U.S. federal income tax purposes under the rules set forth above, will generally be subject to U.S. withholding tax at the rate of 30% (unless a reduced rate applies under an applicable tax treaty). A tendering Foreign Shareholder who realizes a capital gain on a tender of Shares will not be subject to U.S. federal income tax on such gain, unless the Shareholder is an individual who is physically present in the United States for 183 days or more and certain other conditions exist. Such persons are advised to consult their own tax adviser. Special rules may apply in the case of Foreign Shareholders (i) that are engaged in a U.S. trade or business, (ii) that are former citizens or residents of the U.S. or (iii) that have a special status for U.S. federal tax purposes, such as controlled foreign corporations, corporations that accumulate earnings to avoid U.S. federal income tax, and certain foreign charitable organizations. Such persons are advised to consult their own tax adviser.

In addition, a Foreign Shareholder (other than an individual) may be subject to a 30% withholding tax under Chapter 4 of the Code, commonly referred to as FATCA, unless such Foreign Shareholder establishes an exemption from such withholding tax under FATCA, typically on IRS Form W-8BEN-E. If any amounts are withheld under FATCA, such amounts will be credited against any withholding due for U.S. federal income tax.

Backup Withholding. The Fund generally will be required to withhold tax at the rate of 24% (backup withholding) from any payment to a tendering Shareholder that is an individual (or certain other non-corporate persons) if the Shareholder fails to provide to the Fund its correct taxpayer identification number or otherwise establish an exemption from the backup withholding tax rules. A Foreign Shareholder generally will be able to avoid backup withholding with respect to payments by the Fund that are treated as made in exchange for tendered Shares only if it furnishes to the Fund a duly completed Form IRS W-8BEN OR W-8BEN-E, signed under penalty of perjury, stating that it (1) is a nonresident alien individual or a foreign corporation, partnership, estate or trust, (2) has not been and does not plan to be present in the United States for a total of 183 days or more during the calendar year, and (3) is neither engaged, nor plans to be engaged during the year, in a United States trade or business that has effectively connected gains from transactions with a broker or barter exchange. Backup withholding is not an additional tax, and any amounts withheld may be credited against a Shareholder's U.S. federal income tax liability.

(2) Not applicable.

(b) Any Shares to be purchased from any affiliate, officer, or member of the Board of Trustees, of the Fund will be on the same terms and conditions as any other purchase of Shares.

ITEM 5. PAST CONTRACTS, TRANSACTIONS, NEGOTIATIONS, AND AGREEMENTS

The Prospectus provides that the Board of Trustees will cause the Fund to purchase Shares from Shareholders pursuant to written tenders, at the same time as, and in parallel with, a corresponding offer by the Master Fund. The Prospectus also states that the Adviser expects that it will recommend to the Master Fund's board of trustees that the Master Fund purchase Master Fund shares from Master Fund shareholders quarterly, on each March 31, June 30, September 30, and December 31 each year. The Fund's Board of Trustees is expected to authorize corresponding purchases for the Fund's Shares as of the same dates.

* This amount is an estimate. The net asset value as of March 29, 2019 of the Shares (and portions thereof) tendered pursuant to the offer is not yet available.

The Fund is not aware of any contract, arrangement, understanding, or relationship (whether or not legally enforceable) relating directly or indirectly to the Offer between (i) the Fund, the Adviser, the Board of Trustees, or any person controlling the Fund, the Adviser, or the Board of Trustees and (ii) any other person, with respect to the Shares.

ITEM 6. PURPOSES OF THIS TENDER OFFER AND PLANS OR PROPOSALS

(a) As contemplated by, and in accordance with, the procedures set out in the Prospectus, the purpose of the Offer is to provide liquidity to Shareholders.

(b) Shares tendered to the Fund in connection with the Offer will be retired, although the Fund offers Shares in a continuous public offering, conducted pursuant to an effective Registration Statement under the Securities Act of 1933, in accordance with the Prospectus. Shares may be purchased as of the first day of each calendar month at the Fund's then current net asset value per Share.

(c) None of the Fund, the Adviser, and the Board of Trustees has any plans or proposals which relate to, or would result in: (1) the acquisition by any person of additional Shares (other than the Fund's intended continued acceptance of subscriptions for Shares on the first day of each calendar month and from time to time in the discretion of the Adviser) or the disposition of Shares (other than through periodic purchase offers, including this Offer); (2) an extraordinary transaction involving the Fund, such as a merger, reorganization, or liquidation; (3) any material change in the present indebtedness, capitalization, or distribution policy of the Fund; (4) any change in the present Board of Trustees or in the management of the Fund including without limitation any change in the number or the term of members of the Board of Trustees, the filling of any existing vacancy on the Board of Trustees, or any change in any material term of the employment contract of any executive officer; (5) a purchase, sale, or transfer of a material amount of assets of the Fund (other than as the Board of Trustees determines may be necessary or appropriate to fund all or a portion of the purchase amount for Shares acquired pursuant to the Offer or in connection with the ordinary portfolio transactions of the Fund); (6) any other material change in the Fund's corporate structure or business, including any material change in any of its investment policies, for which a vote would be required by Section 13 of the 1940 Act; or (7) any change in the Declaration of Trust or other governing instruments or any other action which could impede the acquisition of control of the Fund. Because Shares are not traded in any market, paragraphs (6), (7), and (8) of Regulation M-A § 229.1006(c) are not applicable to the Fund.

ITEM 7. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

(a) The Fund expects that the amount offered for the purchase of Shares pursuant to the Offer, which is being made at the same time as, and in parallel with, a corresponding offer by the Master Fund, whose own offer is not to exceed 15% of the net assets of the Master Fund (unless the Master Fund elects to purchase a greater amount), will be paid from one or more of the following sources: (i) cash on hand; (ii) the proceeds of the sale of securities and portfolio assets held by the Fund; (iii) withdrawals of its capital from the Master Fund; and (iv) possibly borrowings, as described in paragraph (d) below. The Fund will segregate, with its custodian, cash, liquid securities, or Master Fund shares which the Fund, as a Master Fund shareholder, has tendered to the Master Fund for purchase in a corresponding offer by the Master Fund (or any combination of any of the foregoing items) equal to the value of the amount estimated to be paid under any Note as described above.

(b) There are no material conditions to the financing of the transaction. There are currently no alternative financing plans or arrangements for the transaction.

(c) Not applicable.

(d) None of the Fund, the Adviser, and the Board of Trustees has determined at this time to borrow funds to purchase Shares tendered in connection with the Offer. Depending on the dollar amount of Shares tendered and prevailing general economic and market conditions, however, the Fund, in its sole discretion, may decide to seek to borrow money to fund all or a portion of the purchase amount for Shares, subject to compliance with applicable law. If the Fund funds any portion of the purchase amount in that manner, it will deposit assets in a special custody account with its custodian, State Street Bank and Trust Company, to serve as collateral for any amounts so borrowed, and, if the Fund were to fail to repay any such amounts, the lender would be entitled to satisfy the Fund's obligations from the collateral deposited in the special custody account. The Fund expects that the repayment of any amounts borrowed will be financed from additional funds contributed to the Fund by new or existing Shareholders, from withdrawals of its capital from the investment funds in which it invests, or from proceeds of the sale of securities and portfolio assets held by the Fund.

ITEM 8. INTEREST IN SECURITIES OF THE ISSUER

(a) Morgan Stanley AIP Funding Inc. is an affiliate of the Adviser, and, as of the Prior NAV Calculation Date, it owned \$132,487 of the value of the Shares, representing approximately 0.53% of the Fund's net assets.

(b) Other than the acceptance of subscriptions for Shares as of the Prior Two Admission Dates, there have been no transactions involving Shares effected during the past 60 days by the Fund, the Adviser, any member of the Board of Trustees, or any person controlling the Fund or the Adviser.

ITEM 9. PERSONS/ASSETS RETAINED, EMPLOYED, COMPENSATED, OR USED

No persons have been directly or indirectly employed or retained, or are to be compensated, by the Fund to make solicitations or recommendations in connection with the Offer.
